Subject: Conveyance of 4.734 acres of land contiguous to the Homestead Air Reserve Base (HARB) from Miami-Dade County to the United States of America.

Agenda Item No. 8(F)(1)(C)

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution declaring 4.734 acres of County-owned land contiguous to the Homestead Air Reserve Base (HARB) not needed for County purposes, waive Administrative Order 8-4 as it relates to review by the Planning Advisory Board and authorize execution of a Deed conveying the property to the United States of America for a nominal charge of Ten Dollars (\$10.00) in accordance with Florida Statute 125.38 and the Economic Development Conveyance (EDC) adopted by the Board of County Commissioners on July 13, 2004 by Resolution R-909-04.

Scope:

COMMISSION DISTRICT: 9

COMMISSION DISTRICTS
IMPACTED: 9

Background:

MANAGING DEPARTMENT: General Services Administration

FOLIO NUMBER: A portion of 30-7901-000-0120, which is Parcel 11 with a total of 211 acres.

LOT SIZE: 4.734 acres of vacant land.

LOCATION: County-owned land located between Bikini Boulevard and Saint Lo Boulevard at the southwest corner of land adjacent to the Homestead Air Reserve Base (HARB). This strip of land is just north of 21 acres under a long term County lease to the U.S. Coast Guard.

ZONING AND MASTER PLAN: Homestead Air Reserve Base Agricultural/
Governmental zoning with a master plan use for institutional and government use

CURRENT USE: Vacant land

PROPOSED USE: The land will remain vacant around the planned new Visitors Quarters and other future facilities to be constructed on current Air Base land to the west of this parcel. By acquiring this parcel, the Air Force will be able to maintain the federally mandated required setback as defined in U.S. Department of Defense/UFC 4-010-01 (8 Oct 2003).

FISCAL IMPACT/
FUNDING SOURCE: The 4.734 acres were acquired at no cost by the County as part of the total conveyance of 601 acres received from the Air Force through the Economic Development Conveyance adopted by R-909-04 on July 13, 2004. The sale will be at a nominal charge of Ten Dollars (\$10.00). The conveyance of this strip of land will reduce the County's annual maintenance of this vacant land by approximately \$3,600 per year.

Justification:

The U.S. Air Force has made a formal request for conveyance of these approximately five acres to increase their buffer zone around their facilities at the Homestead Air Reserve Base. In order to accommodate an expansion of their mission and operations in Homestead, the Air Force is planning to construct a new three-story, \$7 million Visitors Quarters to accommodate the increased number of temporary personnel staying on the Base to carry out new assignments. They also plan to construct additional facilities in the future next to this Visitors Quarters. Unfortunately, the current Air Force eastern boundary with the County, which was designated well over ten (10) years ago during the Base Realignment And Closure ("BRAC") process and eventual conveyance to the County, did not anticipate the new requirements for setbacks. By extending their eastern boundary with the conveyance of County-owned land, the Air Force will be able to comply with these setback regulations after they construct their new building.

The County has encouraged growth of the military within the County, especially on the portion of the County-owned land in close proximity to the Air Base which was received from the Air Force by an Economic Development Conveyance (EDC) on July 13, 2004 and adopted by the BCC by Resolution R-909-04. Previous to that Resolution, the BCC adopted another Resolution, R-120-04, on January 20, 2004, which encouraged the use of land along Bikini Boulevard and the Air Force runway to be used to accommodate Special Operations Command South (SOCSOUTH) and other military and Homeland

Security/Emergency operations (including Air Force expansion and construction of new facilities). This proposed conveyance is consistent with the intent of that Resolution.

The vacant land has been circulated to County Departments and no alternative uses have been identified. Florida Statutes 125.38 authorizes the Board of County Commissioners to convey property to the United States or any Department thereof for a nominal value when the Board is satisfied that the property is not needed for County purposes and will be utilized for the benefit of the public or community interest and welfare.

Robert Warren, Real Estate Advisor, GSA

Delegated Authority:

This resolution authorizes the County Mayor or the County Mayor's Designee to execute the attached County Deed and to take all other necessary steps to accomplish the conveyance of this property to the United States of America for use by the United States Air Force Reserve Command.
