Recommendation

The attached Contract Award Recommendation for the Roadway Resurfacing Contract (Project – CICC 7360-0/08 RPQ No. 20090026), in the amount of $1,000,000.00 between H & R Paving, Inc. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

Scope

The work to be performed under the life of this contract includes resurfacing improvements at various locations within Miami-Dade County.

Fiscal Impact/Funding Source

The fiscal impact will be approximately $1,000,000.00 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the respective Commission District PTP yearly allocations. The base contract amount is $879,090.00, but the total allocated amount is $1,000,000.00, which is inclusive of the contingency and dedicated allowances.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

The contractor, H & R Paving, Inc., is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found 53 awarded construction contracts and are listed as follows: one (1) from the Water & Sewer Department (WASD), one (1) from the Department of Environmental Resource Management (DERM) and 46 from PWD. The referenced database also lists a total of 92 contractor performance evaluations (several contracts having two (2) evaluations on file, an interim and a project closeout) with an overall performance rating of satisfactory performance (2.9), out of a possible superior performance (4.0) rating. The Department of Small Business Development's (SBD) History of Violation's report lists eight (8) closed violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are: Raul Gonzalez Jr., and Lucrecia Gonzalez and the Company's address is listed as: 1955 NW 110 Avenue, Miami, Florida 33172.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting process available under OCI contract CICC 7360-0/08. Through this process, PWD forwards the RPQ, by way of facsimile transmission, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

PWD staff submitted the referenced project to the SBD Review Committee. The Review Committee met on May 27, 2009, reviewed RPQ No. 20090026 and recommended a 10% ($87,909.00) overall Certified Small Business Enterprise (CSBE) subcontractor goal based on the project's scope of work and cost estimate of $879,090.00. Therefore, on June 11, 2009, PWD forwarded an RPQ for the Resurfacing Contract, utilizing the OCI contract CICC 7360-0/08, to a list of 60 pre-registered firms. Eight (8) firms purchased contract documents and six (6) firms proffered a bid. H & R Paving, Inc. proffered the lowest responsive, responsible base bid of 0.87 percentage factor, 13% below the County's cost estimate; the second lowest bidder, General Asphalt, Inc., proffered a base bid of 0.94, 7% over the lowest bidder; the third lowest bidder, H & J Asphalt, Inc., proffered a base bid of 1.00, 6% over the second lowest bidder. H & R Paving, Inc. submitted the required Schedule of Intent (SOI) Affidavit committing to utilize Highway Striping, Inc., a certified CSBE firm, to perform pavement marking work to meet the required goal of 10% CSBE participation. As a result, on August 12, 2009, PWD issued a recommendation of award for RPQ No. 20090026 to H & R Paving, Inc., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for roadway resurfacing improvements. The work includes clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additional work to be performed includes milling of existing pavement, resurfacing of the full roadway, the widening and resurfacing of intersecting streets, resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to edge of pavement, if necessary.

Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Further, it shall be understood that since proceeds from the Charter County Transit System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.
