

Memorandum

MIAMI-DADE
COUNTY

Date: June 30, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Agenda Item No. 8(E)(1)(B)

From: George M. Burgess
County Manager

Subject: Resolution Authorizing Issuance of \$188 Million Miami-Dade County Capital Asset Acquisition Special Obligation Bonds (Series 2009)

Recommendation

It is recommended that the Board of County Commissioners adopt the attached Resolution (2009 Resolution) authorizing the issuance and negotiated sale, in one or more tranches (series of smaller issues), of County Capital Asset Acquisition Special Obligation Bonds, in an aggregate principal amount not to exceed \$188 million (Series 2009 Bonds).

This 2009 Resolution authorizes the issuance of the Series 2009 Bonds for the purposes of funding with bond proceeds, together with any other legally available monies, the costs of the acquisition, construction, improvement and/or renovation of projects listed in Exhibit A, making a deposit to the Reserve Account and paying the costs associated with the issuance of the Series 2009 Bonds. The 2009 Resolution also provides for other related authorizations and approvals, which include delegating certain matters in connection with the issuance of the Series 2009 Bonds to the County Mayor or County Mayor's designee.

The 2009 Resolution also provides the authority to use Build America Bonds (BABs) or Recovery Zone Economic Development Bonds (Recovery Zone Bonds) as part of the issuance of the Series 2009 Bonds, if it will result in an economic benefit to the County.

Scope

The impact of the projects funded with the proceeds of the Series 2009 Bonds is countywide.

Fiscal Impact/Funding Source

The principal and interest on the proposed Series 2009 Bonds are special and limited obligations of the County payable solely from legally available non-Ad Valorem revenues of the County as appropriated annually and from revenues otherwise available from authorized funds and debt services reserves. The revenues used to make payments associated with the Series 2009 Bonds are Seaport Operating Revenues, Public Health Trust (PHT) Operating Revenues, Causeway Revenues and the Capital Outlay Reserve. Actual debt payments will be made from funds appropriated in the adopted budgets of each entity/department benefitting from the financed projects.

Based on current market conditions (calculated at a true interest cost of 5.2154 percent) and a 30 year maturity, the estimated average annual debt service payments resulting from the issuance of the Series 2009 Bonds is \$12 million. However, the delegation parameter in the 2009 Resolution is recommended at a true interest cost of 7.5 percent for tax-exempt bonds and 8 percent (based the effective yield for the federal subsidy, if BABs or Recovery Zone Bonds are used) for taxable bonds to give the County the greatest flexibility during the current volatile market environment. It is anticipated that by the time the Series 2009 Bonds are priced, market conditions would have

improved and the true interest cost would be more favorable. Principal amortization of the Series 2009 Bonds is projected to start in FY 2010.

Background

On March 18, 2007, the Board enacted Ordinance No. 07-51 (2007 Ordinance) authorizing the issuance of up to \$425,000,000 Special Obligation Bonds for specific projects of which \$227,720,000 were issued pursuant to Resolution No. R-342-07. Due to immediate needs, it has been requested that \$37,800,000 of the remaining \$197,280,000 under the authorization of the 2007 Ordinance be issued at this time to fund the County's West Lot Multi-Use Facility and Lightspeed Facility-Phase One, as identified in Exhibit A. The remaining balance of \$159,480,000 under the 2007 authorization is anticipated to be issued in FY 2010 for other projects including the purchase and additional FFE of Overtown II and Children's Courthouse.

In addition, the Series 2009 Bonds will fund: (i) Seaport capital projects; (ii) additional office space and parking for County administrative offices; (iii) capital projects for the Public Health Trust; (iv) capital projects for emergency operations; and (v) close out costs associated with various on-going projects. Exhibit "A," attached to the 2009 Resolution, details projects anticipated to be financed over the next three years through the issuance of the Series 2009 Bonds including but not limited to:

- ***Seaport Construction and/or Acquisition of Capital Assets (Seaport Revenues)***
 - Channel Dredging
 - Seaport Redevelopment Program
 - Oleta River Mitigation
 - Terminal D & E Construction
 - Terminal Improvements
 - Cargo Yard Improvements
 - Security Projects
 - Dredge III
 - Port-wide Facility Improvements
- ***PHT Construction and Equipment Purchase (PHT Revenues)***
 - Construction Projects- such as remodeling to existing plant, expansion of services in support of strategic initiatives, main campus security enhancements and other life/safety improvements.
 - Information Technology software
- ***Cyber Security – Phase Two (Capital Outlay Reserve)***
 - Hardware and software relating to maintaining the integrity of the County's technology infrastructure
- ***Project Closeout Costs – Various Projects (Capital Outlay Reserve)***
 - Lightspeed Phase One
 - Animal Services Facility
 - Arcola complex (Northside Police Station and Regional Headstart Center)
 - Countywide technology and communication projects
- ***Causeways – Various Projects (Causeways Revenues)***
 - Venetian Bridge Design
 - Venetian Bridge Rehabilitation
 - Causeway Toll System Upgrade
 - Rickenbacker Shoreline Roadway Protection
 - Rickenbacker Powell Bridge Structural Repairs

It should be noted that in the later part of FY 2007 and throughout FY 2008, various attempts were made to access the Sunshine State Governmental Financing Commission's Commercial Paper Program (previously utilized by the County to fund many of its countywide equipment needs) to fund numerous projects at the Seaport and PHT; however, due to the volatility in the capital markets, and the limited availability of credit facility providers, this financing vehicle is no longer viable.

The Series 2009 Bonds will be issued pursuant to an accompanying ordinance authorizing the issuance of Special Obligation Bonds (2009 Ordinance) placed concurrently on this agenda for consideration. The 2007 Ordinance and the 2009 Ordinance provide the County with a mechanism to finance the acquisition, construction and/or renovation of priority capital assets through the issuance of Bonds.

As part of the federal government's economic stimulus package, BABs were authorized through the American Recovery and Reinvestment Act (ARRA). Under BABs, state and local governments issue taxable bonds to which a federal subsidy of 35 percent is awarded. The federal subsidy will be provided in the form of either tax credits to bondholders or direct payments to the issuer. The purpose is to expand the marketplace for government bonds to taxable investors, while at the same time artificially lowering the lower interest cost through the federal subsidy. It is anticipated that the taxable interest rate minus the federal subsidy would be less than the interest rate cost on similar tax exempt securities. In addition to the BABs described above, the ARRA also authorized Recovery Zone Bonds which provide a federal subsidy of 45 percent of the interest cost for bond issues which meet certain conditions.

The 2009 Resolution provides the County with the flexibility to issue BABs or Recovery Zone Bonds with direct payments to the County. To date, only a small number of BAB transactions have gone to market. The County will only move forward with BABs or Recovery Zone Bonds if the interest payments, after taking into consideration the federal subsidy, are less than their projected tax exempt interest rate.

The 2009 Resolution authorizes the County Mayor or the County Mayor's designee to:

- Issue the Series 2009 Bonds, as tax exempt and/or taxable fixed rate or variable rate serial bonds, or term bonds or Build America Bonds or Recovery Zone Bonds or a combination of each, with maturity dates not to exceed 40 years in one or more tranches and to determine the designation of each series, if applicable;
- Determine amounts, dates, maturities, sinking fund installments, redemption provisions, series amounts and certain other details relating to such Series 2009 Bonds after consultation with the County's Financial Advisors;
- Negotiate and obtain bond insurance and a reserve account credit facility if either are deemed appropriate and financially advisable, after consultation with the County's Financial Advisors, County Attorney's Office and Bond Counsel that there is an economic benefit to the County;
- Execute and deliver any agreements that may be required by the bond insurer providing such bond insurance;
- Award the Series 2009 Bonds to Raymond James, as senior manager, on behalf of the Underwriters named in the Bond Purchase Agreement, provided that the true interest cost on any tranche of the Fixed Rate Tax-Exempt Series 2009 Bonds and Fixed Rate Taxable Series 2009 Bonds does not exceed 7.5 percent and 8 percent, respectively;
- Select and appoint a Paying Agent and Bond Registrar for the Series 2009 Bonds, after a competitive process;

- Execute and deliver to the Underwriters the Bond Purchase Agreement, substantially in the form attached as Exhibit "C" to this 2009 Resolution; and

The 2009 Resolution further provides for and authorizes:

- The use of a book-entry only system of registration for the Series 2009 Bonds;
- The preparation and distribution of the use of the Preliminary Official Statement substantially in the form attached as Exhibit "D" to this 2009 Resolution and allow for the distribution of the final Official Statement;
- A Continuing Disclosure Commitment, as required under the provisions of Rule 15c2-12, as amended, of the Securities and Exchange Commission; and
- The County appropriate officials to take all actions necessary in connection with the issuance of the Series 2009 Bonds and the closing of this transaction.

The Series 2009 Bonds are expected to be issued in July-August 2009 timeframe.

AUTHORITY, RECITALS AND FINDINGS

Section 2.01 Authority. This Resolution is adopted pursuant to the provisions of the Act and the Ordinance.

Section 2.02 Recitals. The recitals contained in the “WHEREAS” clauses are incorporated in this 2009 Resolution as findings and the attached County Manager’s Memorandum is approved and incorporated in this 2009 Resolution.

Section 2.03 Findings. The Board, in accordance with the Act and Section 218.385, Florida Statutes, as amended, finds, determines and declares as follows:

- (A) The Financial Advisor has recommended to the County that the Bonds be issued through a negotiated sale due to: (i) the current volatility in the municipal bond market fueled by broad market uncertainty, tight credit markets and global concerns of a prolonged recession, (ii)

the desirability of preserving maximum flexibility in structuring the Bonds to meet areas of investor demand, (iii) the desirability of undertaking extensive pre-marketing efforts in order to achieve more effective pricing results and (iv) the desirability of preserving the flexibility of issuing the Bonds on a traditional tax-exempt basis or as Build America Bonds (Direct Payment) or Recovery Zone Economic Development Bonds (Direct Payment) or in some combination of the foregoing. Based upon the recommendation of the Financial Advisor, the County Manager has determined that the negotiated sale of the Bonds in one or more Tranches to the Underwriters is in the best interest of the County and has recommended to the Board that the County sell the Bonds in one or more Tranches by negotiated sale. The Board accepts the recommendation of the County Manager.

(B) The sale and issuance of the Bonds and the use of the proceeds of the Bonds, as provided in this 2009 Resolution, serve a proper public purpose.

(C) The Board has determined that it is in the best interest of the County to accept the offer of the Underwriters to purchase the Bonds in one or more Tranches at a negotiated sale but only upon the terms and conditions set forth in this 2009 Resolution or as may be determined by the Finance Director in accordance with the terms of this 2009 Resolution and set forth in the Bond Purchase Agreement and the Omnibus Certificate.

(D) The authority granted to the Finance Director with regard to the issuance of the Bonds as provided in this 2009 Resolution is necessary to the proper and efficient implementation of the provisions of this 2009 Resolution in order to achieve the maximum flexibility in the marketplace.

Section 2.04 Expression of Intent; Expenditures to be Reimbursed.

(A) The County reasonably expects to use a portion of the proceeds of the Bonds to reimburse itself for all expenditures described herein made with other legally available funds of the County pursuant to an official intent resolution previously adopted by the Board and in

certificates signed by the Finance Director pursuant to such resolutions (the “Advanced Funds”). This Resolution is a supplemental declaration of the official intent of the County in that regard, within the contemplation of Section 1.150-2 of the Income Tax Regulations.

(B) All of the expenditures initially to be made with the Advanced Funds and then to be reimbursed by the County from proceeds of the Bonds will be for costs of the Project of a type constituting capital expenditures or preliminary expenditures relating to the Project or costs of issuing the Bonds.

ARTICLE III

AUTHORIZATION OF THE PROJECT AND BONDS

Section 3.01 Authorization of Project. The financing of the Project is hereby authorized.

Section 3.02 Authorization of Bonds. Subject and pursuant to the provisions of this 2009 Resolution, the Ordinance, the County Manager’s Memorandum, the Board authorizes the issuance of the Bonds to be designated as “Miami-Dade County, Florida Capital Asset Acquisition Special Obligation Bonds, Series 2009_”, in one or more Tranches, each in such original aggregate principal amount and with such Tranche designations as shall be determined by the Finance Director after consultation with the Financial Advisor and Bond Counsel, and set forth in the Omnibus Certificate; provided that the aggregate principal amount of Bonds that may be issued is expressly limited to \$188,000,000. The Bonds shall be issued for the purposes of providing funds, together with any other legally available funds, to (i) finance all or a part of the Cost of the Project; (ii) make a deposit to the Reserve Account for the Bonds, including the deposit of a Reserve Facility or Facilities, if any; and (iii) pay costs of issuance relating to the Bonds, including premiums for any Credit Facilities and/or Reserve Facilities, if advisable, to be designated as “Miami-Dade County, Florida Capital Asset Acquisition Special Obligation Bonds, Series 2009_”, in one or more Tranches, with such Tranche designations as shall be determined by the Finance Director after consultation with Bond Counsel. Notwithstanding anything in this 2009 Resolution to the

contrary, the Bonds shall not be issued and delivered until the conditions specified in Section 5.01 below, as applicable, have been satisfied.

ARTICLE IV

TERMS AND FORM OF BONDS

Section 4.01 Terms of Bonds. The Bonds shall be dated as of the date of their delivery, shall bear interest from such date, at the rates and shall mature on the Maturity Dates, set forth in the Bond Purchase Agreement and in the Omnibus Certificate for such Tranche, as approved by the Finance Director in accordance with this 2009 Resolution. Such Omnibus Certificate shall also designate and irrevocably elect which of the Bonds of such Tranche, if any, shall be issued as Build America Bonds (Direct Payment) or Recovery Zone Economic Development Bonds (Direct Payment). In making any such designation and irrevocable election, the Finance Director, after consultation with the Financial Advisor, shall demonstrate in the Omnibus Certificate that there is an economic benefit to the County to making such designation and irrevocable election. The Bonds shall be issued in Authorized Denominations.

Each Tranche of the Bonds shall be numbered from one upward preceded by the letter "R" prefixed to the number. Principal of and premium, if any, on the Bonds shall be payable upon presentation and surrender at the principal corporate trust office of the Registrar and Paying Agent. Interest on the Bonds shall be paid by check or draft drawn upon the Paying Agent and mailed to the registered owners of the Bonds at the addresses as they appear on the registration books held by the Registrar and Paying Agent at the close of business on the Record Date, irrespective of any transfer or exchange of such Bonds subsequent to such Record Date and prior to such interest payment date; provided, however, that (i) so long as the ownership of such Bonds are maintained in a Book-Entry Only System by a securities depository, such payment shall be made by automatic funds transfer ("wire") to such securities depository or its nominee and (ii) if such Bonds are not maintained in a Book-Entry Only System by a securities depository, upon written request of the registered owner of \$1,000,000 or more in

principal amount of Bonds delivered to the Registrar and Paying Agent at least fifteen (15) days prior to an Interest Payment Date, interest may be paid when due by wire in immediately available funds to the bank account number of a bank within the continental United States designated in writing by such Bondholder to the Paying Agent, on a form acceptable to it. Any such written election may state that it will apply to all subsequent payments due with respect to the Bonds held by such registered owner until a subsequent written notice is filed. If and to the extent, however, the County fails to make payment or provision for payment on any Interest Payment Date of interest on any Bond, interest shall be payable to the person in whose name such bond is registered at the close of business on a special record date for the payment of such defaulted interest as established by notice mailed by the Registrar to the registered owners of the Bonds not less than fifteen days preceding such special record date. Such notice shall be mailed to the persons in whose name the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

The County shall appoint such registrars, paying agents, transfer agents, depositaries or other agents as shall be necessary to cause the registration, registration of transfer and reissuance of Bonds within a commercially reasonable time according to the then current industry standards.

The registered owner of any Bond shall be deemed and regarded as the absolute owner of the Bonds for all purposes of this 2009 Resolution. Payment of or on account of the debt service on any Bond shall be made only to or upon the order of that registered owner or such registered owner's attorney-in-fact duly authorized in writing in the manner permitted by law, and neither the County nor the Paying Agent shall be affected by notice to the contrary. All payments made as described in this 2009 Resolution shall be valid and effective to satisfy and discharge the liability upon that Bond, including without limitation, the interest on that Bond, to the extent of the amount or amounts so paid.

The principal of, premium, if any, and interest on the Bonds shall be payable in any currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The payment of the principal of, premium, if any, and interest on the Bonds shall be secured equally and ratably only by a pledge of and lien on the Covenant Revenues and the accounts created under this 2009 Resolution, all in the manner and to the extent provided in this 2009 Resolution.

Section 4.02 Execution of Bonds. The Bonds shall be executed for and on behalf of the County by the facsimile or manual signature of the County Mayor and attested with a facsimile or manual signature of the Clerk and the imprint or reproduction of the official seal of the Board. The Bonds shall also be authenticated as provided in Section 4.03 of this 2009 Resolution. In case any officer whose signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Any Bonds may be signed and sealed on behalf of the County by such person who at the actual time of the execution of such Bonds shall hold the proper office with the County, although on the date of adoption of this 2009 Resolution such person may not have held such office or may not have been so authorized. The execution and delivery of the Bonds substantially in the manner mentioned above are authorized and such execution and delivery as described above shall be conclusive evidence of the Board's approval.

Section 4.03 Authentication of Bonds.

(A) No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this 2009 Resolution unless and until a certificate of authentication (a "Certificate of Authentication") on such Bond substantially in the form set forth in Exhibit B shall have been duly executed by the Registrar and Paying Agent, and such executed certificate of the Registrar and Paying Agent upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this 2009 Resolution. The Certificate of Authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Registrar and Paying Agent, but it shall not be necessary that the same

officer sign the Certificate of Authentication on all of the Bonds issued under this 2009 Resolution.

(B) The Registrar and Paying Agent is authorized and directed, upon receipt of instructions from the Finance Director, to execute the Certificate of Authentication on each of the Bonds and to deliver such bonds to or upon the order of the Underwriters named in the Bond Purchase Agreement, upon payment of the purchase price for the Bonds and upon compliance with the other requirements for delivery of bonds set forth herein.

Section 4.04 Form of Bonds and Temporary Bonds. Bonds shall be substantially in the forms set forth in Exhibit "B" hereto with such appropriate variations, omissions and insertions as are permitted or required by this 2009 Resolution or deemed necessary or desirable by the County.

Each Tranche of the Bonds may be initially issued in temporary form exchangeable for definitive Bonds of such Tranche when ready for delivery. The temporary Bonds shall be of such denomination or denominations as may be determined by the County, and may contain such reference to any of the provisions of this 2009 Resolution as may be appropriate. Every temporary Bond shall be executed by the County and be authenticated by the Registrar and Paying Agent upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds it will execute and furnish definitive Bonds without delay and thereupon the temporary Bonds may be surrendered for cancellation in exchange therefor at the principal corporate trust office of the Registrar and Paying Agent and the Registrar and Paying Agent shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of Authorized Denominations of the same Tranche as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this 2009 Resolution as definitive Bonds authenticated and delivered under this 2009 Resolution.

Section 4.05 Book-Entry Bonds.

(A) Except as provided in subsection (C) below, the Holder of all of the Bonds shall be DTC and the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Bond registered in the name of Cede & Co. shall be made by wire transfer of same day funds to the account of Cede & Co. on the Interest Payment Date for the Bonds at the address indicated for Cede & Co. in the registration books of the County kept by the Registrar.

(B) The Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each interest rate and maturity of each Tranche of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the registration books of the County kept by the Registrar in the name of Cede & Co., as nominee of DTC. The County, the Registrar and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive Holder of the Bonds registered in its name for the purposes of payment of the principal of, Redemption Price or interest on the Bonds; any notice permitted or required to be given to Bondholders under this 2009 Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Holders of the Bonds and for all other purposes whatsoever; and neither the County, the Registrar nor the Paying Agent shall be affected by any notice to the contrary. Neither the Registrar, the Paying Agent nor the County shall have any responsibility or obligation to any DTC Participant (the "Participant"), any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Registrar as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal, Sinking Fund Installments or Redemption Price of or interest on the Bonds; any notice which is permitted or required to be given to Bondholders under this 2009 Resolution or any other documents; the selection by DTC or any Participant of any person to

receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by DTC as Bondholder. The Registrar shall pay all principal of, and redemption premium, if any, and interest on the Bonds only to or "upon the order of" DTC (as that term is used in the Uniform Commercial Code as adopted in Florida), and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to the principal of, and redemption premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (iii) below, no person other than DTC shall receive an authenticated Bond certificate evidencing the obligation of the County to make payments of principal of, Sinking Fund Installments and redemption premium, if any, and interest pursuant to this 2009 Resolution. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this 2009 Resolution with respect to transfers of Bonds, the word "Cede & Co." in this 2009 Resolution shall refer to such new nominee of DTC.

(C) In the event the County determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates, the County may notify DTC and the Registrar, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. In such event, the County shall prepare and shall execute and the Registrar shall authenticate, transfer and exchange Bond certificates as requested by DTC in appropriate amounts within the guidelines set forth in this 2009 Resolution. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the County and the Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the County and the Registrar shall be obligated to deliver Bond certificates as described herein. In the event Bond certificates are issued, the provisions of this 2009 Resolution shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of

principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the County and the Registrar to do so, the County will direct the Registrar to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bonds to any DTC Participant having Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(D) NEITHER THE COUNTY, THE REGISTRAR NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, SINKING FUND INSTALLMENT FOR, REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY CEDE & CO. AS THE NOMINEE OF DTC, AS REGISTERED OWNER.

SO LONG AS CEDE & CO IS THE REGISTERED OWNER OF THE BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED HOLDERS OF THE BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

Section 4.06 Mutilated, Lost, Stolen and Destroyed Bonds. In the event any temporary or definitive Bond is mutilated, lost, stolen or destroyed, the County may execute and the Registrar and

Paying Agent may authenticate a new Bond of like Tranche, form, date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the County, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the County and the Registrar and Paying Agent evidence of such loss, theft or destruction satisfactory to the County and the Registrar and Paying Agent, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond the County may pay the same without surrender of such Bond. The County and the Registrar and Paying Agent may charge the Holder or owner of such Bond with their reasonable fees and expenses in this connection.

Section 4.07 Transfer and Exchange of Bonds; Persons Treated as Owners. The County shall cause the Bond Register to be kept at a corporate trust office of the Registrar and Paying Agent, as Registrar, which is hereby constituted and appointed the registrar of the County. Upon surrender for transfer of any Bond at a corporate trust office of the Registrar and Paying Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and Paying Agent and duly executed by, the registered owner or the attorney of such owner duly authorized in writing with signature guaranteed by a member firm of STAMP, SEMP or MSP signature guaranty medallion program, the County shall execute and the Registrar and Paying Agent shall authenticate, date and deliver in the name of the transferee or transferees a new Bond or Bonds of the same Tranche and maturity, of Authorized Denominations, for the same aggregate principal amount and of like tenor. Any Bond or Bonds may be exchanged at said office of the Registrar and Paying Agent for the same aggregate principal amount of Bonds of the same Tranche and maturity of other Authorized Denominations and of like tenor. The execution by the County of any Bond shall constitute full and due authorization of such Bond and the Registrar and Paying Agent shall thereby be authorized to authenticate, date and deliver such Bond.

The Registrar and Paying Agent shall not be required to register the transfer of or exchange any Bond after the mailing of notice calling such Bond or portion thereof for redemption has occurred as provided in this 2009 Resolution, or during the period of fifteen days next preceding the giving of notice calling any Bonds for redemption.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner of such Bond for the purpose of receiving payment of or on account of principal of such Bond and premium, if any, thereon and interest due thereon and for all other purposes and neither the County, any Credit Facility Provider nor the Registrar and Paying Agent shall be affected by any notice to the contrary, but such registration may be changed as in this 2009 Resolution provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond surrendered for the purpose of payment or retirement or for exchange or transfer or for replacement pursuant to Section 4.03 or 6.06, shall be canceled upon surrender of such Bond to the Registrar and Paying Agent. Certification of Bonds canceled by the Registrar and Paying Agent shall be made to the County. Canceled Bonds may be destroyed by the Registrar and Paying Agent unless written instructions to the contrary are received from the County.

The County and the Registrar and Paying Agent may charge each Bondholder requesting an exchange, change in registration or registration of transfer a sum not exceeding the actual cost of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer, except in the case of the issuance of a definitive Bond for a temporary Bond and except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption pursuant to the provisions of Section 6.06.

Section 4.08 Use of Proceeds of the Bonds. Subject to the provisions of the Ordinance, the proceeds received from the sale of each Tranche of the Bonds shall be applied as follows, all as set forth in the Omnibus Certificate for such Tranche:

(A) The amount which, together with any funds provided by the County, shall be necessary to make the funds on deposit in the Reserve Account equal the Reserve Account Requirement, shall be deposited in the Reserve Account; provided, however, that if a Reserve Facility is provided to satisfy the Reserve Account Requirement, in lieu of making such deposit, proceeds from the sale of the Bonds or any legally available funds provided by the County shall be used to pay the premium on such Reserve Facility.

(B) The amount as designated by the Finance Director in the Omnibus Certificate as needed to pay the cost of acquisition, construction, improvement and/or renovation of the Capital Assets shall be deposited into the Acquisition Account (including any subaccounts therein created pursuant to the Omnibus Certificate) and shall be used and applied in accordance with Section 7.03 hereof.

(C) The balance of the proceeds from the sale of the Bonds shall be deposited in the Cost of Issuance Account created pursuant to Section 7.01 (including any subaccounts therein created pursuant to the Omnibus Certificate) and disbursed by the County upon receipt of appropriate invoices, with any surplus remaining therein after all costs of issuance have been paid being transferred to the Acquisition Account.

Section 5.02 Approval of Bond Purchase Agreement and Authorization to Award the Sale of the Bonds. The Board approves the Bond Purchase Agreement in substantially the form filed with the Clerk's Office as Exhibit "C" to this 2009 Resolution, with such variations, omissions, insertions and filling in of blanks as the Finance Director, after consultation with the Financial Advisor, Bond Counsel and the County Attorney, shall deem necessary or desirable and approve in accordance with the terms of this 2009 Resolution. Section 5.03 Authorization for Appointment of Registrar and Paying Agent. The Finance Director is authorized to designate in the Omnibus Certificate the Registrar and Paying Agent in accordance with Section 12.02 of this 2009 Resolution.

Section 5.04 Approval of the Preliminary Official Statement and Official Statement. The Preliminary Official Statement in connection with the issuance of each Tranche of the Bonds substantially in the form of the Preliminary Official Statement attached as Exhibit "D" to this 2009 Resolution, and its distribution, with such changes, modifications, insertions and omissions as may be deemed necessary or desirable by the Finance Director, with the approval of the County Attorney, Bond Counsel and Disclosure Counsel and after consultation with the Financial Advisor, is approved. The Finance Director, after consultation with Disclosure Counsel, is authorized to deem the Preliminary Official Statement "final" for the purposes of the Rule. The Finance Director is authorized and directed to deliver the final Official Statement (the "Official Statement") in connection with the offering and sale of the Bonds in the name and on behalf of the County. The final Official Statement shall be substantially in the form of the Preliminary Official Statement, with such changes, modifications, insertions and omissions as may be determined by the Finance Director, with the approval of the County Attorney, Bond Counsel and Disclosure Counsel and after consultation with the Financial Advisor, with the delivery of the Official Statement by the Finance Director, on behalf of the County, being conclusive evidence of the Board's approval of any such changes, modifications, insertions and omissions and authorization of its use and distribution. The Finance Director, after consultation with Bond Counsel, Disclosure Counsel and the County Attorney, is authorized to make any necessary or appropriate certifications to the Underwriters regarding a near final or deemed final Official Statement, if and to the extent required by the Rule. The use and distribution by the Underwriters of the Preliminary Official Statement and Official Statement in connection with the offering and sale of the Bonds is authorized. If the Bonds are offered in two or more

Tranches to be sold at different times, the Preliminary Official Statement and the Official Statement for each Tranche offered after the initial offering shall be in substantially the form utilized for the initial offering with such changes, insertions and deletions as may be necessary or desirable and approved by the Finance Director, after consultation as described above, and provided further that the Finance Director may approve the use of Preliminary Official Statements and Final Official Statements that include as an exhibit thereto the Official Statement for a prior offering if the Finance Director determines that such an approach results in the most efficient offering and sale of multiple Tranches consistent with good disclosure practices.

Section 5.05 Credit Facilities and Reserve Facilities. If the Finance Director demonstrates, after consultation with the Financial Advisor, that there is an economic benefit to the County to obtain and pay for one or more Credit Facilities and/or Reserve Facilities, the Finance Director is authorized to secure one or more Credit Facilities and/or Reserve Facilities with respect to any or all of the Bonds and to execute and deliver any agreements, instruments or certificates for or on behalf of the County as may be necessary to secure such Credit Facilities and/or Reserve Facilities, with the Finance Director's execution of any such agreements, instruments or certificates to be conclusive evidence of their approval by the Board. Any such agreements, instruments or certificates shall supplement and be in addition to the provisions of this 2009 Resolution. The Finance Director is authorized to provide for the payment of any premiums on or fees for such Credit Facilities and/or Reserve Facilities from the proceeds of the issuance of the Bonds.

ARTICLE VI

REDEMPTION OF BONDS

Section 6.01 Optional Redemption. The Bonds shall be subject to redemption prior to maturity at the election or direction of the County in such manner and at such times as set forth in the Omnibus Certificate.

Section 6.02 Mandatory Sinking Fund Redemption; Credits. The Bonds shall be subject to redemption, in part, through application of such Sinking Fund Installments as may be required in the Omnibus Certificate delivered to the Registrar and Paying Agent at the Redemption Price of one hundred per centum (100%) of the principal amount of each Bond or portion thereof to be redeemed, plus accrued interest, if any, to the date of redemption.

There shall be credited against and in satisfaction of any Sinking Fund Installment payable on any date for the Bonds the principal amount of the Bonds entitled to such Sinking Fund Installment: (A) purchased with moneys in the Debt Service Account and cancelled by the Registrar and Paying Agent; (B) redeemed at the option of the County pursuant to Section 6.01 of this 2009 Resolution; (C) purchased by the County and delivered to the Registrar and Paying Agent for cancellation and (D) deemed to have been paid in accordance with Article XVI. Bonds redeemed at the option of the County, purchased by the County or deemed to have been paid in accordance with Article XVI shall be applied in satisfaction, in whole or in part, of one or more Sinking Fund Installments payable with respect to such Bonds on such dates as the County shall specify in a written direction delivered to the Registrar and Paying Agent at least fifteen (15) days prior to the earliest date on which notice of redemption of such Bonds entitled to such Sinking Fund Installment may be given by the Registrar and Paying Agent and the Sinking Fund Installment payable with respect to such Bonds on each date specified in such direction shall be reduced by the principal amount of the Bonds so purchased, redeemed or deemed to have been paid in accordance with Article XVI to be applied in satisfaction of such Sinking Fund Installment as set forth in such direction.

Section 6.03 Selection of Bonds to be Redeemed. In the case of redemptions of Bonds, other than mandatory redemptions, the County shall select the Tranche and the maturities of the Bonds of such Tranche to be redeemed. If less than all of the Outstanding Bonds of like Tranche and maturity are to be redeemed pursuant to Section 6.02 of this 2009 Resolution, such Bonds shall be selected by the Registrar

and Paying Agent by lot, using such method of selection as the Registrar and Paying Agent shall consider proper in its discretion.

Section 6.04 Notice of Redemption. So long as a Book-Entry Only System with DTC is used for determining beneficial ownership of the Bonds, notices of redemption shall be provided to Cede & Co. in accordance with DTC procedures. In the event that a Book-Entry Only System with DTC is not used for determining beneficial ownership of the Bonds, the following provisions shall apply:

(A) The Registrar and Paying Agent shall provide notice of the call for any redemption required under this 2009 Resolution, identifying the Bonds to be redeemed, by first class mail, postage prepaid, to the registered owners of Bonds to be redeemed at their addresses as shown on the Bond Register not less than fifteen (15) days prior to the redemption date.

(B) Each such notice of redemption shall state the date fixed for redemption, the name and address of the Registrar and Paying Agent, the Redemption Price to be paid, and, if less than all of the Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers of the Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount of the Bonds to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall also state that, on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

(C) In the case of an optional redemption pursuant to Section 6.01 of this 2009 Resolution, unless the County shall have paid or caused to be paid to the Paying Agent an amount which, in addition to other amounts legally available therefor and held by the Paying Agent, is sufficient to redeem all of the Bonds to be redeemed on the redemption date at the Redemption Price (which amounts shall either be held uninvested by the Paying Agent or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America having a maturity date on or prior to the redemption

date), the notice of redemption shall be captioned "Conditional Notice of Redemption" and shall state that: (i) the redemption is conditioned on the receipt of moneys for such redemption by the Paying Agent on or prior to the redemption date, (ii) the County retains the right to rescind such notice on or prior to the scheduled redemption date and (iii) such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described in this Section 6.04(C). Any conditional redemption may be rescinded at any time prior to the redemption date if the County delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice, and the Paying Agent shall give notice of such rescission to the affected Bondholders no later than the second Business Day following its receipt of said written direction from the County. In the event that a conditional notice of redemption is given and (i) the redemption has been rescinded, or (ii) moneys sufficient to pay the Redemption Price are not timely received by the Paying Agent, then the redemption for which such notice was given shall not be undertaken and the related Bonds shall remain Outstanding, and neither the rescission nor the failure by the County to make such funds available shall constitute an Event of Default. The Paying Agent shall give immediate notice to the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain Outstanding.

(D) Failure to give notice in the manner prescribed under this 2009 Resolution with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Registrar and Paying Agent on the applicable redemption date to pay the Redemption Price, the Bonds thus called shall not after the applicable redemption date bear interest, be protected by this 2009 Resolution or be deemed to be Outstanding under the provisions of this 2009 Resolution. The Registrar and Paying Agent shall redeem, in the manner provided in this Article VI, such an

aggregate principal amount of such Bonds at the applicable Redemption Price as will exhaust as nearly as practicable such funds. At the direction of the County, such funds may be invested in Government Obligations until needed for redemption payout.

(E) If any Bond is transferred or exchanged on the Bond Register by the Registrar after notice has been given calling such Bond for redemption, the Registrar will attach a copy of such notice to the Bond issued in connection with such transfer.

Section 6.05 Effect of Calling for Redemption. On the date so designated for redemption, notice having been given in the manner provided in Section 6.04, the Bonds so called for redemption shall become and be due and payable at the Redemption Price provided for redemption of such Bonds on such date, and moneys for payment of the Redemption Price being held in a separate account of the Paying Agent in trust for the Holders of the Bonds to be redeemed, all as provided in this 2009 Resolution, interest on the Bonds so called for redemption shall cease to accrue, such Bonds shall not be deemed Outstanding for purposes of this 2009 Resolution and shall cease to be entitled to any lien, benefit or security under this 2009 Resolution, and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price thereof.

Section 6.06 Cancellation. All Bonds which have been redeemed shall be canceled and cremated or otherwise destroyed by the Registrar and Paying Agent and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall be furnished by the Registrar and Paying Agent to the County; provided, however, that one or more new Bonds shall be issued for the unredeemed portion of any Bond without charge to the Holder thereof.

ARTICLE VII

ACQUISITION FUND

Section 7.01 Establishment of the Acquisition Fund. There is hereby established and created the "Miami-Dade County, Florida Capital Asset Acquisition Special Obligation Bonds, Series 2009,

Acquisition Fund” (the “Acquisition Fund”). Within the Acquisition Fund, there shall be established two accounts: (i) the Acquisition Account and (ii) the Cost of Issuance Account.

Section 7.02 Cost of Issuance Account. The Cost of Issuance Account shall be held by the County. The Finance Director may create separate subaccounts within the Cost of Issuance Account with respect to Tax-Exempt Bonds and Taxable Bonds. There shall be deposited in the Cost of Issuance Account the amounts determined pursuant to Section 4.08. The moneys held in the Cost of Issuance Account shall be held in trust and applied to payment of the costs of issuance of the Bonds as specified in Section 4.08 and pending such application, shall be subject to a lien and charge in favor of the Holders of Bonds issued and Outstanding under this 2009 Resolution and for the further security of such Holders until paid as in this 2009 Resolution provided. Moneys in the Cost of Issuance Account shall be disbursed subject to such controls and procedures as the County may from time to time institute in connection with the disbursement of County funds for paying the cost of issuance of Bonds issued to pay the cost of the Project. Any amounts remaining in the Cost of Issuance Account after payment of all the costs of issuance of the Bonds shall be transferred by the Finance Director to the Acquisition Account.

Section 7.03 Acquisition Account.

(A) The Acquisition Account shall be held by the County and there shall be deposited therein the amounts determined pursuant to Section 4.08. The Finance Director may create separate subaccounts within the Acquisition Account with respect to Tax-Exempt Bonds and Taxable Bonds. The moneys in the Acquisition Account shall be held in trust and applied to the payment of the Cost of the Project and, pending such application, shall be subject to a lien and charge in favor of the holders of the Bonds Outstanding under this 2009 Resolution and for the further security of such holders until paid out as herein provided.

(B) Payment of the Cost of the Project shall be made from the Acquisition Account as provided in this 2009 Resolution. All such payment shall be subject to the provisions and restrictions set forth in this Article and the County covenants that it will not cause or permit to be

paid from the Acquisition Account any sums except in accordance with such provisions and restrictions. Moneys in the Acquisition Account shall be disbursed subject to such controls and procedures as the County may from time to time institute in connection with the disbursement of County funds for payment of the cost of capital projects.

(C) For the purposes of this Section 7.03, the Cost of the Project shall include, without intending thereby to limit or to restrict or to extend any proper definition of such Cost under the provisions of this 2009 Resolution, the following:

(i) the cost of acquiring, constructing, improving and/or renovating Capital Assets comprising the Project;

(ii) capital costs of administration properly chargeable to the Project under generally accepted accounting principles, and all other items of expense not elsewhere specified in this 2009 Resolution, incident to the acquisition of the Project and the placing of the same in operation; and

(iii) any amounts advanced by the County for any of the foregoing purposes and any obligation or expense incurred by the County for any of the foregoing purposes in anticipation of being reimbursed from the proceeds of the Bonds, including the cost of materials, supplies or equipment furnished by the County in connection with the Project and paid for by the County out of funds other than moneys in the Acquisition Fund.

Any funds on deposit in the Acquisition Account that, in the opinion of the County, are not immediately necessary for expenditure, as hereinabove provided, shall be held and may be invested, in the manner provided by law, in Investment Obligations pursuant to Section 10.02 below. All income derived from investment of funds in the Acquisition Account shall be deposited in the Acquisition Account and used for the purposes contemplated in this Article VII.

Upon completion of the acquisition and improvement of each Capital Asset, any amounts then remaining in the Acquisition Account and not reserved by the County for the payment of any remaining

part of the cost thereof, shall be applied as follows: (i) to cure any deficiency in the Reserve Account to the extent such use will not adversely affect the excludability from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds, (ii) in the discretion of the County and upon receipt of an opinion of Bond Counsel to the effect that such use will not adversely affect the excludability, if any, from gross income for federal income tax purposes of interest on such Bonds from which such funds are derived, to the payment of the Costs of additional projects authorized by the County pursuant to the Ordinance, (iii) to redeem Bonds, or (iv) for any purpose with respect to which the County shall receive an opinion of Bond Counsel to the effect that such use does not violate the Act and will not adversely affect the excludability from gross income for federal income tax purposes of interest on any Bonds.

ARTICLE VIII

SOURCE OF PAYMENT OF BONDS; SPECIAL OBLIGATIONS OF THE COUNTY

Section 8.01 Covenant to Budget and Appropriate. The County hereby covenants and agrees to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, Legally Available Non-Ad Valorem Revenues of the County in an amount which, together with other legally available revenues budgeted and appropriated for such purpose, are equal to the Principal and Interest Requirements with respect to the Bonds for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the County under this 2009 Resolution for the applicable Fiscal Year, including, without limitation, the obligations of the County to fund and cure deficiencies in the Debt Service Account and the Reserve Account created hereunder, and to make the rebate payments contemplated in Section 10.03, as and when the same become due.

The obligation of the County pursuant to this Section 8.01 includes an obligation to make amendments to the budget of the County to assure compliance with the terms and provisions hereof. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Legally

Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, sufficient to make all required payments hereunder as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the appropriate accounts hereunder.

Nothing contained herein shall preclude the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the Bondholders a prior claim on the Legally Available Non-Ad Valorem Revenues until they are actually deposited in the accounts created hereunder. The County may not expend moneys not appropriated or in excess of its current budgeted revenues. The obligation of the County to budget, appropriate and make payments hereunder from its Legally Available Non-Ad Valorem Revenues is subject to the availability of Legally Available Non-Ad Valorem Revenues of the County after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County.

Section 8.02 Pledge of Covenant Revenues; Limited Obligations. Anything herein to the contrary notwithstanding, all obligations of the County under this 2009 Resolution shall be secured only by the Legally Available Non-Ad Valorem Revenues and other legally available revenues budgeted and appropriated and actually deposited into the accounts created pursuant to this 2009 Resolution, all as provided for herein. The County pledges and grants a lien on the Covenant Revenues to equally and ratably secure the payment of the principal of, premium, if any, and interest on the Bonds. Nothing herein shall be deemed to create a pledge of or lien, legal or equitable, on the Legally Available Non-Ad Valorem Revenues, the ad valorem tax revenues, or any other revenues of the County, or to permit or constitute a mortgage or lien upon any assets owned by the County, other than the Covenant Revenues and the accounts created pursuant to this 2009 Resolution in the manner and to the extent provided in this 2009 Resolution. No Bondholder shall ever have the right to compel any exercise of the ad valorem taxing power of the County for any purpose, including, without limitation, to pay the principal of or

interest or premium, if any, on the Bonds or to make any other payment required under this 2009 Resolution or to maintain or continue any of the activities of the County which generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues.

ARTICLE IX

CREATION AND USE OF ACCOUNTS; DISPOSITION OF REVENUES

Section 9.01 Creation of Accounts. There are hereby created and established the “Capital Asset Acquisition Special Obligation Bonds, Series 2009, Debt Service Account” (the “Debt Service Account”) and the “Capital Asset Acquisition Special Obligation Bonds, Series 2009, Reserve Account” (the “Reserve Account”). The Debt Service Account and the Reserve Account shall constitute trust funds for the purposes herein provided, shall be delivered to and held by the County in an Authorized Depository designated by the Finance Director, in trust for the benefit of, and shall be subject to a lien and charge in favor of, the Registered Owners of the Bonds, and shall at all times be kept separate and distinct from all other funds of the County and used only as herein provided.

Section 9.02 Disposition of Revenues. On or before each Interest Payment Date, and on such other dates and times as are necessary to satisfy the deposit requirements described in this Section 9.02, there shall be deposited to the credit of the Debt Service Account and the Reserve Account, or applied as otherwise described below, from Legally Available Non-Ad Valorem Revenues budgeted and appropriated for such purposes amounts which, together with other funds on deposit therein, will be sufficient to satisfy the cumulative deposit requirements described in clauses (i) and (ii) below. Such deposits and payments shall be made in the following order and priority:

- (i) First, by deposit into the Debt Service Account an amount which, together with any other amounts required to be deposited therein pursuant to this 2009 Resolution, will equal to the sum of the principal of, interest on and Sinking Fund Installments with respect to the Bonds, then or theretofore due on such Interest Payment Date. Such deposits shall take into account any capitalized interest and any deficiencies in prior deposits.

(ii) Second, by deposit into the Reserve Account, an amount which, together with funds currently deposited therein, will be sufficient to make the funds on deposit therein, except as otherwise provided herein, equal to the Reserve Account Requirement, if any. If the County shall determine, or be required, to fund a Reserve Account with respect to the Bonds, notwithstanding the foregoing, the County may, in lieu of cash funding such reserve, substitute a Reserve Facility issued by a Credit Facility Provider in an amount equal to the Reserve Account Requirement with respect to such Bonds. Such Reserve Facility as provided above must provide that if a deficiency exists in the Debt Service Account with respect to the principal of or interest due on the Bonds which cannot be cured by funds in any other account held pursuant to this 2009 Resolution and available for such purpose, the provider of such Reserve Facility will pay such deficiency to the Registrar and Paying Agent for the benefit of the Bondholders, who shall be named as the beneficiary of such Reserve Facility. If a disbursement is made from a Reserve Facility as provided above, the County shall be obligated to reinstate the maximum limits of such Reserve Facility following such disbursement or to replace such Reserve Facility by depositing into the Reserve Account from the first Legally Available Non-Ad Valorem Revenues budgeted and appropriated hereunder and available for deposit pursuant to this subsection (ii), funds in the maximum amount originally payable under such Reserve Facility, plus amounts necessary to reimburse the Credit Facility Provider for previous disbursements made pursuant to such Reserve Facility, or a combination of such alternatives, and for purposes of this subsection (ii), amounts necessary to satisfy such reimbursement obligation and other obligations of the County to such a Credit Facility Provider shall be deemed required deposits into the Reserve Account but shall be used by the County to satisfy its obligations to the Credit Facility Provider.

Section 9.03 Use of Moneys in the Debt Service Account.

(A) Moneys on deposit in the Debt Service Account shall be used solely for the payment of principal of, interest on and any redemption premiums required with respect to the Bonds.

(B) At the maturity date of each Bond and at the due date of each Sinking Fund Installment and installment of interest on each Bond, the County shall transfer from the Debt Service Account to the Paying Agent for such Bonds sufficient moneys to pay all principal of, premium, if any, and interest then due and payable with respect to such Bonds. Interest accruing with respect to any fully registered Bond shall be paid by check, draft or wire of the Paying Agent to the Registered Owner thereof in accordance with Section 4.01.

(C) Moneys deposited in the Debt Service Account for the redemption of Bonds shall be applied to the retirement of Bonds issued under the provisions of this 2009 Resolution and then outstanding in the following order:

(i) The County shall first endeavor to purchase outstanding term Bonds redeemable from Sinking Fund Installments, and pro rata (based on the principal amount of the Sinking Fund Installments due in such Bond Year for each such term Bonds) among all such Bonds, or if no such term Bonds are outstanding, serial Bonds, whether or not such Bonds shall then be subject to redemption, but only to the extent moneys are legally available therefor, at the most advantageous price obtainable, such price not to exceed the principal of such Bonds plus accrued interest, but no such purchase shall be made by the County within a period of thirty days next preceding any Interest Payment Date on which such Bonds are subject to call for redemption under the provisions of this 2009 Resolution;

(ii) Then, to the extent moneys remain on deposit in the Debt Service Account that are held for the redemption of Bonds, the County shall call for redemption

on each Interest Payment Date on which Bonds are subject to redemption, with or without premium, from such moneys, such amount of term Bonds subject to the Sinking Fund Installments for such Bond Year that have not been purchased pursuant to clause (i) above; and

(iii) Then, to the extent moneys remain on deposit in the Debt Service Account that were deposited therein pursuant to this 2009 Resolution for the purpose of redeeming Bonds, the County shall call any remaining term Bonds then subject to redemption, in such order and by such selection method as the County, in its discretion, may determine, from such funds as will exhaust the money then held for the redemption of such Bonds as nearly as may be possible.

If term Bonds are purchased or redeemed pursuant to this Section in excess of the Sinking Fund Installments for such Bond Year, such excess principal amount of such term Bonds so purchased or redeemed shall be credited against subsequent Sinking Fund Installments for the Bonds in such Bond Year or Years as the County may determine and as may be reflected in the County's records.

Section 9.04 Application of Moneys in the Reserve Account. Funds on deposit in the Reserve Account, if any, shall be used for the purpose of curing deficiencies in the Debt Service Account with respect to the Bonds after application of funds otherwise available therefor. If funds on deposit in the Reserve Account exceed, in the aggregate, the Reserve Account Requirement with respect to the Bonds (other than due to the substitution of a Reserve Facility pursuant to Section 9.02(ii) above), the excess funds shall be deposited into the Debt Service Account for the benefit of all Bonds issued hereunder.

ARTICLE X

DEPOSITORIES, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS; TAX COVENANTS

Section 10.01 Deposits Constitute Trust Funds. All funds or other property which at any time may be owned or held in the possession of or deposited with the County in the Acquisition Fund, the Debt Service Account or the Reserve Account under the provisions of this 2009 Resolution shall be held in

50

trust and applied only in accordance with the provisions of this 2009 Resolution, and shall not be subject to lien or attachment by any creditor of the County.

All funds or other property which at any time may be owned or held in the possession of or deposited with the County pursuant to this 2009 Resolution shall be continuously secured, for the benefit of the County and the Bondholders, either (a) by lodging with an Authorized Depository, as custodian, collateral security consisting of obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) in such other manner as permitted hereunder and as may then be required or permitted by applicable state or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, including, without limitation, the provisions of Chapter 280, Florida Statutes, as from time to time amended.

All moneys deposited with each Authorized Depository shall be credited to the particular Fund or Account to which such moneys belong.

The designation and establishment of the various funds and accounts in and by this 2009 Resolution shall not be construed to require the establishment of completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as provided herein.

Section 10.02 Investment of Moneys. Moneys held for the credit of the Funds and Accounts created hereunder shall be invested and reinvested by the County in Investment Obligations. Such investments or reinvestments shall mature not later than the respective dates, as estimated by the County, that the moneys held for the credit of said Funds or Accounts will be needed for the purposes of such Funds or Accounts.

The Investment Obligations purchased with the moneys in each Fund or Account shall be deemed a part of such Fund or Account. The investments in each of such Funds and Accounts shall, at all times,

for purposes of this 2009 Resolution, be valued annually as of each September 30 at the market value thereof on the date of valuation, as determined by the County. The interest, including gains on obligations purchased at a discount and gains realized upon the sale of such obligations, received on all such obligations (after deduction for accrued interest, commissions (if any) and premium paid from such fund at the time of purchase) shall first be applied to cure any deficiency in the Fund or Account in which such investment is held and (except with respect to such interest and gains with respect to obligations held to the credit of the Acquisition Fund which shall be held therein until the Project is completed or until amounts on deposit in the Acquisition Account are sufficient to pay the remaining costs of the Project, as certified by the County) shall then be deposited to the credit of the Debt Service Account. If at any time it shall become necessary that some or all of the securities purchased with the moneys in any such Fund or Account be redeemed or sold in order to raise moneys necessary to comply with the provisions of this 2009 Resolution, the County shall effect such redemption or sale, employing, in the case of a sale, any commercially reasonable method of effecting the same.

Section 10.03 Tax Covenants.

(A) It is the intention of the County that the interest on the Tax-Exempt Bonds issued hereunder be and remain excludable from gross income for federal income tax purposes, and to this end the County hereby represents to and covenants with the Holders of the Tax-Exempt Bonds issued hereunder that it will comply with the requirements applicable to it contained in Sections 103 and 141 through 150 of the Code to the extent necessary to preserve the excludability of interest on the Tax-Exempt Bonds issued hereunder from gross income for federal income tax purposes.

(B) It is the intention of the County that the County will receive cash subsidy payments from the United States Treasury equal to 35% of the interest payable on any Bonds issued as Build America Bonds (Direct Payment) and 45% of the interest payable on any Bonds issued as Recovery Zone Economic Development Bonds (Direct Payment). The Code imposes

requirements on the County with respect to Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) that the County must continue to meet after such Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment), respectively, are issued in order for the County to receive such cash subsidy payments, and to this end the County hereby represents to and covenants with the Holders of any Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) issued under this 2009 Resolution that they will comply with such requirements contained in the Code to the extent necessary for the County to receive such cash subsidy payments from the United States Treasury.

(C) Specifically, without intending to limit in any way the generality of the foregoing, the County covenants and agrees with respect to Tax-Exempt Bonds, Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment):

(i) to make or cause to be made all necessary determinations and calculations of the Rebate Amount and required payments of the Rebate Amount;

(ii) to set aside sufficient moneys, from the Legally Available Non-Ad Valorem Revenues or other legally available funds of the County, to timely pay the Rebate Amount to the United States of America;

(iii) to pay the Rebate Amount to the United States of America from the Legally Available Non-Ad Valorem Revenues budgeted and appropriated hereunder or from any other legally available funds, at the times and to the extent required pursuant to Section 148(f) of the Code;

(iv) to maintain and retain all records pertaining to the Rebate Amount with respect to Tax-Exempt Bonds, Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) issued hereunder, and required payments of the Rebate Amount with respect to each Tranche of the Tax-Exempt Bonds,

Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) for at least six years after the final maturity thereof or such other period as shall be necessary to comply with the Code;

(v) to refrain from using proceeds of any Tax-Exempt Bonds, Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) issued hereunder and that are not issued with the intent that they constitute private activity bonds under Section 141(a) of the Code, in a manner that might cause any such Bonds to be classified as private activity bonds under Section 141(a) of the Code;

(vi) to refrain from taking any action that would cause the Tax-Exempt Bonds, Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment) issued hereunder to become arbitrage bonds under Section 148 of the Code; and

(vii) to comply with and take all actions required of it by the Tax Certificate.

(D) The County understands that the foregoing covenants impose continuing obligations on it that will exist as long as the requirements of Sections 103 and 141 through 150 of the Code are applicable to Tax-Exempt Bonds, Build America Bonds (Direct Payment) and Recovery Zone Economic Development Bonds (Direct Payment).

(E) Notwithstanding any other provision of this 2009 Resolution, including, in particular, Article XVI hereof, the obligation of the County to pay the Rebate Amount to the United States of America and to comply with the other requirements of this Section 10.03 hereof shall survive the defeasance or payment in full of the Bonds.

ARTICLE XI

EVENTS OF DEFAULT; REMEDIES

Section 11.01 Events of Default. If any of the following events occur, it is hereby declared to constitute an Event of Default:

(A) failure to pay principal or Redemption Price of, or interest on, any Bond after such payment has become due and payable; or

(B) upon receipt of notice from any Credit Facility Provider of the occurrence of any event of default under the related Credit Facility Agreement and the failure to cure the same during the time provided therein; or

(C) if the County admits in writing its inability to pay its debts payable from the General Fund generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself; or

(D) if the County is adjudged insolvent by a court of competent jurisdiction, or it be adjudged bankrupt on a petition in bankruptcy filed against the County, or an order, judgment or decree be entered by a court of competent jurisdiction appointing, without the consent of the County, a receiver or trustee of the County or of the whole or any part of its property and any if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof; or

(E) if the County shall file a petition or answer seeking reorganization of any arrangement under the Federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(F) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the County or of the whole or any substantial part of its property, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control; or

(G) the County shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds, or in this 2009 Resolution on the part of the County to be performed and such default shall continue for thirty

SS

(30) days after written notice specifying such default and requiring same to be remedied shall have been given to the County by any Credit Facility Provider or Holders of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding; provided, however, that the County shall not be deemed in default under this clause (G) if such default can be cured within a reasonable time and if the County in good faith institutes appropriate curative action and diligently pursues such action until the default has been cured.

If on the date payment of principal of or interest on the Bonds is due, sufficient moneys are not available to make such payment, the Paying Agent shall give immediate notice by telephone, telegraph, telefax or other electronic means, promptly confirmed in writing, of such insufficiency to the Credit Facility Provider, if any, and the Reserve Facility Provider, if any. The Paying Agent and County shall do all other things necessary to effectuate the terms and provisions of any Credit Facility and any Reserve Facility.

Section 11.02 Acceleration of Maturities. Upon the happening and continuance of any Event of Default, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding may declare the principal of all of the Bonds then Outstanding to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the Bonds or in this 2009 Resolution to the contrary notwithstanding; provided, however, that if at any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this 2009 Resolution, moneys shall have accumulated in the Debt Service Account sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, upon all Bonds then Outstanding (except the principal of any Bonds not then due except by virtue of such declaration and the interest accrued on such Bonds since the last Interest Payment Date), and all amounts then payable by the County under this 2009 Resolution and under each Credit Facility Agreement and agreement pursuant to which a Reserve Facility

may have been provided shall have been paid or a sum sufficient to pay the same shall have been deposited with the Finance Director or with the Registrar and Paying Agent, and every other default in the observance or performance of any covenant, condition, agreement or provision contained in the Bonds or in this 2009 Resolution (other than a default in the payment of the principal of such Bonds then due only because of a declaration under this Section) shall have been remedied, then and in every such case the Holders of not less than a majority in aggregate principal amount of the Bonds not then due except by virtue of such declaration and then Outstanding may, by written notice to the County, rescind and annul such declaration or its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair the right consequent thereon.

Section 11.03 Enforcement of Remedies. Upon the happening and continuance of any Event of Default, the Holders of not less than twenty-five per cent (25%) in aggregate principal amount of the Bonds then Outstanding may proceed to protect and enforce the rights of the Bondholders under Florida law or under this 2009 Resolution by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in this 2009 Resolution or in aid or execution of any power in this 2009 Resolution granted or for the enforcement of any proper legal or equitable remedy, as such Bondholder shall deem most effectual to protect and enforce such rights.

Section 11.04 Pro Rata Application of Funds. Anything in this 2009 Resolution to the contrary notwithstanding, if at any time the moneys in the Debt Service Account and the Reserve Account shall not be sufficient to pay the principal of or the interest on the Bonds as the same become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 11.02 hereof), such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

- (A) Unless the principal of all the Bonds shall have been become due and payable, or shall have been declared due and payable, all such moneys shall be applied

first: to the payment of the persons entitled thereto of all installments of interest then due and payable, in the order in which such installments become due and payable, and, if the amount available shall not be sufficient to pay in full, any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds;

second: to the payment of the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which sufficient moneys are held pursuant to the provisions of this 2009 Resolution), in the order of their due dates, with interest upon such Bonds at the respective rates specified therein from the respective dates upon which they became due, and, if the amount receivable shall not be sufficient to pay in full the principal of Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; and

third: to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of Article VI of this 2009 Resolution.

(B) If the principal of all the Bonds shall have become due and payable or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively

for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(C) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 11.02, then, subject to the provisions of paragraph (B) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys remaining in and thereafter accruing to the Debt Service Account and the Reserve Account shall be applied in accordance with the provisions of paragraph (A) of this Section.

Whenever moneys are to be applied by the County pursuant to the provisions of this Section, such moneys shall be applied by the County at such times, and from time to time, as the Finance Director in his or her sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agent, or otherwise setting aside such moneys, in trust for the proper purpose, shall constitute proper application by the County; and the County shall incur no liability whatsoever to any Bondholder or to any other person for any delay in applying any such funds, so long as the County acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this 2009 Resolution as may be applicable at the time of application. Whenever the Finance Director shall exercise such discretion in applying such funds, he shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Finance Director shall give such notice as he may deem appropriate of the fixing of any such date.

Section 11.05 Effect of Discontinuance of Proceedings. In case any proceeding taken by any Bondholder on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the County and the Bondholder shall be restored to their former positions and rights

thereunder, respectively, and all rights and remedies of the Bondholders shall continue as though no such proceeding had been taken.

Section 11.06 Credit Facility Provider's Rights under this Article; Owners' Rights to Direct Proceedings. Notwithstanding anything in this 2009 Resolution to the contrary, following an Event of Default, a Credit Facility Provider that has not defaulted on its obligations under a Credit Facility to make payments on the Bonds shall be entitled to exercise the rights of the Owners of such Bonds for the purposes of this Article.

Subject only to the preceding paragraph, while an Event of Default has occurred and is continuing, the Owners of a majority in principal amount of the Bonds then Outstanding shall have the right, by an instrument in writing executed and delivered to the County, to direct the time and method of conducting all proceedings available under this 2009 Resolution or exercising any trust or power conferred by this 2009 Resolution in accordance with the provisions of this 2009 Resolution.

Section 11.07 Restriction on Individual Bondholder Actions. No Holder of any of the Bonds hereby secured shall have any right in any manner whatever by its action to affect, disturb or prejudice the security of this 2009 Resolution, or to enforce any, right under this 2009 Resolution except in the manner in this 2009 Resolution provided, and all proceedings at law or in equity shall be instituted, had and maintained for the benefit of all Holders of such Bonds.

Section 11.08 Remedy Exclusive. No remedy in this 2009 Resolution conferred upon the Bondholders is intended to be exclusive of any other remedy or remedies in this 2009 Resolution provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this 2009 Resolution.

Section 11.09 Delay Not a Waiver. No delay or omission of a Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Bondholders may be exercised from time to time and as often as may be deemed expedient.

Section 11.10 Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on its Bond, or the obligation of the County to pay the principal of and interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

ARTICLE XII

REGISTRAR AND PAYING AGENT

Section 12.01 Notice by Registrar and Paying Agent if Default Occurs. The Registrar and Paying Agent shall not be required to take notice or be deemed to have notice of any default under this 2009 Resolution except failure by the County to cause to be made any of the payments to the Registrar and Paying Agent required to be made by this 2009 Resolution unless the Registrar and Paying Agent shall be specifically notified in writing of such default by the County or by the Holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding, and all notices or other instruments required by this 2009 Resolution to be delivered to the Registrar and Paying Agent must, in order to be effective, be delivered at a corporate trust office of the Registrar and Paying Agent, and in the absence of such notice so delivered, the Registrar and Paying Agent may conclusively assume there is no default except as aforesaid.

If a default occurs of which the Registrar and Paying Agent is by this Section 12.01 required to take notice or if notice of default be given as provided in the preceding paragraph, then the Registrar and Paying Agent shall give written notice thereof by mail to the County, each Credit Facility Provider, the provider of any Reserve Facility and the registered owners of all Bonds then Outstanding.

Section 12.02 Registrar and Paying Agent; Appointment and Acceptance of Duties; Removal.

(A) The Finance Director is authorized and directed to select a Registrar and Paying Agent through a competitive process pursuant to applicable County policies and procedures, and to execute and deliver any agreements that may be required by any such potential Registrar and Paying Agent, with such terms, covenants, provisions and agreements as may be deemed

necessary or desirable and approved by the Finance Director after consultation with the Financial Advisor, the County Attorney and Bond Counsel. The execution of such agreement or agreements for and on behalf of the County by the Finance Director shall be conclusive evidence of their approval by the Board.

(B) The County may appoint one or more additional Paying Agents for the Bonds which may include the Registrar. Any such Paying Agent shall be a commercial bank or trust company organized under the laws of the United States of America or one of the States thereof. Each Paying Agent other than the Registrar and Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this 2009 Resolution by executing and delivering to the County and the Registrar and Paying Agent a written acceptance of this 2009 Resolution.

(C) The County may remove any Paying Agent or the Registrar and Paying Agent and any successors thereto, and may appoint a successor or successors thereto; provided that the Registrar and Paying Agent or any other such Paying Agent designated by the County shall continue to function as such until the designation of a successor. The Registrar and Paying Agent and each other Paying Agent is hereby authorized to pay or redeem Bonds from money on deposit in the respective funds and accounts hereunder when duly presented to it for payment or redemption.

ARTICLE XIII

GENERAL COVENANTS

Section 13.01 Payment of Principal, Premium, if any, and Interest. Every covenant in this 2009 Resolution is predicated upon the condition that any obligation for the payment of money incurred by the County shall not create a pecuniary liability of the County or a charge upon its general credit but shall be payable solely from payments or prepayments by the County from Legally Available Non-Ad Valorem Revenues pursuant to Section 9.02, and, other than as specifically provided in this 2009 Resolution, nothing in the Bonds or in this 2009 Resolution shall be considered as assigning or pledging any other

funds or assets of the County. Subject to the limited source of payment referred to in this 2009 Resolution, the County covenants that it will promptly pay the principal of, premium, if any, and interest on every Bond issued under this 2009 Resolution at the place, on the dates and in the manner provided in this 2009 Resolution and in said Bond according to the true intent and meaning of this 2009 Resolution.

Section 13.02 Books and Records. The County covenants that so long as any Bonds are Outstanding and unpaid, it will keep, or cause to be kept, proper books of record and account with respect to the Legally Available Non-Ad Valorem Revenues. Such books shall at all times be open for any lawful purpose to the inspection of each Credit Facility Provider and each provider of a Reserve Facility.

Section 13.03 List of Bondholders. The Registrar will keep on file at its office the Bond Register, indicating the names and addresses of the Holders of the Bonds and the serial numbers of such Bonds held by each of such Holders. At reasonable times and under reasonable regulations established by the Registrar, the Bond Register may be inspected and copied by the County, each Credit Facility Provider, each provider of a Reserve Facility or by the authorized representative of any Holder or Holders of ten percent (10%) or more in Outstanding aggregate principal amount of the Bonds, such ownership and the authority of any such designated representatives to be evidenced to the satisfaction of the Registrar.

Section 13.04 Disposition of Refundable Credit Payment Revenues. The County covenants and agrees to deposit all Refundable Credit Payments revenues into the County's general fund promptly upon receipt thereof.

ARTICLE XIV

CONTINUING DISCLOSURE

Section 14.01 Continuing Disclosure Commitment.

(A) The County agrees, in accordance with the provisions of, and to the degree necessary to comply with, the continuing disclosure requirements of Rule 15c2-12, as amended, of the Securities and Exchange Commission (the "Rule"), to provide or cause to be provided for

the benefit of the Beneficial Owners of the Bonds to the Municipal Securities Rulemaking Board (“MSRB”) in an electronic format prescribed by the MSRB and such other municipal securities information repository as may be required by law or applicable legislation, from time to time (each such information repository, a “MSIR”), the following annual financial information (the “Annual Information”), commencing with the Fiscal Year ended September 30, 2009:

- (i) Historical collections of non-ad valorem revenues by the County, in a form which is generally consistent with the presentation of such information in the Official Statement for the Bonds; and
- (ii) The County’s Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in clauses (i) and (ii) above will be available on or before June 1 of each year for the preceding Fiscal Year, commencing June 1, 2010, and will be made available, in addition to each MSIR, to each Beneficial Owner of the Bonds who requests such information in writing. The County’s Comprehensive Annual Financial Report referred to in paragraph (ii) above is expected to be available separately from the information in paragraph (i) above and shall be provided by the County as soon as practical after acceptance of the County’s audited financial statements from the auditors by the County. The County’s Comprehensive Annual Financial Report is generally available within eight (8) months from the end of the Fiscal Year.

(B) The County agrees to provide or cause to be provided, in a timely manner, to each MSIR in the appropriate format required by law or applicable regulation, notice of the occurrence of any of the following events with respect to the Bonds, if such event is material:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;

- (v) substitution of credit facility providers, or their failure to perform;
- (vi) adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- (vii) modifications to rights of holders of the Bonds;
- (viii) Bond calls;
- (ix) defeasances;
- (x) release, substitution or sale of any property securing repayment of the Bonds; and
- (xi) rating changes.

(C) The County agrees to provide or cause to be provided, in a timely manner, to each MSIR, in the appropriate format required by law or applicable regulation, notice of its failure to provide the Annual Information with respect to itself on or prior to June 1 following the end of the preceding Fiscal Year.

(D) The obligations of the County under this Section shall remain in effect only so long as the Bonds are Outstanding. The County reserves the right to terminate its obligations to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an "obligated person" with respect to the Bonds within the meaning of the Rule.

(E) The County agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the Beneficial Owners of the Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner's right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations under this Section in a federal or state court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Bonds.

(F) Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the Securities and Exchange Commission prior to the issuance of the Series 2009 Bonds. In the event that the Securities and Exchange Commission approves any additional MSIRs after the date of issuance of the Bonds, the County shall, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide information to any new MSIR whose status as a MSIR is unknown to the County shall not constitute breach of this covenant.

(G) The requirements of subsection (A) above do not necessitate the preparation of any separate annual report addressing only the Bonds. The requirements of subsection (A) may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and is available by June 1 of each year for the preceding Fiscal Year. Additionally, the County may incorporate any information in any prior filing with each MSIR or included in any final Official Statement of the County, provided such final Official Statement is filed with the MSRB.

(H) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County, provided that the County agrees that any such modification will be done in a manner consistent with the Rule.

(I) The County reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County agrees that any such modification shall be done in a manner consistent with the Rule.

(J) Except to cure any ambiguity, inconsistency or formal defect or omission in the provisions of this Section, the County agreements as to continuing disclosure (the "Covenants") may only be amended if:

(i) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interests of the Beneficial Owners, as determined by Disclosure Counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations; or

(ii) all or any part of the Rule, as interpreted by the staff of the Securities and Exchange Commission at the date of the adoption of this 2009 Resolution, ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support as part of the written request described above.

(J) The Board further authorizes and directs the Finance Director to cause all other agreements to be made or action to be taken as required in connection with meeting the County's obligations as to the Covenants. The Finance Director shall further be authorized to make such additions, deletions and modifications to the Covenants as he shall deem necessary or desirable in consultation with the County Attorney, Bond Counsel and Disclosure Counsel. The delivery of the Official Statement containing any such additions, deletions and modifications for and on behalf of the County shall be conclusive evidence of the Board's approval of any such additions, deletions and modifications.

ARTICLE XV

SUPPLEMENTAL RESOLUTIONS

Section 15.01 Supplemental Resolution Without Bondholder Consent. The Board, from time to time and at any time may adopt such supplemental resolutions which are compatible with the terms and provisions of this 2009 Resolution, in order to:

(i) cure any ambiguity or formal defect or omission or to correct any provisions in this 2009 Resolution or in any supplemental resolution, or

(ii) grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders, or

(iii) add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this 2009 Resolution other conditions, limitations and restrictions thereafter to be observed, or

(iv) add to the covenants and agreements of the County this 2009 Resolution other covenants and agreements thereafter to be observed by the County or to surrender any right or power in this 2009 Resolution reserved to or conferred upon the County, or

(v) to make other changes or modifications to the provisions of this 2009 Resolution which are not adverse to the interests of the Bondholders or any provider of a Reserve Facility or any Credit Facility Provider; or

(vi) to make any changes required by a provider of a Reserve Facility or Credit Facility Provider in order for it to issue its Reserve Facility or Credit Facility, as the case may be, with respect to any Bonds, so long as the same does not materially adversely affect the rights of the Registered Owners of any Outstanding Bonds or any other provider of a Reserve Facility or Credit Facility Provider.

Section 15.02 Supplemental Resolutions With Bondholders' Consent. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in

aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, anything contained in this 2009 Resolution to the contrary notwithstanding, to consent to and approve the adoption of such supplemental resolution or resolutions as shall be deemed necessary or desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this 2009 Resolution or in any supplemental resolution; provided, however, that nothing in this Section shall permit, or be construed as permitting, without the consent of the Holders of all Bonds Outstanding, (a) an extension of the maturity of the principal of or the interest on any Bonds, or (b) a reduction in the principal amount of, or the redemption premium or the rate of interest on, any Bonds, or (c) the creation of a lien upon or a pledge of any of the funds or accounts established under or pursuant to this 2009 Resolution other than a lien and pledge created by this 2009 Resolution, or (d) a preference or priority of any Bond or Bonds over any other Bond other Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental resolution. Nothing in this Section, however, shall be construed as making necessary the approval by Bondholders of the adoption of any supplemental resolution as authorized in Section 15.01.

If the Registered Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved its adoption, no Registered Owner of any Bond, Credit Facility Provider or provider of a Reserve Facility shall have any right to object to the adoption of such supplemental resolution, or to object to any of its terms and provisions, or in any manner to question the propriety of its adoption, or enjoin or restrain the Board from adopting the same or from taking any action pursuant to its provisions.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this 2009 Resolution shall be modified and amended in accordance with such supplemental resolution, and the respective rights, duties and obligations under this 2009 Resolution of the County and all Registered Owners of Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this 2009 Resolution as so modified and amended.

Section 15.03 Rights of Credit Facility Providers. In the event that a Credit Facility is in full force and effect as to the Bonds and the Credit Facility Provider is not insolvent and no default under the Credit Facility exists on the part of the Credit Facility Provider, the Credit Facility Provider, in place of the Registered Owners of such Bonds, shall have the power and authority to give any consents and exercise any and all other rights that the Registered Owners of the Bonds would otherwise have the power and authority to make, give or exercise, including, but not limited to, the exercise of remedies provided in Article XI, and the giving of consents to supplemental resolutions when required by Section 15.02, and such consent shall be deemed to constitute the consent of the Registered Owners of all of those Bonds which are secured by such Credit Facility.

Section 15.04 Supplemental Resolutions Part of Resolution. Any supplemental resolution adopted in accordance with the provisions of this Article and approved as to legality by the County Attorney shall thereafter form a part of this 2009 Resolution, and all of the terms and conditions contained in any such supplemental resolution shall be part of the terms and conditions of this 2009 Resolution for any and all purposes. Express reference to any supplemental resolution may be made in the text of any Bonds issued after its adoption, if deemed necessary or desirable by the County.

Section 15.05 Notice of Supplemental Resolutions. The County shall give to the Rating Agencies advance notice of the proposed adoption of any supplemental resolution, which notice shall include the substantial form of such supplemental resolution.

ARTICLE XVI

DEFEASANCE

Section 16.01 Defeasance. If, at any time, the County shall have paid or shall have made provision for the payment of the principal, interest and redemption premiums, if any, with respect to the Bonds or any portion of such Bonds, then, the pledge of and lien on the Covenant Revenues as provided in this 2009 Resolution in favor of the Bondholders of such Bonds, or portion thereof, shall no longer be in effect with respect to such Bonds or portion thereof and such Bonds or portion thereof shall no longer

be deemed Outstanding under this 2009 Resolution. For purposes of the preceding sentence, the deposit of cash, Government Obligations or bank certificates of deposit fully secured as to principal and interest by Government Obligations (or deposit of any other securities or investments which may be authorized by law from time to time and sufficient under such law to effect such a defeasance) in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bondholders, in an aggregate principal amount which, together with interest to accrue thereon, will be sufficient to make timely payment of the principal, interest, and redemption premiums, if any, on said Bonds, shall be considered "provision for payment".

Notwithstanding the foregoing, "provision for payment" shall not be deemed to have been made if such Bonds are to be redeemed before their maturity, unless notice of such redemption shall have been given according to the requirements of this 2009 Resolution or irrevocable instructions directing the timely publication of such notice and directing the payment of the principal of and interest on all Bonds at such redemption dates shall have been given to the Paying Agent.

If, at any time after the date of issuance of the Bonds, (a) all Bonds secured hereby shall have become due and payable in accordance with their terms or otherwise as provided in this 2009 Resolution, or shall have been duly called for redemption, or the County gives the Paying Agent irrevocable instructions directing the payment of the principal of, premium, if any, and interest on all Bonds at maturity or at any earlier redemption date scheduled by the County, or any combination thereof, (b) the whole amount of the principal, premium, if any, and the interest so due and payable upon all of such Bonds then Outstanding, at maturity or upon redemption, shall be paid, or sufficient moneys shall be held by the Paying Agent or escrow agents in irrevocable trust for the benefit of such Bondholders (whether or not in any accounts created hereby) which, when invested in Government Obligations maturing not later than the maturity or redemption dates of such principal, premium, if any, and interest will, together with the income realized on such investments, be sufficient to pay all such principal, premium, if any, and interest on all such Bonds at the maturity thereof or the date upon which such Bonds are to be called for

redemption prior to maturity, and (c) provisions shall also be made for paying all other sums payable hereunder by the County, including all amounts due or to become due to Credit Facility Providers, then and in that case the right, title and interest of such Bondholders and Credit Facilities Providers hereunder and the pledge of and lien on the moneys deposited in the funds and accounts created hereunder and the covenant of the County pursuant to Section 8.01 hereof, with respect to such Bondholders and Credit Facility Providers shall thereupon cease, determine and become void and all balances remaining in any other funds or accounts created by this 2009 Resolution other than moneys held for redemption or payment of Bonds and the payment of Credit Facility Providers, and to pay all other sums payable by the County hereunder, shall be distributed to the County for any lawful purpose; otherwise this 2009 Resolution shall be, continue and remain in full force and effect.

Notwithstanding any other provision of this 2009 Resolution, the obligation to comply with all covenants and agreements by the County to preserve the excludability from gross income for federal income tax purposes of interest on the Bonds shall survive the defeasance or payment in full of such Bonds.

ARTICLE XVII

MANNER OF EVIDENCING OWNERSHIP OF BONDS

Section 17.01 Proof of Ownership. Any request, direction, consent or other instrument provided by this 2009 Resolution to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this 2009 Resolution and shall be conclusive in favor of the Registrar and Paying Agent and the County, with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(A) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the person signing such writing acknowledged before him the execution thereof, or by the affidavit of a witness of such execution; and

(B) The ownership of Bonds and the amounts and numbers of such Bonds and the date of holding the same shall be proved by the Bond Register.

Any action taken or suffered by the Registrar and Paying Agent pursuant to any provision of this 2009 Resolution, upon the request or with the assent of any person who at the time is the registered owner of any Bond or Bonds shall be conclusive and binding upon all future owners of the same Bond or Bonds. In determining whether the owners of the required principal amount of Bonds Outstanding have taken any action under this 2009 Resolution, Bonds owned by the County or any person controlling, controlled by or under common control with the County (unless the County or such other person own all Bonds which are then Outstanding, determined without regard to this Section 17.01) shall be disregarded and deemed not to be Outstanding, except that for the purpose of determining whether the Registrar and Paying Agent shall be protected in relying on any such action, only such Bonds which the Registrar and Paying Agent has actual knowledge are so owned shall be so disregarded. Bonds so owned which have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Registrar and Paying Agent the pledgee's right so to act with respect to such Bonds and that the pledgee is not any person directly or indirectly controlling or controlled by or under direct or indirect common control with the County. In case of a dispute as to such right, any decision by the Registrar and Paying Agent taken upon the advice of Bond Counsel shall be full protection to the Registrar and Paying Agent, as the case may be.

Miami-Dade County, Florida, a political subdivision of the State of Florida (the "County"), for value received, hereby promises to pay to the Registered Owner named above, or registered assigns, but solely from the revenues hereinafter mentioned, on the Maturity Date specified above (unless redeemed prior thereto, as hereinafter provided), the Principal Amount specified above, upon presentation and surrender hereof at the principal corporate trust office of [_____], or its successors, as Registrar and Paying Agent (the "Registrar" and the "Paying Agent"), and to pay, solely from such revenues, interest on the Principal Amount from the Dated Date, or from the last date to which interest has been paid, on April 1 and October 1 in each year (each, an "Interest Payment Date"), commencing _____, until payment of the Principal Amount, or until provision for the payment thereof has been duly provided for.

This Bond and the interest hereon are payable solely from certain Legally Available Non-Ad Valorem Revenues (as described in Ordinance No. 07-51 enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on March 18, 2007 (the "2007 Ordinance"), Ordinance No. 09-[____] enacted by the Board on [_____], 2009 (the "2009 Ordinance"), and Resolution No. R-2009-[____] adopted by the Board on [_____], 2009 (the "Resolution" and, together with the 2007 Ordinance and 2009 Ordinance, the "Bond Ordinance"), budgeted and appropriated by the Board annually and actually deposited into the Debt Service Account or the Reserve Account pursuant to the Bond Ordinance (the "Covenant Revenues") and certain other moneys, all in the manner and to the extent provided in the Bond Ordinance. In the event of any such default, such defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date for the payment of such defaulted interest as established by notice by deposit in the U. Neither the members of the County nor any official executing the Bonds shall be liable personally on the Bonds or the Bond Ordinance or shall be subject to any personal liability or accountability by reason of the issuance of the Bonds or the enactment and adoption, as the case may be, of the Bond Ordinance.

such members, officers or employees being released as a condition of and as consideration for the enactment of the Bond Ordinance by the Board and the issuance of this Bond.

The County, the Registrar and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute holder of this Bond for the purpose of receiving payment of, on account of, the principal and interest due on this Bond and for all other purposes, and neither the County, the Registrar nor the Paying Agent shall be affected by notice to the contrary except the due execution and delivery to the Registrar of the Certificate of Transfer set forth in this Bond.

In the case of an optional redemption, unless the County has paid or caused to be paid to the Paying Agent an amount, which in addition to other amounts available therefore and held by the Paying Agent, is sufficient to redeem all of the Series 2009 Bonds to be redeemed on the redemption at the redemption price, the notice of redemption shall be captioned "Conditional Notice of Redemption" and shall state that: (i) the redemption is conditioned on the receipt of moneys for such redemption by the Paying Agent on or prior to the redemption date, (ii) the County retains the right to rescind such notice on or prior to the scheduled redemption date, and (iii) such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded. Any conditional notice may be rescinded at any time prior to the redemption date if the County delivers a written direction to the Paying Agent directing the Paying Agent to rescind the redemption notice, and the Paying Agent shall give notice of such rescission to the affected Bondholders no later than the second Business day following the Paying Agent's receipt of such written direction from the County.

If a conditional notice of redemption is given and either (i) the redemption has been rescinded or (ii) moneys sufficient to pay the redemption price are not timely received by the paying Agent, the redemption for which such notice was given shall not be undertaken and the related Series 2009 Bonds shall remain Outstanding. Neither the rescission nor the failure of the County to make sufficient funds

available shall constitute an event of default. The Paying Agent shall give immediate notice to the affected Bondholders that the redemption did not occur and that the Series 2009 Bonds called for redemption and not so paid remain Outstanding.

Effect of Calling for Redemption. On the date designated for redemption of any Series 2009 Bonds, notice having been mailed as provided in the Series 2009 Resolution, the Series 2009 Bonds so called for redemption will become and be due and payable at the redemption price provided for redemption of such Series 2009 Bonds on such date, and moneys for payment of redemption price being held in a separate account of the Paying Agent in trust for the Holders of the Series 2009 Bonds to be redeemed, all as provided in the Series 2009 Resolution, interest on the Series 2009 Bonds so called for redemption will cease to accrue, such Series 2009 Bonds will not be deemed Outstanding for purposes of the Series 2009 Resolution and will cease to be entitled to any lien, benefit or security under the Series 2009 Resolution, and the registered owners of such Series 2009 Bonds will have no rights in respect of such Series 2009 Bonds except to receive payment of the redemption price of the Series 2009 Bonds.

Book-Entry Only System

The following description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2009 Bonds, payment of interest and principal on the Series 2009 Bonds to Participants or Beneficial Owners of the Series 2009 Bonds, confirmation and transfer of beneficial ownership interest in the Series 2009 Bonds and other related transactions by and between DTC, the Participants and the Beneficial Owners of the Series 2009 Bonds is based solely on information furnished by DTC on its website for inclusion in this Official Statement. Accordingly, neither the County nor the Underwriters can make any representations concerning these matters.

DTC will act as securities depository for the Series 2009 Bonds. The Series 2009 Bonds will be issued as fully-registered securities registered in the name of Cede & Co., (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity of each series of the Series 2009 Bonds, each in the aggregate principal amount of such maturity, as set forth on the inside cover page of this Official Statement, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2009 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2009 Bonds on DTC's records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2009 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bond certificates representing their ownership interests in the Series 2009 Bonds, except in the event that use of the book-entry system for the Series 2009 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2009 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2009 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2009 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2009 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2009 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2009 Bonds, such as redemptions, defaults, and proposed amendments to the Bond Ordinance. For example, Beneficial Owners of Series 2009 Bonds may wish to ascertain that the nominee holding the Series 2009 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent by the Registrar to DTC. If less than all of the Series 2009 Bonds within a particular maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2009 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2009 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption premium, if any, and interest payments on the Series 2009 Bonds will be made to Cede & Co., or to such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants or Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, nor its nominee, the Paying Agent, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption premium and interest to Cede & Co. (or such other nominee as may be

requested by an authorized representative of DTC) is the responsibility of the County or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2009 Bonds at any time by giving reasonable notice to the County or the Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, bond certificates representing the Series 2009 Bonds are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates representing the Series 2009 Bonds will be printed and delivered.

NEITHER THE COUNTY NOR THE REGISTRAR AND THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT OR INDIRECT PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2009 BONDS IN RESPECT OF THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT, THE PAYMENT BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OR INTEREST ON THE SERIES 2009 BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE BOND ORDINANCE OR ANY CONSENT GIVEN OR ACTION TAKEN BY DTC, AS BONDHOLDER. SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF SUCH BONDS, AS NOMINEE OF DTC, THE BENEFICIAL OWNERS WILL NOT RECEIVE PHYSICAL CERTIFICATES REPRESENTING THEIR INTERESTS IN THE BONDS, AND REFERENCES HEREIN TO BONDHOLDERS OR REGISTERED HOLDERS OF SUCH BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF SUCH BONDS.

Registration, Transfer and Exchange

In the event of discontinuance of the book-entry only system, the Series 2009 Bonds will be subject to transfer and exchange as described below. The County shall cause the Bond Register to be kept at a corporate trust office of the Registrar and Paying Agent. Upon surrender for transfer of any Series 2009 Bonds at a corporate trust office of the Registrar and Paying Agent, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Registrar and Paying Agent and duly executed by, the registered owner or the attorney of such owner duly authorized in writing with signature guaranteed by a member firm of STAMP, SEMP or MSP signature guaranty medallion program, the County shall execute and the Registrar and Paying Agent shall authenticate, date and deliver in the name of the transferees a new Series 2009 Bond or Series 2009 Bonds of the same series or maturity for the same aggregate principal amount and of like tenor. Any Series 2009 Bond may be exchanged at the office of the Registrar and Paying Agent for the same aggregate principal amount of such Series 2009 Bonds and of like tenor. The execution by the County of any Series 2009 Bonds shall constitute full and due authorization of such Series 2009 Bonds and the Registrar and Paying Agent shall thereby be authorized to authenticate, deliver and date such Series 2009 Bonds.

The County, the Registrar and the Paying Agent shall deem and treat the registered owner of any Series 2009 Bond as the absolute owner of such Series 2009 Bond for the purpose of receiving payment of or on account of principal of such Series 2009 Bond and premium, if any, thereon and interest due thereon and for all other purposes.

SECURITY FOR THE SERIES 2009 BONDS

County Covenant to Budget and Appropriate

The County has covenanted and agreed in the Series 2009 Resolution, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, Legally Available Non-Ad Valorem Revenues (as defined below) of the County in an amount that, together with other legally available revenues budgeted and appropriated for such purpose, are equal to the Principal and Interest Requirements (as defined below) with respect to the Series 2009 Bonds for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the County under the Series 2009 Resolution for the applicable Fiscal Year, including, without limitation, the obligations of the County to fund and cure deficiencies in the Debt Service Account and the Reserve Account created under the Series 2009 Resolution, and to make rebate payments contemplated in the Series 2009 Resolution, as and when the same become due.

The Series 2009 Resolution defines "Principal and Interest Requirements" as the respective amounts required in each Fiscal Year to provide (i) for the payment of interest on all Series 2009 Bonds then Outstanding which is payable on each Interest Payment Date in such Fiscal Year; (ii) for the payment of principal of all serial Series 2009 Bonds then Outstanding which is payable upon the maturity of serial Series 2009 Bonds in such Fiscal Year; and (iii) for the payment of Sinking Fund Installments, if any, for all term Series 2009 Bonds then Outstanding for such Fiscal Year. For purposes of computing the Principal and Interest Requirements, any principal, interest or Sinking Fund Installments due on the first day of a Fiscal Year shall be deemed due in the preceding Fiscal Year.

The Series 2009 Resolution provides that in determining the amount of the Principal and Interest Requirements for any Fiscal Year, if interest on the Series 2009 Bonds is payable from capitalized interest or from other amounts set aside irrevocably for such purpose at the time such Series 2009 Bonds are issued, or, if principal, interest or Sinking Fund Installments are payable in whole or in part from investment earnings retained, or moneys from any source deposited, in the Debt Service Account in accordance with Article IX of the Series 2009 Resolution, interest, principal and Sinking Fund Installments on such Series 2009 Bonds shall be included in Principal and Interest Requirements only to the extent of the amount of interest, principal and Sinking Fund Installments payable in a Fiscal Year from amounts other than amounts actually on deposit in the applicable account on and as of the date of calculation.

The obligation of the County described above includes an obligation to make amendments to the budget of the County to assure compliance with the terms and provisions of the Series 2009 Resolution. The covenant and agreement on the part of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues is cumulative and continues until Legally Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, sufficient to make all required payments as and when due, including any delinquent payments, have been budgeted, appropriated and actually paid into the accounts created under the Series 2009 Resolution.

Pursuant to the Series 2009 Resolution, the County has pledged and granted a lien on the Covenant Revenues to equally and ratably secure the payment of the principal of, premium, if any, and interest on the Series 2009 Bonds. "Covenant Revenues" are defined in the Series 2009 Resolution as those Legally Available Non-Ad Valorem Revenues budgeted and appropriated pursuant to Section 8.01 of the Series 2009 Resolution and actually deposited into the Debt Service Account or the Reserve Account pursuant to Section 9.02 of the Series 2009 Resolution. Notwithstanding anything in the Series 2009 Resolution to the contrary, all obligations of the County under the Series 2009 Resolution shall be secured only by the Legally Available Non-Ad Valorem Revenues and other legally available revenues

budgeted and appropriated, subject to the limitations described in this Official Statement, and actually deposited into the accounts created under the Series 2009 Resolution. Nothing in the Bond Ordinance shall be deemed to create a pledge of or lien, legal or equitable, on the Legally Available Non-Ad Valorem Revenues, the ad valorem tax revenues or any other revenues of the County or to permit or constitute a mortgage or lien upon any assets owned by the County other than the Covenant Revenues and the accounts created under the Series 2009 Resolution in the manner and to the extent provided in the Series 2009 Resolution. No Bondholder shall ever have the right to compel any exercise of the ad valorem taxing power of the County for any purpose, including, without limitation, to pay the principal of or interest or premium, if any, on the Series 2009 Bonds or to make any payment required under the Series 2009 Resolution, or to maintain or continue any of the activities of the County which generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. *See also* "Limited Obligations of the County" under this caption.

Nothing contained in the Series 2009 Resolution precludes the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations of the County or places limitations on the County's ability to make such pledges. The County has pledged its Legally Available Non-Ad Valorem Revenues to other obligations of the County and anticipates doing so in the future. *See* the tables under "Legally Available Non-Ad Valorem Revenues" under this caption.

The County's covenant to budget and appropriate Legally Available Non-Ad Valorem Revenues as set forth in the Series 2009 Resolution is not a pledge by the County of such Legally Available Non-Ad Valorem Revenues and Bondholders do not have any prior claim on the Legally Available Non-Ad Valorem Revenues until such amounts are actually deposited in the accounts created under the Series 2009 Resolution. Such covenant to budget and appropriate is subject to the availability of Legally Available Non-Ad Valorem revenues of the County after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the County. Such covenant to budget and appropriate is also subject to the provisions of applicable State law, which preclude the County from expending moneys not appropriated or in excess of its current budgeted revenues. Such covenant does not require the County to levy and collect any particular source of Legally Available Non-Ad Valorem Revenues nor to maintain or increase any fees or charges with respect to any particular source of Legally Available Non-Ad Valorem Revenues. *See* "Legally Available Non-Ad Valorem Revenues" under this caption.

Legally Available Non-Ad Valorem Revenues

The Series 2009 Resolution defines "Legally Available Non-Ad Valorem Revenues" as all available revenues and taxes of the County derived from any source whatsoever other than ad valorem taxation on real and personal property, but including "operating transfers in" and appropriable fund balances within all Funds of the County over which the Board has full and complete discretion to appropriate the resources therein. As used in the preceding sentence, "Funds" means all governmental, proprietary and fiduciary funds and accounts of the County as defined by generally accepted accounting principles.

The amounts and availability of any source of Legally Available Non-Ad Valorem Revenues to the County are subject to change, including reduction or elimination by change in State law or changes in the facts or circumstances according to which certain of the Legally Available Non-Ad Valorem Revenues are allocated to the County. The amount of Legally Available Non-Ad Valorem Revenues collected by the County is directly related to the general economy of the County. Accordingly, adverse economic conditions could have a material adverse effect on the amount of such Legally Available Non-Ad Valorem Revenues collected by the County. Additionally, the amount and types of Legally Available Non-Ad Valorem Revenues that would be available under applicable law may be limited or restricted with respect to certain projects (such as gas tax revenues that must be limited to transportation projects and fines and forfeitures that are limited to court system projects).

Continued receipt of Legally Available Non-Ad Valorem Revenues is dependent upon a variety of factors, including, but not limited to, formulas specified in State law for the distribution of such revenues that take into consideration the ratio of residents in incorporated areas of the County to total County residents. The incorporation of new municipalities, aggressive annexation policies by the municipalities in the County or growth in such municipalities without corresponding growth in the unincorporated areas of the County could have an adverse effect on Legally Available Non-Ad Valorem Revenues.

The County can discontinue or change any of its fees, rates and charges and may discontinue any of the activities of the County that generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. Any of these activities could have a significant adverse effect on the funds that otherwise might be available to pay maturing debt service on the Series 2009 Bonds.

The County relies on a combination of Legally Available Non-Ad Valorem Revenues and ad valorem tax revenues to fund its general operating expenses. Increases in the County's operating expenses, many of which expenses are outside the control of the County, issuance of additional bonds or other obligations payable from or secured by Legally Available Non-Ad Valorem Revenues and decreases in ad valorem tax revenues, in addition to other factors addressed above, may, individually or in combination, adversely impact the amount of Legally Available Non-Ad Valorem Revenues available to pay debt service on the Series 2009 Bonds.

The following table sets forth the sources and total amounts of non-ad valorem revenues that have been available to the County for the Fiscal Years ended September 30, 2004 through September 30, 2008. The information in the table is presented for comparative purposes only. For further information relating to non-ad valorem revenues of the County, *see* "APPENDIX C – MIAMI-DADE COUNTY'S AUDITED ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2008."

- (1) The increase in Fiscal Year 2003 reflects the County's issuance of the Series 2002 Bonds. The decrease starting in Fiscal Year 2004 reflects the final payment of the Series 1996 Bonds made on November 1, 2003 from available carry-over funds.
- (2) Gas Tax Revenues are restricted for transportation purposes. Although some of the projects funded qualify as transportation, the gas tax revenues are being deducted for the purpose of computing the Legally Available Non-Ad Valorem Revenues.
- (3) Includes appropriable fund balance (balance in the General Fund reduced by any reserve for encumbrances, subsequent years' budget and/or specified non-liquid assets therein) and Operating Transfer-In.
- (4) These Bonds/Loans are serviced by the benefiting departments.
- (5) Currently, of the amount outstanding, \$407,000 is being serviced by the Parks Department.

109

- (6) These Bonds were issued as Industrial Development Bonds, payable solely from pledged revenues, the trust estate, from payments made under the guaranty and other amounts to be paid under the loan agreement. Even though these Bonds are not considered County direct debt, subject to the terms of the guaranty, the County has unconditionally guaranteed the payments of an amount equal to the principal of, premium, if any, and interest on the Bonds on any interest payment date.
- (7) These loans are being serviced by Seaport Revenues.
- (8) Of the total loan amount, \$34 million is being serviced by the County's Transit Agency with Federal Grants. In Fiscal Year 2006, the total amount paid in debt service was \$4.550 million, of which, the Transit Agency paid \$3.157 million.
- (9) This Loan is serviced by the County's Legally Available Non-Ad Valorem Revenues.
- (10) On September 7, 2006, the County entered into a loan agreement with the Sunshine State Governmental Financing Commission in the aggregate principal amount of \$100 million for PAC, PHT, Fire Department and Department of Solid Waste Management secured by the County's covenant budget and appropriate Legally Available Non-Ad Valorem Revenues. Total debt service paid during the first six months of Fiscal Year 2007 on this Loan has been approximately \$1.646 million.
- (11) On September 26, 2006, the County entered into a loan agreement with the Sunshine State Governmental Financing Commission in the aggregate principal amount of \$232,060 million for the restructuring of five Seaport Sunshine Loans, extending final maturities of the individual loans. Like the other Seaport Sunshine Loans, this loan will be serviced with Seaport Revenues.
- (12) These loans are paid by tax increment receipts generated from the Naranja Lakes CRA.
- (13) These revenues are also used to pay operating expenses during the Fiscal Year.

The presentation of the information in the tables above is historical and should not be construed as a representation that the County will continue to have available to it Legally Available Non-Ad Valorem Revenues in the historical amounts shown in the tables above.

Limited Obligations of the County

THE SERIES 2009 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE COUNTY, PAYABLE SOLELY FROM LEGALLY AVAILABLE NON-AD VALOREM REVENUES OF THE COUNTY BUDGETED AND APPROPRIATED ANNUALLY, SUBJECT TO THE LIMITATIONS DESCRIBED IN THIS OFFICIAL STATEMENT, AND ACTUALLY DEPOSITED INTO THE DEBT SERVICE ACCOUNT AND RESERVE ACCOUNT CREATED UNDER THE BOND ORDINANCE. NEITHER THE FAITH AND CREDIT OF THE STATE, THE COUNTY NOR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE ARE PLEDGED TO THE PAYMENT OF PRINCIPAL AND INTEREST ON THE SERIES 2009 BONDS. THE ISSUANCE OF THE SERIES 2009 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER, NOR SHALL THE SERIES 2009 BONDS CONSTITUTE A CHARGE, LIEN OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE. NO HOLDER OF THE SERIES 2009 BONDS WILL HAVE THE RIGHT TO REQUIRE OR COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE FOR PAYMENT OF THE SERIES 2009 BONDS, OR BE ENTITLED TO PAYMENT OF SUCH AMOUNT FROM ANY OTHER FUNDS OF THE COUNTY, OTHER THAN THE COVENANT REVENUES AND THE ACCOUNTS CREATED UNDER THE BOND ORDINANCE IN THE MANNER AND TO THE EXTENT PROVIDED IN THE BOND ORDINANCE.

Flow of Funds

Section 9.01 of the Series 2009 Resolution creates a Debt Service Account and a Reserve Account. Such Accounts constitute trust funds and will be held by the County's Authorized Depository for the benefit of, and shall be subject to a lien and charge in favor of, the owners of the Series 2009 Bonds, and shall at all times be kept separate and distinct from all other funds of the County and used only as provided in the Series 2009 Resolution.

Section 9.02 of the Series 2009 Resolution requires that the County deposit to the credit of the Debt Service Account and the Reserve Account, or apply as otherwise described below, on or before each Interest Payment Date, and on such other dates and times as are necessary to satisfy the deposit requirements described below, from Legally Available Non-Ad Valorem Revenues budgeted and appropriated for such purposes amounts which, together with other funds on deposit therein, will be sufficient to satisfy the cumulative deposit requirements described in clauses (i) and (ii) below. Such deposits and payments will be made in the following order and priority:

- (i) First, by deposit into the Debt Service Account an amount which, together with any other amounts required to be deposited therein pursuant to the Series 2009 Resolution, will be equal to the sum of the principal of, interest on and Sinking Fund Installments with respect to the Series 2009 Bonds, then or theretofore due on such Interest Payment Date. Such deposits will take into account any capitalized interest and any deficiencies in prior deposits.
- (ii) Second, by deposit into the Reserve Account an amount which, together with funds currently deposited therein, will be sufficient to make the funds on deposit therein, except as otherwise provided in the Series 2009 Resolution, equal to the Reserve Account Requirement, if any. Notwithstanding the foregoing, if the County determines or is required to fund a Reserve Account with respect to the Series 2009 Bonds, the County may, in lieu of cash funding such reserve, substitute a Reserve Facility issued by a Credit Facility Provider in an amount equal to the Reserve Account Requirement with respect to the Series 2009 Bonds. Any such Reserve Facility must provide that if a deficiency exists in the Debt Service Account with respect to the principal of or interest due on the Series 2009 Bonds, which cannot be cured by funds in any other account held pursuant to the Series 2009 Resolution and available for such purpose, the provider of such Reserve Facility will pay such deficiency to the Registrar and Paying Agent for the benefit of the Bondholders, who shall be named as the beneficiary of such Reserve Facility. If a disbursement is made from a Reserve Facility as provided in the preceding sentence, the County shall be obligated to reinstate the maximum limits of such Reserve Facility following such disbursement or to replace such Reserve Facility by depositing into the Reserve Account from the first Legally Available Non-Ad Valorem Revenues budgeted and appropriated under the Series 2009 Resolution and available for deposit as described in this clause (ii), funds in the maximum amount originally payable under such Reserve Facility, plus amounts necessary to reimburse the Credit Facility Provider for previous disbursements made from the such Reserve Facility, or a combination of such alternatives, and for purposes of this clause (ii), amounts necessary to satisfy such reimbursement obligation and other obligations of the County to such a Credit Facility Provider shall be deemed required deposits into the Reserve Account but shall be used by the County to satisfy its obligations to the Credit Facility Provider.

Use of Moneys in the Debt Service Account

Moneys on deposit in the Debt Service Account will be used solely for the payment of principal of, interest on and any redemption premiums required with respect to the Series 2009 Bonds. At the maturity date of each Series 2009 Bond and at the due date of each Sinking Fund Installment and installment of interest on each Series 2009 Bond, the County shall transfer from the Debt Service Account to the Paying Agent for such Series 2009 Bonds sufficient moneys to pay all principal of, premium, if any, and interest then due and payable with respect to such Series 2009 Bonds. See "APPENDIX B – BOND ORDINANCE."

111

Reserve Account

The County is required to maintain on deposit in the Reserve Account an amount equal to the Reserve Account Requirement for the Series 2009 Bonds. Such amounts, if any, on deposit in the Reserve Account shall be used for the purpose of curing deficiencies in the Debt Service Account with respect to the Series 2009 Bonds after application of funds otherwise available therefor. If funds on deposit in the Reserve Account exceed, in the aggregate, the Reserve Account Requirement with respect to the Series 2009 Bonds (other than due to the substitution of a Reserve Facility pursuant to the Series 2009 Resolution), the excess funds shall be deposited into the Debt Service Account for the benefit of Series 2009 Bonds issued pursuant to the Series 2009 Resolution.

Tax Covenants of the County

It is the intention of the County that the interest of the Series 2009A Bonds be and remain excluded from gross income for federal income tax purposes and to this end the County has represented to and covenanted with the Holders of the Series 2009A Bonds that it will comply with the requirements applicable to it contained in Sections 103 and 141 through 150 of the Code to the extent necessary to preserve the excludability of interest on the Series 2009A Bonds from gross income for federal income tax purposes. Such covenants impose continuing obligations on the County that will exist as long as the requirements of Sections 103 and 141 through 150 of the Code are applicable to the Series 2009 Bonds and the obligation of the County to pay any rebate amount that may become due to the United States of America and to comply with the other requirements of Section 10.03 of the Series 2009 Resolution shall survive the defeasance or payment in full of the Series 2009A Bonds. *See* "APPENDIX B – BOND ORDINANCE."

It is also the intention of the County that the County will receive cash subsidy payments from the United States Treasury equal to 35% of the interest payable on any Series 2009B Bonds and 45% of the interest payable on any Series 2009C Bonds (collectively, the "Refundable Credit Payments"). The Code imposes requirements on the Series 2009B Bonds and the Series 2009C Bonds that the County must continue to meet after such Series 2009B Bonds and Series 2009C Bonds are issued in order to receive such cash subsidy payments and to this end the County represents to and covenants with the Holders of the Series 2009B Bonds and the Series 2009C Bonds, respectively, that the County will comply with the requirements applicable thereto contained in the Code to the extent necessary to receive such cash subsidy payments from the United States Treasury. The County further covenants and agrees to deposit all revenues from the Refundable Credit Payments into the County's general fund promptly upon receipt thereof.

Remedies

Upon the occurrence and continuance of any Event of Default under the Series 2009 Resolution, the Bondholders of not less than a majority in aggregate principal amount of the Series 2009 Bonds then Outstanding may declare the principal of all of the Series 2009 Bonds then Outstanding to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, notwithstanding anything contained in the Series 2009 Bonds or in the Series 2009 Resolution to the contrary; provided, however, that if at any time after the principal of the Series 2009 Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Series 2009 Resolution, moneys shall have accumulated in the Debt Service Account sufficient to pay the principal of all matured Series 2009 Bonds and all arrears of interest, if any,

upon all Series 2009 Bonds then Outstanding (except the principal of any Series 2009 Bonds not then due except by virtue of such declaration and the interest accrued on such Series 2009 Bonds since the last Interest Payment Date) and all amounts then payable by the County under the Series 2009 Resolution, each Credit Facility Agreement and any agreement pursuant to which a Reserve Facility may have been provided, shall have been paid or a sum sufficient to pay the same shall have been deposited with the Finance Director or with the Paying Agent and Registrar, and every other default in the observance or performance of any covenant, condition, agreement or provision contained in the Series 2009 Bonds or in the Series 2009 Resolution (other than a default in the payment of the principal of such Series 2009 Bonds then due only because of a declaration under the Series 2009 Resolution) shall have been remedied, then and in every such case, the Holders of not less than a majority in aggregate principal amount of the Series 2009 Bonds not then due except by virtue of such declaration and then Outstanding may, by written notice to the County, rescind and annul such declaration or its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair the right consequent thereon. See "ENFORCEABILITY OF REMEDIES."

Notwithstanding anything in the Series 2009 Resolution to the contrary, following an event of Default, a Credit Facility Provider that has not defaulted on its obligations under a Credit Facility to make payments on the Series 2009 Bonds (including the Bond Insurer with respect to the Municipal Bond Insurance Policy) shall be entitled to exercise the rights of the owners of such Series 2009 Bonds for the purposes of the Series 2009 Resolution.

Subject only to the preceding paragraph, while an Event of Default has occurred and is continuing, the owners of a majority in principal amount of the Series 2009 Bonds then Outstanding shall have the right, by an instrument in writing executed and delivered to the County, to direct the time and method of conducting all proceedings available under the Series 2009 Resolution or exercising any trust or power conferred by the Series 2009 Resolution in accordance with the provisions of the Series 2009 Resolution.

No Holder of any of the Series 2009 Bonds secured by the Series 2009 Resolution shall have any right in any manner whatsoever by its action to affect, disturb or prejudice the security of the Series 2009 Resolution or to enforce any right under the Series 2009 Resolution (except in the manner provided in the Series 2009 Resolution). All proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Series 2009 Bonds.

THE COUNTY

Set forth below is certain general information concerning the County, the County's government and certain governmental services provided by the County. For detailed information regarding the County and data relating to economic and demographic matters, *see* "APPENDIX A – GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA."

History

The County is the largest county in the southeastern United States in terms of population. The County currently covers 2,209 square miles, located in the southeastern corner of the State, and includes, among other municipalities, the cities of Miami, Miami Beach, Coral Gables and Hialeah. In 2008, the population of the County was estimated to have been 2,500,000.

The County was created on January 18, 1836 under the Territorial Act of the United States. It included the land area now forming Palm Beach County and Broward County, together with the land area of the present County. In 1909, Palm Beach County was established from the northern portion of what was then Dade County. In 1915, Palm Beach County and the County contributed nearly equal portions of land to create what is now Broward County. There have been no significant boundary changes to the County since 1915.

County Government and Services

The State Legislature in 1955 approved and submitted to a general election a constitutional amendment designed to give a new form of government to the County. The amendment was approved in a statewide general election in November 1956. A Dade County Charter Board was constituted and, in April 1957, completed a draft of a charter for the County. The proposed charter (the "Charter") was adopted in a countywide election in May 1957 and became effective on July 20, 1957. The electors of the County were granted power to revise and amend the Charter from time to time by countywide vote. The most recent amendment was in November 2008. The County has home rule powers, subject only to the limitations of the Constitution and general laws of the State. The County, in effect, is both (1) a county government with certain powers effective throughout the entire County, including 35 municipalities, and (2) a municipal government for the unincorporated area of the County. The County has not displaced or replaced the cities, but supplements them. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board, or with the consent of the governing body of a particular city.

On January 23, 2007, the electors of the County approved an amendment to the Home Rule Charter which established a "strong mayor" form of government. This amendment expands the Mayor's power over administrative matters. The County Manager, who previously was chief administrator, now reports directly to the Mayor, who has the authority to hire, fire and set the salary of the County Manager. Under this new system, the Mayor also appoints all department heads.

The County has assumed responsibility on a countywide basis for an increasing number of functions and services, including the following:

- (a) Countywide police services, complementing the municipal police services within the cities and providing full-service police protection for the unincorporated areas of the County, with direct access to the National Crime Information Center in Washington, D.C. and the Florida Crime Information Center.
- (b) Uniform system of fire protection, complementing the municipal fire protection services within five municipalities and providing full-service fire protection for the Miami-Dade Fire and Rescue Service District, which includes the unincorporated area of the County and the 29 municipalities which have consolidated their fire departments within the Miami-Dade Fire and Rescue Department. The Miami-Dade Fire and Rescue Department also provides emergency medical services by responding to and providing on-site treatment to the seriously sick and injured.
- (c) Certain expenses of the State's consolidated two-tier court system (pursuant to Section 29.008 of the Florida Statutes) are the responsibility of the County. The two-tier court system consists of the higher Circuit Court and the lower County Court. The Circuit Court handles domestic relations, felonies, probate, civil cases where the amount in dispute is \$15,000 or more, juvenile cases, and appeals from the County Court. The County Court handles violations of municipal ordinances, misdemeanors and civil cases where the amount in dispute is less than \$15,000.

- (d) Countywide water and sewer system operated by the Water and Sewer Department.
- (e) Jackson Memorial Hospital (“JMH”) is operated, maintained and governed by an independent governing body called the Public Health Trust (the “Trust”). Based on the number of admissions to a single facility, JMH is one of the nation’s busiest medical centers. The Board appoints members of the Board of Trustees for the Trust and also approves the budget of the Trust. The County continues to subsidize treatment of indigent patients on a contractual basis with the Trust.
- (f) Unified transit system, consisting of various surface public transportation systems. In May, 1985, the 20.5 miles Phase I of the County’s rapid rail transit system was completed and placed into operation. An extension was opened in May 2003 expanding the rail service along the north section from the Okeechobee station to the Palmetto station, making the system 22.4 miles long. In April 1986, the Metromover component of the rapid rail transit system commenced operation, with 1.9 miles of an elevated double loop system. Two extensions were subsequently constructed extending the service 1.4 miles south to the Brickell Avenue area and 1.1 miles north to the area known as Omni, for a total of 4.4 miles of service. These extensions were placed in service on May 1994.
- (g) Combined public library system consisting of the Main Library, 46 branches and 4 mobile libraries offering educational, informational and recreational programs and materials. Two additional libraries are under construction and will open in [2009]. On an annual basis, approximately 6.8 million people visit the libraries and check out more than 7.8 million items such as books, DVDs, books on tape, CDs and other library materials, while reference librarians answer over 6.9 million questions. The library system is the largest free internet provider in South Florida, registering more than 2 million internet sessions. The web page of the library system, which is available 24/7, offers an extensive digital library of more than 1,500 downloadable e-books, videos and music. [NOTE: Discuss whether we can narrow the 2009 opening date by month or quarter.]
- (h) Property appraisal services are performed by the County’s Property Appraiser’s office. Tax collection services are performed by the Miami-Dade Tax Collector. All collected taxes are distributed directly to each governmental entity, according to its respective tax levy. The municipalities, the Board of Public Instruction and several State agencies use data furnished to them by the Miami-Dade Tax Collector for the purpose of budget preparation and for their governmental operations.
- (i) Establish minimum standards, enforceable throughout the County, in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare.
- (j) Garbage and trash collection, and disposal services, consisting of garbage and trash collection services to an average of approximately 323,000 households during Fiscal Year 2008 within the unincorporated area and certain municipalities within the County and disposal services to public and private haulers countywide.
- (k) The Dante B. Fascell Port of Miami (the “Port”) is owned and operated by the County through the Seaport Department. The Port is the world’s largest multi-day cruise port in terms of cruise passengers, handling over approximately 4,137,531 passengers in Fiscal Year 2008. As of September 2008, the Port had the largest container cargo port in the State and is within the top ten in the United States in total number of containers held.

- (l) The following airport facilities: (i) the Miami International Airport, the principal commercial airport serving South Florida; (ii) the Opa-locka Airport, a 1,810 acre facility, (iii) the Opa-locka West Airport, a 420 acre facility that has been decommissioned, (iv) the Kendall-Tamiami Executive Airport, a 1,360-acre facility, (iv) the Homestead General Aviation Airport, a 960-acre facility, and (vi) the Dade-Collier Training and Transition Airport, a facility of approximately 24,300 acres located in Collier and Miami-Dade Counties. All of these facilities are County-owned and operated by the Miami-Dade Aviation Department.
- (m) Several miscellaneous services, including mosquito and animal control.

Other Post Employment Benefits

In June 2004, the Governmental Accounting Standards Board (“GASB”) issued Statement No. 45 (“GASB 45”), which addresses how state and local governments should account for and report their costs and obligations related to post-employment health care and other non-pension benefits referred to as other post employment benefits (“OPEB”). GASB 45 generally requires that state and local government employers account for and report the annual cost of OPEB and the outstanding obligations and commitments related to OPEB in essentially the same manner they currently do for pensions. Annual OPEB cost for most state and local government employers will be based on actuarially determined amounts that, if paid on an ongoing basis, generally would provide sufficient resources to pay benefits as they come due. The provisions of GASB 45 establish disclosure requirements for information about the plans in which an employer participates, the funding policy followed, the actuarial valuation process and assumptions, and for certain employers, the extent to which the plan has been funded over time.

The County provides paid medical and dental plans to active employees of the County. The County has approximately 37,000 active covered participants. The County also provides retirees with the opportunity to participate in the group employee health plans. The County has approximately 1,600 pre-age 65 and approximately 1,900 post-age 65 retired employees participating in the plans. Employees who retire and begin receiving benefits under the Florida Retirement System and who were participants in the County’s existing medical plan at the time of retirement are entitled to participate in the plan. The County contributes to both the pre-age 65 and post-age 65 retiree medical coverage. Retirees pay the full cost of dental coverage. Medical contributions vary based on the plan and tier selected by the retiree. The County also provides paid health benefits to elected officials, employees who were offered an early retirement program, retirees who were injured in the line of duty that meet requirements defined in bargaining agreements, as well as a very small group of executive level employees.

GASB 45 reporting requirements became effective with the County’s Fiscal Year ending September 30, 2008. The County’s OPEB liability was estimated to be approximately \$284.0 million as of October 1, 2007, with an annual OPEB cost of \$27.0 million (assuming a 30-year amortization and level percentage of payroll, closed, amortization method, and a 4.75% discount rate). Currently, the County’s policy is to fund the benefits on a pay-as-you-go basis and those estimates assume the County will continue that policy. As of September 30, 2008, no assets have been segregated and restricted to provide post retirement benefits. During the Fiscal Year ended September 30, 2008, the County contributed \$11.3 million towards retirees’ medical benefits on the pay-as-you-go basis.

The Actuarial Accrued Liability (AAL) for Other Post Employment Benefits, Annual Required Contribution (ARC) and the contributions made during Fiscal Year 2008 were allocated to County departments as follows:

	AAL	ARC	Contribution	OPEB Liability @ 09/30/08
County Government	\$ 161,472	\$ 14,973	\$ 5,079	\$ 9,894

INVESTMENT POLICY

Pursuant to Florida Statutes, Section 218.45, which requires a written investment policy by the Board, the County adopted an investment policy (the "Investment Policy") which applies to all funds held by or for the benefit of the County in excess of those required to meet short-term expenses, except for proceeds of bond issues (including the Series 2009 Bonds) which are specifically exempted by Board ordinance or resolution.

The primary objectives of the Investment Policy, listed in order of importance are:

1. the safety of principal;
2. the liquidity of funds; and
3. the maximization of investment income.

The Investment Policy limits the securities eligible for inclusion in the County's portfolio to a maximum maturity of five (5) years. The Investment Policy allows investments in repurchase agreements with a maximum length to maturity of 14 days from the date of purchase; the collateral shall be "marked to market" as needed.

To enhance safety, the Investment Policy requires the diversification of the portfolio to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which the instruments are bought and sold. The Investment Policy also requires monthly performance reports to be presented to the County Clerk and to the County's Finance Director, quarterly performance reports to be submitted to the Investment Advisory Committee established by the Board and an annual report to be presented to the Board within 120 days of the end of the Fiscal Year.

The Investment Policy may be modified by the Board as it deems appropriate to meet the needs of the County.

LITIGATION

There is no litigation pending or, to the knowledge of the County, threatened, seeking to restrain or enjoin the issuance or delivery of the Series 2009 Bonds or questioning or affecting the validity of the Series 2009 Bonds or the proceedings and authority under which they are to be issued. Neither the creation, organization or existence of the Board, nor the title of the present members or other officers of the Board to their respective offices is being contested.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2009 Bonds upon an Event of Default under the Bond Ordinance are in many respects dependent upon regulatory and judicial actions that are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Bond Ordinance may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2009 Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Series 2009 Bonds is subject to various limitations including those imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

TAX MATTERS

General

In the opinion of Greenberg Traurig, P.A. and Edwards & Associates, P.A., Bond Counsel, under existing statutes, regulations, rulings and court decisions, and assuming continuing compliance with certain covenants and the accuracy of certain representations, (i) interest on the Series 2009A Bonds is excluded from gross income for federal income tax purposes, (ii) interest on the Series 2009A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations and is not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations, and (iii) the Series 2009A Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined therein.

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and court decisions, and assuming continuing compliance with certain covenants and the accuracy of certain representations, (i) interest on the Series 2009B Bonds and the Series 2009C Bonds is not excluded from gross income for federal income tax purposes, and (ii) the Series 2009B Bonds and the Series 2009C Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined therein.

Series 2009A Bonds – Tax-Exempt Bonds

Generally. The above opinion on federal tax matters is based on and assumes the accuracy of certain representations and certifications, and continuing compliance with certain covenants of the County to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2009A Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2009A Bonds.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excludable from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations in order for the interest to be and to continue to be so excludable from the date of issuance. Noncompliance with these requirements by the County may cause the interest on the Series 2009A Bonds to be included in gross income for federal income tax purposes and thus to be subject to federal income tax retroactively to the date of issuance of the Series 2009A Bonds. The County has covenanted to take the actions required of it for the interest on the Series 2009A Bonds to be and to remain excludable from gross income for federal income tax purposes, and not to take any actions that would adversely affect that excludability.

Interest on the Series 2009A Bonds may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations.

Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain collateral federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the Series 2009A Bonds. Bond Counsel will express no opinion regarding those consequences.

Purchasers of the Series 2009A Bonds at other than their original issuance at the respective prices indicated on the inside cover of this Official Statement should consult their own tax advisors regarding other tax considerations such as the consequences of market discount.

Original Issue Discount and Original Issue Premium. Certain of the Series 2009A Bonds as indicated on the inside cover of this Official Statement (“Discount Bonds”), were offered and sold to the public at an original issue discount (“OID”). OID is the excess of the stated redemption price at maturity (the principal amount) over the “issue price” of a Discount Bond. The issue price of a Discount Bond is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Bonds of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner’s gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Bonds, and (ii) is added to the owner’s tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond. A purchaser of a Discount Bond in the initial public offering at the price for that Discount Bond stated on the inside cover of this Official Statement who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Discount Bond.

Certain of the Series 2009A Bonds as indicated on the inside cover of this Official Statement (“Premium Bonds”), were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner’s tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond. A purchaser of a Premium Bond in the initial public offering at the price for that Premium Bond stated on the inside cover of this Official Statement who holds that Premium Bond to maturity (or, in the case of a callable Premium Bond, to its earlier call date that results in the lowest yield on that Premium Bond) will realize no gain or loss upon the retirement of that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income. Reference is made to the proposed form of the opinion of Bond Counsel attached hereto as "APPENDIX D – Proposed Form of Opinion of Bond Counsel" for the complete text thereof. *See also* "LEGAL MATTERS" herein.

Information Reporting and Backup Withholding. Interest paid on tax-exempt bonds such as the Series 2009A Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2009A Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2009A Bonds, under certain circumstances, to "backup withholding" at (i) the fourth lowest rate of tax applicable under Section 1(c) of the Code (i.e., a rate applicable to unmarried individuals) for taxable years beginning on or before December 31, 2010; and (ii) the rate of 31% for taxable years beginning after December 31, 2010, with respect to payments on the Series 2009A Bonds and proceeds from the sale of Series 2009A Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2009A Bonds. This withholding generally applies if the owner of Series 2009A Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2009A Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Series 2009B Bonds – Build America Bonds

Generally. The County has designated the Series 2009B Bonds as Build America Bonds and has elected to receive a refundable credit (the "BAB Refundable Credit") from the United States Department of Treasury equal to 35% of the interest payable on the Series 2009B Bonds. Under the Code, the County must use 100% of the excess of the available project proceeds over amounts in a reasonably required reserve fund for capital expenditures.

The availability of such BAB Refundable Credit is subject to the condition that the County comply with the requirements discussed in the preceding paragraph and all other requirements of the Code that must be satisfied subsequent to the issuance of the Series 2009B Bonds. The County has covenanted to comply with such requirements. If the County does not meet these requirements, it is possible that the County may not receive such BAB Refundable Credit.

Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2009B Bonds. Reference is made to the proposed form of the opinion of Bond Counsel attached hereto as "APPENDIX D – Proposed Form of Opinion of Bond Counsel" for the complete text thereof. *See also* "LEGAL MATTERS" herein.

The following is a summary of certain anticipated United States federal income tax consequences of the purchase, ownership and disposition of the Series 2009B Bonds. The summary is based upon provisions of the Code, the regulations promulgated thereunder and rulings and court decisions now in effect, all of which are subject to change. This summary is intended as a general explanatory discussion of the consequences of holding the Series 2009B Bonds. This summary generally addresses Series 2009B Bonds held as capital assets and does not purport to address all aspects of federal income taxation that

... - 124

may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws, including but not limited to financial institutions, insurance companies, dealers in securities or currencies, persons holding such Series 2009B Bonds as a hedge against currency risks or as a position in a straddle for tax purposes, foreign investors or persons whose functional currency is not the U.S. dollar. Potential purchasers of the Series 2009B Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2009B Bonds.

Interest on the Series 2009B Bonds is not excluded from gross income for federal income tax purposes. Purchasers other than those who purchase the Series 2009B Bonds in the initial offering at their principal amounts will be subject to federal income tax accounting rules affecting the timing and/or characterization of payments received with respect to such Bonds. Generally, interest paid on the Series 2009B Bonds and recovery of accrued original issue and market discount, if any, will be treated as ordinary income to the bondholder, and, after adjustment for the foregoing, principal payments will be treated as a return of capital.

Original Issue Discount. The following summary is a general discussion of certain federal income tax consequences of the purchase, ownership and disposition of Series 2009B Bonds issued with original issue discount ("Discount Series 2009B Bonds"). A Series 2009B Bond will be treated as having been issued at an original issue discount if the excess of its "stated redemption price at maturity" (defined below) over its issue price (defined as the initial offering price to the public at which a substantial amount of the Series 2009B Bonds of the same maturity have first been sold to the public, excluding bond houses and brokers) equals or exceeds one quarter of one percent of such Series 2009B Bond's stated redemption price at maturity multiplied by the number of complete years to its maturity.

Generally, a Discount Series 2009B Bond's "stated redemption price at maturity" is the total of all payments provided by the Discount Series 2009B Bond that are not payments of "qualified stated interest" Generally, "qualified stated interest" includes stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate.

In general, the amount of original issue discount includible in income by the initial holder of a Discount Series 2009B Bond is the sum of the "daily portions" of original issue discount with respect to such Discount Series 2009B Bond for each day during the taxable year in which such holder held such Discount Series 2009B Bond. The daily portion of original issue discount is determined by allocating to each day in any accrual period a ratable portion of the original issue discount allocable to that accrual period.

An accrual period may be of any length, and may vary in length over the term of a Discount Series 2009B Bond, provided that each accrual period is not longer than one year and each scheduled payment of principal or interest occurs at the end of an accrual period. The amount of original issue discount allocable to each accrual period is equal to the difference between (i) the product of the Discount Series 2009B Bond's adjusted issue price at the beginning of such accrual period and its yield to maturity (determined on the basis of compounding at the close of each accrual period and appropriately adjusted to take into account the length of the particular accrual period) and (ii) the amount of any qualified stated interest payments allocable to such accrual period. The "adjusted issue price" of a Discount Series 2009B Bond at the beginning of any accrual period is the sum of the issue price of the Discount Series 2009B Bond plus the amount of original issue discount allocable to all prior accrual periods minus the amount of any prior payments on the Discount Series 2009B Bond that were not qualified stated interest payments. Under these rules, holders will have to include in income increasingly greater amounts of original issue discount in successive accrual periods.

Certain holders may elect to include all interest (including stated interest, acquisition discount, original issue discount, de minimis original issue discount, market discount, de minimis market discount,

and unstated interest, as adjusted by any amortizable bond premium or acquisition premium) on the Discount Series 2009B Bond by using the constant yield method applicable to original issue discount, subject to certain limitations and exceptions. Such holders should consult their own tax advisors with respect to whether or not they should so elect.

Holders of Discount Series 2009B Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of original issue discount properly accruable in any period and as to other federal tax consequences and the treatment of original issue discount for purposes of state and local taxes on, or based on, income.

Market Discount. If a bondholder purchases a Series 2009B Bond for an amount that is less than the adjusted issue price of the Series 2009B Bond, and such difference is not considered to be de minimis, then such discount will represent market discount. Absent an election to accrue market discount currently, upon a sale, exchange or other disposition of a Series 2009B Bond, a portion of any gain will be ordinary income to the extent it represents the amount of any such market discount that was accrued through the date of sale. In addition, absent an election to accrue market discount currently, the portion of any interest expense incurred to carry a market discount bond is limited. Such bondholders should consult their own tax advisors with respect to whether or not they should elect to accrue market discount currently, the determination and treatment of market discount for federal income tax purposes and the state and local tax consequences of owning such Series 2009B Bonds.

Bond Premium. If a bondholder purchases a Series 2009B Bond at a cost greater than its then principal amount, generally the excess is amortizable bond premium. The tax accounting treatment of bond premium is complex. Such bondholders should consult their own tax advisors with respect to whether or not they should elect to amortize such premium under Section 171 of the Code, the determination and treatment of such premium for federal income tax purposes and the state and local tax consequences of owning such Series 2009B Bonds.

Sale or Redemption of Series 2009B Bonds. A bondholder's tax basis for a Series 2009B Bond is the price such owner pays for the Series 2009B Bond plus the amount of any original issue discount and market discount previously included in income, reduced on account of any payments received (other than "qualified periodic interest" payments) and any amortized bond premium. Gain or loss recognized on a sale, exchange or redemption of a Series 2009B Bond, measured by the difference between the amount realized and the Series 2009B Bond basis as so adjusted, will generally give rise to capital gain or loss if the Series 2009B Bond is held as a capital asset (except as discussed above under "Market Discount"). The legal defeasance of Series 2009B Bonds may result in a deemed sale or exchange of such Bonds under certain circumstances; owners of such Series 2009B Bonds should consult their tax advisors as to the federal income tax consequences of such an event.

Information Reporting and Backup Withholding. Interest paid on bonds such as the Series 2009B Bonds is subject to information reporting to the Internal Revenue Service. In conjunction with the information reporting requirement, the Code subjects certain non-corporate owners of Series 2009B Bonds, under certain circumstances, to "backup withholding" at (i) the fourth lowest rate of tax applicable under Section 1(c) of the Code (i.e., a rate applicable to unmarried individuals) for taxable years beginning on or before December 31, 2010; and (ii) the rate of 31% for taxable years beginning after December 31, 2010, with respect to payments on the Series 2009B Bonds and proceeds from the sale of Series 2009B Bonds. This withholding generally applies if the owner of Series 2009B Bonds (i) fails to furnish the payor such owner's TIN, (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Backup withholding will not apply, however, with respect to certain payments made to bondholders, including payments to certain exempt recipients and to certain Nonresidents (defined

below). Prospective purchasers of the Series 2009B Bonds may also wish to consult with their tax advisors as to their qualification for an exemption from backup withholding and the procedure for obtaining the exemption.

Nonresidents. Under the Code, interest and original issue discount income with respect to Series 2009B Bonds held by nonresident alien individuals, foreign corporations and other non-United States persons (“Nonresidents”) may not be subject to withholding. Generally, payments on the Series 2009B Bonds to a Nonresident that has no connection with the United States other than holding the Series 2009B Bond will be made free of withholding tax, as long as such holder has complied with certain tax identification and certification requirements. Nonresidents should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2009B Bonds.

Circular 230 Disclosure. **The above discussion was written to support the promotion and marketing of the Series 2009B Bonds and was not intended or written to be used, and cannot be used, by a taxpayer for purposes of avoiding United States federal income tax penalties that may be imposed. Each taxpayer should seek advice based on the taxpayer’s particular circumstances from an independent tax advisor.**

Series 2009C Bonds – Recovery Zone Economic Development Bonds

Generally. The County has designated the Series 2009C Bonds as Recovery Zone Economic Development Bonds and has elected to receive a refundable credit (the “Refundable Credit”) from the United States Department of Treasury equal to 45% of the interest payable on the Series 2009C Bonds. Under the Code, the County must use 100% of the excess of the available project proceeds over amounts in a reasonably required reserve fund for one or more qualified economic development purposes. A qualified economic development purpose means expenditures for purposes of promoting development or other economic activity in a recovery zone, including (i) capital expenditures paid or incurred with respect to property located in such zone, (ii) expenditures for public infrastructure and construction of public facilities and (iii) expenditures for job training and educational programs. A recovery zone is (i) any area designated as the issue as having significant poverty, unemployment, rate of home foreclosures or general stress, (ii) any area designated by the issuer as economically distressed by reason of the closure or realignment of a military installation pursuant to the Defense Base Closure and Realignment Act of 1990, and (iii) any area for which a designation as an empowerment zone or renewal community is in effect. In order to issue the Series 2009C Bonds as Recovery Zone Economic Development Bonds (Direct Payment), the County must receive an allocation of the national recovery zone economic development bond limitation from the State of Florida.

The availability of the Refundable Credit is subject to the condition that the County comply with the requirements discussed in the preceding paragraph and all other requirements of the Code that must be satisfied subsequent to the issuance of the Series 2009C Bonds. The County has covenanted to comply with such requirements. If the County does not meet these requirements, it is possible that the County may not receive the Refundable Credit.

Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2009C Bonds. Reference is made to the proposed form of the opinion of Bond Counsel attached hereto as “APPENDIX D – Proposed Form of Opinion of Bond Counsel” for the complete text thereof. *See also* “LEGAL MATTERS” herein.

The following is a summary of certain anticipated United States federal income tax consequences of the purchase, ownership and disposition of the Series 2009C Bonds. The summary is based upon provisions of the Code, the regulations promulgated thereunder and rulings and court decisions now in effect, all of which are subject to change. of the consequences of holding the Series 2009C Bonds. This summary generally addresses Series 2009C Bonds held as capital assets and does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws, including but not limited to financial institutions, insurance companies, dealers in securities or currencies, persons holding such Series 2009C Bonds as a hedge against currency risks or as a position in a straddle for tax purposes, foreign investors or persons whose functional currency is not the U.S. dollar. Interest on the Series 2009C Bonds is not excluded from gross income for federal income tax purposes. Purchasers other than those who purchase the Series 2009C Bonds in the initial offering at their principal amounts will be subject to federal income tax accounting rules affecting the timing and/or characterization of payments received with respect to such Bonds. Generally, interest paid on the Series 2009C Bonds and recovery of accrued original issue and market discount, if any, will be treated as ordinary income to the bondholder, and, after adjustment for the foregoing, principal payments will be treated as a return of capital.

Original Issue Discount. The following summary is a general discussion of certain federal income tax consequences of the purchase, ownership and disposition of Series 2009C Bonds issued with original issue discount ("Discount Series 2009C Bonds"). A Series 2009C Bond will be treated as having been issued at an original issue discount if the excess of its "stated redemption price at maturity" (defined below) over its issue price (defined as the initial offering price to the public at which a substantial amount of the Series 2009C Bonds of the same maturity have first been sold to the public, excluding bond houses and brokers) equals or exceeds one quarter of one percent of such Series 2009C Bond's stated redemption price at maturity multiplied by the number of complete years to its maturity.

Generally, a Discount Series 2009C Bond's "stated redemption price at maturity" is the total of all payments provided by the Discount Series 2009C Bond that are not payments of "qualified stated interest" Generally, "qualified stated interest" includes stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate.

In general, the amount of original issue discount includible in income by the initial holder of a Discount Series 2009C Bond is the sum of the "daily portions" of original issue discount with respect to such Discount Series 2009C Bond for each day during the taxable year in which such holder held such Discount Series 2009C Bond. The daily portion of original issue discount is determined by allocating to each day in any accrual period a ratable portion of the original issue discount allocable to that accrual period.

An accrual period may be of any length, and may vary in length over the term of a Discount Series 2009C Bond, provided that each accrual period is not longer than one year and each scheduled payment of principal or interest occurs at the end of an accrual period. The amount of original issue discount allocable to each accrual period is equal to the difference between (i) the product of the Discount Series 2009C Bond's adjusted issue price at the beginning of such accrual period and its yield to maturity (determined on the basis of compounding at the close of each accrual period and appropriately adjusted to take into account the length of the particular accrual period) and (ii) the amount of any qualified stated interest payments allocable to such accrual period. The "adjusted issue price" of a Discount Series 2009C Bond at the beginning of any accrual period is the sum of the issue price of the Discount Series 2009C Bond plus the amount of original issue discount allocable to all prior accrual periods minus the amount of any prior payments on the Discount Series 2009C Bond that were not qualified stated interest payments. Under these rules, holders will have to include in income increasingly greater amounts of original issue discount in successive accrual periods.

Certain holders may elect to include all interest (including stated interest, acquisition discount, original issue discount, de minimis original issue discount, market discount, de minimis market discount, and unstated interest, as adjusted by any amortizable bond premium or acquisition premium) on the Discount Series 2009C Bond by using the constant yield method applicable to original issue discount, subject to certain limitations and exceptions. Such holders should consult their own tax advisors with respect to whether or not they should so elect.

Holders of Discount Series 2009C Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of original issue discount properly accruable in any period and as to other federal tax consequences and the treatment of original issue discount for purposes of state and local taxes on, or based on, income.

Market Discount. If a bondholder purchases a Series 2009C Bond for an amount that is less than the adjusted issue price of the Series 2009C Bond, and such difference is not considered to be de minimis, then such discount will represent market discount. Absent an election to accrue market discount currently, upon a sale, exchange or other disposition of a Series 2009C Bond, a portion of any gain will be ordinary income to the extent it represents the amount of any such market discount that was accrued through the date of sale. In addition, absent an election to accrue market discount currently, the portion of any interest expense incurred to carry a market discount bond is limited. Such bondholders should consult their own tax advisors with respect to whether or not they should elect to accrue market discount currently, the determination and treatment of market discount for federal income tax purposes and the state and local tax consequences of owning such Series 2009C Bonds.

Bond Premium. If a bondholder purchases a Series 2009C Bond at a cost greater than its then principal amount, generally the excess is amortizable bond premium. The tax accounting treatment of bond premium is complex. Such bondholders should consult their own tax advisors with respect to whether or not they should elect to amortize such premium under Section 171 of the Code, the determination and treatment of such premium for federal income tax purposes and the state and local tax consequences of owning such Series 2009C Bonds.

Sale or Redemption of Series 2009C Bonds. A bondholder's tax basis for a Series 2009C Bond is the price such owner pays for the Series 2009C Bond plus the amount of any original issue discount and market discount previously included in income, reduced on account of any payments received (other than "qualified periodic interest" payments) and any amortized bond premium. Gain or loss recognized on a sale, exchange or redemption of a Series 2009C Bond, measured by the difference between the amount realized and the Series 2009C Bond basis as so adjusted, will generally give rise to capital gain or loss if the Series 2009C Bond is held as a capital asset (except as discussed above under "Market Discount"). The legal defeasance of Series 2009C Bonds may result in a deemed sale or exchange of such Bonds under certain circumstances; owners of such Series 2009C Bonds should consult their tax advisors as to the federal income tax consequences of such an event.

Information Reporting and Backup Withholding. Interest paid on bonds such as the Series 2009C Bonds is subject to information reporting to the Internal Revenue Service. In conjunction with the information reporting requirement, the Code subjects certain non-corporate owners of Series 2009C Bonds, under certain circumstances, to "backup withholding" at (i) the fourth lowest rate of tax applicable under Section 1(c) of the Code (i.e., a rate applicable to unmarried individuals) for taxable years beginning on or before December 31, 2010; and (ii) the rate of 31% for taxable years beginning after December 31, 2010, with respect to payments on the Series 2009C Bonds and proceeds from the sale of Series 2009C Bonds. This withholding generally applies if the owner of Series 2009C Bonds (i) fails to furnish the payor such owner's TIN, (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to

backup withholding. Backup withholding will not apply, however, with respect to certain payments made to bondholders, including payments to certain exempt recipients and to certain Nonresidents (defined below). Prospective purchasers of the Series 2009C Bonds may also wish to consult with their tax advisors as to their qualification for an exemption from backup withholding and the procedure for obtaining the exemption.

Nonresidents. Under the Code, interest and original issue discount income with respect to Series 2009C Bonds held by Nonresidents may not be subject to withholding. Generally, payments on the Series 2009C Bonds to a Nonresident that has no connection with the United States other than holding the Series 2009C Bond will be made free of withholding tax, as long as such holder has complied with certain tax identification and certification requirements. Nonresidents should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series 2009C Bonds.

Circular 230 Disclosure. **The above discussion was written to support the promotion and marketing of the Series 2009C Bonds and was not intended or written to be used, and cannot be used, by a taxpayer for purposes of avoiding United States federal income tax penalties that may be imposed. Each taxpayer should seek advice based on the taxpayer's particular circumstances from an independent tax advisor.**

Such rating may be changed at any time, and no assurance can be given that the rating will not be revised downward or withdrawn entirely by the rating agency if, in the judgment of the rating agency, circumstances so warrant. CONTINUING DISCLOSURE

The County has agreed, in accordance with the provisions of, and to the degree necessary to comply with, the secondary disclosure requirements of Rule 15c2-12 (the "Rule") of the Securities and Exchange Commission ("SEC"), to provide or cause to be provided for the benefit of the Beneficial Owners of the Series 2009 Bonds to the Municipal Securities Rulemaking Board ("MSRB") in an electronic format prescribed by the MSRB or such other municipal securities information repository as may be required by law or applicable regulation, from time to time (each such information repository, a "MSIR"), the following annual financial information (the "Annual Information"), commencing with the Fiscal Year ended September 30, 2009:

- (1) Historical collections of non-ad valorem revenues by the County, in a form which is generally consistent with the presentation of such information in this Official Statement.
- (2) The County's Comprehensive Annual Financial Report utilizing generally accepted accounting principles applicable to local governments.

The information in paragraphs (1) and (2) above will be available on or before June 1 of each year for the preceding Fiscal Year, commencing June 1, 2010, and will be made available, in addition to each MSIR, to each Beneficial Owner of the Series 2009 Bonds who requests such information in writing. The County's Comprehensive Annual Financial Report referred to in paragraph (2) above is expected to be available separately from the information in paragraph (1) above and will be provided by the County as soon as practical after the acceptance of the County's audited financial statements from the auditors by the County. The County's Comprehensive Annual Financial Report is generally available within eight (8) months from the end of the Fiscal Year.

The County has agreed to provide or cause to be provided, in a timely manner, to each MSIR in the appropriate format required by law or application regulation, notice of the occurrence of any of the following events with respect to the Series 2009 Bonds, if such event is material:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions or events affecting the tax-exempt status of the Series 2009 Bonds;

The County has agreed to provide or cause to be provided, in a timely manner, to each MSIR in the appropriate format required by law or applicable regulation, notice of its failure to provide the Annual Information with respect to itself on or prior to June 1 following the end of the preceding Fiscal Year.

The foregoing obligation of the County shall remain in effect only so long as the Series 2009 Bonds are Outstanding. The County has reserved the right to terminate its obligation to provide the Annual Information and notices of material events, as set forth above, if and when the County no longer remains an "obligated person" with respect to the Series 2009 Bonds within the meaning of the Rule.

The County has agreed that its undertaking pursuant to the Rule set forth in this Official Statement is intended to be for the benefit of the Beneficial Owners of the Series 2009 Bonds and shall be enforceable by such Beneficial Owners if the County fails to cure a breach within a reasonable time after receipt of written notice from a Beneficial Owner that a breach exists; provided that any such Beneficial Owner's right to enforce the provisions of this undertaking shall be on behalf of all Beneficial Owners and shall be limited to a right to obtain specific performance of the County's obligations in a Federal or State court located within the County and any failure by the County to comply with the provisions of this undertaking shall not be a default with respect to the Series 2009 Bonds.

Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the SEC prior to the issuance of the Series 2009 Bonds. In the event that the SEC approves any additional MSIRs after the date of issuance of the Series 2009 Bonds, the County will, if the County is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide such information to any new MSIR whose status as a MSIR is unknown to the County shall not constitute a breach of this covenant.

The requirements of filing the Annual Information do not necessitate the preparation of any separate annual report addressing only the Series 2009 Bonds. The requirements may be met by the filing of an annual information statement or the County's Comprehensive Annual Financial Report, provided such report includes all of the required Annual Information and is available by June 1 of each year for the preceding Fiscal Year. Except to cure any ambiguity, inconsistency or formal defect or omission in the relevant provisions of the Series 2009 Resolution, the County covenants as to secondary disclosure (the "Covenants") may only be amended if:

- (A) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the County or type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Series 2009 Bonds, after taking into account any amendments or change in circumstances; and the

amendment does not materially impair the interests of the Beneficial Owners, as determined by the Board, counsel or other independent counsel knowledgeable in the area of Federal Securities laws and regulations; or

- (B) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of the Series 2009 Resolution ceases to be in effect for any reason, and the County elects that the Covenants shall be deemed amended accordingly.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The County is presently in compliance with its prior continuing disclosure undertakings pursuant to the Rule.

Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Florida law further provides, however, that if the County in good faith believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued as the principal obligor or guarantor.

There are several special purpose governmental authorities of the County that serve as conduit issuers of private activity bonds for purposes such as housing, industrial development and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only the defaulted issues and have no effect on the payment of the Series 2009 Bonds. The County has no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Therefore, the County in good faith believes that defaults relating to conduit issuers are not material with regard to the Series 2009 Bonds and any disclosure concerning any defaults of conduit financings is not necessary.

CERTIFICATE CONCERNING THE OFFICIAL STATEMENT

Concurrently with the delivery of the Series 2009 Bonds, the County will furnish its certificate, executed by the County's Finance Director to the effect that, to the best of his knowledge, this Official Statement, as of its date and as of the date of delivery of the Series 2009 Bonds, does not contain any untrue statement of material fact and does not omit any material fact that should be included herein for the purpose for which the Official Statement is to be used, or which is necessary to make the statements contained herein, in light of the circumstances under which they were made, not misleading.

Reference is hereby made to such documents and other materials for the complete provisions, copies of which will be furnished by the County upon written request.

Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. Statements in this Official Statement, while not guaranteed, are based upon information which the County believes to be reliable.

The delivery of this Official Statement by the County has been duly authorized by the Board.

APPENDIX A

**GENERAL INFORMATION RELATIVE TO
MIAMI-DADE COUNTY, FLORIDA**

GENERAL INFORMATION RELATIVE TO MIAMI-DADE COUNTY, FLORIDA

Economy

The County's economy has transitioned from mixed service and industrial in the 1970s to a service economy. The shift to services is led by expansion of international trade, the tourism industry, and health services. Wholesale and retail trades have become stronger economic forces in the local economy, and are projected to continue. This reflects the County's position as a wholesale center in Southeast Florida, serving a large international market. The tourism industry remains one of the largest sectors in the local economy.

In an effort to further strengthen and diversify the County's economic base, the County commissioned a private consulting firm in 1984 to identify goals and objectives for various public and private entities. The Beacon Council was established as a public-private partnership to promote these goals and objectives.

International Commerce

The Greater Miami Area is the center for international commerce for the southeastern United States. Its proximity to the Caribbean, Mexico, Central America and South America makes it a natural center of trade to and from North America. Approximately 1,200 multinational corporations are established in South Florida. In addition, the international background of many of its residents is an important labor force characteristic for multinational companies which operate across language and cultural differences.

Trade with Latin America, Europe and Caribbean countries has generated substantial growth in the number of financial institutions conducting business in the County. The large Spanish-speaking labor force and the County's proximity to Latin America have also contributed to the growth of the banking industry in the County. According to the Federal Reserve Bank of Atlanta, as of September 30, 2007 there were 12 Edge Act Banks throughout the United States; five of those institutions were located in the County with over \$10.8 billion on deposit. Edge Act Banks are federally chartered organizations offering a wide range of banking services, but limited to international transactions only. These banking institutions are: American Express Bank International, Bancafe International, Banco Itau Europa International, Banco Santander International and HSBC Private Bank International.

The County had the highest concentration of international bank agencies on the east coast south of New York City, with a total of 27 foreign chartered banks and over \$12.6 billion on deposit as of June 30, 2008, according to the Florida Department of Financial Services, Office of Financial Regulations.

Corporate Expansion

The favorable geographic location of the County, a well-trained labor force and the favorable transportation infrastructure have allowed the economic base of the County to expand by attracting many national and international firms doing business in Latin America, the Caribbean, the United States and the rest of the world. Among these corporations are: Carnival Cruise Lines, Elizabeth Arden, Federal Express Corporation, Kraft Foods International, Parfums Christian Dior, Porsche Latin America, Telefonica, AIG, and Caterpillar.

Significant strides have been made in attracting knowledge-based companies to the County. Some of the national firms with established international operations located in the County are: ASTAR Air Cargo, Burger King, Ryder Systems, Lennar, Oracle Corporation, The Gap, Starboard Cruise Services and the William Morris Agency.

Industrial Development

The role of the Miami-Dade County Industrial Development Authority (the "IDA") is the development and management of the tax-exempt industrial development revenue bond program, which serves as a financial incentive to support private sector business and industry expansion and location. Programs developed are consistent with the IDA's legal status and compatible with the economic development goals established by the Board and other economic development organizations operating in the County.

Between 1979 and the creation of the Beacon Council in 1986, the IDA provided expansion and location assistance to 195 private sector businesses, accounting for a capital investment of \$695 million and the creation of over 11,286 new jobs.

The IDA's principal program, the Tax-Exempt Industrial Development Revenue Bond Program, has generated 424 applications through September 2008. From 1986 to September 2008, bonds for 215 company projects have been issued in an aggregate principal amount in excess of \$1.5 billion. Approximately 9,405 new jobs have been generated by these projects. The IDA continues to manage approximately 56 outstanding Industrial Development Revenue Bond Issues, approximating \$802 million in capital investment.

Other Developmental Activities

In October, 1979, the Miami-Dade County Health Facilities Authority (the "Health Authority") was formed to assist local not-for-profit health care corporations to acquire, construct, improve or refinance health care projects located in the County through the issuance of tax-exempt bonds or notes. Since its inception, the Health Authority has issued 24 series of revenue bonds for 17 projects and 17 refundings. As of September 2008, the total amount of revenue bonds issued by the Health Authority was over \$1.9 billion.

In October 1969, the Board created the Miami-Dade County Educational Facilities Authority (the "EFA") to assist institutions of higher learning within the County to have an additional means to finance facilities and structures needed to maintain and expand learning opportunities and intellectual development. As of September 2008, the EFA has issued 40 series of revenue bonds for 28 projects and 24 refundings, totaling over \$1.7 billion.

In December 1978, the Housing Finance Authority of Miami-Dade County (Florida) (the "HFA") was formed to issue bonds to provide the HFA with moneys to purchase mortgage loans secured by mortgages on single family residential property owned by low and moderate income persons residing in the County. Since its inception, the HFA has generated \$1.18 billion in mortgage funds through the issuance of revenue bonds under the Single Family Mortgage Revenue Bond Program.

As of September 2008, under the HFA's Multi-Family Mortgage Revenue Bond Program revenue bonds aggregating approximately \$917 million have been issued for new construction or rehabilitation of 16,752 units.

The bonds issued by the foregoing authorities and the IDA are not debts or obligations of the County or the State or any political subdivision thereof, but are payable solely from the revenues provided by the respective private activity borrower as security therefor.

Film Industry

Miami-Dade County's film and entertainment industry experienced a strong surge in 2007, with location filming revenues up 20% over the previous year to more than \$153 million. Television remains the strongest production sector, with USA Networks' "Burn Notice" filming its 13 episode season entirely

in South Florida, added to recurring production from “CSI: Miami”, numerous reality series like “Hogan Knows Best” and “Miami Ink” and the very active Spanish language television business. Spanish language telenovelas (soap operas) and other formats contributed more than \$50 million to the total industry economic impact in 2007. In addition, Spanish language commercial productions were heavily represented among the more than 180 commercials shot in Miami-Dade County last year, contributing another \$23 million to the bottom line. In all, nearly 2,000 productions shot on location in Miami-Dade County in 2007.

Surface Transportation

The County owns and operates through its Transit Agency (a County department), a unified multi-modal public transportation system. Operating in a fully integrated configuration, the County’s Transit Agency provides public transportation services through: (i) Metrorail - a 22.4-mile, 22-station elevated electric rail line connecting South Miami-Dade and the City of Hialeah with the Downtown and Civic Center areas, providing 17.5 million passenger trips annually; (ii) Metromover - a fully automated, driverless 4.4-mile elevated electric double-loop people-mover system interfaced with Metrorail and completing approximately 8.6 million passenger trips annually throughout 20 stations in the central business district and south to the Brickell international banking area and north to the Omni area; and (iii) Metrobus, including both directly operated and contracted conventional urban bus service, operating over 35.6 million miles per year, interconnecting with all Metrorail stations and key Metromover stations, and providing over 111 million passenger trips annually.

The County also provides para-transit service to qualified elderly and handicapped riders through its Special Transportation Service, which supplies over 1.6 million passenger trips per year in a demand-response environment.

Additionally, the County’s Transit Agency is operating the Bus Rapid Transit (“BRT”) on the South Miami-Dade Busway, a dedicated-use BRT corridor that runs parallel to US1/South Dixie Highway. Service commenced in 1997 and was extended from North Kendall Drive/SW 88th Street to SW 264th Street. A final segment is currently under construction. Upon completion, the South Miami-Dade Busway will traverse over twenty miles, connecting Florida City (SW 344th Street) with the Metrorail system, with connection to downtown Miami.

Airport

The County owns and operates the Miami International Airport (the “Airport”), the principal commercial airport serving Southeast Florida. The Airport also has the third highest international passenger traffic in the U.S. It is currently handling approximately 34,066,000 passengers and 2,080,000 tons of air freight annually and is classified by the Federal Aviation Administration as a large hub airport, the highest classification given by that organization. The Airport is also one of the principal maintenance and overhaul bases, as well as a principal training center, for the airline industry in the United States, Central and South America, and the Caribbean.

A five year summary of the passengers served and cargo handled by the Airport is shown below:

Seaport

The Port is an island port, which covers 640 acres of land, operated by the Seaport Department. It is the world's largest multi-day cruise port. Embarkations and debarkations on cruise ships totaled over 4.1 million passengers for the Fiscal Year 2008. With the increase in activity from the Far-East markets and South and Central America, cargo tonnage transiting the Port amounted to approximately 7.4 million tons for the Fiscal Year 2008.

The following table sets forth a five-year summary of both cruise passengers served and cargo handled:

Tourism

The Greater Miami Area is a leading center for tourism in the State. Miami was a primary destination for domestic air travelers after Orlando according to the Florida Division of Tourism of the Department of Commerce. It is also the principal port of entry in the State for international air travelers. During 2007, approximately 80% of international air travelers (excluding travelers from Canada) entering the State arrived through the Airport. The Airport has the third highest international passenger traffic behind New York's John F. Kennedy International Airport and the Los Angeles International Airport.

The visitors market in the County is shifting away from the traditional tourist market to a "convention group market." This is reflected in the expansion and renovation of lodging facilities as well as in the marketing efforts of South Florida hoteliers. The City of Miami Beach, with the assistance of the County, is expanding and remodeling the Miami Beach Convention Center, the largest existing

convention center in the County, from 250,000 to 500,000 square feet of exhibition space. The convention group market is generally less sensitive to fluctuations in disposable personal income.

The following is a five-year schedule of domestic and international visitors, including a further breakdown of international visitors by region of origin, and the estimated economic impact produced by those visitors:

**Tourism Statistics
2003-2007**

Legislative Notes

Agenda Item: 8E(1)(B)
File Number: 091668
Committee(s) of Reference: BCC
Date of Analysis: June 5, 2009
Type of Item: Capital Asset Acquisition Special Obligation Bonds; \$188 million
Sponsor/ Requester: Finance Department

Summary

This resolution authorizes the issuance and negotiated sale of Capital Asset Acquisition Special Obligation Bonds (Series 2009) in one or more tranches (subseries) in an amount not to exceed \$188 million. These bonds will finance capital projects identified in the accompanying ordinance, referenced as Item 3C on this agenda, namely

- (1) the acquisition, construction and/or renovation of Seaport capital projects,
- (2) the acquisition, construction and/or renovation of Public Health Trust projects,
- (3) the upgrade of the County's technology infrastructure,
- (3) various causeway projects,
- (4) the close-outs costs of on-going projects,
- (5) reimbursements to the County for prior expenditures advanced by the County,
- (6) a cash debt service reserve, and
- (7) the costs associated with issuing the bonds.

The Series 2009 Bonds are also being issued for the purposes of paying or reimbursing the County for the costs of certain capital asset acquisitions of the County, paying the cost of a reserve fund surety, and paying the costs of issuance of the Series 2009 Bonds and the cost of municipal bond insurance, if any. (Proposed Resolution -Art III, §3.02; Art IV, §4.08).

This resolution also authorizes the Finance Director to: (1) determine the terms of the Bonds, (2) designate a Paying Agent, Registrar and, as necessary, any other agents; (3) secure Credit Facilities and/or Reserve Facilities for the Bonds, if deemed advisable; (4) negotiate and execute certain agreements including a Bond Purchase Agreement with Raymond James & Associates, Inc., and other underwriters named in the Bond Purchase Agreement; and (5) to issue bonds as Build America Bonds or Recovery Zone Economic Development Bonds or a combination of both.

Background and Relevant Legislation

Generally, this resolution delineates the terms and forms of the bonds; the security pledged, redemption policies; covenants; the creation and use of accounts; specifies defaulting events and remedies; specifies maturity schedules, principal amounts and interest rates; provides for the appointment of Paying Agent and specifies other particulars pertaining to the preparation and sale of the bonds. Passage of this resolution is contingent upon passage of Agenda Item 5(I), the enabling ordinance that authorizes the issuance of \$165 million of Special Obligation Bonds.

It should be noted that although, the enabling bond ordinance only authorizes the issuance of \$165 million in Special Obligation Bonds, a portion of the funds remaining under the 2007 Special Obligation (enabling) Ordinance will finance the remaining balance provided the aggregate total will not exceed \$188 million.

Policy Change and Implication

None.

Budgetary Impact

The Administration reports that the estimated average annual debt service payment resulting from the issuance of the Series 2009 Bonds is \$12 million calculated at a true interest cost of 5.21% for a 30-year maturity term. However, a true interest cost parameter for tax-exempt bonds is 7.5%, and 8% for taxable bonds. The principal amortization is projected to start in FY 2010.

Prior BCC Action

A number of the projects delineated in Exhibit A of the proposed accompanying bond ordinance (Item 3C) pertaining to various seaport capital improvements, previously appeared before the BCC for funding, and have been approved for funding from the 2005, 2006 and 2009 Sunshine State Government Loan proceeds. Given that these projects appear once again before the BCC, it appears that these projects are still pending.

What is the status of the committed funds and these seaport capital projects?
