Subject: Ordinance Authorizing Issuance of Professional Sports Franchise Facilities Tax Revenue Bonds

Recommendation

It is recommended that the Board of County Commissioners (Board) enact the attached Ordinance (Series 2009 PST Ordinance) authorizing the issuance in multiple series of Professional Sports Franchise Facilities Tax ("PST") Revenue Bonds, in an aggregate principal amount not to exceed \$378,000,000 (Series 2009 PST Bonds).

This Series 2009 PST Ordinance provides for the authorization of bond proceeds: (i) to refund the currently outstanding Professional Sports Franchise Facilities Tax Revenue Refunding Bonds, Series 1998; and (ii) to be utilized towards the County's obligation to pay a portion of the costs for the development, construction, and related public infrastructure of a publicly owned baseball stadium to be owned by the County and operated by the Florida Marlins (Baseball Stadium).

Scope

While the Baseball Stadium will be located in Commission District 5, the impact of this project funded with the proceeds of the Series 2009 PST Bonds is countywide.

Fiscal Impact/Funding Source

The principal and interest on the Series 2009 PST Bonds are special and limited obligations of the County payable solely from and secured by a prior lien and pledge of the Pledged Revenues. Pledged Revenues consist of, in the following priority: (i) a one percent tourist based tax on transient lodging facilities in the County, with the exception of the cities of Miami Beach, Bal Harbour, and Surfside (Professional Sports Franchise Facilities Tax, PST); (ii) a two percent tourist based tax on transient lodging facilities development room tax levied and collected by the County, with the exception of the cities of Miami Beach, Bal Harbour and Surfside (Tourist Development Tax, "TDT"); (iii) solely to the extent provided in Section 504(b) of the Series 2009 PST Ordinance, derived from a covenant to budget and appropriate legally available non ad valorem revenues (defined in the Series 2009 PST Ordinance as Covenant Revenues); (iv) Hedge Receipts (which are payments received, if any, from interest rate swaps); and (v) investment earnings.

Hedge Receipts are payments received by the County on their Hedge Agreements (i.e. interest rate swaps) and Hedge Obligations are payments made by the County under Hedge Agreements. No Hedge Agreements will be used in connection with the Plan of Finance, but since the Prior Ordinance (98-74), which provided the flexibility to enter into Hedge Agreements, is being discharged through the refunding of the Series 1998 Bonds, the same flexibility is provided under this Series 2009 PST Ordinance. However, the Series 2009 PST Ordinance provides for the use of Hedge Agreements subject to Board approval. These Hedge Agreements have been used by the County as a debt management tool.

The Proposed FY 2009-2010 Budget will include any necessary appropriations depending on the final structure of the Series 2009 PST Bonds.

Plan of Finance

Pursuant to the underlying stadium agreements among the County, the City of Miami and Florida Marlins (Team), the County is obligated to fund \$347.5 million prior to construction of the Baseball Stadium and up to \$12.587 million in related public infrastructure, including LEED Certification, of which up to \$9.119 million will be financed by the Series 2009 CDT Bonds, which are also on this same agenda for Board consideration. The County will satisfy these obligations through a Plan of Finance which is based on the assumption that the maximum amount of PST revenues possible (\$237.5 million) will be leveraged to meet the County's obligations. Included in that Plan are: (i) Building Better Communities General Obligation Bonds (GO Bonds) in an aggregate principal amount not to exceed \$55 million; (ii) bonds secured by a primary pledge of PST receipts and a secondary pledge of TDT receipts and Covenant Revenues (PST Bonds); (iii) bonds secured by a primary pledge of Convention Development Tax receipts and a secondary pledge of sales tax (CDT Bonds); and (iv) bonds secured by the County's pledge to budget and appropriate legally available non ad valorem revenues (Covenant Revenues). The goal at the time of pricing and marketing of the GO Bonds, the PST Bonds and the CDT Bonds is to achieve the following:

PRELIMINARY PLAN OF FINANCE – SOURCES AND USES OF BOND PROCEEDS (\$ in thousands)

<u>Category</u>	<u>PST</u> ⁽¹⁾	<u>CDT</u> ⁽¹⁾	<u>GO</u>	<u>TOTAL</u>
Project	237,500	60,000	50,000	347,500
Public Infrastructure	0	9,119	0	9,119
Subtotal	237,500	69,119	50,000	356,619
Debt Service Reserve Fund ⁽²⁾	23,750	6,912	0	30,662
Cost of Issuance/ Underwriter's Fee	10,960	2,640	5,000	18,600
+TOTAL	272,210	78,671	55,000	405,881

(1) Depending on market conditions, any shortfall in PST will be funded through additional CDT Bonds.

(2) This is part of bond issuance and not included in separately funded tourist tax Shortfall Reserve.

The Plan of Finance, as detailed above, does not include a County obligation to fund \$35 million for the Baseball Stadium plus \$2 million for the County's project soft costs which will be financed in 2011 from bonds likely secured by the County's covenant to budget and appropriate legally available non ad valorem revenues in the Capital Outlay Reserve Fund (CORF). It is anticipated that debt service payments will be structured to be equal to or less than the annual rent payments to be received from the Team.

The attached Series 2009 PST Ordinance authorizes up to \$378 million in PST Bonds. This amount is sufficient in favorable market conditions to fund the \$272.21 million Project cost (which includes the Debt Service Reserve Fund and Costs of Issuance) and \$105 million to refund all of the outstanding Series 1998 Bonds (which have a current compounded or accrued value of \$93,362,696.91). However, because the actual sale of the PST Bonds and the CDT Bonds are not expected to occur for a few months, the amount of PST Bonds that can be issued may vary depending on market conditions at that time. In order to account for this possibility, the Plan of Finance is structured to allow the County to increase the size of the CDT Bonds (where the County has more capacity) and to reduce the PST Bonds by the same amount. An unfavorable shift in interest rates could reduce the amount that can be leveraged through the issuance of PST Bonds by a significant amount. For that reason, the Series 2009 CDT Ordinance authorizes the issuance of not to exceed \$130 million of CDT Bonds. However, in no event will the total issuance amount of the PST and CDT Bonds in the aggregate exceed the amount necessary to satisfy the County's obligations of \$347.5 million for the construction of the Baseball Stadium and up to \$9.119 million for the related public infrastructure (including LEED certification). In addition, no other projects will be funded pursuant to these Ordinances and/or Series Resolutions without Board approval. The Series 2009 CDT Ordinance also provides that any authorization remaining after the issuance of the CDT Bonds terminates. The purpose of that clause in the accompanying Series 2009 CDT Ordinance is to restrict the amount of bonds that can be issued from the various sources to

only the amount necessary to meet the stadium funding requirements. As capacity becomes available, this clause by no means precludes the County from issuing additional CDT bonds for new eligible projects, such as the New World Symphony and others. Another item on the special meeting agenda approves an agreement between the City of Miami and the County that allows the County to issue up to \$100 million of CDT bonds which will have a priority lien over any CDT payments to the City. If it is necessary to issue CDT bonds in excess of \$100 million, with a priority lien over the CDT payment to the City, an amendment to the agreement with the City of Miami will be necessary. If in the future the County decides to finance additional eligible projects, secured by CDT Revenues, a subsequent ordinance will be presented to the Board for consideration and approval.

Additional Considerations for the Plan of Finance

It should be noted that there are fundamental components that comprise the overall plan of finance that will be present regardless of the final amount of PST and CDT Bonds issued.

- The PST and CDT financing structures are based on projected revenue estimates. The actual results will be different (better or worse) than the estimated projections. If significantly worse, it may necessitate the use of the secondary pledge to meet debt service in the future. However, with that understanding, the County has taken measures to address the uncertainty that exists with any revenue projections. In order to mitigate the risk of lower than expected revenues, the County will maintain to a certain level (\$45 million) an internal shortfall reserve (funded from existing and future excess PST/TDT/CDT revenues) while the bonds are outstanding. The purpose of this internal shortfall reserve is to protect the County from having to utilize the secondary revenue pledge in the event that revenues under perform.
- The CDT and PST financings will have terms of up to 40 years and the structure is anticipated to be comprised of fixed rate bonds sold as Current Interest Bonds and/or Capital Appreciation Bonds (where interest is not paid periodically but instead interest accrues and a total payment of principal and accrued interest is due upon maturity) and variable rate demand bonds. This debt structure enables the County to generate the necessary proceeds for the project. If a debt structure comprised of 30-year Current Interest Bonds (CIBs) was utilized, the anticipated revenue stream would not yield sufficient proceeds to meet the Project requirements. It should be noted that the bonds will be structured in the most cost-effective manner, while at the same time, meeting the Project requirements. While there is additional cost, the proposed debt structure has been utilized to fund other projects within the County and around the country. This type of debt structure makes it possible for the County to make current-day investments in capital projects that will benefit the County for several decades into the future.
- Due to the pending litigation, the County had to secure a clean “no-merit” opinion from Bond Counsel prior to proceeding with the Plan of Financing. Without such an opinion, the bonds would not be marketable. In a typical bond transaction, the investors rely solely on an unqualified tax exempt opinion rendered by nationally recognized bond counsel. At the current time, the County’s bond counsel has completed its analysis and is willing to issue a “no merit” opinion in connection with the issuance GO Bonds, the PST Bonds and CDT Bonds, provided, there are no adverse changes in the law or in the case between now and the date on which each of the Bonds are issued. The County Attorney’s office will issue a similar opinion. The Finance Department through the County’s Financial Advisor will determine what effect a no merit opinion will have on the sale of the bonds and report such findings to the Board.

Background

The State Legislature enacted Section 125.0104, Florida Statutes authorizing counties to levy and collect certain tourist development taxes on the privilege of renting, leasing or letting living quarters or accommodations primarily in hotels, motels and resorts. Revenues from this tax is permitted by law to be used for various purposes, including to pay debt service on bonds issued to finance the construction, reconstruction or renovation of certain professional sports franchise facilities. On October 16, 1990 the

Board enacted Ordinance No. 90-116 as amended and now collects and levies a one percent tax (Professional Sports Franchise Facilities Tax).

Pursuant to Ordinance No. 98-74 enacted by the Board on June 2, 1998 and Resolution R-610-98 adopted by the Board on June 2, 1998 (Prior Bond Ordinance), the County has issued \$94,478,888.65 Professional Sports Franchise Facilities Tax Revenue Refunding Bonds. The Series 1998 Bonds were issued to refund, together with other available moneys, bonds previously issued by the County to construct the International Tennis Center, renovate and improve the Golf Club of Miami and the Key Biscayne Golf Course, to renovate the Orange Bowl, to improve the Miami Arena and to construct and equip portions of the Homestead Sports Complex, including a Motorsports Complex. The Series 1998 Bonds are secured by a primary pledge of the Professional Sports Franchise Facilities Tax revenues and a secondary pledge of the Tourist Development Tax Revenues.

Because of current market conditions and to provide the County with maximum flexibility in the utilization of the PST receipts for the Baseball Stadium, the Covenant Revenues are needed as additional collateral on a limited basis as set forth in Section 504 of the Series 2009 PST Ordinance. For that reason, the Series 1998 Bonds have to be refunded to release the lien created under the Prior Bond Ordinance on the PST receipts and the TDT receipts so they can be pledged, together with the Covenant Revenues, to the PST Bonds pursuant to the Series 2009 PST Ordinance.

The attached Series 2009 PST Ordinance authorizes the refunding of the Series 1998 Bonds thereby releasing the lien on the PST and TDT receipts under the Prior Ordinance and provides for the Series 2009 PST Bonds to be secured by the Pledged Revenues. The Series 2009 PST Ordinance further provides that the terms, maturities, interest rates, and other details of the Series 2009 PST Bonds will be determined in subsequent resolution(s) adopted by the Board prior to the issuance of such Series 2009 PST Bonds. The Series 2009 PST Bond Resolution will accompany this Ordinance at second reading.

A Bond shall be transferable by its Holder in person or by his attorney duly authorized in writing only upon the registration books of the County kept by the Registrar and only upon its surrender together with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or his duly authorized attorney. Upon the transfer of any such Bond, the County shall cause to be issued in the name of the transferee a new Bond or Bonds.

The County, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the registration books kept by the Registrar as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond as the same become due and for all other purposes. All such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County, the Paying Agent nor the Registrar shall be affected by any notice to the contrary.

All Bonds so surrendered shall be canceled by the Registrar on behalf of the County. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the County may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed, without surrender.

Any such duplicate Bonds issued pursuant to this Section 206 shall constitute original, additional contractual obligations on the part of the County whether or not the lost, stolen or destroyed Bonds be at any time found by anyone, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien on and source and security for payment from the Pledged Revenues, to the same extent as all other Bonds.

Upon the surrender at the corporate trust office of the Registrar of such temporary Bonds for which no payment or only partial payment has been provided, the Registrar shall authenticate and, without charge to the Holder, deliver in exchange, definitive Bonds of the same aggregate principal amount and maturity as the

temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Ordinance.

For purposes of the certificate, in the event a change in law increases the permissible rate or scope of the Professional Sports Franchise Facilities Tax and/or Tourist Development Tax and if pursuant to such change in law, the County increases the rate or scope of the Professional Sports Franchise Facilities Tax and/or Tourist Development Tax, as applicable, and the County elects by supplemental ordinance to subject such increase to the pledge and lien granted under this Ordinance, and such increase has gone into effect prior to the delivery of the Additional Bonds and is scheduled to be in effect through the final maturity of the Additional Bonds, then the Professional Sports Franchise Facilities Tax Revenues, the Tourist Development Tax Revenues or the Projected Revenues, as applicable, shall be adjusted to include the additional amounts which would have been received during the Computation Period had such increase been in effect during the Computation Period;

(ii) setting forth (A) if the Computation Period under (i) (A) above is used in the certificate, the Maximum Principal and Interest Requirements in any Fiscal Year thereafter on account of all Bonds to be Outstanding as of the date of such delivery

(which for purposes of this clause (ii) and clause (iii) below shall include other outstanding obligations that are First Lien Obligations), including the Additional Bonds then requested to be delivered, or (B) if the Computation Period under (i) (B) is used in the certificate, the Principal and Interest Requirements for each Fiscal Year during the Computation Period on account of all Bonds to be Outstanding as of the date of such delivery (which for purposes of this clause (ii) and clause (iii) below shall include other outstanding obligations that are First Lien Obligations), including the Additional Bonds then requested to be delivered; provided, however, that if the Computation Period under (i) (A) above is used in the certificate, in computing Maximum Principal and Interest Requirements, there shall be deducted therefrom Qualified Earnings received by the County during the Computation Period; and

(iii) stating (A) if the Computation Period under (i)(A) above is used in the certificate, that the amount of the Professional Sports Franchise Facilities Tax Revenues and Tourist Development Tax Revenues for the Computation Period (adjusted, if applicable, as provided in (i) above) shall have equaled (x) if the provisions of Section 504(b) of this Ordinance are then in effect, at least one hundred percent (100%), or (y) if the provisions of Section 504(b) of this Ordinance are not then in effect, at least one hundred fifty percent (150%), of the Maximum Principal and Interest Requirements (computed as provided in (ii) above) on all Bonds to be Outstanding as of the date of such delivery, including the Additional Bonds then requested to be delivered, or (B) if the Computation Period under (i)(B) is used in the certificate, that the Projected Revenues for each Fiscal Year during the Computation Period (adjusted, if applicable, as provided in (i) above) shall equal at least one hundred percent (100%) of the Principal and Interest Requirements (computed as provided in (ii) above) for each such Fiscal Year on all

Bonds to be Outstanding as of the date of such delivery, including the Additional Bonds then requested to be delivered; and

(c) an opinion of the County Attorney stating that the issuance of such Additional Bonds has been duly authorized.

When the documents mentioned above in this Section shall have been filed with the Finance Director and when the Additional Bonds described in the Series Resolution mentioned in clause (a) of this Section shall have been executed as required by this Ordinance, the County shall deliver such Additional Bonds at one time to or upon the order of the purchasers, but only upon payment to the County of the purchase price of such Additional Bonds.

The proceeds of such Additional Bonds, excluding accrued interest, any premium on such Series of Additional Bonds and any proceeds to be deposited in the Reserve Account, shall be deposited by the Finance Director with one or more Depositories to the credit of a separate account or accounts, including, if applicable, an account in the Construction Fund, which shall be created and appropriately designated in the Series Resolution, and shall be applied to the purpose for which such Additional Bonds were issued and to pay the cost of issuance of the Additional Bonds. The amount received as accrued interest on such Additional Bonds shall be deposited to the credit of the Bond Service Account for application to the interest due on such Additional Bonds. Any proceeds of such Additional Bonds which are required by the applicable Series Resolution to fund the Reserve Account or to purchase a Reserve Account Credit Facility shall be used for said purpose.

SECTION 209. Refunding Bonds. Refunding Bonds and any other obligations that are First Lien Obligations, which for purposes of this Section are deemed Refunding Bonds, may be issued and secured by this Ordinance, subject to the conditions provided in this Section, from time to time for the purpose of providing funds for paying at maturity and redeeming all or any

part of the Outstanding Bonds of any one or more Series or other First Lien Obligations, including the payment of any redemption premium and any interest which will accrue on such Bonds or other First Lien Obligations and any expenses in connection with such paying at maturity and redemption.

Before any Series of Refunding Bonds shall be issued under the provisions of this Section, the Board shall adopt a Series Resolution authorizing the issuance of such Refunding Bonds, fixing or providing for the fixing of the amount and details, and describing the Bonds or other First Lien Obligations to be paid and redeemed. Such Refunding Bonds shall be dated, shall be stated to mature (subject to the right of prior redemption) on such dates in such year or years not more than the number of years allowed by law, any Term Bonds of such Series shall have such Amortization Requirements, may be made redeemable at such times and prices (subject to the provisions of Article III of this Ordinance), and shall have such Paying Agent and Registrar, all as may be specified in or provided for by the Series Resolution authorizing the issuance of such Refunding Bonds. Such Refunding Bonds, if issued in certificated form, shall be executed substantially in the manner set forth in this Ordinance, with such changes as may be necessary or appropriate to conform to the provisions of the Series Resolution authorizing the issuance of such Refunding Bonds. Prior to or simultaneously with the delivery of such Refunding Bonds by the Finance Director, there shall be filed with the Finance Director the following:

- (a) a copy, certified by the Clerk, of the Series Resolution mentioned above;
- (b) a certificate, signed by the Finance Director, either:
 - (i) stating that (A) the Maximum Principal and Interest Requirements in any Fiscal Year thereafter on account of all Bonds to be Outstanding after the issuance of such Refunding Bonds shall not exceed the Maximum Principal and Interest

Requirements in any Fiscal Year on account of all Bonds Outstanding immediately prior to the issuance of such Refunding Bonds, or (B) the aggregate Principal and Interest Requirements in all Fiscal Years thereafter on account of all Bonds to be Outstanding after the issuance of such Refunding Bonds shall not exceed the aggregate Principal and Interest Requirements in all Fiscal Years on account of all Bonds Outstanding immediately prior to the issuance of such Refunding Bonds; provided that for purposes of this clause (i) Bonds shall include other outstanding obligations that are First Lien Obligations; or

(ii) complying with clause (b) of Section 208 (the Refunding Bonds being deemed Additional Bonds for purposes of said clause (b) of Section 208);

(c) an opinion of the County Attorney stating that the issuance of such Refunding Bonds has been duly authorized; and

(d) such documents as shall be required by the Finance Director to show that provision has been duly made in accordance with the provisions of this Ordinance or other documents, as applicable, for the payment or redemption of all of the Bonds or other First Lien Obligations to be paid or redeemed.

When the documents mentioned above in this Section shall have been filed with the Finance Director and when the Refunding Bonds described in the Series Resolution mentioned in clause (a) of this Section shall have been executed as required by this Ordinance, the County shall deliver such Refunding Bonds at one time to or upon the order of the purchasers, but only upon payment to the County of the purchase price of such Refunding Bonds.

The proceeds of such Refunding Bonds, excluding accrued interest, any premium on such Series of Refunding Bonds and any proceeds to be deposited in the Reserve Account, shall be applied for the purpose of paying at maturity or redeeming all of the Bonds or other First Lien

Obligations to be paid or redeemed as provided in the Series Resolution and to pay the cost of issuance of the Refunding Bonds. The amount received as accrued interest on such Refunding Bonds shall be deposited to the credit of the Bond Service Account for application to the interest due on such Refunding Bonds. Any proceeds of such Refunding Bonds which are required by the applicable Series Resolution to fund the Reserve Account or to purchase a Reserve Account Credit Facility shall be used for said purpose.

SECTION 210. Moneys Held in Trust. All moneys which the County shall have withdrawn from the Debt Service Fund or shall have received from any other source and deposited with the Paying Agents, for the purpose of paying any of the Bonds, either at the maturity or upon call for redemption, or for the purpose of paying any interest on, the Bonds, shall be held in trust for the respective Holders of such Bonds. But any moneys which shall be so set aside or deposited and which shall remain unclaimed by the Holders of such Bonds for the period of six (6) years after the date on which amount shall have become due and payable, upon the County's request in writing, shall be paid to the County or to such officer, board or body as may then be entitled by law to receive the same, and subsequently the Holders of such Bonds shall look only to the County or to such officer, board or body, as the case may be, for the payment and then only to the extent of the amounts so received without any interest, and the Paying Agents shall have no responsibility with respect to such moneys.

SECTION 211. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled by the Registrar upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Ordinance shall be destroyed by the Registrar and the person so destroying such Bonds shall execute a certificate in triplicate describing the Bonds, and one executed certificate shall be filed with the Clerk, one

executed certificate shall be filed with the Finance Director and the other executed certificate shall be retained by the Registrar.

ARTICLE III

REDEMPTION

SECTION 301. Provisions for Redemption. Bonds may be subject to redemption prior to their maturity upon the terms and conditions and at such times, in such manner and at such redemption price or premium as shall be provided for by the Series Resolution adopted with respect to such Series of Bonds.

SECTION 302. Notice of Redemption. In the event any Bonds are called for redemption, the Paying Agent shall give notice in the name of the County, of the redemption of such Bonds, which notice shall (i) specify the Bonds, including Series designations, to be redeemed, the CUSIP numbers, certificate numbers, the date of issue, interest rate, maturity date of the Bonds to be redeemed, the redemption date, the date of notice, the redemption price and the place or places where amounts due upon such redemption will be payable (which shall be the designated principal corporate trust office of the Paying Agent or of its agent) and, if less than all of the Bonds of any Series are to be redeemed, the numbers of the Bonds and the portion of Bonds so to be redeemed and (ii) state that on the redemption date, the Bonds to be redeemed shall cease to bear interest.

Notice of redemption shall be given by the Paying Agent in the name of the County by mailing a copy of the redemption notice to the registered owners of the Bonds not less than thirty (30) days (or, with respect to any Series of Bonds, such shorter period as may be provided in the applicable Series Resolution) prior to the date fixed for redemption, by first class mail at their addresses appearing on the bond registration books of the County maintained by the Registrar, and, if applicable, to the securities depository. Provision may be made in any applicable Series

Resolution for notice by certified mail, or other type of special mailing, to the Holders of Bonds having an aggregate principal amount, or Accreted Value in the case of Compounding Interest Bonds, of \$1,000,000 or more.

Anything contained in this Ordinance to the contrary notwithstanding, failure to mail any such notice (or any defect in the notice) to one or more Holders of Bonds shall not affect the validity of any proceedings for such redemption with respect to the Holders of Bonds to which notice was duly given.

The redemption of any Bonds, other than mandatory sinking fund redemptions, may be conditioned upon the receipt by the County of the moneys necessary to pay the redemption price of the Bonds to be redeemed. Any notice of redemption which is conditioned on the receipt of such necessary moneys shall state that the redemption is so conditioned.

Any Bonds which have been duly selected for redemption in accordance with this Article III shall cease to bear interest on the specified redemption date.

ARTICLE IV

CONSTRUCTION FUND

SECTION 401. Construction Fund. There is created and established a special fund to be called the “Miami-Dade County Professional Sports Franchise Facilities Tax Revenue Bonds Construction Fund” (the “Construction Fund”), which shall be held by the County. A separate account shall be established in the Construction Fund for each Series of Bonds from time to time relating to a Project, which shall be provided for in the applicable Series Resolution.

The moneys in the Construction Fund shall be held in trust and applied to the payment of the Cost of Projects and, pending such application, shall be subject to a lien and charge in favor of the Holders of the Bonds issued and Outstanding under this Ordinance and for the further security of such Holders until paid out, as provided in this Ordinance.

SECTION 402. Payments from Construction Fund. Payment of the Cost of any Project shall be made from the applicable account of the Construction Fund as provided for in the Series Resolution relating to such Project. Moneys in the respective accounts shall be disbursed subject to such customary controls and procedures as the County may from time to time institute in connection with the disbursement of funds, and in accordance with, or as provided for by the applicable Series Resolution.

SECTION 403. Cost of Projects. The Cost of any Project to be constructed or acquired shall include, without limitation, the following:

(a) obligations incurred (i) for labor and materials and to contractors, builders and materialmen in connection with the construction of facilities, enlargements, improvements and extensions, including the restoration of property damaged or destroyed in connection with such construction and the relocation, demolition and disposal of structures necessary or desirable in connection with such construction or the operation of the Project, and (ii) for machinery and equipment;

(b) interest accruing upon any Bonds prior to the commencement of and during construction or for any additional period as may be determined by the County, subject to any limitation in the applicable Series Resolution;

(c) the cost of acquiring by purchase, and the amount of any award or final judgment in any proceeding to acquire by condemnation, such land, structures, facilities and improvements as necessary or convenient in connection with such construction or with the operation of the Project, and the amount of any related damages;

(d) expenses of administration properly chargeable to such construction or acquisition, legal, architectural and engineering expenses and fees, cost of audits and of preparing and issuing the Bonds, fees and expenses of consultants, financing charges, taxes or

other governmental charges lawfully assessed during construction, premiums on insurance in connection with construction, the cost of funding the Reserve Account, costs of Credit Facilities, Hedge Charges, costs of issuance and all other items of expense not elsewhere specified herein, incident to the financing, construction or acquisition of the Project and the placing of the same in operation; and

(e) any obligation or expense advanced by the County for any of the foregoing purposes, which is legally reimbursable.

SECTION 404. Disposition of Construction Fund Balance. When the construction of any Project shall have been completed, which fact shall be determined by the County Manager or Finance Director in a manner approved by him, the balance in the Construction Fund not reserved by the County for the payment of any remaining part of the Cost of such Project shall, at the option of the County, (i) be deposited to the credit of the Debt Service Fund, (ii) be applied to purchase or redeem Outstanding Bonds, or (iii) with prior approval of the Board, to the extent legally permissible, be applied to the cost of other projects which may lawfully be funded from Professional Sports Franchise Facilities Tax Revenues.

ARTICLE V

REVENUES AND FUNDS

SECTION 501. Security for Bonds, Hedge Obligations and other First Lien Obligations. The Bonds shall be a special and limited obligation of the County, payable solely from and secured by a prior lien upon and a pledge of the Pledged Revenues as provided in this Ordinance. Until payment has been provided for as permitted in this Ordinance, the payment of the principal of and interest on the Bonds, all Hedge Obligations and other First Lien Obligations shall be secured, except as otherwise provided in this Ordinance, equally and ratably by an irrevocable lien on the Pledged Revenues. The County irrevocably pledges and grants a lien

upon such Pledged Revenues to the payment of the principal of and interest on the Bonds, the reserves for the Bonds, Hedge Obligations, other First Lien Obligations and for all other required payments under this Ordinance, including Hedge Charges, to the extent, in the manner and with the priority of application as provided in this Ordinance. No Holder nor any Counterparty shall have the right to require or compel the exercise of the ad valorem taxing power of the County for payment of the Bonds, Hedge Obligations, other First Lien Obligations or Hedge Charges, or be entitled to payment of such amount from any other funds of the County, except from the Pledged Revenues in the manner provided in this Ordinance.

SECTION 502. Creation of Funds and Accounts. The following special Funds and Accounts are created and established: the “Miami-Dade County Professional Sports Franchise Facilities Tax Revenue Fund” (the “Revenue Fund”); and the “Miami-Dade County Professional Sports Franchise Facilities Tax Revenue Bonds Debt Service Fund” (the “Debt Service Fund”) together with three separate accounts in said Debt Service Fund, designated “Bond Service Account”, “Redemption Account”, and “Reserve Account”, respectively.

(a) Trust Funds. The moneys in each of said Funds and Accounts shall be held in trust by the County and applied as provided in this Article V with regard to each such Fund and Account and, pending such application, shall be subject to a lien and charge in favor of the Holders of the Bonds and Counterparties until paid out or transferred as provided in this Ordinance.

(b) Government Accounting Effect. The cash required to be accounted for in each of the Funds and Accounts may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the allocation of the cash on deposit for the various purposes of such Funds and Accounts. The designation and establishment of the various Funds and Accounts in and by this Ordinance shall not be construed to require the

establishment of any completely independent, self balancing funds, as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of the Pledged Revenues for certain purposes and to establish certain priorities for application of the Pledged Revenues as provided in this Ordinance.

(c) Subaccounts. In or pursuant to a Series Resolution with respect to a Series of Bonds, the County may create subaccounts within the Bond Service Account, the Redemption Account and/or the Reserve Account with respect to such Series of Bonds, in which event, deposits to such Accounts shall be appropriately credited to such subaccounts, together with amounts received pursuant to any Credit Facility or Hedge Agreement. Amounts held in any such subaccount shall be required to be held solely for the applicable Series of Bonds and applied to their payment or to the payment of Payment Obligations and Hedge Obligations relating to such Series.

SECTION 503. Flow of Funds. For as long as any of the principal of and interest on any of the Bonds or any First Lien Obligations, Hedge Obligations or Hedge Charges shall be outstanding and unpaid, or until payment has been provided for as permitted by this Ordinance, or until there shall have been set apart in the Debt Service Fund, including the Reserve Account, and/or in an irrevocable escrow account with a Depository, a sum sufficient to pay when due the entire principal of the Bonds remaining unpaid, together with interest accrued or to accrue and redemption premium, if any, and all First Lien Obligations, Hedge Obligations and Hedge Charges, the County covenants with the Holders of any and all Bonds as follows:

The County shall deposit the Professional Sports Franchise Facilities Tax Revenues as received in the Revenue Fund. Moneys in the Revenue Fund shall be applied, on or before the 25th day of each month, commencing in the month immediately following the first delivery of

any Bonds, to the credit of the following Accounts or for the payment of the following obligations, in the following order:

(i) to the credit of the Bond Service Account, an amount equal to one sixth (1/6th) of the amount of interest payable on the Bonds of each Series on the Interest Payment Date next succeeding (less any amount received as capitalized or accrued interest from the proceeds of any Bonds which is available for such interest payment) and an amount equal to one twelfth (1/12th) of the next maturing installment of principal (or Accreted Value, as applicable) on all Serial Bonds then outstanding; provided, however, that:

(1) in each month intervening between the date of delivery of a Series of Bonds, and the next succeeding Interest Payment Date and the next succeeding principal payment date, respectively, the amount specified in this subparagraph (i) shall be that amount which when multiplied by the number of deposits to the credit of the Bond Service Account required to be made during such respective periods will equal the amounts required (taking into account any amounts received as accrued interest or capitalized interest from the proceeds of such Bonds) for such next succeeding interest payment and next maturing installment of principal, respectively;

(2) the amount specified in this subparagraph (i) shall be reduced to take into account Hedge Receipts to be received on or before the succeeding Interest Payment Date and shall be increased to provide for the payment of any Hedge Obligations to be paid on or before the succeeding Interest Payment Date; and

(3) with respect to any Variable Rate Bonds (or any Hedge Agreement bearing interest at a variable rate of interest) and/or other Bonds with respect to which interest is payable other than semiannually, the monthly amount specified in this subparagraph (i) for the payment of interest (or Hedge Obligations) shall be that amount

necessary to provide for the payment of such interest (or Hedge Obligations) on the payment dates; and

(ii) to the credit of the Redemption Account, an amount equal to one twelfth (1/12th) of the principal amount (or Accreted Value, as applicable) of Term Bonds of each Series then Outstanding required to be retired in satisfaction of the Amortization Requirements for such Fiscal Year plus the redemption premiums, if any, which would be payable in such Fiscal Year for such Term Bonds if such Term Bonds were to be redeemed prior to their respective maturities from moneys held for the credit of the Debt Service Fund; and

(iii) to the credit of the Reserve Account, the amount required under Section 507 for such month; provided, however, no deposit shall be required in any month in which the amount on deposit in the Reserve Account is at least equal to the Reserve Account Requirement. If a Reserve Account Credit Facility is utilized and its Provider is required to advance any sums to pay principal and/or interest on the Bonds or other sums required to be funded from the Reserve Account, the County shall pay the related Payment Obligations and other amounts due the Provider in connection with such advance in accordance with the requirements of the Credit Agreement entered into between the County and such Provider with respect to such Reserve Account Credit Facility; and

(iv) to the payment of Administrative Expenses due and payable;

(v) to the payment of principal (including amortization installments, if any) of, and premiums and interest on, and other required payments with respect to Subordinate Obligations; and

(vi) to the payment of Hedge Charges due and payable.

(vii) If the amount deposited in any month to the credit of any of the Accounts shall be less than the amount required to be deposited under the provisions of this Section, the

requirement shall nevertheless be cumulative and the amount of any deficiency in any month shall be added to the amount otherwise required to be deposited in each subsequent month until such time as all such deficiencies have been made up.

Notwithstanding the foregoing application of Professional Sports Franchise Facilities Tax Revenues, the County may by ordinance or resolution provide for the payment from Professional Sports Franchise Facilities Tax Revenues of First Lien Obligations not constituting Bonds and for the funding of any reserve accounts established with respect to such First Lien Obligations on a parity with the payment of Bonds issued under this Ordinance and the funding of the Reserve Account, respectively, as set forth above, and shall take such actions (including amending or supplementing the Ordinance) and execute and deliver such documents as may be necessary to secure such First Lien Obligations on a parity with the Bonds.

SECTION 504. Secondary Payment Sources.

(a) Tourist Development Tax Revenues. There is created in the Tourist Development Trust Fund an account named the Surplus Tourist Development Tax Revenue Account (the "Surplus Tourist Development Tax Revenue Account") to be held by the County. As a secondary source of revenue for payment of principal of and interest on the Bonds, Hedge Obligations and other First Lien Obligations, the County pledges the Tourist Development Tax Revenues and amounts on deposit in the Tourist Development Trust Fund, other than amounts on deposit in the Surplus Tourist Development Tax Revenue Account, which pledge shall operate as provided in this Section. Tourist Development Tax Revenues shall be deposited upon receipt in the Tourist Development Trust Fund. Amounts on deposit in the Tourist Development Trust Fund, other than amounts on deposit in the Surplus Tourist Development Tax Revenue Account, shall be held subject to the pledge created above until transferred as provided in this Section

504(a). The Tourist Development Trust Fund, other than the Surplus Tourist Development Tax Revenue Account, shall be subject to the provisions of Section 502 of this Ordinance.

If in any month the balances on deposit in the Bond Service Account, the Redemption Account and the Reserve Account are not at least equal to the amounts which would have been on deposit in such Accounts had all regular monthly deposits to such Accounts been timely made pursuant to clauses (i), (ii) and (iii) of Section 503 of this Ordinance (the “required balances”) and if any deficits in such Accounts are not eliminated by transfers of legally available moneys in the Revenue Fund, then amounts on deposit in the Tourist Development Trust Fund, other than amounts on deposit in the Surplus Tourist Development Tax Revenue Account, shall be transferred first, to the Bond Service Account, second to the Redemption Account and third, to the Reserve Account to the extent required to eliminate such deficits. If (i) on any date any principal of or interest or redemption premium, if any, on any of the Bonds is due, the amount in the Bond Service Account and Redemption Account, as applicable, together with any moneys in the Revenue Fund which are legally available to pay such principal of or interest or redemption premium, if any, are not sufficient to pay such principal of or interest or redemption premium, if any, in full, or (ii) on any date on which a Payment Obligation is required to be paid to the Provider of any Reserve Account Credit Facility in accordance with the provisions of the related Credit Agreement, the moneys in the Revenue Fund which are legally available to pay such Payment Obligation are not sufficient to make such payment in full, the additional amount needed for such purpose(s) shall be transferred from amounts in the Tourist Development Trust Fund, other than amounts in the Surplus Tourist Development Tax Revenue Account, first, to the Bond Service Account, second, to the Redemption Account and third, to be applied to the payment of the Payment Obligation, as applicable. Each month when the balances in the Bond Service Account, the Redemption Account and the Reserve Account equal the required balances

for said Accounts, and any Payment Obligations then due to the Providers of any Reserve Account Credit Facilities have been paid in full, any amounts (in excess of amounts required to be transferred or paid, as aforesaid) on deposit in the Tourist Development Trust Fund shall be transferred to the Surplus Tourist Development Tax Revenue Account. Amounts in the Surplus Tourist Development Tax Revenue Account are not pledged under this Ordinance and may be used for any lawful purpose.

Notwithstanding the foregoing application of Tourist Development Tax Revenues, the County may by ordinance or resolution provide for the payment from Tourist Development Tax Revenues of First Lien Obligations not constituting Bonds and for the funding of any reserve accounts established with respect to such First Lien Obligations on a parity with the payment of Bonds issued under this Ordinance and the funding of the Reserve Account, respectively, as set forth above, and shall take such actions (including amending or supplementing this Ordinance) and execute and deliver such documents as may be necessary to secure such First Lien Obligations on a parity with the Bonds.

(b) Covenant to Budget and Appropriate. If the County determines, after taking into account any proposed application of Tourist Development Tax Revenues under Section 504(a) above, that (i) on any date on which principal of or interest on the Bonds will be due, the amount in the Bond Service Account and Redemption Account, as applicable, together with any moneys in the Revenue Fund and, at the option of the County, the Reserve Account which are legally available to pay such principal of or interest or redemption premium, if any, on the Bonds, will not be sufficient to pay such principal of or interest or redemption premium, if any, in full, or (ii) on any date there will be a deficiency in the amount then required to be on deposit in the Reserve Account under the provisions of this Ordinance, or (iii) on any date on which a Payment Obligation will be required to be paid to the Provider of any Reserve Account Credit Facility in

accordance with the provisions of the related Credit Agreement, the moneys in the Revenue Fund which are legally available to pay such Payment Obligation will not be sufficient to make such payment in full, the County covenants and agrees, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for the related Fiscal Year, by amendment if necessary, Legally Available Non-Ad Valorem Revenues in an amount which will cure such deficiencies in the Bond Service Account, the Redemption Account, the Reserve Account or the payment of the Payment Obligation, as applicable.

The obligation of the County pursuant to this Section 504(b) includes an obligation to make amendments to the Annual Budget of the County to assure compliance with the terms and provisions hereof. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Legally Available Non-Ad Valorem Revenues in amounts which will cure such deficiencies in the Bond Service Account, the Redemption Account, the Reserve Account or the payment of the Payment Obligation, as applicable, shall have been budgeted, appropriated and actually paid into the applicable Accounts hereunder or to the Provider of the Reserve Account Credit Facility.

Except as otherwise provided in this Ordinance with respect to the Pledged Revenues, nothing contained herein shall be deemed to create a pledge or lien, legal or equitable, on the Legally Available Non-Ad Valorem, or preclude the County from pledging any of its Legally Available Non-Ad Valorem Revenues to other obligations, nor shall it give the Bondholders a prior claim on the Legally Available Non-Ad Valorem Revenues until they are actually deposited in the Accounts created hereunder. Except as otherwise provided in this Ordinance with respect to the Professional Sports Franchise Facilities Tax and Tourist Development Tax,

the County shall be under no obligation to maintain or continue any of the activities of the County which generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. The County may not expend moneys not appropriated or in excess of its current budgeted revenues. The obligation of the County to budget, appropriate and make payments from its Legally Available Non-Ad Valorem Revenues as provided in this Section 504(b) is subject to the availability of Legally Available Non-Ad Valorem Revenues after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County.

If Legally Available Non-Ad Valorem Revenues are utilized as provided above, moneys on deposit in the Revenue Fund available under the provisions of Section 510 of this Ordinance may be used to repay such advances by transferring money from the Revenue Fund to the County fund or account from which such Legally Available Non-Ad Valorem Revenues originated.

The County shall be released from the provisions of this Section 504(b), and thereafter, except as otherwise provided in the last paragraph of this Section 504(b), the provisions of this Section 504(b) shall no longer be in effect, upon the filing with the Finance Director of a certificate, signed by the Finance Director:

- (i) setting forth, the amount of the Professional Sports Franchise Facilities Tax Revenues and Tourist Development Tax Revenues for each of the two preceding Fiscal Years (the "Computation Period"). In the event a change in law increases the permissible rate or scope of the Professional Sports Franchise Facilities Tax and/or Tourist Development Tax, as applicable, and if pursuant to such change in law, the County increases the rate or scope of the Professional Sports Franchise Facilities Tax

and/or Tourist Development Tax, as applicable, and the County elects by supplemental ordinance to subject such increase to the pledge and lien granted under this Ordinance, and such increase has gone into effect prior to the filing of the certificate and is scheduled to be in effect through the final maturity of the then Outstanding Bonds, then the Professional Sports Franchise Facilities Tax Revenues and/or Tourist Development Tax, as applicable, shall be adjusted to include the additional amounts which would have been received during the Computation Period had such increase been in effect during the Computation Period;

(ii) setting forth the Maximum Principal and Interest Requirements in any Fiscal Year thereafter on account of all Bonds to be Outstanding as of the date of such certificate (which for purposes of this clause (ii) and clause (iii) below shall include other outstanding obligations that are First Lien Obligations); provided, however, that in computing Maximum Principal and Interest Requirements, there shall be deducted therefrom Qualified Earnings received by the County during the Computation Period; and

(iii) stating that the amount of the Professional Sports Franchise Facilities Tax Revenues and Tourist Development Tax Revenues for each Fiscal Year during the Computation Period (adjusted, if applicable, as provided in (i) above) shall have equaled at least one hundred fifty percent (150%) of the Maximum Principal and Interest Requirements (computed as provided in (ii) above) on all Bonds to be Outstanding as of the date of such certificate.

At any time after the release of the provisions of this Section 504(b) as described above, the County may, at its option, reinstate the provisions of this Section 504(b), and thereafter the provisions of this Section 504(b) shall be in effect, upon the filing with the Finance Director of a

certificate, signed by the Finance Director, to the effect that the provisions of this Section 504(b) have been reinstated.

SECTION 505. Application of Monies in Bond Service Account. (a) The Finance Director, on or before each interest or principal payment date, shall withdraw from the Bond Service Account, and deposit in trust with the Paying Agents the amounts required for paying the interest on the Bonds as such interest becomes due and payable and the principal of all Serial Bonds as such principal becomes due and payable. Except as provided in subsection (b), all Hedge Receipts shall be deposited by the County directly into the Bond Service Account and applied as provided in this Section. In addition, on or before each payment date for any Hedge Obligation, the Finance Director shall withdraw from the Bond Service Account the amount payable with respect to such Hedge Obligation and pay such amount to the applicable Counterparty. Such payments may be made by wire transfer or other electronic means or as may be provided with respect to any Book-Entry System.

(b) Hedge Receipts constituting termination payments may, at the option of the County, be applied to acquire a replacement Hedge Agreement on terms similar to the expired or terminated Hedge Agreement and, in such event, only the Hedge Receipts in excess of the cost of entering into such replacement Hedge Agreement shall be deposited into the Bond Service Account as required by subsection (a).

(c) Notwithstanding the foregoing or any other provision in this Ordinance to the contrary, if interest on and/or principal of any Bonds that would have been paid from the Bond Service Account is paid instead under a Credit Facility, amounts deposited in the Bond Service Account for such payment may be paid, to the extent required, to the Provider of such Credit Facility in satisfaction of the related Payment Obligation.

SECTION 506. Application of Moneys in Redemption Account. Moneys held for the credit of the Redemption Account shall be applied to the retirement of the Bonds as follows:

(a) Subject to the provisions of paragraph (c) of this Section, the Finance Director may purchase any Term Bonds then Outstanding, whether or not such Term Bonds shall then be subject to redemption, on the most advantageous terms obtainable with reasonable diligence, such price not to exceed the principal of such Term Bonds plus the amount of the redemption premium, if any, which might on the next redemption date be paid to the Holders of such Term Bonds if such Term Bonds should be called for redemption on such date from moneys in the Debt Service Fund. The Finance Director shall pay the interest accrued on such Term Bonds to date of settlement from the Bond Service Account and the purchase price from the Redemption Account, but no such purchase shall be made by the Finance Director within the period of forty-five (45) days next preceding any Interest Payment Date on which such Term Bonds are subject to call for redemption under the provisions of this Ordinance, except from moneys other than moneys set aside or deposited for the redemption of Term Bonds.

(b) Subject to the provisions of Article III of this Ordinance and paragraph (c) of this Section, the Finance Director may call for redemption on each Interest Payment Date on which Term Bonds are subject to redemption that amount of such Term Bonds as, with the redemption premium, if any, will exhaust the moneys which will be held for the credit of the Redemption Account on said Interest Payment Date as nearly as may be practicable; provided, however, that not less than Fifty Thousand Dollars (\$50,000) principal amount of Term Bonds shall be called for redemption at any one time unless a lesser amount shall be required to satisfy the Amortization Requirement for any Fiscal Year. Such redemption shall be made pursuant to the provisions of Article III of this Ordinance and the applicable Series Resolution. The Finance Director, on or before the redemption date, shall withdraw from the Bond Service Account and

the Redemption Account and set aside in separate accounts or deposit with the Paying Agent the respective amounts required for paying the interest on, and the principal and redemption premium of, the Term Bonds so called for redemption.

(c) Moneys held by the Finance Director in the Redemption Account shall be applied by the Finance Director each Fiscal Year to the retirement of Bonds then Outstanding in the following order:

First: to the retirement of Term Bonds to the extent of the Amortization Requirement, if any, for such Fiscal Year for such Term Bonds, plus the applicable premium, if any, and any deficiency in any preceding Fiscal Years in the purchase or redemption of such Term Bonds under the provisions of this subdivision and, if the amount available in such Fiscal Year shall not be sufficient, then in proportion to the Amortization Requirement, if any, for such Fiscal Year for the Term Bonds of each such Series then Outstanding, plus the applicable premium, if any, and any such deficiency.

Second: Term and Serial Bonds may be retired by optional redemption or by purchase as provided in or by this Ordinance and the Series Resolution under which such Bonds are issued.

Upon the retirement of any Bonds by purchase or redemption the Finance Director shall file with the Clerk a statement briefly describing such Bonds and setting forth the date of their purchase or redemption, the amount of the purchase price or the redemption price of such Bonds and the amount paid as interest on the Bonds. The expenses in connection with the purchase or redemption of any Bonds shall be paid by the County from the Revenue Fund.

Notwithstanding the foregoing or any other provision in this Ordinance to the contrary, if principal of and redemption premium, if any, on any Bonds that would have been paid from the Redemption Account is paid instead under a Credit Facility, amounts deposited in the

Redemption Account for such payment may be paid, to the extent required, to the Provider of such Credit Facility in satisfaction of the related Payment Obligation.

SECTION 507. Application of Moneys in Reserve Account. Except as otherwise provided in this Section 507, each Series of Bonds shall be secured by the Reserve Account. The Reserve Account shall be funded with cash, investments or a Reserve Account Credit Facility or any combination of them. Upon the initial issuance of each Series of Bonds, the County shall deposit into the Reserve Account the amount necessary, if any, to make the balance in the Reserve Account equal to the Reserve Account Requirement; provided, however, that if the certificate filed pursuant to Section 208(b) of this Ordinance in connection with the issuance of any such Series of Bonds uses the Computation Period under (i)(A) of said Section 208(b) and states that the amount of the Professional Sports Franchise Facilities Tax Revenues and Tourist Development Tax Revenues for the Computation Period (adjusted, if applicable, as provided in clause (i) of said Section 208(b)) shall have equaled at least two hundred percent (200%) of the Maximum Principal and Interest Requirements (computed as provided in clause (ii) of said Section 208(b)) on all Bonds to be Outstanding as of the date of such issuance, including the Series of Bonds then being issued, the County may fund not less than fifty percent (50%) of the increase in the Reserve Account Requirement attributable to such Series of Bonds on the date of issuance of such Series of Bonds, and the remaining increase in the Reserve Account Requirement may be funded in substantially equal monthly deposits into the Reserve Account over a period not to exceed sixty (60) months, all as may be provided for in the applicable Series Resolution.

Moneys held for the credit of the Reserve Account shall first be used for the purpose of paying the interest on and the principal of the Bonds whenever and to the extent that the moneys held and legally available for such purpose to the credit of the Bond Service Account and the

Revenue Fund shall be insufficient for such purpose, and thereafter to the retirement of Term Bonds to the extent of Amortization Requirements whenever and to the extent that the moneys held and legally available for such purpose to the credit of the Redemption Account and the Revenue Fund shall be insufficient for such purpose. Amounts withdrawn from the Reserve Account for the purpose of payment of debt service on any Bonds shall be replenished and, except as provided in the first paragraph of this Section 507, any other shortfalls in the amounts required to be on deposit in the Reserve Account shall be funded in substantially equal monthly deposits into the Reserve Account over a period not to exceed sixty (60) months. If at any time the moneys held for the credit of the Reserve Account shall exceed the Reserve Account Requirement, such excess shall be withdrawn by the Finance Director and deposited to the credit of the Revenue Fund.

To the extent that, in accordance with Section 502(c) of this Ordinance, the County creates a separate subaccount within the Reserve Account with respect to a Series of Bonds, such Series of Bonds shall be secured by such subaccount and shall have no claim on the other moneys deposited to the credit of the Reserve Account. Moneys in such separate subaccount of the Reserve Account shall be maintained at the Reserve Account Requirement applicable to such Series of Bonds and shall be applied as provided above in this Section 507 but solely with respect to the Series of Bonds secured by such subaccount. Moneys shall be deposited to the Reserve Account and any subaccounts therein on a pro rata basis.

The County may, in or pursuant to the Series Resolution relating to a Series of Bonds, provide that such Series of Bonds shall not be secured by the Reserve Account (including any subaccounts therein), in which case such Series of Bonds shall not be secured by the Reserve Account (including any subaccounts therein) and moneys held for the credit of the Reserve

Account (including any subaccounts therein) shall not be applied as provided above in this Section 507 with respect to such Series of Bonds.

SECTION 508. Payment of Administrative Expenses. The Administrative Expenses shall be paid from moneys in the Revenue Fund available for such purpose in accordance with Section 503 of this Ordinance as the same become due and payable.

SECTION 509. Payment of Subordinate Obligations. Principal (including amortization installments, if any) of, premium and interest on, and other required payments with respect to Subordinate Obligations shall be paid from moneys in the Revenue Fund available for such purpose in accordance with Section 503 of this Ordinance as the same become due and payable.

SECTION 510. Application of Moneys Remaining in the Revenue Fund. Moneys from time to time on deposit in the Revenue Fund after the applications under Section 503 of this Ordinance may, at the election of the County, be applied to one or more of the following purposes:

- (a) to make up deficiencies in any of the Funds and Accounts created by or pursuant to this Ordinance including, but not limited to, any deficiencies in the amounts required for the payment of Administrative Expenses and Subordinate Obligations;
- (b) to purchase or redeem Bonds; and
- (c) to any other purpose for which such moneys may lawfully be used under the laws of the State.

Provided, however, that in the event of any deficiencies in any Fund or Account created by this Ordinance, the moneys in the Revenue Fund shall be applied to make up all such deficiencies prior to applying any moneys pursuant to Section 504 of this Ordinance or in the Reserve Account pursuant to Section 507 of this Ordinance.

SECTION 511. Investment of Moneys in Funds and Accounts. All moneys in the Funds and Accounts shall be invested and reinvested in Investment Obligations. Investment Obligations allocated to any Fund or Account shall mature not later than the respective dates, as estimated by the Finance Director, that moneys held for the credit of such Fund or Account will be needed. In the case of the Reserve Account, Investment Obligations shall mature (or be subject to mandatory purchase at the option of the Holder) not later than seven (7) years, unless the Investment Obligation is of such a nature that it can be drawn upon or redeemed at par, in which event such Investment Obligation may mature not later than the final maturity on Bonds secured by the Reserve Account.

Except as otherwise provided in this Ordinance or in any Series Resolution with respect to any particular moneys, all income received on Investment Obligations shall upon receipt be deposited into the Revenue Fund; provided, however, that (i) income received on Investment Obligations allocated to the Reserve Account shall be retained in the Reserve Account to the extent necessary to maintain the Reserve Account Requirement; (ii) income received on Investment Obligations allocated to the Tourist Development Trust Fund or the Surplus Tourist Development Tax Revenue Account therein shall be retained in the Tourist Development Trust Fund or the Surplus Tourist Development Tax Revenue Account, as applicable, and used in accordance with the provisions of Section 504(a) of this Ordinance; and (iii) all income received on Investment Obligations allocated to the Construction Fund shall be retained in the applicable Accounts in such Fund and used for the Cost of the applicable Projects; and provided further, however, that investment income in any of the Funds and Accounts necessary to pay Rebate Amounts shall be applied for such purpose.

SECTION 512. Security for Deposits. Any and all moneys deposited in any Fund or Account under the provisions of this Ordinance shall, to the extent provided in this Ordinance, be

trust funds under the terms of this Ordinance and shall not be subject to any lien or attachment by any creditor of the County other than as provided in this Ordinance. Such moneys shall be held in trust and applied in accordance with the provisions of this Ordinance.

All money deposited in the Funds and Accounts in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be continuously secured in such manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust or public funds; provided, however, that it shall not be necessary to give security for any money that shall be represented by obligations purchased under the provisions of this Ordinance as an investment of such money unless otherwise required by applicable law.

ARTICLE VI

COVENANTS

SECTION 601. Power to Issue Bonds and Pledge Pledged Revenues. The County is duly authorized under all applicable laws to create and issue the Bonds and to pledge the Pledged Revenues in the manner and to the extent provided in this Ordinance. Except to the extent otherwise provided in this Ordinance, the Pledged Revenues are and will be free and clear of any pledge, lien, charge or encumbrance prior to, or of equal rank with, the security interest, pledge and assignment created by this Ordinance, and all action on the part of the County to that end has been and will be duly and validly taken. The County covenants that it will not issue, undertake or incur any indebtedness of any nature secured by a lien on the Pledged Revenues prior or superior to the lien on the Pledged Revenues created under this Ordinance. The Bonds and the provisions of this Ordinance are and will be the valid and legally enforceable obligations of the County in accordance with their terms and the terms of this Ordinance.

SECTION 602. Payment of Principal, Interest and Premiums. The County covenants that it will promptly pay the principal of and the interest on each and every Bond issued under the provisions of this Ordinance at the places, on the dates and in the manner specified in this Ordinance and in said Bonds and any premium required for the retirement of said Bonds by purchase or redemption according to their true intent and meaning. Bonds issued under the provisions of this Ordinance and Hedge Agreements shall not be deemed to constitute a debt of the County or a pledge of the faith and credit of the County but such Bonds shall be payable solely from the Pledged Revenues. The issuance of the Bonds shall not directly or indirectly or contingently obligate the County to levy or to pledge any form of ad valorem taxation whatsoever, nor shall any such Bonds constitute a charge, lien or encumbrance, legal or equitable, upon any property of the County.

SECTION 603. Levy of Professional Sports Franchise Facilities Tax and Tourist Development Tax. The County represents and warrants that it is presently levying and imposing the Professional Sports Franchise Facilities Tax and the Tourist Development Tax. The County covenants and agrees that as long as any of the Bonds are Outstanding, the County (i) shall not amend or modify the ordinances under which it levies and imposes the Professional Sports Franchise Facilities Tax and the Tourist Development Tax in any manner so as to adversely affect the County's obligations with respect to the Bonds, (ii) shall continue to levy and impose the Professional Sports Franchise Facilities Tax and the Tourist Development Tax and (iii) shall take all actions necessary to collect the Professional Sports Franchise Facilities Tax and the Tourist Development Tax.

SECTION 604. Annual Budget. The County shall in its Annual Budget prepared and adopted each Fiscal Year include the Professional Sports Franchise Facilities Tax Revenues and the Tourist Development Tax Revenues expected to be received during such Fiscal Year and

shall appropriate the Professional Sports Franchise Facilities Tax Revenues and the Tourist Development Tax Revenues to be used as provided in this Ordinance.

SECTION 605. Books and Records. The County will keep proper books and records with respect to the Professional Sports Franchise Facilities Tax Revenues and the Tourist Development Tax Revenues and the County shall keep or cause to be kept records of the receipts and expenditures of the funds provided for under this Ordinance. Such books and records shall be kept in accordance with standard principles of governmental accounting consistently applied.

SECTION 606. Annual Audit. The County shall cause the annual audit of the County to be completed within the time required by law after the end of each Fiscal Year by an independent certified public accountant. The annual audit shall be conducted in accordance with generally accepted auditing standards as applied to counties and the annual audit and accompanying financial statements prepared by such certified public accountant shall be filed with the County.

SECTION 607. Copies. A copy of the Annual Budget (required by Section 604) and of the annual audit (required by Section 606), shall be available for inspection (and copying at the cost of the person requesting copies) at the office of the Finance Director.

SECTION 608. Subordinate Obligations; Other Indebtedness. Nothing contained in this Ordinance shall limit the right of the County to incur (i) Subordinate Obligations or (ii) indebtedness or obligations which are not secured by the Pledged Revenues.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

SECTION 701. Events of Default. Each of the following events is declared an “Event of Default”:

(a) Payment of the principal of or any premium on any Bond shall not be made when the same shall become due and payable, either at maturity or on required payment dates by proceedings for redemption or otherwise; or

(b) Payment of any installment of interest on any Bond shall not be made when the same shall become due and payable; or

(c) The County shall admit that it has been rendered incapable of fulfilling its obligations under this Ordinance or under any Series Resolution to such an extent that the payment of or security for any of the Bonds will be materially adversely affected, and that such condition has continued unremedied for a period of thirty (30) days after the County first became aware of such condition; or

(d) An order or decree shall be entered, with the consent or acquiescence of the County, appointing a receiver or receivers of the County or of any of the Pledged Revenues, or any part thereof or the filing of a petition by the County for relief under federal bankruptcy laws or any other applicable law or statute of the United States of America or the State, which shall not be dismissed, vacated or discharged within thirty (30) days after its filing; or

(e) Any proceedings shall be instituted, with the consent or acquiescence of the County, for the purpose of effecting a composition between the County and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statutes now or in the future enacted, if the claims of such creditors are under any circumstances payable from any of the Pledged Revenues; or

(f) The entry of a final judgment or judgments for the payment of money against the County which subjects any of the Pledged Revenues to a lien for the payment of such judgment in contravention of the provisions of this Ordinance or of any Series Resolution for which there does not exist adequate insurance, reserves or appropriate surety or indemnity bonds for the

timely payment of such judgment, and any such judgment shall not be discharged within ninety (90) days from its entry or an appeal shall not be taken which shall stay the execution of or levy under such judgment; or

(g) Any Event of Default under any Series Resolution which, by the terms of such Series Resolution, shall be deemed an Event of Default under this Ordinance; or

(h) The County shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in any of the Bonds, in this Ordinance or in any Series Resolution on the part of the County to be performed (other than any covenants with respect to continuing disclosure required pursuant to Rule 15c2-12 (or any successor provisions) promulgated by the Securities and Exchange Commission, non-compliance with respect to which shall not be an Event of Default under this Ordinance), and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given by the registered owners of not less than twenty percent (20%) in aggregate principal amount (and Accreted Value, if applicable) of the one or more series of Bonds then Outstanding, with respect to which such default has occurred; or

(i) The County shall be in default on any payments which are due under any Credit Agreement relating to a Credit Facility or Reserve Account Credit Facility securing any Bonds and the Provider which issued such Credit Facility or Reserve Account Credit Facility notifies the Finance Director in writing by registered mail that it elects to treat such default as an Event of Default; or

Notwithstanding the foregoing, but subject to limitations in any Series Resolution or Credit Agreement, with respect to the events described in clauses (c), (g) and (h), above, the County shall not be deemed in default if such default can be cured within a reasonable period of

time and if the County in good faith institutes appropriate curative action and diligently pursues such action until the default has been corrected.

SECTION 702. Notice of Default. If any Event of Default shall occur, the Finance Director shall give, or cause to be given, within thirty (30) days after the Finance Director has knowledge of the Event of Default, unless such Event of Default shall have been cured, written notice of the Event of Default, by first class mail to the Holders of all Bonds and by registered or certified mail, to each Provider and Counterparty.

SECTION 703. Remedies. Subject to Section 707, the Holders of not less than twenty percent (20%) of the aggregate principal amount of the Bonds Outstanding may by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the laws of the State, or granted and contained in this Ordinance, and may enforce and compel the performance of all duties required by this Ordinance or by any applicable statutes to be performed by the County or by any of its officers. Nothing in this Ordinance, however, shall be construed to grant to any Holder of such Bonds any lien on any property of or within the corporate boundaries of the County. No Holder of Bonds, however, shall have any right in any manner whatever to affect, disturb or prejudice the security of this Ordinance or to enforce any right except in the manner provided in this Ordinance, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of Bonds.

Nothing in this Ordinance shall be construed to preclude any Counterparty from exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

If any payments of principal and/or interest on the Bonds are made by a Credit Facility Provider with respect to Bonds which have not been defeased in accordance with the provisions of Section 901, the lien upon and pledge of the money on deposit from time to time in the Funds and Accounts and all covenants and other obligations of the County to the Holders of such Bonds shall continue to exist and the Credit Facility Provider shall be subrogated to the rights of the Holders of such Bonds with respect to the principal and/or interest paid by such Credit Facility Provider.

SECTION 704. Pro Rata Application of Funds. If at any time the available moneys in the Debt Service Fund shall not be sufficient to pay the principal of or the interest on the Bonds and Hedge Obligations as the same become due and payable, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

First: to the payment of all installments of interest on the Bonds and all Hedge Obligations, in each case then due and payable, in the order in which such amounts become due and payable, and, if the amount available shall not be sufficient to make payment in full, then to the payment ratably, according to the amounts due, to the persons entitled to such payment, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds or applicable Hedge Agreement;

Second: to the payment of the unpaid principal of any of the Bonds (other than Bonds called for redemption for the payment of which sufficient moneys are held pursuant to the provisions of this Ordinance) that have become due, in the order of their due dates, and, if the amount available shall not be sufficient to make payment in full due on any particular date, then to the payment ratably, according to the amount due on such date, to the persons entitled to such payment without any discrimination or preference; and

Third: to the payment of the interest on and the principal of the Bonds and Hedge Obligations, and to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of Article V of this Ordinance.

For purposes of the above provisions of this Section, if any principal or interest on any particular Bonds is paid with funds advanced under any Credit Facility, the Credit Facility Provider shall become subrogated to the Holder's right to payment from the County of such principal or interest and shall be entitled to receive payment from the County under the above provisions.

Whenever moneys are to be applied by the County pursuant to the provisions of this Section, such moneys shall be applied by the County at such times, and from time to time, as the Finance Director in its sole direction shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys, in trust for the proper purpose, shall constitute proper application by the County; and the County shall incur no liability whatsoever to any Bondholder or to any other person for any delay in applying any such funds, so long as the County acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Ordinance as may be applicable at the time of application. Whenever the Finance Director shall exercise such discretion in applying such funds, the Finance Director shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Finance Director shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered to him for appropriate endorsement.

The pro rata application of moneys pursuant to this Section 704 shall be adjusted with respect to Variable Rate Bonds and any Bonds bearing interest payable other than semiannually so as to ensure that each Holder entitled to receive payment shall receive as nearly as practicable the same proportion of the total amount due to such Holder.

SECTION 705. Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder or Credit Facility Provider on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the County and the Bondholder or Credit Facility Provider shall be restored to their former positions and rights, respectively, and all rights and remedies of the Bondholders and Credit Facility Providers shall continue as though no such proceeding had been taken.

SECTION 706. Restriction on Individual Bondholder Actions. No Holder of any of the Bonds nor any Counterparty shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Ordinance or to enforce any right under this Ordinance except in the manner provided in this Ordinance, and all proceedings at law or in equity shall be instituted, had and maintained for the benefit of all Holders of such Bonds, and all Credit Facility Providers, as their respective interests may appear.

Nothing in this Ordinance shall be construed to preclude any Counterparty from exercising any and all rights and remedies, including the right to the appointment of a receiver, available to it under the laws of the State as a pledgee to enforce the obligations of the County under the applicable Hedge Agreement.

SECTION 707. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Holder of a Bond to enforce the payment of the principal of and interest on its Bond, or the obligation of the County to pay the principal of and interest on each Bond to the Holder at the time and place stated in said Bond or the right of any Counterparty to

enforce payment of amounts due under a Hedge Agreement or the obligation of the County to make such payments in accordance with such Hedge Agreement.

ARTICLE VIII

SUPPLEMENTAL ORDINANCES

SECTION 801. Supplemental Ordinance Without Bondholders' Consent. The Board, from time to time and at any time may enact such supplemental ordinances as shall not be incompatible with the terms and provisions of this Ordinance (which supplemental ordinances shall thereafter form a part of this Ordinance), in order to:

- (a) cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Ordinance or in any supplemental ordinance or Series Resolution, or
- (b) grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders, or
- (c) add to the conditions, limitations and restrictions on the issuance of Bonds or the entering into of Hedge Agreements under the provisions of this Ordinance other conditions, limitations and restrictions to be observed, or
- (d) add to the covenants and agreements of the County in this Ordinance other covenants and agreements to be observed by the County or to surrender any right or power in this Ordinance reserved to or conferred upon the County, or
- (e) provide for the issuance and security of First Lien Obligations in accordance with this Ordinance, or
- (f) make other changes or modifications to the provisions of this Ordinance which are not adverse to the interests of the Bondholders, any Credit provider or any Counterparty.

SECTION 802. Supplemental Ordinance With Bondholders' Consent. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than

fifty-one percent (51%) in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Ordinance to the contrary notwithstanding, to consent to and approve the enactment of such supplemental ordinance or supplemental ordinances as shall be deemed necessary or desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Ordinance or in any supplemental ordinance; provided, however, that nothing contained in this Ordinance shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any Bonds, or (b) a reduction in the principal amount of any Bonds or the redemption premium or the rate of interest, or (c) the creation of a lien upon or a pledge of Pledged Revenues other than a lien or pledge created or permitted by this Ordinance, or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance. Nothing in this Ordinance contained, however, shall be construed as making necessary the approval by Bondholders of the adoption of any supplemental ordinance as authorized in Section 801 of this Article.

If the Holders (or Credit Facility Providers who are entitled to act in lieu of Holders) of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds Outstanding at the time of the enactment of such supplemental ordinance shall have consented to and approved the enactment as provided in this Ordinance, no Holder of any Bond or Credit Facility Provider shall have any right to object to the enactment of such supplemental ordinance, or to object to any of its terms and provisions or its operation, or in any manner to question the propriety of its adoption, or to enjoin or restrain the Board from adopting the same or from taking any action pursuant to its provisions.

Upon the enactment of any supplemental ordinance pursuant to the provisions of this Section, this Ordinance shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Ordinance of the County and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Ordinance as so modified and amended.

SECTION 803. Supplemental Ordinances Part of Ordinance. Any supplemental ordinance enacted in accordance with the provisions of this Article and approved as to legality by the County Attorney shall form a part of this Ordinance, and all of the terms and conditions contained in any such supplemental ordinance as to any provision authorized to be contained in such supplemental ordinance shall be and shall be deemed to be part of the terms and conditions of this Ordinance for any and all purposes. In case of the enactment and approval of any supplemental ordinance, express reference may be made in the text of any Bonds, if deemed necessary or desirable by the County.

SECTION 804. Notice of Supplemental Ordinances. The County shall give to the Rating Agencies advance notice of the proposed enactment of any supplemental ordinance, which notice shall include the substantial form of such supplemental ordinance.

ARTICLE IX

DEFEASANCE

SECTION 901. Cessation of Interest of Bondholders. If, when any Bonds shall have become due and payable in accordance with their terms or shall have been called for redemption or instructions shall have been given either to call the Bonds for redemption or to pay the Bonds at their respective maturities and mandatory redemption dates or any combination of such payment and redemption, and, if applicable, provisions for redemption shall have been made by the County with an appropriate escrow agent, the whole amount of the principal and the interest

and premium, if any, so payable upon such Bonds then Outstanding shall be paid or sufficient moneys or Government Obligations shall be held by such escrow agent for such purpose, and provision shall also be made for paying all other sums payable by the County on said Bonds, then and in that case said Bonds shall no longer be deemed to be Outstanding and the right, title and interest of the Holders of said Bonds in this Ordinance and any applicable Series Resolution shall cease and become void; otherwise this Ordinance shall be, continue and remain in full force and effect; provided, however, that in the event Government Obligations shall be deposited with and held by an escrow agent as above provided, in addition to the requirements set forth in Article III of the Ordinance with respect to any Bonds to be redeemed, the Finance Director, within thirty (30) days after such Government Obligations shall have been deposited with such escrow agent, shall cause a notice to be mailed to all registered owners of such Bonds or published once in a daily newspaper of general circulation, or a financial journal, published in the Borough of Manhattan, City and State of New York, setting forth that such deposit of Government Obligations has been made for the benefit of said Bonds and, to the extent said Bonds are to be redeemed prior to maturity, the date designated for the redemption of the Bonds. Further, when all amounts due under any Hedge Agreement and any Credit Facility shall have been paid or provided for (in the manner permitted under such Hedge Agreement or Credit Facility), then and only in that case the right, title and interest of the Counterparty or the Credit Facility Provider in this Ordinance shall cease and become void.

ARTICLE X

MISCELLANEOUS PROVISIONS

SECTION 1001. Inconsistent Ordinances. All ordinances, which are inconsistent with any of the provisions of this Ordinance are declared to be inapplicable to the provisions of this Ordinance.

SECTION 1002. Further Acts. The officers and agents of the County are authorized and directed to do all acts and things required of them by the Bonds and this Ordinance, for the full, punctual and complete performance of all of the terms, covenants, provisions and agreements contained in the Bonds and this Ordinance.

SECTION 1003. Rights of Credit Facility Provider. In the event that a Credit Facility is in full force and effect as to a Series of Bonds and the Credit Facility Provider is not insolvent and no default of the Credit Facility exists on the part of the Credit Facility Provider, then said Credit Facility Provider, in place of the Holders of that Series of Bonds, shall have the power and authority to give any consents and exercise any and all other rights which the Holders of that Series would otherwise have the power and authority to make, give or exercise, including, but not limited to, the exercise of remedies provided in Article VII and the giving of consents to supplemental ordinances when required by Article VIII and such consent shall be deemed to constitute the consent of the Holders of all of those Bonds which are secured by such Credit Facility.

SECTION 1004. Headings Not Part of Ordinance. Any headings preceding the texts of the several Articles and Sections of this Ordinance and any table of contents, marginal notes or footnotes appended to copies of this Ordinance shall be solely for convenience of reference, and shall not constitute a part of this Ordinance, nor shall they affect its meaning, construction or effect.

SECTION 1005. No Third Party Beneficiaries. Except as otherwise expressly provided in this Ordinance, nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person, firm or corporation, other than the County, any applicable Provider, any Counterparty and the Holders of the Bonds, any right, remedy or claim, legal or equitable, under or by reason of this Ordinance or any of its provisions, this Ordinance and all its

provisions being intended to be and being for the sole and exclusive benefit of the County, each Provider, each Counterparty and the Holders from time to time of the Bonds.

SECTION 1006. Severability. In case any one or more of the provisions of this Ordinance or of any Bonds shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Ordinance or of the Bonds, but this Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provision had not been contained in this Ordinance.

SECTION 1007. Application of Florida Law. The Bonds are issued and this Ordinance is enacted with the intent that the laws of the State shall govern their construction.

SECTION 1008. Effective Date. This Ordinance shall become effective ten (10) days after the date of its enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override of the veto by this Board.
