

MEMORANDUM

Date: June 30, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Agenda Item No. 8(R)(1)(D)

From: George M. Burgess
County Manager

Subject: Contract Award Recommendation for South District Wastewater Treatment Plant, HLD Upgrade to 285 MGD On-Site Hypochlorite Generation System - Project No: N/A; Contract No: S-819 (A) in the amount of \$24,944,441.20, to Skanska USA Building Inc.

RECOMMENDATION

This recommendation to award construction Contract No. S-819 (A) to Skanska USA Building Inc. in the amount of \$24,944,441.20 has been prepared by the Miami-Dade Water and Sewer Department (WASD) and is recommended for approval pursuant to Miami-Dade County Code, Section 2-8.2.11, Water and Sewer Department Contracting Authority. This project is one in a series of projects under the High Level Disinfection (HLD) Program to comply with Consent Order No. 03-1376 negotiated by the County and Florida Department of Environmental Protection (FDEP). It also adheres to regulatory requirements resulting from a rule change implemented by the US Environmental Protection Agency (USEPA) to meet effluent quality standards for deep well disposal. Upon the completion of the project, the South District Wastewater Treatment Plant (SDWWTP) will be rated as a 285 million gallons per day (MGD) plant.

DELEGATION OF AUTHORITY

The authority of the County Mayor or County Mayor's designee to execute and implement this contract is consistent with those authorities granted under the Code of Miami-Dade County.

SCOPE

PROJECT NAME: South District Wastewater Treatment Plant, HLD Upgrade to 285 MGD On-Site Hypochlorite Generation System

PROJECT NO: N/A

CONTRACT NO: S-819 (A)

PROJECT DESCRIPTION: The work consists of furnishing all materials, labor, and equipment necessary for the production of dilute sodium hypochlorite to meet HLD requirements and maintenance disinfection that will support the upgrades at the SDWWTP.

The scope of work includes, but it is not limited to the following: furnishing and installing a 16-inch diameter potable water line, a water softening system, and chlorine distribution lines; furnishing and installing a precast concrete structure to house the hypochlorite production with its associated equipment including seven generator units, seven rectifiers, nine hypochlorite feed pumps, two hypochlorite transfer pumps, seven brine pumps, and three water booster pumps. Also,

included in the scope of work is the construction of three, 330,000-gallon each concrete above ground sodium hypochlorite storage tanks and three, 110,000-gallon each concrete above ground brine storage tanks; a control room, an electrical transformer room, and all other appurtenant and miscellaneous items.

It is WASD's intent to obtain a completely functional and satisfactory installation under this project, and any items of labor, equipment or materials which may be reasonably assumed as necessary to accomplish this end shall be supplied whether or not they are specifically shown on the plans or stated in the specifications. The Contractor shall provide all sheeting, shoring, bracing and all other labor, material or equipment required to preclude damage to, or loss of functionality of, any existing facility or system.

EXPLANATION: WASD received four bids for this project which were under the Engineer's estimate. The low bidder is 43.72 percent under the estimate. The Engineer's estimate was based on a major cost component of this contract which was the On-Site Hypochlorite Generation (OSHG) supplier's equipment and services. The estimates were based on the procurement of a similar system in 2007 in the City of Ft. Lauderdale, including future escalation costs. The costs for the OSHG supplier's equipment were estimated 50 percent higher than the low bidder. (See attached letter from Hazen and Sawyer.) The difference between the two lowest bidders is 1.13 percent showing good competition. WASD's recommendation is to award this contract to the low responsive and responsible bidder, Skanska USA Building Inc.

PERFORMANCE HISTORY: A review of the Office of Capital Improvements CIIS database reflects that this is the second award by the County to Skanska USA Building, Inc. The first award was on WASD's Contract S-811, with an awarded amount of \$92,786,510.28. Since Contract S-811 is currently ongoing, and has an anticipated completion of January 28, 2014, no evaluations are available. However, current opinion at WASD rates Skanska USA Building Inc.'s performance as satisfactory.

CONTRACT

THIS CONTRACT, made and entered into on the 29th day
of May, 2009, by and between Miami-Dade County, Florida,
acting by and through the Office of the Mayor, party of the first part (hereinafter sometimes called the "County"),
and Skanska USA Building, Inc., party of the second part (hereinafter sometimes called "Contractor");

WITNESSETH

That the parties hereto, for and in consideration of the covenants and agreements hereinafter set forth, mutually agree as follows, to wit:

1. That the Contractor shall furnish all labor, materials and equipment and perform all work in the manner and form provided by the Contract Documents covering the Project of the County known and identified as

"South District Wastewater Treatment Plant, HLD Upgrade to 285 MGD, On-Site Hypochlorite Generation (OSHG) Facility, Contract No. S-819 (A)"

for the aggregate amount reflected by the Proposal, said aggregate amount being of **Twenty Four Million Nine Hundred Forty Four Thousand Four Hundred Forty One Dollars and Twenty Cents (U.S. Dollars) \$24,944,441.20.**

2. That the Contractor shall begin the work to be performed under this Contract on a day to be specified in a written order issued by the Engineer, and shall fully complete all work hereunder within the time or times stated in the Proposal.

3. That the County shall pay to the Contractor for the faithful performance of this Contract, in lawful money of the United States, and subject to additions and deductions as provided in the Contract Documents, the total amount of his proposal as set forth above at the times and in a manner stated in the General Covenants and Conditions of the Contract Documents.

4. It is further mutually agreed that if at any time after the execution of this Contract, Surety Performance and Payment Bond, the County shall deem the surety upon such bonds to be unsatisfactory, or if for any reason such bond shall become inadequate to cover the performance of the work, the Contractor shall at his own expense, within five (5) days after the receipt of notice from the County to do so, furnish an additional bond or bonds in such form and amount and with such surety or sureties as shall be satisfactory to the County. In such event, no further payment to the Contractor shall be deemed to be due under this Contract until such new or additional security shall have been furnished in a manner and form satisfactory to the County.

5. The "Contract Documents" are hereby defined as the Questionnaire, the Advertisement for Bids, the Instructions to Bidders, the Proposal, the Certified Resolution (Proposal/Prescribed Bid Bond), the Prescribed Bid Bond, the Contract, the Surety Performance and Payment Bond, the Certified Resolution (Contract/ Surety Performance and Payment Bond), the General Covenants and Conditions, the Supplemental General Conditions (if Ordinance 90-143 is applicable) including Wage and Benefit Schedules, the Specifications, the Plans, any Addenda which may be issued, the Subcontractor /Supplier Listing Form (Ordinance 97-104 as amended by Ordinance 00-30), the Reporting Subcontracting Policies and Procedures (Ordinance 98 -15 9), the Community Small Business Enterprise Program (CSBE) Participation Provisions and Forms (if applicable), and the provisions for the following: Affirmative Action Plan (Ordinance 98-30) and Disclosure Form; Bidder's (Debarment) (Ordinance 93-129); Code of Business Ethics (Ordinance 01-96); Criminal Record (Felony) (as amended by Ordinance 00-30); Disability Nondiscrimination (Resolution R - 3 8 5 -95 as amended by Resolution R-182-00); Domestic Violence Leave (Ordinance 99 - 5 as amended by Resolution R-185-00); Due Fees or Taxes Paid (Ordinance 95-178 as amended by Ordinance 00-30); Metro-Dade Employment Drug-Free Workplace (Ordinance 92-15 as amended by Ordinance 00-30); Metro-Dade Employment Family Leave Plan (Ordinance 91-142 as amended by Resolution R-183-00); Fair Wage (Ordinance 90-143 as amended by Ordinance 95-183); Mandatory Clearinghouse for Posting Notice of Job Opportunities (Resolution R-937-98 as amended by R-1145-99); Obligation (Ordinance 99-162); Office of Miami-Dade County Inspector General (IG) (Dade County Code Sec. 2-1076); Sworn Statement - Public Entity Crimes [Florida Statute Sect. 287.133 (3)

CONTRACT

(a)]; and Metro-Dade County Disclosure (Ordinance 90-133).

The terms and conditions of said Contract Documents are incorporated herein by reference and made a part hereof as though fully set forth herein. The Contract Documents are complementary, so that a recital in one is tantamount to a recital in all, and the Contractor specifically acknowledges that he has read and understands all of said Contract Documents.

6. The various indemnities of the Contractor contained in the Contract Documents indemnifying the County from liability for damages to persons or property caused by acts, omissions, or defaults in the performance of the Contract Documents shall have a monetary limitation of the larger of the following: \$1,000,000.00, or the entire amount of the Contract.

7. The County retains the right to audit any and all information regarding this Contract as described in the General Covenants and Conditions, Section 41 "Audit Rights and Review of Records."

8. Notwithstanding and prevailing over any other provision of the Contract Documents to the contrary, the County Mayor or his designee, pursuant to Section 2-8.2.11 of the Code of Miami-Dade County, may negotiate and settle contractor claims, waive liquidated damages, extend contract time, and issue change orders for additional work. Any change orders or amendments shall not exceed \$500,000 in cumulative dollar amount and shall not exceed 15 percent of the contract price in cumulative percentage amount; provided however, that the foregoing limitation shall not apply to any change order or amendment related to environmental remediation or health requirements and the foregoing change orders and amendments shall require ratification by the Board; provided further that the County Mayor or his designee may reduce in any amount the scope and compensation payable under this contract and grant compensable and non-compensable time extensions thereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Contract in six (6) counterparts, each of which shall be deemed an original Contract, all as of the day and year first hereinbefore written.

Memorandum

Date: April 7, 2009

To: John W. Renfrow, Director
Water And Sewer Department

From: Penelope Townsely, Director
Department of Small Business Development

Subject: CSBE Compliance Review of Project No: S-819(A), South District Wastewater Treatment Plant, HLD Upgrade to 285 MGD, On-Site Hypochlorite Generation (OSHG) System

The Department of Small Business Development (SBD) has completed a compliance review for the subject project with the Community Small Business Enterprise (CSBE) Program. The contract measure applicable to this project is a 10.34% CSBE goal. The Construction Contracts Section of the Miami-Dade Water and Sewer Department (WASD) submitted bid documents from Skanska USA and Poole & Kent Company of Florida for compliance review.

Skanska USA submitted the required Schedule of Intent (SOI) Affidavit committing to utilize Dodec, Inc., a certified CSBE firm, to perform mechanical work at 15%. Dodec, Inc. signed the SOI Affidavit in agreement with the information listed. As such, Skanska USA has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.

Poole & Kent Company of Florida submitted the required SOI Affidavit committing to utilize Dodec, Inc., a certified CSBE firm, to furnish and install mechanical work at 11%. Dodec, Inc. signed the SOI Affidavit in agreement with the information listed. As such, Poole & Kent Company of Florida has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.

SBD staff only reviewed and addressed compliance with the CSBE program and the established contract measure. The Construction Contracts Section of the Miami-Dade Water and Sewer Department is responsible for any other issues that may exist.

Should you have any questions or need any additional information, please do not hesitate to call Kelly Duncombe at (305) 375-3136.

OSHG System Contract Bid Review

Dear Ms. Santiago:

Construction contract bids were opened for the South District WWTP High Level Disinfection Upgrade On-Site Hypochlorite Generation (OSHG) System (S-819A) on March 26, 2009. The apparent low bidder is Skanska, with a total bid of \$21,309,240 for biddable items. (Refer to attached bid results summary by MDWASD.) The Engineer's estimate for this contract was \$37,860,000 for biddable items.

The following is provided as justification for the difference in the bids as compared with the estimate and to support recommendation for award of this contract:

- o In general, the construction contract market, similar to the national economy, is experiencing a highly volatile condition that has resulted in extreme difficulty in providing accurate economic assessments, including cost estimating. The most recent trend indicates a more competitive market for bids due to the downturn in the economy.
- o A major cost component of this contract is the OSHG supplier's equipment and services. Estimates were based on the City of Ft. Lauderdale's FiveAsh Water Treatment Plant OSHG System procurement (2007) of similar equipment with future escalation (based upon 2008 trends). These estimates were conservative and were more than 50% higher than the OSHG equipment bid item in the Proposal form.
- o Two bids (Skanska and P&K) were within 1% of each other. Bids this close provide confidence that these bids are representative of the market's current pricing and that this bidding process was extremely competitive. These two bidders also have ongoing projects at the site (SDWWTP) significantly reducing their mobilization costs and adding other construction efficiencies. As a result, their bids were 20% lower (ap-

HAZEN AND SAWYER

Alma Santiago, P.E.

proximately \$4 M) than the two other bidders (Cardinal and MCM) who do not have ongoing projects onsite.

- o The low bid is within the budget for this contract and the overall HLD project.

The OSHG System contract is on the critical path for completion of the HLD project. Also, the HLD project completion needs to be expedited to ensure compliance with the Florida Department of Environmental Protection (FDEP) Consent Order.

On these bases we recommend that MDWASD proceed expeditiously with the award of this construction contract.

Very truly yours,

HAZEN AND SAWYER, P.C.
