SELECTION PROCESS:

A Notice to Professional Consultants was issued on October 23, 2008.

The following factors were utilized in order to rank the most qualified consultant: ability of professional personnel, past performance, willingness to meet time and budget requirements, locations of the firm, the recent, current, and projected workloads of the firms, and the volume of work previously awarded to each firm were considered in accordance with Miami-Dade County Code, Chapter 2.10.4.

In accordance with Chapter 287.055 of the Florida Statutes and Chapter 2-10.4 of the Code of Miami-Dade County, both of which govern certification, selection and negotiation procedures, the Competitive Selection Committee ("Committee") held a First Tier meeting on December 17, 2008.

In the First Tier Meeting, the top firms were separated by one point. Mactec Engineering and Consulting, Inc. (435) and Milian, Swain and Associates, Inc. (434); therefore both firms were deemed basically equal to perform the required services. However, when the volume of work previously awarded was applied, Milian, Swain and Associates, Inc. ranked as the number one (1) firm. The final ranking results of the top three (3) firms that submitted proposals is as follows:

- 1) Milian, Swain & Associates Inc. – 454 points
- 2) Mactec Engineering & Consultant, Inc. – 449 points
- 3) Environmental Resource Mgt. Southeast Inc. – 425 points

The Committee deemed the top-ranked firm, Milian, Swain & Associates Inc., to have met the qualification requirements, and waived the Second Tier Meeting. On February 3, 2009, the name of the top-ranked firm was

submitted to the County Manager for further consideration for negotiation of an agreement.

Subsequently, a Negotiation Committee was appointed on February 3, 2009, and a satisfactory agreement was negotiated on February 17, 2009, with Milian, Swain & Associates Inc.

ARTICLE 7

COMPENSATION FOR SERVICES

Unless otherwise authorized by Amendment to this Agreement, payments to the Consultant for Services and Reimbursable Expenses performed shall not exceed **ONE MILLION ONE HUNDRED THOUSAND DOLLARS (\$1,100,000)** and shall be disbursed as reflected herein.

Owner agrees to pay the Consultant and the Consultant agrees to accept for all Services rendered pursuant to this Agreement, the amounts determined in accordance with this article. No payment will be made to the Consultant for work performed without a Service Order.

7.1 **PAYMENT FOR SERVICES:** The fee for Services authorized in accordance with this Agreement will be computed by one (1) of the following three methods:

7.1.1 Compensation to the Consultant for Services shall be based as follows:

7.1.1.1 Flat rate: When approved based on resume qualifications and experience, compensation to the Consultant for Services shall be on the basis of flat rates in accordance compensation schedule below. Any other classifications that may be used during the course of performing the Services and the hourly rate for such classifications shall only be authorized by Service Order.

CATEGORY	TITLE	FLAT RATE (\$/HR)
I	Principal	\$150.00
II	Project Manager	\$125.00
III	Senior Engineer	\$115.00
IV	Staff Engineer	\$95.00
V	Design/Engineer Technician	\$70.00
VI	Administrative Support/Clerical	\$50.00

The maximum flat rate for all other personnel, not listed above shall not exceed **\$115.00** per hour. The Owner reserves the right to adjust the maximum flat rate.

7.1.1.2 Not to Exceed: Under this compensation basis, the Consultant is compensated for the actual time of personnel engaged directly in

performing Services under this Agreement. In addition, the Consultant is compensated for other related services necessary to complete the on services. A not to exceed cap for the total fee for each assignment given under this compensation basis shall be established prior to the issuance of the Service Order. The compensation method shall be in accordance with the compensation schedule as shown in 7.1.1.1 of this Agreement.

- 7.1.1.3 Agreed Lump Sum: Under this compensation basis, the Consultant agrees to perform specifically described Services for an agreed fixed dollar amount of compensation.
- 7.1.1.4 Escalation: During the term of this Agreement, the Owner may, by authorized Service Order only, adjust the fees included in the compensation schedule, 7.1.1.1, to reflect the change in the Consumer Price Index (CPI) on a year-by-year basis, including any extensions that may be exercised. Such adjustment will be based on the cumulative change of the Consumer Price Index (CPI) for the Miami urban area, provided that the annual increase shall not exceed three percent (3%).
- 7.1.1.5 Overtime Employees that are salaried are not required to be paid time and one half for work over 40 hours. The following formula will be utilized for calculating overtime for salaried employees: Forty (40) hours multiplied by the base pay rate (\$) multiplied by the appropriate multiple (M) (if applicable); plus Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the pay rate (\$) multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.1)$$

For Employees that are on an hourly basis and are required to be paid at a time and one half overtime rate, the following formula will be utilized for calculating overtime: Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the premium pay rate (\$*1.5) and then multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.5*1.1)$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.1) = 3180 + 330 = \$3510 \text{ or}$$

EXAMPLE

Hours worked during week = 50

Pay rate = \$30/hr.

Multiplier = 2.65

$$(40*30*2.65) + (10*30*1.5*1.1) = 3180 + 495 = \$3675$$

7.1.1.6 Consultant shall not invoice Owner for charges for office, rent or overhead expenses of any kind, including but not limited to, insurance, telephone (except long distance calls authorized by the Owner), and utility charges, office/drafting supplies, depreciation of equipment, professional dues, subscriptions, reproduction of drawings and/or specifications for internal use, mailing, stenographic, clerical, nor shall it invoice for other employee time or travel and subsistence not directly related to the Project. The multiple factor set forth above shall cover all such costs pertinent to the Project.

The Consultant shall submit its invoice for those services to the Project Manager. The Owner shall make payment in accordance with the provisions of Chapter 218 of the Florida Statutes. However, the Owner may reject the invoice in whole or in part. If rejected, the Owner shall notify the Consultant in writing specifying the deficiencies and corrective action required. If the Owner rejects only a part of the invoice, the Owner shall pay the undisputed portion of the invoice on a timely basis. Rejected or partially rejected invoices shall be corrected by the Consultant and resubmitted to the Project Manager for payment. Resubmitted partially rejected invoices shall separately indicate the previously undisputed amount of the invoice.

7.4 **ADDITIONAL SERVICES:** An allowance account is hereby established in the amount of **ONE HUNDREDTHOUSAND DOLLARS (\$100,000)** to pay for any Additional Services that may be authorized by Service Order.

7.4.1 Additional Services listed below are beyond the requirements for Primary Services under this Agreement and shall be performed upon receipt of a Service Order.

Respondents must submit a completed Letter of Agreement (Form CBE 105) at the time of proposal submission identifying all CBE-A/Es to be utilized to meet the subconsultant goal, the professional service designation of work each will perform, and the percentage of such work.  - (5) Only expenditures to CBE-A/Es made under a written subconsultant agreement executed by both the prime consultant and the CBE-A/E shall be counted towards meeting the subconsultant goal.

- vi. Respondents whose proposals do not meet the specified goal, in order to remain eligible, must submit to the Contracting Officer no later than 4:00 p.m. on the second business day following proposal submission, evidence proving the lack of available CBE-A/Es to afford effective competition to provide the services to meet the goal. To prove lack of availability, respondents must submit the following:
- (1) Unavailability Certificates (Form CBE 103) either completed and signed by all of the CBE-A/Es certified to perform the scopes of work or completed and signed by the respondent explaining the contacts with all of the CBE-A/Es certified to perform the scopes of work, statements or actions of the CBE-A/Es showing unavailability, and the reason(s) why the CBE-A/Es' signature could not be obtained;

 - (4) A description of the respondent's process for soliciting and evaluating proposals from CBE-A/Es, including copies of telephone logs detailing time, date and name of contacts with potential subconsultants;
 - (5) Respondents may establish a CBE-A/E as unavailable if its proposal is not reasonably competitive with comparable proposals of non-CBE-A/E s for the same scope of work. To establish a CBE-A/E as unavailable if its proposal is not considered reasonably competitive, the prime consultant must furnish SBD with copies of all proposals received from all firms, both CBE-A/Es and non-CBE-A/Es, for each specific scope of work for which they are claiming that the proposal is not reasonably competitive. A CBE-A/E's proposal will be considered reasonably competitive if its proposal, for the same scope of work, is within 25% of the proposal of comparably sized non-CBE-A/E firms;
- b. Respondents whose proposals do not meet the specified goal, and who do not prove lack of availability as indicated in 2. (a.) (vi.) above are not in compliance with these Provisions. The Compliance Monitor may meet with a respondent before recommending that the Contracting Officer determine non-compliance. This written recommendation shall be forwarded to the respondent and the Contracting Officer.
 - ii. In the event that the Contracting Officer receives a recommendation of non-compliance from the Compliance Monitor, he or she may conduct a meeting or hearing at which the respondent shall be afforded an opportunity to present data supporting its compliance with the goal. - d. Failure of the prime consultant to comply with the applicable requirements of Section (G)(1)(c) above shall result in the prime consultant's forfeiture of the right to use the dispute as justification for not paying the CBE-A/E subconsultant and payment shall be forthcoming from the prime consultant.

2. County Responsibilities

- a. Proposal documents for agreements with CBE-A/E agreement set-asides, or subconsultant goals shall require that billings from subconsultants under prime consultant agreements with Miami-Dade County, Fire or the Public Health Trust that are a CBE-A/E agreement set-aside or which contain a subconsultant goal

a. The Compliance Monitor shall review respondent's submission for compliance with these Provisions on every agreement to which a CBE-A/E agreement set-aside, or subconsultant goal has been applied. The purpose of this review shall be for the Compliance Monitor to consider whether to recommend the respondent's proposal is determined to be in compliance or non-compliance with the requirements of these Provisions. The Compliance Monitor may consider relevant information from any person in making this decision. The Compliance Monitor may require the respondent to produce information deemed pertinent and appropriate and may obtain further information from whatever sources the Compliance Monitor deems appropriate.

b. The Compliance Monitor shall notify the respondent in writing stating the facts and the reasons on which the non-compliance is based. The respondent may request a meeting within five (5) business days from the date of the notification of non-compliance. Such recommendation shall not affect the power of the Board of County Commissioners to reject the respondent's bid for any other reason or to take such action on the recommendation of the Contracting Officer as the Board deems appropriate.
 - g. Consideration of other proposals. If the Contracting Officer or Compliance Monitor deems it advisable in the interest of expediting the award of the agreement, the procedures set forth in this subsection may be carried out with respect to the proposals of one or more additional respondents at the same or different time with each such proceeding to be separately conducted.
 - h. Failure of respondent to participate. The respondent will be bound by the proceedings under this subsection to which they have been given required notice without regard to their participation or lack of participation. A lack of participation upon receiving notices and requests pursuant to these Provisions shall not be grounds for reconsideration of any action taken in the proceedings.
 - i. Miami-Dade County shall not award an agreement to any respondent which, in its determination, fails to comply with the applicable requirements of these Provisions. Nothing herein shall relieve any respondent from any of the terms, conditions or requirements of the contract or modify Miami-Dade County's rights as reserved in the agreement document.
2. Post-Award Compliance and Monitoring

The Successful Respondent shall submit to the Contracting Officer, for approval, written subconsultant agreements corresponding in all respects to the Successful Respondent's Letter of Agreement. The Successful Respondent shall enter into a written subconsultant agreement with each listed CBE-A/E subconsultant and shall thereafter neither terminate any such subconsultant

The Contracting Officer shall not give a final written determination without a recommendation from the Compliance Monitor.

b. Access to Records

Successful respondents and CBE-A/Es shall permit the County to have access during normal business hours to books and records relating to the respondent's compliance with the agreement set-aside, or subconsultant goal applied to the agreement or relating to CBE-A/E compliance with certification requirements. e. Deviations from the Letter of Agreement

i. In the event that, during the performance of an agreement, the CBE-A/E is

not able to provide the services specified on the Letter of Agreement, the successful respondent must locate a CBE-A/E to substitute for the unavailable CBE-A/E, unless the respondent can prove the lack of an available CBE-A/E to provide the services to be provided by the prior CBE-A/E. The successful respondent must receive approval for substitution from SBD by submitting a request in writing addressed to the Director of SBD through the Contracting Officer. The request must include a revised Letter of Agreement to include the substitute CBE-A/E. The Compliance Monitor will review the request and make a recommendation regarding the substitution to the Contracting Officer. A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, and telephone numbers of all CBE-A/Es contacted, and the date of contact for each CBE-A/E. All certified CBE-A/Es certified in the appropriate professional service area under the technical certification categories must be contacted in order to prove lack of an available CBE-A/E.

- ii. The Compliance Monitor shall be responsible for monitoring the performance of the successful respondent regarding compliance with agreement set-asides, or subconsultant goals applied to the agreements. The Compliance Monitor may, at his or her discretion, investigate deviations in the utilization of CBE-A/Es from that described on the Schedule of Participation, and make recommendations regarding compliance to the Contracting Officer. The Contracting Officer shall not make a final determination without a recommendation regarding compliance from the Compliance Monitor. Deviations from the goal stated in the agreement that shall be monitored include, but are not limited to:
 - (1) Termination of a CBE-A/E's subconsultant agreement;

aware until subsequent to the date of the award of the agreement, a CBE-A/E who is to enter into such subconsultant agreement has unreasonably refused to execute the subconsultant agreement, or is not available, the successful respondent shall be excused from executing such subconsultant agreement. The procedures of paragraphs (v.) and (vi.) below shall apply to this paragraph.

iv. Termination of Subconsultant Agreements:

If, after execution of a subcontract required by these Provisions the successful respondent submits a written request to the Contracting Officer and demonstrates to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not be reasonably have been aware until subsequent to the date of execution of such subconsultant agreement, a CBE-A/E, who entered into such subconsultant agreement has committed a material breach of the subconsultant agreement, the successful respondent shall be entitled to exercise such rights as may be available to him/her to terminate the subconsultant agreement. The procedures of paragraphs (v.) and (vi.) below apply to this paragraph.

v. County's Determination of Respondent's Excuse or Termination:

If the successful respondent at any time submits a written request to the Contracting Officer under the prior two paragraphs, the Contracting Officer as soon as practicable, shall determine whether the Successful Respondent has made the requisite demonstration, and shall not determine that such a demonstration has not been made without first providing the successful respondent, upon notice, an opportunity to present pertinent information and arguments. The procedures of paragraph (vi.) below apply to this paragraph.

vi. Alternative Subconsultant Agreements:

- (1) If the successful respondent is excused from entering into a subconsultant agreement or rightfully terminates a subconsultant agreement under this Administrative Order and without such subconsultant agreement, the Successful Respondent will not achieve the level of CBE-A/E participation upon which the agreement was awarded, the Successful Respondent shall make every reasonable effort to propose and enter into an alternative subconsultant agreement or subconsultant agreements for the same work to be performed by another available CBE-A/E as appropriate, for a subconsultant agreement price or prices totaling not less than the subconsultant agreement price under the excused or terminated subconsultant agreement, less all amounts previously paid

thereunder.

- (2) The Successful Respondent must submit to the Compliance Officer a revised Letter of Agreement to include the substitute CBE-A/E.
- (3) A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, telephone numbers, and the date of contact for each CBE-A/E. All CBE-A/Es certified within the appropriate professional service area under the technical certification categories must be contacted.
- (4) The Compliance Monitor may require the successful respondent to produce such information as the Compliance Monitor deems appropriate and may obtain further information from other sources. The Compliance Monitor shall make his/her recommendation under this paragraph to the Contracting Officer and forward a copy to the respondent.
- (5) The Contracting Officer will consider objections to the Compliance Monitor's recommendation only if such written objections are received by the Contracting Officer within five (5) calendar days from the successful respondent's receipt of the Compliance Monitor's recommendation. The Contracting Officer with or without a hearing, and as he/she in his/her discretion may determine, will reply to the successful respondent's written objection within ten (10) days of receipt of these objections.

I. SANCTIONS FOR AGREEMENT VIOLATIONS

Proposal and agreement documents shall provide that, notwithstanding any other penalties or sanctions provided by law, a respondent's violation of or failure to comply with the CBE-A/E Ordinance, Administrative Order and these Provisions may result in the imposition of one or more of the following sanctions:

1. The suspension of any payment or-part thereof until such time as the issues concerning compliance are resolved;
2. Work stoppage;
3. Issuance of fines of up to two (2%) percent of the contract amount, said fines to be deducted from invoices;
4. Termination, suspension, or cancellation of the agreement in whole or part;

5. In addition, and as a further sanction, the County Manager or his or her designee may impose any of the above-stated sanctions on any other agreements or subconsultant agreements the respondent or CBE-A/E has on County projects. In each instance, the respondent or CBE-A/E shall be responsible for all direct and indirect costs associated with such termination or cancellation including attorney's fees and costs. The respondent or CBE-A/E may also be subject to debarment.
6. In the event that a respondent fails to achieve the CBE-A/E measures after the agreement completion, the respondent will be required to make up the CBE-A/E deficit for an amount equal to double the amount of the CBE-A/E measure deficiency. The procedures for making up the CBE-A/E deficit are as follows:
 - a. Upon completion of a County agreement with CBE-A/E measures, the compliance monitor for SBD, in accordance with County Code governing the CBE-A/E program, will obtain the final Architecture & Engineering Utilization Report and determine if the respondent has met the CBE-A/E measures.
 - b. If the respondent has not met the CBE-A/E measures, the compliance officer will notify the respondent in writing of the CBE-A/E deficit.
 - c. If the respondent is found in non-compliance with the CBE-A/E measures, the compliance officer may issue a letter of non-compliance requesting that the respondent make up the CBE-A/E deficit on an existing or future County agreement for double the amount of the deficit on the agreement in question. The respondent will also be required to submit a plan indicating any current or future County agreements in which the CBE-A/E deficit will be remedied.
 - d. The respondent must respond to SBD in writing within ten (10) business days from the date of the non-compliance letter. The respondent must acknowledge receipt of the non-compliance letter and provide a plan to make up the CBE-A/E measure.
 - e. The compliance monitor will review the plan for approval.
 - f. When an agreement is identified in which the CBE-A/E measure deficit will be remedied, the respondent will provide Letter(s) of Agreement for the CBE-A/E firm(s) that will be utilized in making up the deficit.
 - g. The respondent will remain in a non-compliance status until the CBE-A/E make-up goal has been achieved.

- h. Failure of the respondent to make up the CBE-A/E measure when opportunities are available on existing or future County agreements will result in the sanctions or the imposition of other penalties, or as referenced in Sections I. and J.

Some of the agreement violations that may result in the imposition of the sanctions listed in Section I. above include, but are not limited to, the following:

- i. A CBE-A/E serving as a conduit for CBE-A/E work awarded to a final as a CBE-A/E but which is being performed by a non-CBE-A/E firm;
- ii. A prime consultant not meeting CBE-A/E Program subconsultant goal requirements;
- iii. Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;
- iv. Failure to submit Architecture & Engineering Utilization Reports;
- v. Failure to comply with CBE-A/E certification requirements, including not-maintaining a place of business in Miami-Dade County, not reporting organizational and operational changes, providing inaccurate or false information, and other certification related violations;
- vi. Failure to maintain certification;
- vii. Deviations from the Letter of Agreement without prior approval from SBD;
- viii. Termination of the CBE-A/E's agreement without prior approval from SBD;
- ix. Reduction of the scope of work of a CBE-A/E subconsultant agreement without prior approval from SBD;
- x. Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or
- xi. Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a Letter of Agreement to meet a subconsultant goal.

Summary

This resolution authorizes the execution of a 3-year, \$1,102,750, engineering-consultant agreement with Milian, Swain & Associates, Inc. to sample, monitor and report on stormwater discharge associated with the industrial and construction activities at Miami International Airport facilities as required by the South Florida Water Management District (SFWMD), the Florida Department of Environmental Protection (FDEP), and the County's Department of Environmental Resources Management (DERM).

Under the terms of the agreement, the engineering firm will specifically provide the following sampling services:

- conduct monthly backgrounds
- measure secondary outfall on a bi-monthly basis
- conduct 3 primary storm events in the wet season and 3 events in the dry season
- provide Best Management Practices on a quarterly basis
- investigate at different sampling points based on the results of the above

The firm also will provide the following reporting services:

- provide water quality data analysis
- provide laboratory cross references and audits
- Prepare an annual SFWMD report
- produce a Best Management Practices report and investigative reports

In addition, the firm will provide the following tasks to determine if the existing South Florida Water Management District (SFWMD) permit should be modified:

- review the general and special conditions of the current permit
- evaluate and propose the parameters to be sampled in coordination with the County's Airport Department and SFWMD
- verify the accessibility and conditions of the sampling points approved under the current permit

- review the qualifications criteria of storms and Best Management Practices events and propose methods and procedures to guarantee their accomplishments

In general, the firm will also be responsible for:

maintaining traffic, providing safety plans, removing and disposing of environmentally contaminated water/soil, abating asbestos, controlling erosion, applying for preliminary applications for dewatering permits, complying with regs, and other ancillary tasks related to the scope of the primary services.

Last, under the terms of the agreement, the firm must be versed in and capable of providing the following disciplines in engineering: civil, structural, and electrical.

Background and Relevant Legislation

Under the federal Clean Water Act, the discharge of any pollutants emanating from wastewater discharge, municipal sewage treatment plants or stormwater runoffs are prohibited unless the discharge is authorized under a federal or state permit. Permit holders are required to develop and implement a comprehensive stormwater management program that must include periodic stormwater sampling, monitoring and reporting. The goal is to optimize stormwater treatment areas, monitor changes, identify best management practices to meet water quality standards and objectives, and establish operational modifications.

As mandated by the South Florida Water Management District (SFWMD), the Florida Department of Environmental Protection (FDEP), and the County's Department of Environmental Resources Management (DERM), the County is required to sample, monitor and report on Miami International Airport's stormwater system to document and measure stormwater discharge associated with the industrial and construction activities at the airport's facilities. The Administration recommends Milian, Swain & Associates, Inc. as the engineering consultant firm to perform the tasks required of the Airport's stormwater system.

Milian, Swain & Associates, Inc. is a minority-owned, civil and environmental engineering firm incorporated in 1989. Its staff has held positions with the U.S. Army Corps of Engineers, South Florida Water Management District, U.S. Fish and Wildlife Service, Florida International University's Southeast Environmental Research Center and the Miami-Dade Department of Environmental Resources Management (DERM). The following categories are listed on the firm's website as areas of expertise: wastewater, reclaimed water, stormwater utility regulation and program/project management. (Source: www.milianswain.com) Within the past 5 years, the firm has been awarded 5 County contracts and is rated 3.7 out of 4.0 by the Office of Capital Improvements. There are no violations recorded.
