

Memorandum

Date: June 30, 2009

To: Honorable Chairman Dennis C. Moss and
Members, Board of County Commissioners

Agenda Item No. 8(F)(1)(D)

From: George M. Burgess
County Manager

Subject: Conveyance of four County-owned parcels to the State of Florida Department of Transportation (FDOT) to be utilized for improvements to State Road I-395

RECOMMENDATION

It is recommended that the Board approve the attached resolution declaring four County-owned parcels, described in Exhibit "A," surplus; authorizing the conveyance of same to the State of Florida Department of Transportation (FDOT), for no monetary consideration; authorizing the waiver of Administrative Order 8-4 as it relates to the review by the Planning Advisory Board; and authorizing the County Mayor to execute a County Deed containing the restriction that the parcels shall solely be utilized for transportation related improvements to State Road I-395.

SCOPE

Commission District: District 3
Commission Districts Impacted: County-wide

BACKGROUND

Managing Department: General Services Administration (GSA)

Folio Numbers: 01-3231-025-0230 (Lot size 1,486 Square Feet) Parcel 106
01-3136-009-1190 (Lot size 1,747 Square Feet) Parcel 109
01-3136-009-0610 (Lot Size 1,658 Square Feet) Parcel 111
01-3136-021-0130 (Lot Size 2,214 Square Feet) Parcel 112

Location: See Exhibit "A"

Zoning: Parcels 106,109,111 C-2 (Liberal Commercial)
Parcel 112 C-1 (Restricted Commercial)

Assessed Value: \$ 86,452

Current Use: Vacant, unimproved

Justification: The State of Florida Department of Transportation (FDOT) conducted a study to determine what improvements needed to be made to SR I-395 between SR I-95 and the MacArthur Causeway Bridge. All of the alternatives studied identified the need to acquire four parcels of County-owned land located adjacent to SR I-395.

These parcels were acquired by the County via tax deed for non-payment of taxes. All four parcels are located immediately adjacent to SR I-395, are irregularly shaped, and are too small to build on. Additionally, staff has determined, by circulation to County departments, that these parcels are not needed for any County purpose. The combined assessed value for all four parcels totals \$86,452.00. Attached is a letter from FDOT requesting that these parcels be donated to them for this purpose.

Florida Statutes 125.38 authorizes the Board of County Commissioners to convey property to the State or any political subdivision or agency for a nominal value when the Board is satisfied that the property is needed for public or community interest and welfare and that the property is not needed for County purposes. The County Deed contains a restriction stating that the parcels must be used for transportation related improvements to I-395. Failure to utilize the property for said purpose shall result in the parcels automatically reverting to the County.

FISCAL IMPACT/FUNDING SOURCE

FDOT has requested that Miami-Dade County donate the four parcels to them. In the past the County has received property and easements from FDOT at no cost to the County. Furthermore, the conveyance of these parcels will eliminate the County's obligation to maintain them, which costs the County approximately \$12,000.00 per year for all four lots.

**Project Description: SR 836/I-395 From East of I-95
To MacArthur Causeway Bridge**
Parcel Numbers: 106, 109, 111, 112

Dear Laurie:

The State of Florida Department of Transportation (FDOT) is currently completing our PD&E Study to make improvements to I-395 (SR 836) from I-95 to the MacArthur Causeway Bridge. All of the alternatives studied will necessitate that FDOT acquire from Miami-Dade County GSA the above subject four parcels. This letter is to request a donation of these four parcels from GSA to FDOT, and that you begin your process to allow FDOT to acquire these four parcels by April, 2008 thru the Board of County Commissioners during one of the April Agenda Meetings.

For each of the above four parcels, I am attaching the following:

1. Miami-Dade County Property Web Site, showing ownership (GSA R/E Management) and Tax Folio Numbers, Property Street address, and other information.
2. County Deed for each parcel, prepared by FDOT
3. BOCC Proposed Resolution granting each parcel to FDOT
4. Legal Description of each parcel.
5. Parcel Sketch showing location and size of each parcel
6. Project Map showing all parcels necessary for acquisition by FDOT (including these four GSA parcels).

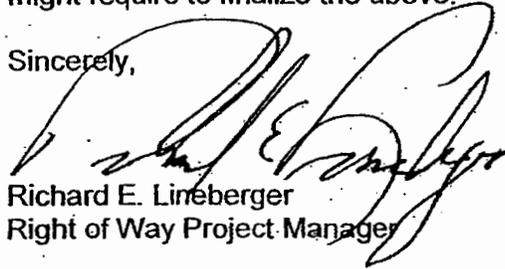

After your review, we would certainly be glad to come to the GSA offices and present our Construction Project to you and your Staff, and to answer any questions that you might have of FDOT or of our Design Consultant, Metric Engineering.
