

# Memorandum

**Date:** June 2, 2009

**To:** Honorable Chairman Dennis C. Moss  
and Members, Board of County Commissioners

Agenda Item No. 8(F)(1)(B)

**From:** George M. Burgess  
County Manager

A handwritten signature in black ink, appearing to read "Burgess", written over the printed name of the County Manager.

**Subject:** Conveyance of County-owned property to the City of Miami Gardens  
Located in the vicinity of NW 177 Street between NW 27 Court and NW 27 Avenue  
Folio Number: 34-2109-001-0246

## Recommendation

It is recommended that the Board declare surplus County-owned property located at NW 177 Street between NW 27 Court and NW 27 Avenue, waive Administrative Order 8-4, which requires that this disposition be reviewed by the Planning Advisory Board, and approve the conveyance of same to the City of Miami Gardens (City) in accordance with Florida Statute 197.592 for road right-of-way purposes.

## Scope

COMMISSIONER DISTRICT: 1  
COMMISSION DISTRICT (S) IMPACTED: County-wide

## Background:

MANAGING DEPARTMENT: General Service Administration (GSA)  
FOLIO NUMBER: 34-2109-001-0246  
LOT SIZE: 876 square feet (0.0201 acres)  
LOCATION: NW 177 Street between NW 27 Court and NW 27 Avenue  
ZONING: RU-1  
CURRENT USE: Vacant Land  
JUSTIFICATION: In September of 2004 Miami-Dade County, through its Public Works Department, transferred all road right-of-way within the City of Miami Gardens to the City. However, this small parcel was left out due to the fact that it has not been dedicated for road right-of-way and was under the control of GSA. The City has now requested that this property be conveyed to them to be utilized for road right-of-way.

The parcel is being conveyed under Florida Statute 197.592 (3) which states that lands acquired by the County for delinquent taxes which are located within the boundaries of an incorporated municipality shall be conveyed to the governing board of the municipality in which the land is located once it is determined that the property is not needed for County purposes.

**Fiscal Impact/Funding Source**

MINIMUM SALE AMOUNT: The City of Miami Gardens has requested that Miami-Dade County convey this County-owned property for road right-of-way.

2008 ASSESSED VALUE: \$5,650.00

FISCAL IMPACT: The conveyance of this property will reduce the County's annual expense for maintenance and eliminate the County's liability.

MONITOR: Mercedes Sanchez, Real Estate Officer

DELEGATED AUTHORITY: Authorizes the County Mayor or County Mayor's designee to convey this parcel of land to the City of Miami Gardens for no monetary consideration; and authorizes the County Mayor to execute a Right-of Way Deed.

COMMENTS: Because of its size and shape, the property is not buildable and therefore, not suitable for infill or affordable housing. Additionally, staff has determined, by circulation to County departments, that this parcel is not needed for any County purpose.

General Services Administration

In accordance our interlocal agreement with Miami-Dade County, M-D transferred all road rights-of-way to the City of Miami Gardens (dated 1 Sept. 2004). The right-of-way below was not included in this transfer and we would like to request that the portion of this parcel that is north of the south edge of public sidewalk on NW 177<sup>th</sup> Street, be transferred to the City. I have previously supplied you with a sealed survey the delineates this area.

Thank you for your help on this problem.

**MIAMI-DADE COUNTY  
BOARD OF COUNTY COMMISSIONERS  
OFFICE OF THE COMMISSION AUDITOR**

Legislative Notes

**Agenda Item:** 8(F)1(B)  
**File Number:** 090794  
**Committee(s) of Reference:** Board of County Commissioners  
**Date of Analysis:** May 18, 2009  
**Type of Item:** Declaring Surplus Property  
**Commission District:** District 1

**Summary**

If approved, this resolution:

- (1) would declare as surplus property, County-owned property located at NW 177 Street between NW 27 Court and NW 27 Avenue,
- (2) would waive Administrative Order 8-4, requiring land dispositions to be reviewed by the Planning Advisory Board, and
- (3) would approve the conveyance of the County-owned property to the City of Miami Gardens for a nominal amount of \$1 for road right-of-way purposes.

**Background and Relevant Legislation**

In 2004, the Board of County Commissioners (BCC) adopted resolution R-983-04 which transferred jurisdiction, ownership and control of certain County-owned public roads located within the corporate limits of the City of Miami Gardens to the City. The transfer provided Miami Gardens with the responsibility and liability of maintaining the right-of-ways and infrastructure of all transferred roads. A small parcel located at NW 177 Street between NW 27 Court and NW 27 Avenue was not included in the conveyance. The Administration notes that this particular right-of-way had been excluded because it had not been dedicated as a road right-of-way.

A review of R-983-04 and the transfer agreement, which list certain roads as exempt roads which were not to be included in the 2004 conveyance, do not list this right-of-way among the exempt roads. The City Manager of Miami Gardens has requested this parcel be transferred to the City. In addition, the Administration reports that due to its size and shape, the property is not suitable for infill or affordable housing.

Pursuant §197.592 (3), Fla. Stat. the County has the authority to convey land dedicated by the Board of County Commissioners to the governing board of the municipality in which the land is located.

Based on these factors, the Administration recommends that the BCC adopt the pending resolution which grants authorization to declare the parcel as surplus County property not needed for any County

purpose; and grants authorization to convey title, rights and interests to the City of Miami Gardens via a right-of-way deed.

**Budgetary Impact**

The property's 2008 assessed value is \$5,650. The County' will be paid a nominal amount of \$1 for the conveyance of the surplus property to the City of Miami Gardens.

The Administration reports that relinquishing the surplus property will reduce the County's annual expense for maintenance and exposure to premise liability.
