

# Memorandum

**DATE:** July 21, 2009

**TO:** Honorable Chairman Bruno A. Barreiro  
and Members, Board of County Commissioners

**FROM:** George M. Burgess  
County Manager

**SUBJECT:** Application for Funds, Edward Byrne Memorial Justice Assistance Grant (JAG) Program

Agenda Item No. 14(A)(67)

**Recommendation**

It is recommended that the Board approve the attached resolution retroactively authorizing the County Mayor and/or County Mayor's designee to apply for, receive, and expend federal funds in the amount of \$922,029 for the Edward Byrne Memorial Justice Assistance Grant (JAG) Program from the U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance to support the Miami-Dade Police Department (MDPD). The grant period will be effective October 1, 2009 through September 30, 2013 and does not require a local match or in-kind funds.

**Scope**

The grant will provide countywide services.

**Fiscal Impact/Funding Source**

This grant will provide \$922,029 in federal funds to implement the proposed project. The grant does not require a local match or in-kind funds. The funding source is the U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance.

**Track Record/Monitor**

The grant will be monitored by the MDPD.

**Background**

Ratification of this application is necessary because the proposal deadline of July 9, 2009 did not allow time to submit the resolution to the Board prior to submitting the application. The JAG Program has allocated funds to MDPD in the amount of \$922,029. The grant requires that a public hearing be conducted on the application for these funds.

The purpose of the grant is to provide units of local government with funds to support projects that will prevent and control crime and improve public safety based on their own local needs and conditions. The grant is a blend of the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) to provide agencies with the flexibility to prioritize and place justice funds where they are needed most.

The priority for this year's allocation is to invest in mission critical operational support to protect our officers and for specialized equipment for effective investigation. The federal funding of these identified high priority items is especially prudent in consideration of the revenue challenges facing Miami-Dade County. This equipment, in conjunction with the Department's personnel, will allow the Miami-Dade Police Department to continue the battle against crime and will ensure protection of the citizens and visitors of our community and the safety of our officers.
