**NON-EXCLUSIVE LANDSCAPE EASEMENT**

MIAMI-DADE COUNTY, a political subdivision of the State of Florida, having as its principal address located at 111 N.W. 1<sup>st</sup> Street, Miami, Florida 33128 (hereinafter described as "Grantor"), in consideration of the payment of \$1.00 and other good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, grants and gives to BEACON TRADEPORT COMMUNITY DEVELOPMENT DISTRICT, a local unit of general purpose government established pursuant to Chapter 190, Florida Statutes, having as its principal address at 5701 N. Pine Island Road, Suite 370, Fort Lauderdale, Florida 33321 (hereinafter described as "Grantee"), a non-exclusive landscape easement as described herein.

WITNESSETH:

WHEREAS, Grantor is the fee simple owner of two (2) strips of land ("Property"), legally described in "Exhibit A," which is attached hereto and incorporated herein by reference; and

WHEREAS, the Property is located along the perimeter of County-owned properties located at or near 11500 N.W. 25<sup>th</sup> Street, Miami, Florida 33172 (Folio No.: 30-3031-028-0010 and 30-3031-029-0010 respectively), as depicted in Exhibit B attached hereto; and

WHEREAS, Grantee desires to install and maintain an underground irrigation system and plant and maintain foliage and shrubbery ("Improvements") within the Property at no cost to Grantor; and

WHEREAS, the Improvements are intended by Grantee to create a landscaped buffer on the Property consistent with the remainder of the Beacon Tradeport Industrial Park, within which the Property is located; and

WHEREAS, Grantor desires to grant a revocable non-exclusive easement within the Property to Grantee for the installation and maintenance of the Improvements in accordance with terms set forth herein.

NOW, THEREFORE, it is agreed as follows:

1. Recitals. The foregoing recitals are true and form a part hereof.
2. Easement and Purpose. Grantor hereby grants to Grantee a revocable non-exclusive landscaping easement ("Easement") within the Property solely for the purposes of accessing, installing, repairing, replacing, and maintaining the Improvements within the Property (hereinafter "Easement").
3. Installation Cost and Completion of the Improvements. Grantee shall install the Improvements within the Easement at its sole cost. All Improvements shall be completed in a good and workmanlike manner, free and clear of all liens, claims and encumbrances. At such time as Grantee commences construction of the Improvements, Grantee shall proceed with reasonable diligence to complete such work in a timely fashion. Grantee shall, after the completion of the construction of the Improvements, restore, at its sole cost, any damage to the Easement to as good or better a condition than previously existed. Grantee agrees to promptly pay all contractors employed by Grantee, its agents or employees, to complete the Improvements.

Any and all Improvements installed in the Easement by Grantee shall become the sole property of the Grantor upon the termination of this Easement by either party. It is understood by the parties that upon termination of this Easement, Grantor will not have any use of Grantee's irrigation system.

4. Use of the Easement. Grantee shall only utilize the Easement for the limited purpose of installing and maintaining the Improvements within the Property. And Grantee further agrees not to commit any waste upon the Easement, or permit the occurrence of any nuisance thereon, or use the Easement for any purpose other than the permitted uses as set forth herein. Further, the Grantee shall not use or permit any use of the Easement which is contrary to any law, rule or regulation. The rights and privileges granted to Grantee herein shall be used in such a manner as to not unreasonably interfere with the Grantor's use of the Property.

5. Laws, Permits, Approvals. The use of the Easement by Grantee shall be in accordance with all applicable laws, rules, regulations, governmental permits and shall not have a material adverse affect on the land contiguous thereto. All installation work to be performed by Grantee on or under the Easement shall be performed only after all of the required governmental permits and approvals, if any are required, have been obtained by Grantee, at its sole cost.

6. Repairs and Maintenance. Grantee agrees that Grantee shall have the obligation to maintain at Grantee's sole cost the Easement and the Improvements in good condition and repair (including replacement if required). Such activity shall be

completed promptly by Grantee and in such a manner as to not unreasonably interfere with the activities of Grantor on Grantor's Property. All work performed by or for Grantee within said Easement shall be performed in accordance with required laws, permits, and requirements.

7. Default and Remedies. If Grantee shall default in the performance of its obligations, including but not limited to the regular and on-going maintenance of the Improvements as described hereunder, then Grantor, in addition to all remedies it may have at law or in equity, after thirty (30) days' prior written notice to Grantee and Grantee's failure to cure such default within said thirty (30) day period, shall have the right but not the obligation to perform such obligation on behalf of Grantee, and require Grantee to immediately reimburse the Grantor, and/or Grantor, upon its election may terminate the Easement. In addition, in case of an emergency, Grantor may initiate and complete immediate emergency repairs to any of the Improvements without prior notice to the Grantee and receive immediate reimbursement therefore from the Grantee for making such emergency repair(s).

8. Reservation of Rights. Grantor reserves all rights of ownership to the Property not herein expressly granted in and to the Easement, including but not limited to, the right of non-exclusive ingress and egress over, upon and under the Easement, the right to develop the Easement and the right to grant further easements over, under, and upon the Easement; provided that, in no event shall any of the rights herein reserved impede or interfere with the Easement herein granted.

9. Insurance. During the term of the Easement, Grantee shall provide Grantor with a certificate of insurance evidencing that Grantee is maintaining a comprehensive liability insurance policy in the amount of at least One Million (\$1,000,000.00) Dollars, combined single limit in connection with Grantee's use of the Easement granted hereby, which insurance shall name the Grantor as an additional named insured, as its interest may appear, and such policy shall require thirty (30) days prior written notice to the Grantor before any cancellation or termination of the insurance policy may occur. To the extent that Grantee shall fail to maintain such insurance and fail to cure such breach within ten (10) days after written notice from Grantor to Grantee specifying such breach, then, in addition to any other right found in or being part of the Easement, the Grantor shall have the right to obtain such insurance on behalf of Grantee, whereupon Grantee shall immediately reimburse Grantor for the costs in obtaining such insurance. Further, the Grantee shall secure and maintain during the term of the Easement Automobile Liability Insurance covering all owned, non-owned and hire vehicles used in connection with the work on or to the Easement, in an amount not less than Three Hundred Thousand (\$300,000.00) Dollars combined single limit per occurrence for bodily injury and property damage. The Certificate of Insurance must indicate that no modification or change in insurance shall be made without thirty (30) days in advance notice to the certificate holder

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida, with the following qualifications:

The company must be rated no less than "B" as to management, and no less than "Class V" as to financial strength, by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to the approval of the County Risk Management Division.

Certificates will indicate no modification or change in insurance shall be made without thirty (30) days in advance notice to the certificate holder.

11. Indemnification. To the extent allowed by Florida law, Grantee agrees to indemnify, defend and hold harmless Grantor and its officers, employees, agents and instrumentalities from and against any and all liabilities, losses, damages, claims, costs or expenses whatsoever (including any and all attorneys' fees, expenses and costs whether any suit be brought or any appeal(s) be taken) which may occur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising from, growing out of, relating to, or in connection way with: (i) the Easement, (ii) the Grantee's wrongful use, construction, maintenance or operation of the Easement, the Improvements, and/or with respect to the Grantee's improper (nuisance) use of the Easement, (iii) the actions or inactions of Grantee's employees, agents, servants, partners, principals or subcontractors, or (iv) any liens filed against the Easement relating to the construction and/or maintenance of the Improvements. Grantee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Grantor, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. Grantee expressly understands and agrees that any insurance protection required by this document or otherwise provided by Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Grantor or its officers, employees, agents and instrumentalities as herein provided.

12. Relocation. Grantor shall have the right to relocate the location of the Easement from time to time provided that Grantee shall incur no cost or expense therewith, that at least forty-five (45) days notice of the proposed relocation is furnished to Grantee with a proposed relocation landscape plan, that the Grantee approved the relocation landscape plan, which approval shall not unreasonably be withheld, and that Grantor relocates, at its expense, any landscaping and Improvements located in the Easement in accordance with the approved relocation landscape plan. Upon the relocation of the Easement, Grantor shall record a document of record setting forth the location of the relocated Easement, whereupon the term "Easement" in this document shall be amended to be the area of such relocated Easement.

13. Duration. The Easement may be terminated by either Grantor or Grantee, by written instrument upon with thirty (30) days' prior notice. Additionally, failure of the Grantee to utilize any portion of the Easement for landscaping purposes shall cause the Easement to automatically terminate, and Grantee shall immediately provide written notice of such to the Grantor.

**Summary**

This resolution authorizes the conveyance of a revocable, non-exclusive easement to the Beacon Tradeport Community Development District (District) for purposes of installing an underground irrigation system and installing and maintaining landscaping (i.e., foliage and shrubbery) around the perimeter of the County's Lightspeed building located at 11500 N.W. 25 Street within the Beacon Tradeport Industrial Park.

Beacon Tradeport Community Development District will be responsible for all costs incurred for installing and maintaining the irrigation system and landscaping. The District will also be required to obtain and maintain comprehensive liability insurance in the amount of \$1 million naming the County as an additional insured; and to obtain, during the term of the easement, \$300,000 of automobile liability insurance covering all vehicles used in connection with the easement projects.

The County may relocate the easement, at no cost to the District, or terminate the easement.

**Background and Relevant Legislation**

On April 25, 2006, the Board of County Commissioners (BCC), through Resolution 361-06, authorized the acquisition of approximately 11.90 acres of land and a building of approximately 197,281 square feet for \$23.1 million to house the County's 3-1-1, 9-1-1, MDRF Communications, ETSD, the Office of Emergency Management / Emergency Operations Center (EOC) and PWD / Traffic Signs and Signals divisions. The site, known as the Lightspeed Building, serves as the central site for interdepartmental coordination of emergency and disaster relief services and a central point where the County's management could assemble to supervise emergency responses. The Lightspeed property is located within the Beacon Tradeport Industrial Park, and is within the District's special authority to develop and maintain landscapes.

No appraised value of the easement was provided. However, the County is conveying the revocable, non-exclusive easement to the Development District for \$1.
