MIAMI-DADE
COUNTY

Date: October 6, 2009

Agenda Item No. 14(A)(2)

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution approving retroactive American Airlines Lease Agreement C-4213, for Bldg. 3095 at Miami International Airport

Recommendation

It is recommended that the Board approve the attached lease agreement with American Airlines (AA) retroactive to January 1, 2008, for the airline's continued lease of hangar and office space in Building 3095 at Miami International Airport (MIA). It is also recommended that the Board approve the settlement of certain rental issues that arose under the prior lease for the hangar facility.

Scope

Miami International Airport (MIA) is located primarily within District Six; however, the impact of this item is county-wide in nature as MIA is a regional asset.

Fiscal Impact/Funding Source

This lease will generate approximately \$4 million in annual rental revenues to the Miami-Dade Aviation Department (MDAD) and \$20 million over the five years of the agreement.

Track Record/Monitor

AA has a long-established commitment to Miami International Airport and Miami-Dade County. AA employs more than 8,350 people locally, and another 440 American Eagle employees. AA consistently makes its payments on time and is current. The monitor for the lease will be Gregory C. Owens, MDAD Division Director for Real Estate Management and Development.

Delegated Authority

The attached Resolution authorizes the Mayor or designee to execute the lease agreement with American and to exercise the termination provisions thereof.

Background

AA has occupied hangar and office space in Building 3095 since 1997. Building 3095 is one of the largest cantilevered hangars in the world and previously belonged to National Airlines and then to Pan Am. Its cantilevered construction can accommodate simultaneous maintenance activities on three wide-bodied jet aircraft. The original 1997 lease called for AA to pay rent for the hangar and the surrounding land and contained a provision that the lease "shall be adjustable by the Consumer Price Index." However, the rent was not adjusted annually for the CPI. In 2007, an internal review of MDAD leases noted this discrepancy and AA was invoiced for the retroactive, multi-year CPI adjustments totaling \$1,270,442.42. AA strongly disputed the invoice, asserting that the CPI adjustments were not intended to be a requirement but rather an option of the County which the County chose not to exercise and therefore the CPI adjustments could not be retroactively applied. AA also provided certain credible documentation in support of its position. It is also important to note that had these CPI adjustments been applied to the lease, the rent for the leased premises would have exceeded the then current fair market value and the amount that AA was willing to pay for the facility.

AA advised MDAD that it would not exercise its option to extend the lease because the potential rents for the facility would be excessive.

A withdrawal by American from the hangar and offices in Building 3095 could have resulted in the hangar remaining empty for years before a suitable replacement tenant could be found. Only a handful of air carriers in the world are large enough to make use of the hangar, and AA is the only one of those air carriers operating at MIA. In addition, MDAD would lose significant revenue while the hangar remained empty, and would also be faced with significant on-going maintenance just to keep the facility in a state of repair that would make it rentable. Fair market rent at this time is approximately \$4 million a year. Therefore, MDAD undertook lengthy negotiations with AA to bring the matter to a satisfactory closure for both parties resulting in MDAD's agreement to not impose any retroactive CPI adjustments to the 1997 lease. The attached new AA lease agreement does not include CPI escalation and instead calls for fair market rental rates based on annual appraisals as is typical for most MDAD leases. Moreover, MDAD no longer uses the clause "shall be adjustable" in its agreements but instead states "shall be adjusted".

In exchange for AA's agreement to continue occupying the facility for the five-year period under the new retroactive lease agreement and paying fair market value rent, this Resolution seeks the Board's approval to settle the issue relating to the prior-lease agreement CPI rent escalation by not imposing the disputed rental adjustment retroactively on the air carrier.

Therefore, approval of this retroactive lease agreement and settlement of the rental issue is recommended, as the continued occupancy of Bldg. 3095 by American Airlines benefits the County not only by providing much needed revenue to the Aviation Department but also keeps approximately 500 high-skilled, high-wage jobs in Miami-Dade County.

The Lessee's obligation under this Agreement, such as in Article 6.01(B) (Permits and Licenses), to obtain all operating permits required of the Lessee, shall not require the County to take any action or perform any tasks within the Premises to enable the Lessee to obtain such permits, including, but not limited to, certificates of occupancy, which shall remain the Lessee's exclusive obligation to perform in order to obtain such permits.

3.02 Opportunity Fee: The Lessee shall pay to the County 3.10% of the Monthly Gross Revenues, as defined in Article 3.10 (Gross Revenues), generated from

Lessee's providing any repair, maintenance service, rental of equipment, subleasing of office space, or services rendered in the operation of its business under this Agreement to any entity, person, or party other than itself or an Affiliate. The Lessee shall pay such Opportunity Fee to the County within ten business days of the last day of the month during which the Gross Revenues were received or accrued. The Opportunity Fees payable on any unreported Gross Revenues, determined by the annual audit required pursuant to Article 3.13 (Annual Audit Required) are considered, for the purposes of Article 3.07 (Late Payment Charge), as having been due on the tenth business day of the month following the month during which such unreported Gross Revenues were received or accrued.

3.03 Security Deposit: Unless otherwise provided in the Airport Use Agreement executed by the Lessee, prior to occupancy of the Premises, the Lessee shall pay to the County an amount equal to three times the required total monthly rental as determined pursuant to Article 3.01 above, plus applicable State sales tax thereon, as security for the payment of the Lessee's obligations hereunder. Said deposit shall be in addition to any rental payments required hereunder, and the Department shall be entitled to apply such payment to any debt of the Lessee to the Department that may then exist, as permitted by law, including but not limited to the rentals required hereunder. In lieu of the security deposit being made in cash, the Department, in its sole discretion, may authorize the Lessee to provide an irrevocable Letter of Credit, in a form provided by the Department, in like amount. The amount of the security deposit is subject to adjustment by the Department at any time there is a change in the annual or monthly rentals pursuant to the terms of this Agreement.

3.04 Rental Rate Adjustments: The rental rates specified in Article 3.01 (Annual Rental) are adjustable annually and shall be adjusted by an amount equal to the change in the Consumer Price Index (CPI), ALL URBAN CONSUMERS ALL ITEMS for Miami/Ft. Lauderdale, Florida, published by the U.S. Department of Labor in the year prior to the current year subject to a maximum annual adjustment of 5%. Upon the determination of the amount of the appropriate CPI adjustment, this Agreement shall be administratively amended to reflect the CPI adjustment as of each October 1, (or any annual anniversary thereafter) without formal amendment upon written notification by the County. If the Lessee is not notified in writing of the CPI adjustment to the rental rate within ninety (90) days following October 1 of any year during the term of the Agreement, the County waives its right to adjust the rental rates for that year. The CPI adjustment for the following year shall be based solely on the change in the CPI for that year and shall not recover the change in the CPI for the previous year that was not adjusted.

3.05 Double Rental: In the event that the Lessee remains in possession of the Premises beyond the expiration or termination of this Agreement, the Lessee shall be bound by all of the terms and conditions of this Agreement to the same extent as if this Agreement were in full force and effect during the time beyond the expiration date of this Agreement. However, during any such possession of the Premises as a holdover tenant thirty (30) days after the County has demanded the return of the Premises in writing, the Lessee shall be liable for double rentals for so long as the Lessee remains in possession after such demand, such rentals to be based upon the rental rates applicable from time to time in whole or in part to the Premises.

3.06 Address for Payments: The Lessee shall pay, by mail, all rentals, fees and charges required by this Agreement to the following:

Miami-Dade County Aviation Department
Finance Division
P. O. Box 526624
Miami, Florida 33152-6624

Payments may be made by hand-delivery to the offices of the Department during normal working hours.

3.07 Late Payment Charge: In the event the Lessee fails to make any payments, as required to be paid under the provisions of this Agreement, within ten days after same shall become due, interest at the rates established from time to time by the Board of County Commissioners of Miami-Dade County, Florida (currently set at 1½% per month), shall accrue against the delinquent payment(s) from the original due date until the Department actually receives payment. The right of the County to require payment of such interest and the obligation of the Lessee to pay same shall be in addition to and not in lieu of the rights of the County to enforce other provisions herein, including termination of this Agreement, and to pursue other remedies provided by law.

3.08 Dishonored Check or Draft: In the event that the Lessee delivers a dishonored check or draft to the County in payment of any obligation arising under the terms of this Agreement, the Lessee shall incur and pay a service fee of TWENTY-FIVE DOLLARS, if the face value of the dishonored check or draft is \$50.00 or less, THIRTY DOLLARS, if the face value of the dishonored check or draft is more than \$50.00 and less than \$300.00, or FORTY DOLLARS, if the face value of the dishonored check or draft is \$300.00 or more, or Five Percent of the face value of such dishonored check or draft, whichever is greater. Further, in such event, the Department may require that future payments required pursuant to this Agreement be made by cashier's check or other means acceptable to the Department.

3.9 Utilities: Unless the Premises are separately metered and billed directly to the Lessee by the utility company or included in the rental rates and noted in Article 3.01, the Lessee hereby agrees to pay monthly, upon billing by the Department, for utility consumption in the Premises. This monthly charge will be based on a survey conducted by or on behalf of the Department of the utility consumption by the Lessee and/or current nondiscriminatory rates charged others at the Airport. This monthly charge may also be adjusted and billed retroactively, from time to time, based on changes in consumption and rates. The Lessee shall pay for all utilities used by it. In the event the Premises are metered and billed to the Department, the Lessee shall pay for utility consumption based on the metered charge. The County shall have no obligation to provide utilities to the Premises other than those existing as of the effective date of this Agreement.

3.10 Gross Revenues: The term "Gross Revenues", as used in this Agreement means all monies paid or payable to, or considerations of determinable value received by the Lessee for sales made, transactions had, fees charged or services rendered in the operation of its business under this Agreement, and from the subleasing of office space or other portions of the Premises, regardless of when or where the order therefor is received, whether paid or unpaid, whether on a cash or credit basis or in consideration of any other thing of value; provided, however, that the following shall be excluded from the definition of gross revenues:

- A) Any taxes imposed by law which are separately stated to and actually paid by a customer and directly payable by the Lessee to a taxing authority.
- B) All Sales Refunds.
- C) Opportunity Fees passed on to a customer by Lessee, but only to the extent of 3.10% of the base amount invoiced to the customer.
- D) Revenues received from any Affiliate, as "Affiliate" is defined in Article 2.01(B)(2).

3.11 Records and Reports: The Lessee shall keep in Miami-Dade County, during the term of this Agreement, all books of account, records and reports used in its operation necessary to report Gross Revenues and to calculate the Opportunity Fees payable hereunder and as may, from time to time, be required by the Department to document its activities pursuant to this Agreement; provided, however, that Lessee may request the Department to review all or a portion of such items at a location outside of the county, in which case Lessee shall pay the Department all costs associated with travel, lodging and meals of the Department's personnel and auditors to review the documents at such location. All Gross Revenues hereunder shall be accounted for in accordance with generally accepted accounting principles. The form of all such books of account, records and reports shall be subject to the approval of the Department and/or the auditors of the County (one or more of the following: the designated external auditing firm or other certified public accounting firm selected by the Department, the County's Department of Audit and Management Services, or auditors of the State of Florida). Recommendations for changes, additions, or deletions to such books of account, records and reports by the auditors of the County shall be complied with by the Lessee when requested by the Department. The auditors of the County shall be permitted, during normal working hours, to audit and examine all books of account, records, and reports relating to the operations of the Lessee hereunder, including, but not limited to, balance sheets, profit and loss statements, deposit receipts, Florida State Sales Tax Reports, and such other documents as may be determined by the Department to be necessary and appropriate; provided, however, that the Lessee shall not be required to retain such records in Miami-Dade County, Florida, for more than three years following termination of this Agreement.

3.12 Monthly Report of Gross Revenues: For each month in which Lessee provides services that are subject to the Opportunity Fee in Article 3.02, on or before the tenth business day following the last day of each such month throughout the term of this Agreement, Lessee shall furnish to the Department a statement of Gross Revenues received or accrued during the preceding calendar month and certify as to the accuracy of such Gross Revenues in the form prescribed by the Department. In the event Lessee fails to submit the monthly report by the tenth (10) business day following the last day of the month, a penalty fee of Fifty Dollars (\$50.00) per day shall be imposed for each calendar day following the report due date until the report is received by the Department, up to a maximum of Seven Hundred Fifty dollars (\$750.00) per violation.

3.13 Annual Audit Required: Within sixty days of each anniversary of the commencement date of this Agreement and within sixty days following termination of this Agreement, the Lessee shall, at its sole cost and expense, provide to the Department on an annual (or portion thereof) basis an audit report of monthly Gross Revenues, containing an unqualified opinion, prepared and attested to by an independent certified public accounting firm, licensed in the State of Florida, and reasonably acceptable to the Department. The report shall include a schedule of Gross Revenues and Opportunity Fees paid to the County under this Agreement, prepared in accordance with the comprehensive basis of accounting defined under terms of this Agreement and reported in the format as subsequently prescribed by the Department. The audit shall be conducted in accordance with generally accepted auditing standards and include issuance of a management letter, which will contain the findings discovered during the course of the examination, such as recommendations to improve internal controls and other significant matters related to this Agreement. In addition, the audit shall include comprehensive compliance procedures to determine whether the books of account, records and reports were kept in accordance with the terms of this Agreement for the period of examination. The auditor shall report such procedures and findings in a separate letter report to the Department. The last such report shall include the last day(s) of operations. There shall be no changes in the scope of the reports and letters required hereunder without the specific prior written approval of the Department.

3.14 Waiver of Annual Audit: Notwithstanding the provisions of Article 3.13 (Annual Audit Required) above, Lessee shall have the option to provide a certification, rather than the audit required in Article 3.13 above, if the Annual Gross Revenues under this Agreement for any year of this Agreement are less than \$250,000.00. Such certification shall be in a form specified or approved by the Department. Lessee acknowledges that if it is determined by the Department as a result of an audit or inspection of the Lessee's books and records, as authorized pursuant to Article 3.15 (Right to Inspect) below, that the Lessee has understated its Gross Revenues and that the certification is incorrect, (a) Lessee shall be liable to all remedies provided by law for such false certification, including charges under Section 837.012, Florida Statutes, for having filed a false oath, (b) such certification may be considered by the Department as a breach of the Agreement and the Department may take appropriate action as a result, (c) the Department shall be entitled to assess a 50% surcharge on the difference between the Opportunity Fees stated on the certification and the Opportunity Fees shown by the audit to be due and payable, and (d) the annual audit waiver pursuant to the provisions of this Article 3.14 shall no longer be applicable for the remaining term of this Agreement,

3.15 Right to Inspect: The Department and the auditors of the County shall have the right, without limitation, to enter upon the Premises at anytime during normal operating hours of the Lessee to: (1) inspect, review, verify and check all or any portion(s) of the Lessee's procedures for recording or compiling Gross Revenue information by day or month; and (2) audit, check, inspect and review all books of account, records, financial reports, financial statements, operating statements, inventory records, copies of State sales tax returns, and work papers relating to the operation of the Lessee, and other pertinent information as may be determined to be needed or desirable by the Department.

ARTICLE 4
Maintenance And Repair by Lessee

4.01 Cleaning: The Lessee shall, at its sole cost and expense, perform or cause to be performed, services which will at all times keep the Premises clean, neat, orderly, sanitary and presentable.

4.02 Removal of Trash: The Lessee shall, at its sole cost and expense, remove from the Premises all trash and refuse which might accumulate and arise from its use of the Premises and the business operations of the Lessee under this Agreement. Such trash and refuse shall be stored temporarily and disposed of in a manner approved by the Department.

4.03 Maintenance and Repairs: The Lessee shall repair and maintain in good condition the Premises and all improvements or alterations thereto, except for those items for which the County is responsible pursuant to Article 5 (Maintenance by County). Such repair and maintenance shall include, but not be limited to, interior painting, floor coverings, doors, windows, pavement (landside and airside), equipment, dock levelers, protection bumpers attached to building, furnishings, skylights, fixtures, appurtenances, replacement of light bulbs, ballasts and tubes and the replacement of all broken glass, and shall at all times be based on a standard of care reflecting prudent property management. Maintenance and repairs shall be in quality and class equal to or better than the original work to preserve the Premises in good order and condition. The Lessee shall repair all damage caused by the Lessee and its employees, agents, independent contractors, patrons, servants or invitees. Prior to or at termination of this Agreement, injury done by the installation or removal of furniture and personal property of the Lessee shall be repaired so as to restore the Premises to their original state, except as the Premises may have been altered by the Lessee with the approval of the Department pursuant to Article 7.01 (Alteration), and to quit and surrender up the Premises in the same good order and condition as it was at the commencement of this Agreement, reasonable wear and tear and damage caused by an Act of God excepted; provided however, that such return of the Premises under this Article 4.03 shall not relieve the Lessee of its obligations for damages to the Premises that may be specifically provided elsewhere in this Agreement.

4.04 Modifications or Access to Roof: The Lessee covenants that it shall not install, attach, suspend or in any manner modify the roof, its members or structures nor shall it permit any person to walk on the roof or its members without the prior written consent of the Department. In the event Lessee violates this covenant, the duty of the County to pay for maintaining, repairing or replacing the roof or any portion thereof shall be null and void, and any expense for such maintenance, repair or replacement shall be the sole and exclusive obligation of the Lessee.

4.05 Inspections: The Department and/or its designated representatives shall have the right, during normal working hours, to inspect the Premises to identify those items of maintenance, repair, replacement, modification and refurbishment required of the Lessee or the County, pursuant to Article 5 (Maintenance by County), to keep the Premises in good order and condition. The Lessee shall perform all corrective work required of it, identified in such inspection(s) within 30 days of receipt of written notice from the Department. Trash and debris problems shall be corrected within 24 hours following receipt of either oral or written notice from the Department.

4.06 Failure to Maintain: If it is determined by the Department that the Lessee has failed to properly clean, remove trash and refuse, maintain, repair, replace and refurbish the Premises as required by this Article 4 (Maintenance and Repair by Lessee), the Department shall provide to the Lessee a list of deficiencies, reflecting the amount of time to be reasonably allowed for the Lessee to correct same. If the Lessee fails to correct such deficiencies within the time allowed and has not registered an objection as to its obligation to do so, the Department, following 10 days further notice to the Lessee, may enter upon the Premises and perform all work, which, in the judgment of the Department, may be necessary and the County shall add the cost of such work, plus 25% for administrative costs, to the rent due hereunder on the first day of the month following the date of such work, and such cost shall be and constitute a part of the rent. Subsequent to receipt of the further notice of intent to perform repairs or cleanup from the Department, the Lessee shall not undertake performance of such repairs or cleanup without specific prior written authorization from the Department.

ARTICLE 5

Maintenance by County

5.01 County Maintenance: The County shall operate and maintain in good condition all components of the existing water, sanitary sewerage and storm water drainage facilities that lie outside the boundaries of the Premises. The County shall maintain the roof and its structural supports, the exterior walls (including painting of exterior walls) of the building, obstruction lights on the roof of the building or accessible by the roof, chilled water and central electrical systems and mains, all common areas including parking areas, hallways, restrooms, elevators, landscaping, irrigation system and the Building's central air conditioning system. The County shall have no maintenance responsibility within the Premises including maintenance for doors or windows. If any of such facilities are damaged or destroyed by the operations of the Lessee, the Department shall make the necessary repairs or replacements and shall bill the Lessee for the costs of same, plus 25% for administrative costs, in the manner specified in Article 4.06 (Failure to Maintain) hereof.

5.02 County Maintenance Subject to Certain Conditions: Such maintenance by the County may be subject to interruption caused by repairs, strikes, lockouts, labor controversies, inability to obtain, fuel, power or parts, accidents, breakdowns, catastrophes, national or local emergencies, acts of God, and other conditions beyond the control of the County. Upon any such happening, the Lessee shall have no claim for damages for the County's failure to furnish or to furnish in a timely manner any such maintenance; provided, however, that the Department shall provide a rent abatement for that portion of the Premises rendered unusable for the period of time that the County is unable to make the repairs required by Article 5.01 (County Maintenance). The County shall exercise reasonable diligence to remedy and/or cure any such interruptions; to the extent such interruptions are within the County's control.

ARTICLE 6

Regulations, Licenses and Permits

6.01 Rules and Regulations - General:

- (A) The Lessee shall comply with all Ordinances of the County, including the Rules and Regulations of the Department, Chapter 25, Code of Miami-Dade County, Florida, as the same may be amended from time to time, Operational Directives issued thereunder, all additional laws, statutes,

ordinances, regulations and rules of the Federal, State and County Governments, and any and all plans and programs developed in compliance therewith, which may be applicable to its operations or activities under this Agreement, specifically including, without limiting the generality hereof, Federal air and safety laws and regulations and Federal, State and County environmental laws.

(B) Permits and Licenses:

(1) The Lessee, at its sole cost and expense, shall be liable and responsible for obtaining, paying for, maintaining on a current basis, and fully complying with, any and all permits, licenses and other governmental authorizations, however designated, as may be required, at any time throughout the entire term of this Agreement, by any Federal, State, or County governmental entity or any judicial body having jurisdiction over the Lessee or the Lessee's operations and activities, for any activity of the Lessee conducted on the Premises and for any and all operations conducted by the Lessee, including insuring that all legal requirements, permits and licenses necessary for or resulting, directly or indirectly, from the Lessee's operations and activities on the Premises have been obtained and are being fully complied with.

(2) Such permits and licenses shall include, but not be limited to, a Certificate of Use and Occupancy and any required Industrial Waste or Operating Permits from the Miami-Dade County, Department of Environmental Resources Management ("DERM"). Prior to occupancy of the Premises and commencement of operations under this Agreement, the Lessee shall provide to the Department evidence that it has obtained the Certificate of Use and Occupancy and, as applicable, the appropriate operating Waste Permit(s). Upon written request of the Department, the Lessee shall provide to the Department copies of any permits and licenses, and applications therefor, which the Department may request. The County acknowledges that Lessee has previously occupied and continues to occupy the Premises and, therefore, a new Certificate of Use and Occupancy is not required as of the effective date of this Agreement.

(C) Violations of Rules and Regulations: The Lessee agrees to pay on behalf of the County any penalty, assessment or fine issued against the County, or to defend in the name of the County any claim, assessment or civil action, which may be presented or initiated by any agency or officer of the Federal, State or County governments, based in whole or substantial part upon a claim or allegation that the Lessee, its agents, employees, invitees, or trespassers have violated any law, ordinance, regulation, rule or directive described in Article 6.01 (Rules and Regulations - General) above or any plan or program developed in compliance therewith. The Lessee further agrees that the substance of this Article 6.01 (Rules and Regulations - General) above shall be included in every sublease, contract and other agreement, which the Lessee may enter into related to its operations and activities under this Agreement and that any such sublease, contract and other agreement shall specifically provide that "Miami-Dade County, Florida is a third party beneficiary of this and related provisions." This provision shall not constitute a waiver of any other

conditions of this Agreement prohibiting or limiting assignments, subletting or subcontracting.

ARTICLE 7

Alteration of Premises and Erection of Signs

7.01 Alteration: The Lessee shall not alter the Premises in any manner whatsoever without the prior written approval of the Department. In the event the Lessee is given approval to make alterations to the Premises, the Lessee shall comply with the terms and conditions of such approval, as contained in the Department's approval letter, and a failure to do so shall constitute a default pursuant to Article 13.03 (Other Defaults) hereof.

7.02 Signage: The Lessee shall not erect, maintain or display any identifying signs or any advertising matter, of any type or kind, which is visible to the public, without prior written approval of the Department. In the event the Department changes the graphics system for the identification of lessees at the Airport, the Lessee agrees, if required by the Department, to change, at its sole cost, any of its identification signs necessary to comply with such graphics system.

ARTICLE 8

Environmental Compliance

8.01 Definitions: For purposes of this Agreement, the following additional definitions apply:

- (A) "Baseline Environmental Conditions" means the presence or release of Hazardous Materials, at, on, under, or from the Premises prior to Lessee's Occupancy Date, the presence or release of which was not caused by Lessee or Lessee's agents, employees, contractors, invitees or trespassers. Solely for purposes of this Agreement, it shall be presumed that the Baseline Environmental Conditions consist of the conditions identified in any existing (as of the date of this Agreement) Miami-Dade County maintained records, including contamination assessment reports and any other technical reports, data bases, remedial action plans, the Baseline Audit or the presence, discharge, disposal or release of any other Hazardous Materials originating prior to the Occupancy Date that comes to be located on the Premises and not caused by Lessee or Lessee's agents, employees, contractors, invitees or trespassers.
- (B) "Environmental Claim" means any investigative, enforcement, cleanup, removal, containment, remedial or other private, governmental or regulatory action at any time threatened, instituted or completed pursuant to any applicable Environmental Requirement, against Lessee with respect to its operations at Miami International Airport or against or with respect to the Premises or any condition, use or activity on the Premises (including any such action against County), and any claim at any time threatened or made by any person against Lessee with respect to its operations at Miami International Airport or against or with respect to the Premises or any condition, use or activity on the Premises (including any such claim against County), relating to damage, contribution, cost recovery, compensation, loss or injury resulting from or in any way arising

in connection with any Hazardous Material or any applicable Environmental Requirement.

(C) "Environmental Law" means any applicable federal, state or local law, statute, ordinance, code, rule, or regulation, or license, authorization, decision, order, injunction, or decree, any of which may be issued by a judicial or regulatory body of competent jurisdiction, or rule of common law including, without limitation, actions in nuisance or trespass, and any judicial or agency interpretation of any of the foregoing, which pertains to health, safety, any Hazardous Material, or the environment (including but not limited to ground or air or water or noise pollution or contamination, and underground or aboveground tanks) and shall include without limitation, the Solid Waste Disposal Act, 42 U.S.C. § 6901 *et seq.*; the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. § 9601 *et seq.* ("CERCLA"), as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA"); the Hazardous Materials Transportation Act 49 U.S.C. § 1801 *et seq.*; the Federal Water Pollution Control Act, 33 U.S.C. § 1251 *et seq.*; the Clean Air Act 42 U.S.C. § 7401 *et seq.*; the Toxic Materials Control Act 15 U.S.C. § 2601 *et seq.*; the Safe Drinking Water Act, 42 U.S.C. § 300f *et seq.*; Chapters 403, 376 and 373, Florida Statutes; Chapters 24 and 25 of the Miami-Dade County Code, and any other applicable local, state or federal environmental statutes, codes, or ordinances, and all rules, regulations, orders and decrees now or hereafter promulgated under any of the foregoing, as any of the foregoing now exist or may be changed or amended or come into effect in the future.

(D) "Environmental Requirement" means any Environmental Law, or any agreement or restriction entered into or applicable by law (including but not limited to any condition or requirement imposed by any insurance or surety company), as the same now exists or may be changed or amended or come into effect in the future, which pertains to health, safety, any Hazardous Material, or the environment, including but not limited to ground or air or water or noise pollution or contamination, and underground or aboveground tanks.

With regard to any environmental agreements or restrictions entered into by MDAD, MDAD agrees to use reasonable efforts to apprise the Miami Airport Affairs Committee (the "MAAC"), which represents the interests of the airlines at the Airport, of any such agreements or restrictions and to obtain the MAAC's input into such items.

(E) "Hazardous Material" means any substance, whether solid, liquid or gaseous, which is listed, defined or regulated as a hazardous substance, a hazardous waste or pesticide, or otherwise classified as hazardous or toxic, in or pursuant to any applicable Environmental Requirement; or which is or contains asbestos, radon, any polychlorinated biphenyl, urea formaldehyde foam insulation, explosive or radioactive material, or motor fuel or other petroleum hydrocarbons; or which causes or poses a threat to cause contamination or a nuisance on the Premises, any adjacent Premises or a hazard to the environment or to the health or safety of persons on the Premises or Other Airport Property.

- (F) "Initial Construction Period" means for any lease which contemplates construction or renovation for Premises not previously occupied in whole or in part by Lessee under this Agreement and/or any previous Agreement, a period of time not to exceed six (6) months commencing with the date on which Lessee breaks ground on the Premises for construction of foundations or commences such renovation.
- (G) "Occupancy Date" means the date Lessee first entered, occupied or took possession of the Premises under any written or verbal agreement.
- (H) "On" or "in" when used with respect to the Premises or any premises adjacent to the Premises, means "on, in, under, above or about."
- (I) "Other Airport Property" means property on the Airport occupied or used by Lessee, or upon which Lessee performs operations, but which is not subject to a lease, sublease or other legal agreement governing the terms of Lessee's occupation, use or operations at such property.
- (J) "Recognized Environmental Condition" shall have the meaning set forth in ASTM E 1527-05, Section 1.1.1, as such provision may be amended or superseded from time to time.
- (K) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or disposing into the environment.
- (L) "Remediation" means any investigation, clean-up, removal action, remedial action, restoration, repair, response action, corrective action, monitoring, sampling and analysis, installation, reclamation, closure, or post-closure in connection with the suspected, threatened or actual release of Hazardous Materials.
- (M) "Trespassers" means third parties who have entered the Premises and whose actions while on the Premises have resulted in a Release of Hazardous Materials directly onto the Premises. Notwithstanding the foregoing, for purposes of this Agreement, Trespassers shall not include those third parties whose actions took place off of the Premises and which resulted in the presence of Hazardous Materials on the Premises due to the migration of Hazardous Materials from that off-Premises location.

8.02 Lessee's Industrial Classification: Lessee represents and warrants to County that Lessee's Standard Industrial Classification ("SIC") code number, as published in the most recent SIC Manual from the United States Office of Management and Budget, and as used on Lessee's Federal Tax Return is _____.

8.03 Lessee's Acceptance of the Risks and Condition of Premises As-Is: Lessee agrees that the Premises shall be leased and delivered to Lessee in its current "as-is/with all faults" condition (but it is not intended by this provision that County be relieved from its duties expressly set forth in this Agreement or any other applicable agreement). Lessee hereby, warrants, covenants, agrees, and acknowledges that:

- (A) Hazardous Materials may be present on the Premises and Other Airport Property. The County is currently engaged in a significant environmental

remediation program at MIA.

- (B) Under Article 8.06 below, Lessee is provided the opportunity to conduct an independent investigation of the Premises and the physical condition thereof, including the potential presence of any Hazardous Materials on or about the Premises. Lessee's report on the investigation, if any such report has been prepared, has been provided to the County and is listed in Exhibit K attached to this Agreement. Whether Lessee has conducted such an investigation or not, Lessee is willing to proceed with this Agreement notwithstanding the environmental conditions of the premises or the properties surrounding the premises, subject to Lessee's right to terminate this Agreement as otherwise provided herein.
- (C) Because of the possible presence of environmental contaminants on the Premises or other Airport property, County has made no express, implied, or other representations of any kind with respect to the suitability or usability of the Premises or other Airport property, or any improvements appurtenant thereto, including, without limitation, the suitability or usability of any building materials, building systems, soils or groundwater conditions (due to the presence of Hazardous Materials in, on, under, or about the Premises or other Airport property), for Lessee's proposed or intended use, and Lessee has relied solely on Lessee's own inspection and examination of such matters.
- (D) Except as to County's obligations set forth in this Article or elsewhere in this Agreement, Lessee expressly assumes the risk that Hazardous Materials that are or may be present on the Premises at the commencement of this Agreement may affect the suitability or usability of the Premises for Lessee's proposed or intended use. Lessee agrees that, except to the extent of County's Remediation obligations provided in this Article 8, or any other discharge, disposal or release of Hazardous Materials or violation of Environmental Requirements, caused by County, its agents, employees or contractors and except with respect to Baseline Environmental Conditions, County shall have no responsibility or liability with respect to any Hazardous Materials on the Premises. Notwithstanding the foregoing, in no event shall County be liable to Lessee for damages relating to physical or personal injury, business interruptions relocation costs or any other cost (other than a cost for which County is liable under this Article 8) resulting from the presence of Hazardous Materials on the Premises at any time during this Agreement.

8.04 Responsibilities for Hazardous Materials:

(A) Unless the parties agree otherwise in writing, the County shall conduct response actions mandated by existing Environmental Requirements applicable to the County for (i) Hazardous Materials disclosed in the Lessee Audit to the extent required by Article 8.06 and (ii) Baseline Environmental Conditions, provided however that:

1) To the extent this Agreement covers Premises not previously occupied by Lessee and if this Agreement contemplates construction or renovation by the Lessee, any Hazardous Material discovered during the Initial Construction Period as defined in Article 8.01(F), shall be presumed to be a Baseline Environmental Condition under this Agreement except to

the extent the Aviation Department demonstrates to the satisfaction of Lessee by written notice setting forth the Aviation Department's explanation as to why the Hazardous Material originated from a discharge, disposal or release that was caused by Lessee, Lessee's agents, employees, contractors, invitees or Trespassers. Should Lessee determine that such a demonstration has not been made to Lessee's satisfaction, County may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or such time as the dispute is otherwise resolved, responsibility for such Hazardous Material shall remain with the Aviation Department.

2) To the extent this Agreement covers premises previously occupied by Lessee, and except for Baseline Environmental Conditions, Remediation of any Hazardous Material discovered on the Premises shall be the responsibility of the Lessee, except to the extent that Lessee demonstrates to the satisfaction of Aviation Department Management by written notice setting forth Lessee's explanation as to why the Hazardous Material originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents, employees, contractors or invitees ; (2) a discharge, disposal or release of Hazardous Material on the Premises prior to the date upon which Lessee first occupied the premises and not caused by Lessee or Lessee's agents, employees, contractors, invitees or Trespassers; or (3) a discharge, disposal or release caused by the County, its agents, employees, contractors or any third party. Should the Aviation Department determine that such a demonstration has not been made to Aviation Department's satisfaction, Lessee may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or such time as the dispute is otherwise resolved, responsibility for such Hazardous Material shall remain with Lessee.

- (B) County's responsibility for Remediation under this Article 8.04 shall be limited to the Recognized Environmental Conditions required to be remediated under applicable Environmental Requirements. If County is permitted to leave any Hazardous Material in place under applicable Environmental Requirements, County shall have the option of so doing , unless a governmental authority requires at any time the removal of Hazardous Materials for Lessee to be able to continue with construction or occupancy of the Premises. The County shall notify Lessee of any such decision to leave Hazardous Material in place.
- (C) (1) To the extent they exist, the County has made available to Lessee a listing of contamination assessment reports and remedial action plans regarding any soil and groundwater contamination at the Premises. Such list is found on Exhibit K to this Agreement. The County may have already installed or may have plans to install remediation systems to clean up the contamination described in such reports to the extent they exist. Lessee agrees that during the term of the Agreement, County's authorized representatives shall have the right to enter the Premises in order to operate, inspect, maintain, relocate and replace any such installed systems. Without limiting the generality of the foregoing, the County shall have the right to: (a) install, use, monitor, remove (or, in connection with monitoring wells, abandon in place in accordance with applicable

governmental regulations) soil borings, treatment systems, pumps, monitoring wells, and associated equipment; (b) construct, maintain, and ultimately remove various mechanical devices designed to aid in the monitoring and remediating effort; and (c) undertake such related activities as the Aviation Department or other governmental authorities may require or recommend, utilizing such methods as the Aviation Department or the applicable governmental authorities may elect in order to remediate the contamination described in any such reports.

- (2) County shall utilize reasonable efforts to minimize any disturbance of the Lessee's use of the Premises caused by any Remediation it undertakes and shall provide Lessee prior written notice of such Remediation. Lessee agrees that it shall not unreasonably interfere with or obstruct such Remediation. County and Lessee each agree to take such action as may be reasonable to coordinate their operations so as to minimize any interference with the other party. If vehicles, equipment, or materials belonging to the Lessee have to be temporarily relocated to permit the Remediation to be performed, the Lessee will effect such relocation at no expense to the County. Attached to Exhibit K is a site sketch of the Premises describing any existing or currently planned Remediation equipment and depicting the current and proposed future location of such equipment.
- (3) If Remediation equipment or materials need to be temporarily stored in a secure location on the Premises, the Lessee will provide reasonable storage inside the building on the Premises for such equipment and materials at no expense to the County, provided, however, that Lessee shall bear no liability and otherwise shall have no responsibility for any theft of and/or damage to such equipment or materials so stored, to the extent Lessee took reasonable measures to prevent, such theft and/or damage and such theft and/or damage was not caused by Lessee or Lessee's employees. To the extent that water and electrical service within the Premises are not metered and the Lessee does not pay for such services directly, the Lessee will provide the County with water and electrical service from the Premises in connection with the Remediation, without charge. The Lessee acknowledges the Remediation may be conducted at the locations depicted on the site sketch attached to Exhibit K at any time during the term of the Agreement and may continue until such time as a no further action letter is obtained from the appropriate regulatory authorities.

8.05 Baseline Audit: The County has provided Lessee with a copy of an environmental audit of the Premises, conducted to identify any Recognized Environmental Conditions associated with the Premises, which audit may include analyses of soil and groundwater samples (the initial "Baseline Audit"). Except to the extent Lessee previously occupied the Premises, the County shall be responsible for any Recognized Environmental Conditions within the meaning of ASTM E 1527-05, or most recent version, disclosed by the Baseline Audit. Except to the extent Lessee previously occupied the Premises, Lessee may terminate this Agreement within sixty (60) days of receipt of the Baseline Audit if Lessee, in its sole discretion, determines that the Recognized Environmental Conditions disclosed in such Baseline Audit are unacceptable. To the extent Lessee previously occupied the Premises, Lessee, subject to its right to invoke the dispute resolution provision of 8.16, shall be responsible for all Recognized Environmental Conditions disclosed in the Baseline Audit, which are not otherwise Baseline Environmental Conditions, unless Lessee demonstrates to the

County's satisfaction that the Recognized Environmental Conditions originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents employees, contractors or invitees; or (2) a discharge, disposal or release of Hazardous Material on the Premises prior to Lessee's first occupancy of the Premises and not caused by Lessee, Lessee's agents, employees, contractors, invitees, or Trespassers.

8.06 Lessee Audit: Lessee, at its sole cost and expense, shall have the right to conduct, within sixty (60) days from the receipt of the Baseline Audit, an environmental inspection of the Premises (the "Lessee Audit"), through an independent environmental consultant approved in writing by County, such approval not to be unreasonably withheld or delayed. If Lessee elects to conduct a Lessee Audit, it shall furnish County a copy of the Lessee Audit within thirty (30) days of Lessee's receipt of the Lessee Audit. The purpose of the Lessee Audit is to determine whether there are present on the Premises any Recognized Environmental Conditions not identified in the Baseline Audit, any previous audits, or any contamination assessment reports or remedial action plans, to the extent any such documents exist. Within thirty (30) days of receipt of such Lessee Audit, the County shall notify Lessee if it disputes the Recognized Environmental Conditions or the delineation of any subsurface conditions described in the Lessee Audit. If the Lessee Audit reveals any Recognized Environmental Conditions or delineates any subsurface contamination not disclosed in any contamination assessment reports, remedial action plans, or the Baseline Audit, and which are not otherwise considered Baseline Environmental Conditions under the terms of this Agreement, then, except to the extent that Lessee previously occupied the Premises, the County, at its option, shall: (i) allow Lessee to terminate the Agreement, without penalty, within sixty (60) days of receipt of such notice of dispute from the County; or (ii) notify Lessee that it has agreed to be responsible for such Recognized Environmental Conditions and delineated subsurface contamination to the same extent as the County is responsible for the Recognized Environmental Conditions and subsurface contamination disclosed in any contamination assessment reports, remedial action plans and the Baseline Audit. If the County allows Lessee to terminate the Agreement and Lessee elects not to terminate, Lessee's failure to terminate shall constitute a waiver of 1) Lessee's rights to terminate its obligations under this Agreement as to any findings in such Lessee Audit, except as to its right to cancel the lease on thirty (30) days' notice under Article 1.01 (B) and, 2) as provided in Article 8.04, any claim it may have against the County with respect either to Recognized Environmental Conditions and subsurface contamination disclosed in such Lessee Audit. To the extent the Lessee previously occupied the Premises, Lessee shall be responsible for all Recognized Environmental Conditions disclosed in the Lessee Audit that are not Baseline Environmental Conditions unless Lessee demonstrates to the satisfaction of Aviation Department Management by written notice setting forth Lessee's explanation why the Recognized Environmental Conditions originated from (1) a discharge, disposal or release outside of the Premises, unless such discharge, disposal or release was caused by Lessee, Lessee's agents, employees, contractors, or invitees; (2) a discharge, disposal or release of Hazardous Material on the Premises prior to the Occupancy Date and not caused by Lessee or Lessee's agents, employees, contractors, invitees or Trespassers ; or (3) a discharge, disposal or release caused by County or third party. Should the Aviation Department determine that such a demonstration has not been made to Aviation Department's satisfaction, Lessee may invoke the dispute resolution provision of 8.16. Until such time as the parties reach an agreement or until such time as the dispute is otherwise resolved, responsibility for such Recognized Environmental Condition shall remain with Lessee.

8.07 Environmental Maintenance of Premises: Except for the obligations of the County under this Article 8, Lessee shall, at its sole cost and expense, keep, maintain

and use the Premises, and operate within the Premises at all times, in compliance with all applicable Environmental Laws, and shall maintain the Premises in good and sanitary order, condition, and repair.

8.08 Lessee's Use of Hazardous Materials: Exhibit Z is a complete list of all Hazardous Materials which Lessee currently intends to use on the Premises or Other Airport Property during the term of the Agreement which have been approved by the County, and the use, storage and transportation of which on or about the Premises shall not be subject to County's approval or objections. Except for those Hazardous Materials listed on Exhibit Z, Lessee shall not use, store, generate, treat, transport, or dispose of any Hazardous Material on the Premises or Other Airport Property without first providing the County thirty (30) days written notice prior to bringing such Hazardous Material upon the premises. To the extent certain Hazardous Materials are needed to be used by Lessee on a non-routine basis, such as for emergency repairs, Lessee may provide such notice within twenty-four (24) hours of bringing such Hazardous Material upon the premises. Notwithstanding the foregoing, County may object to the use of any previously-approved Hazardous Material should County reasonably determine that the continued use of the Hazardous Material by Lessee presents a material increased risk of site contamination, damage or injury to persons, Premises, resources on or near the Premises or Other Airport Property, or noncompliance due to a change in regulation of such Hazardous Material under applicable Environmental Law. Upon County's objection, Lessee shall immediately remove the Hazardous Material from the site. This Section 8.08 shall not apply to Hazardous Materials which are not used, generated, treated or disposed of by Lessee but which are otherwise transported by Lessee solely in the course of Lessee's business, such as cargo operations, and for which Lessee has no knowledge as to the identity of such hazardous materials prior to such transport. County's objection or failure to object to the use, storage, generation, treatment, transportation, or disposal of Hazardous Material under this paragraph, or the exclusion of certain Hazardous Materials under this paragraph, shall not limit or affect Lessee's obligations under this Agreement, including Lessee's duty to remedy or remove releases or threatened releases; to comply with applicable Environmental Laws and/or Environmental Requirements relating to the use, storage, generation, treatment, transportation, and/or disposal of any such Hazardous Materials; or to indemnify County against any harm or damage caused thereby. Lessee shall promptly and completely answer periodic questionnaires from the County concerning Lessee's practices regarding the generation, use, storage, and disposal of Hazardous Materials under this Agreement.

8.09 Entry by County:

(A) Notwithstanding any other right of entry granted to County under this Agreement, and subject to the requirements set forth in Article 8.09(B), MDAD shall have the right, at its own expense and upon reasonable notice, to enter the Premises or to have consultants enter the Premises throughout the Term of this Agreement for the purposes of: (1) determining whether the Premises are in conformity with applicable Environmental Law; (2) conducting an environmental review or investigation of the Premises; (3) determining whether Lessee has complied with the applicable environmental requirements of this Agreement; (4) determining the corrective measures, if any, required of Lessee to ensure the safe use, storage, and disposal of Hazardous Materials; or (5) removing Hazardous Materials (except to the extent used, stored, generated, treated, transported, or disposed of by Lessee in compliance with applicable Environmental Requirements and the terms of this Agreement). Lessee agrees to provide access and reasonable assistance for such inspections. MDAD shall use its best efforts to reasonably minimize interruptions of business operations on the Premises.

(B) Such inspections may include, but are not limited to, entering the Premises or adjacent property with drill rigs or other machinery for the purpose of obtaining laboratory samples of environmental conditions or soil or groundwater conditions. Lessee shall have the right to collect split samples of any samples collected by MDAD. MDAD shall not be limited in the number of such inspections during the Term of this Agreement. MDAD will conduct such inspections during Lessee's normal business hours, but MDAD may conduct such inspections in other than normal business hours if the circumstances so require. For inspections conducted by MDAD, MDAD agrees to provide Lessee with reasonable notice (not less than twenty four (24) hours) prior to inspecting the Premises; provided however, that such notice period shall not apply under circumstances in which MDAD reasonably determines that there exists an immediate threat to the health, safety, or welfare of any persons. Based on the results of such inspections, should MDAD reasonably determine that Hazardous Materials have been released, discharged, stored, or used on the Premises in violation of the terms of this Agreement, Lessee shall, in a timely manner, at its expense, remove such Hazardous Materials in a manner not inconsistent with applicable Environmental Law and otherwise comply with the reasonable recommendations of MDAD and any regulatory authorities related to the results of such inspections. The right granted to MDAD herein to inspect the Premises shall not create a duty on MDAD's part to inspect the Premises, nor liability of MDAD for Lessee's use, storage, or disposal of Hazardous Materials, it being understood that Lessee shall be solely responsible for all liability in connection therewith. MDAD shall provide the results of such inspections to the Lessee in a timely manner if requested to do so in writing. Nothing herein shall be construed to limit, restrain, impair or interfere with County's regulatory authority to conduct inspections and/or the manner in which it conducts such inspections. Lessee shall not be liable or otherwise responsible for any property damage to the Premises or injury to any person caused by County, its agents or consultants during County's inspection under this Section 8.09.

8.10 Permits and Licenses: The Lessee warrants that it will secure at the times required by issuing authorities all applicable permits or approvals that are required by any governmental authority having lawful jurisdiction to enable Lessee to conduct its obligations under this Agreement. Upon written request, Lessee shall provide to County copies of all permits, licenses, certificates of occupancy, approvals, consent orders, or other authorizations issued to Lessee under applicable Environmental Requirements, as they pertain to the Lessee's operations on or use of the Premises or Other Airport Property.

8.11 Notice of Discharge to County:

- (A) In the event of: (i) the happening of any material event involving the spill, release, leak, seepage, discharge or clean up of any Hazardous Material on the Premises or Other Airport Property in connection with Lessee's operation thereon; or (ii) any written Environmental Claim affecting Lessee from any person or entity resulting from Lessee's use of the Premises or Other Airport Property, then Lessee shall immediately notify County orally within twenty-four (24) hours and in writing within three (3) business days of said notice. If County is reasonably satisfied that Lessee is not promptly commencing the response to either of such events, County shall have the right but not the obligation to enter onto the Premises or to take such other actions as it shall deem reasonably necessary or advisable to clean up, remove, resolve or minimize the impact of or otherwise deal with any such Hazardous Material or Environmental Claim following receipt of any notice from any person or any entity having jurisdiction asserting the

existence of any Hazardous Material or an Environmental Claim pertaining to the Premises , which if true, could result in an order, suit or other action against the County. If Lessee is unable to resolve such action in a manner which results in no liability on the part of County, all reasonable costs and expenses incurred by County shall be deemed additional rent due County under this Agreement and shall be payable by Lessee upon demand, except to the extent they relate to a Baseline Environmental Condition.

- (B) With regard to any reporting obligation arising out of Lessee's operations or during the Agreement, Lessee shall timely notify the State of Florida Department of Environmental Protection, Miami-Dade County Department of Environmental Resources Management, and the United States Environmental Protection Agency, as appropriate, with regard to any and all applicable reporting obligations while simultaneously providing written notice to County.
- (C) Within sixty (60) days of execution of this Agreement, Lessee shall submit to County an emergency action plan/contingency plan setting forth in detail Lessee's procedures for responding to spills, releases, or discharges of Hazardous Materials. The emergency action plan/contingency plan shall identify Lessee's emergency response coordinator and Lessee's emergency response contractor.

8.12 Reports to County: For any year in which any Hazardous Materials have been used, generated, treated, stored, transported or otherwise been present on or in the Premises, (or on or in other Airport property for purposes related to Lessee's operations on the Premises), Lessee shall provide County with a written report listing: the Hazardous Materials which were present on the Premises or other Airport property; all releases of Hazardous Material that occurred or were discovered on the Premises or other Airport property and which were required to be reported to regulatory authorities under applicable Environmental Laws; all enforcement actions related to such Hazardous Materials, including all consent agreements or other non-privileged documents relating to such enforcement actions during that time period. In addition, Lessee shall provide County with copies of any reports filed in accordance with the Emergency Planning and Community Right to Know Act (EPCRA) and shall make available for review upon request by County copies of all manifests for hazardous wastes generated from operations on the Premises. Lessee shall provide the report required under this section to the County by April 1 of each year for the preceding calendar year.

8.13 Periodic Environmental Audits: Lessee shall establish and maintain, at its sole expense, a system to assure and monitor its continued compliance on the Premises with all applicable Environmental Laws, which system shall include, no less than once each year a detailed review of such compliance (the "Environmental Audit") by such consultant or consultants as County may approve, which approval shall not be unreasonably withheld, delayed or conditioned. Alternatively, if the Aviation Department approves, which approval shall not be unreasonably withheld, delayed or conditioned, such Environmental Audit may be conducted by Lessee's personnel but in either case Lessee shall provide County with a copy or summary of its report of its annual Environmental Audit, which shall be consistent with ASTM's "Practice for Environmental Regulatory Compliance Audits" which shall include in its scope the items listed in Exhibit ___ hereto or other recognized format approved by County. If the Environmental Audit indicates any unresolved violation of any applicable Environmental Law and/or Environmental Requirements, Lessee shall, at the request of County,

provide a detailed review of the status of any such violation within thirty (30) days of the County's request.

8.14 Remediation of Hazardous Material Release: If Lessee or Lessee's agents, employees, contractors, invitees or trespassers cause any Hazardous Materials to be released, discharged, or otherwise located on or about the Premises or Other Airport Property during the term of this Agreement ("Hazardous Material Release"), Lessee shall promptly take all actions, at its sole expense and without abatement of rent, as are reasonable and necessary to return the affected portion of the Premises or Other Airport Property and any other affected soil or groundwater to their condition existing prior to the Hazardous Material Release in a manner not inconsistent with applicable Environmental Law. County shall have the right to approve all such remedial work, including, without limitation: (i) the selection of any contractor or consultant Lessee proposes to retain to investigate the nature or extent of such Hazardous Material Release or to perform any such remedial work; (ii) any reports or disclosure statements to be submitted to any governmental authorities prior to the submission of such materials; and (iii) any proposed remediation plan or any material revision thereto prior to submission to any governmental authorities. The County's approvals shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, County's prior consent shall not be necessary if a Hazardous Material Release poses an immediate threat to the health, safety, or welfare of any persons and, despite Lessee's best efforts, it is not practicable to obtain County's consent before taking remedial action to abate such immediate threat, provided that: (a) Lessee shall notify County as soon as possible and shall thereafter obtain County's consent as otherwise provided in this paragraph; and (b) Lessee shall take only such action as may be necessary or appropriate to abate such immediate threat and shall otherwise comply with the provisions of this paragraph. In addition to any rights reserved by County in this Agreement, County shall have the right, but not the obligation, to participate with Lessee, Lessee's consultants and Lessee's contractors in any meetings with representatives of the governmental authorities and Lessee shall provide County reasonable notice of any such meetings. All remedial work shall be performed in compliance with all applicable Environmental Laws. The County's consent to any remedial activities undertaken by Lessee shall not be withheld so long as County reasonably determines that such activities will not cause any material adverse long-term or short-term effect on the Premises, or other adjoining property owned by County. Lessee's obligations in this section do not apply to Baseline Environmental Conditions.

8.15 Indemnity: Lessee shall indemnify, defend (with counsel reasonably satisfactory to County), and hold County, its directors, officers, employees, agents, assigns, and any successors to County's interest in the Premises, harmless from and against any and all loss, cost, damage, expense (including reasonable attorneys' fees), claim, cause of action, judgment, penalty, fine, or liability, directly or indirectly, relating to or arising from the use, storage, release, discharge, handling, or presence of Hazardous Materials on, under, or about the Premises or Other Airport Property and caused by Lessee, Lessee's agents, employees, contractors, invitees or trespassers. This indemnification shall include without limitation: (a) personal injury claims; (b) the payment of liens; (c) diminution in the value of the Premises or Other Airport Property; (d) damages for the loss or restriction on use of the Premises or Other Airport Property; (e) sums paid in settlement of claims; (f) reasonable attorneys' fees, consulting fees, and expert fees, (g) the cost of any investigation of site conditions, and (h) the cost of any repair, cleanup, remedial, removal, or restoration work or detoxification if required by any governmental authorities or deemed necessary in County's reasonable judgment, but shall not extend to such claims, payment, diminution, damages, sums, fees or costs to the extent caused (i) solely by an act of God or (ii) by the negligent or willful misconduct of the County, its officers, employees, contractors or agents. For any

legal proceedings or actions initiated in connection with the Hazardous Materials Release, County shall have the right at its expense but not the obligation to join and participate in such proceedings or actions in which the County is a named party, and control that portion of the proceedings in which it is a named party. County may also negotiate, defend, approve, and appeal any action in which County is named as a party taken or issued by any applicable governmental authorities with regard to a Hazardous Materials Release; provided, however, claims for which Lessee may be liable pursuant to this Article 8.15 shall not be settled without Lessee's consent. Any costs or expenses incurred by County for which Lessee is responsible under this paragraph or for which Lessee has indemnified County: (i) shall be paid to County on demand, during the term of this Agreement as additional rent; and (ii) from and after the expiration or earlier termination of the Agreement shall be reimbursed by Lessee on demand. Lessee's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Agreement and shall bind Lessee's successors and assignees and inure to the benefit of County's successors and assignees. Notwithstanding any other provision of this Agreement, this section 8.15 does not apply to Baseline Environmental Conditions or a discharge, disposal or release caused by the County, its officers, employees, contractors or agents...

- (A) This indemnity specifically includes the direct obligation of Lessee to perform, at its sole cost and expense, any remedial or other activities required or ordered by a court or agency having competent jurisdiction over the subject matter, or otherwise necessary to avoid or minimize injury or liability to any person, or to prevent the spread of Hazardous Materials.
- (B) In addition, because costs of Hazardous Materials discharges are passed on to airlines through the residual rate charging mechanism at Miami International Airport and the charges to Lessee will be increased to offset such costs, Lessee agrees in order to minimize its obligations in this regard to use best efforts to assist the Aviation Department in responding to Hazardous Materials spills in or Airport property reasonably close to the Premises used by Lessee by making Lessee's remediation equipment and personnel available for such emergency remediation activity. However, Lessee may provide such assistance only at the direct request of the Aviation Department and only if Lessee's remediation equipment is intended to be utilized for the Hazardous Material spill at issue and only if Lessee's personnel have been trained to respond to the Hazardous Material spill at issue. If Lessee is directed to perform any remedial work under this Article 8.15(B) for which it is later determined that Lessee is not responsible, the Aviation Department shall reimburse Lessee for all costs associated with or arising out of Lessee's performance of such remedial work. Lessee shall cooperate with the Aviation Department in any subsequent effort by the Aviation Department to recover from the responsible parties all costs involved with the remediation effort that utilized Lessee's equipment and personnel. Lessee shall perform all such work in its own name in accordance with applicable laws Lessee acknowledges that the County's regulatory power in this regard is independent of the County's contractual undertakings herein, and nothing herein shall affect the County's right in its regulatory capacity to impose its environmental rules, regulations, and authorities upon the Lessee in accordance with the law.
- (C) In the event Lessee fails to perform its obligations in Article 8.15(A) above, and without waiving its rights hereunder, County may, at its option, perform such remedial work as described in Article 8.15(A) above, and thereafter seek reimbursement for the costs thereof. In accordance with

this Article 8, Lessee shall permit County or its designated representative access to the Premises areas to perform such remedial activities.

- (D) Whenever County has incurred costs described in this section as a result of the failure of Lessee to perform its obligations hereunder, Lessee shall, within thirty (30) days of receipt of notice thereof, reimburse County for all such expenses together with interest at the rate of 1 ½ % per month on the outstanding balance commencing on the thirty-first date following Lessee's receipt of such notice until the date of payment.
- (E) To the extent of Lessee's responsibility under this Article and without limiting its obligations under any other paragraph of this Agreement, and except to the extent of County's responsibility for environmental conditions set forth in this Article 8, Lessee shall be solely and completely responsible for responding to and complying with any administrative notice, order, request or demand, or any third party claim or demand relating to potential or actual Hazardous Materials contamination on the Premise. Lessee's responsibility under this paragraph includes but is not limited to responding to such orders on behalf of County and defending against any assertion of County's financial responsibility or individual duty to perform under such orders. Lessee shall assume, pursuant to the Indemnity provision set forth in this Article 8, any liabilities or responsibilities which are assessed against County in any action described under this paragraph.

8.16 Dispute Resolution: County and Lessee agree that any dispute between them relating to this Article 8 will first be submitted, by written notice, to a designated representative of both County and Lessee who will meet at County's place of business or other mutually agreeable location, or by teleconference, and confer in an effort to resolve such dispute. Any decision of the representatives will be final and binding on the parties. In the event the representatives are unable to resolve any dispute within ten (10) days after submission to them, either party may refer the dispute to mediation, or institute any other available legal or equitable proceeding in order to resolve the dispute.

8.17 Waiver and Release: Lessee, on behalf of itself and its heirs, successors and assigns, hereby waives, releases, acquits and forever discharges County, its principals, officers, directors, employees, agents, representatives and any other person acting on behalf of the County, and the successors and assigns of any of the preceding, of and from any and all claims, actions, causes of action, demands, rights, damages, costs, expenses or compensation whatsoever, direct or indirect, known or unknown, foreseen or unforeseen, which Lessee or any its heirs, successors, or assigns now has or which may arise in the future on account of or in any way related to or in connection with any past, present or future physical characteristic or condition of the Premises, including, without limitation, any Hazardous Material, in, at, on, under or related to the Premises, or any violation or potential violation of any Environmental Law applicable thereto; provided, however, this Article 8.17 shall not constitute a waiver or release of any obligation of County under this Article 8. Lessee acknowledges that County would not enter into this Agreement without Lessee's agreement to the waiver and release provided herein.

8.18 No Waiver of Rights, Causes of Actions or Defenses. Notwithstanding any language in this Agreement, including without limitation Articles 8.03, 8.04, 8.05,

8.06, 8.14, 8.15 and 8.16, Lessee does not agree to waive or release any rights, causes of action or defenses it may have against Miami-Dade County or any other party related to allegations made by the County in (i) Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit, and (ii) a letter dated April 9, 2001, to Lessee and others (who are referred to as "responsible parties" or "RPs"). Nothing herein shall be construed to limit or expand upon any releases previously granted to or exchanged between the parties as a result of judgments or settlements obtained in proceedings between the parties, including, without limitation, settlements in bankruptcy or settlements entered under Case No. 01-8758 CA 25 which has been filed by the County in the Florida Circuit Court of the Eleventh Judicial Circuit.

8.19 Surrender of Premises: Lessee shall surrender the Premises used by Lessee to County upon the expiration or earlier termination of this Agreement free of debris, waste, and Hazardous Materials used, stored, or disposed of by Lessee or its agents, employees, contractors, invitees or Trespassers, or otherwise discharged on the Premises or Other Airport Property for which Lessee is responsible during the term of this Agreement. The Premises shall be surrendered in a condition that complies with all applicable Environmental Requirements, and such other reasonable environmental requirements as may be imposed by County. Lessee shall not be responsible under this section 8.19 to the extent of County's obligations under this Article 8.

8.20 Breach: Any breach by Lessee of any provision of this Article 8 shall, after notice and a reasonable opportunity for Lessee to cure, constitute a default of the Agreement and shall entitle County to exercise any and all remedies provided in the Agreement, or as otherwise permitted by law.

8.21 Survivability of Terms: the terms and conditions of this Article 8, including the indemnity, waiver, and release, shall survive the termination of this Agreement.

8.22 Right to Regulate: As provided for in Article 20.12 of this Agreement, nothing within this Article 8 shall be construed to waive or limit, restrain, impair or interfere with the County's regulatory authority.

ARTICLE 9

Indemnification and Hold Harmless

Lessee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Lessee or its employees, agents, servants, partners, principals or subcontractors, except to the extent such losses or damages are caused by the negligence or willful misconduct of the County, its officers, employees or agents.. Lessee shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay costs, judgments and attorney's fees which may issue thereon. Lessee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Lessee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

ARTICLE 10
Assignment and Subletting

The Lessee shall not assign, transfer, pledge or otherwise encumber this Agreement, provided, however, this Agreement may be assigned to any successor airline resulting from a merger with or acquisition of Airline. Further, the Lessee shall not sublet all or any portion of the Premises, or allow others to use the Premises without the express prior written consent of the Department. The County acknowledges that American Eagle has previously shared a portion of the Premises and such continuance of it shared portion is hereby approved.

ARTICLE 11
Insurance

11.01 Insurance Required: In addition to such insurance as may be required by law, the Lessee shall maintain, without lapse or material change, for so long as it occupies the Premises, the following insurance:

- (A) Commercial General Liability Insurance on a comprehensive basis, including Contractual Liability, to cover the Lessee's Premises and operations, in an amount not less than \$5,000,000 combined single limit per occurrence for bodily injury and property damage. The County must be shown as an additional insured with respect to this coverage.
- (B) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used by the Lessee in connection with its operations under this Agreement in an amount not less than:
 - (1) \$5,000,000 combined single limit per occurrence for bodily injury and property damage.
 - (2) \$300,000 combined single limit per occurrence for bodily injury and property damage covering vehicles when being used by the Lessee off of the AOA.
- (C) Pollution Legal Liability Insurance for Lessee's Premises and other airport property in an amount not less than \$2,000,000 per pollution incident and in the aggregate covering site assessment, site clean-up, third party claims, including, but not limited to governmental claims, legal defense costs, charges and expenses arising from any on-site and off-site loss, damage, expense or claim related to the release or any threatened release of Hazardous Material.

The insurance coverages required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the Lessee under this Agreement. All insurance policies required pursuant to the terms of

this Agreement shall be issued in companies approved to do business under the laws of the State of Florida. Such companies must be rated no less than "A-" as to management, and no less than "VII" as to strength in accordance with the latest edition of "Best's Insurance Guide", published by A.M. Best Company, Inc., or its equivalent, subject to approval of the County Risk Management Division.

11.02 Insurance Certificates Required: Prior to the commencement of operations hereunder and annually thereafter, the Lessee shall furnish or cause to be furnished certificates of insurance to the Department which certificates shall clearly indicate that:

- (A) The Lessee has obtained insurance in the types, amounts and classifications as required for strict compliance with this Article;
- (B) The policy cancellation notification provisions specify at least 30 days advance written notice of cancellation to the County; and
- (C) The County is named as an additional insured with respect to the Lessee's public liability policies.

On said insurance certificates, unless specifically shown to be excluded thereon, comprehensive public liability coverage shall include contractual liability, and notification of cancellation shall include notification of material changes in the policies.

The County reserves the right to require the Lessee to provide such reasonably amended insurance coverage as it deems necessary or desirable, upon issuance of notice in writing to the Lessee, which notice shall automatically amend this Agreement effective 30 days after such notice.

11.03 Compliance: Compliance with the requirements of this Article 11 (Insurance) shall not relieve the Lessee of its liability under any other portion of this Agreement or any other agreement between the County and the Lessee.

11.04 Right to Examine: The Department reserves the right, upon reasonable notice, to examine the original or true copies of policies of insurance (including but not limited to binders, amendments, exclusions, riders and applications) to determine the true extent of coverage. The Lessee agrees to permit such inspection at the offices of the Department.

11.05 Personal Property: Any personal property of the Lessee or of others placed in the Premises and Airport shall be at the sole risk of the Lessee or the owners thereof, and the County shall not be liable for any loss or damage, except to the extent such loss or damage was caused by the sole active negligence of the County, as limited by Section 768.28, Florida Statutes.

ARTICLE 12
Use of Public Facilities

The County grants to the Lessee, in common with all others desiring to use the Airport, and only to the extent necessary or reasonably desirable, so long as such use does not conflict with the County's operation of the Airport, to carry out the rights granted the Lessee hereunder, the nonexclusive privilege to use the runways, taxiways, roads of egress and ingress, service roads and such other facilities and improvements as may be now in existence or hereafter constructed for the use of persons lawfully using Building 3095; provided, however, that such usage shall be subject to the payment of nondiscriminatory fees and other charges established by the County. Nothing herein contained shall grant to the Lessee the right to use any leasable space or area improved or unimproved which is leased to a third party, or which the County has not leased herein.

ARTICLE 13
Termination

13.01 Payment Defaults: Failure of the Lessee to make all payments of rentals, fees and charges required to be paid herein when due shall constitute a default, and the County may, at its option terminate this Agreement after seven calendar days notice in writing to the Lessee unless the default be cured within the notice period.

13.02 Insurance Defaults: The County shall have the right, upon seven calendar days written notice to the Lessee, to terminate this Agreement if the Lessee fails to provide evidence of insurance coverage in strict compliance with Article 11 hereof prior to commencement of operations, or fails to provide a renewal of said evidence upon its expiration; provided, however, that such termination shall not be effective if the Lessee provides the required evidence of insurance coverage within the notice period.

13.03 Other Defaults: The County shall have the right, upon 30 calendar days written notice to the Lessee, to terminate this Agreement upon the occurrence of any one or more of the following, unless the same shall have been corrected within such period, or, if correction cannot reasonably be completed within such 30-day period, in the sole discretion of the Department, the Lessee has commenced substantial corrective steps within such 30-day period and diligently pursues same to completion:

- (A) Failure of the Lessee to comply with any covenants of this Agreement, other than the covenants to pay rentals, fees and charges when due, and the covenants to provide required evidence of insurance coverage.
- (B) The conduct of any business, the performance of any service, or the merchandising of any product or service not specifically authorized herein, by the Lessee.
- (C) Failure of the Lessee to comply with any Environmental Law or Environmental Requirement as those terms are defined in Article 8.01 of this Agreement.

13.04 Habitual Default: Notwithstanding the foregoing, in the event that the Lessee has frequently, regularly or repetitively defaulted in the performance of or breached any of the terms, covenants and conditions required herein to be kept and

performed by the Lessee, in the sole opinion of the County and regardless of whether the Lessee has cured each individual condition of breach or default as provided in Articles 13.01 (Payment Defaults), 13.02 (Insurance Defaults) and 13.03 (Other Defaults) hereinabove, the Lessee shall be determined by the Director to be an "habitual violator." At the time that such determination is made, the Department shall issue to the Lessee a written notice advising of such determination and citing the circumstances therefor. Such notice shall also advise the Lessee that there shall be no further notice or grace periods to correct any subsequent breach(es) or default(s) and that any subsequent breach(es) or default(s), of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and, collectively, shall constitute a condition of noncurable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the County may cancel this Agreement upon the giving of written notice of termination to the Lessee, such termination to be effective upon the tenth day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Lessee shall have no further rights hereunder.

13.05 Termination by Abandonment: This Agreement shall be automatically terminated upon the abandonment by the Lessee of the Premises or the voluntary discontinuance of operations at the Airport for any period of time exceeding 15 consecutive calendar days, unless such abandonment or discontinuance has been caused by strike, labor disturbance, acts of God, civil disturbance or governmental order that prevents the Lessee's use of the Premises for the purposes authorized in Article 2 (Use of Premises) hereof.

13.06 Actions at Termination: The Lessee shall vacate, quit, surrender up and deliver the Premises to the County on or before the termination date of this Agreement, whether by lapse of time or otherwise. The Lessee shall surrender the Premises in the condition required under Article 4.03 (Maintenance and Repairs) herein. All repairs for which the Lessee is responsible shall be completed prior to surrender. The Lessee shall deliver to the Department all keys to the Premises upon surrender. On or before the termination date of this Agreement, except in the instance of termination pursuant to Article 13.05 (Termination by Abandonment), in which event the Lessee shall be allowed up to five calendar days from date of termination, and provided that the Lessee is not in default in the payment of any rentals, fees or charges required to be paid herein, the Lessee shall remove all of its personal property from the Premises. Any personal property of the Lessee not removed in accordance with this Article may be removed by the Department for storage at the cost of the Lessee. Failure on the part of the Lessee to reclaim its personal property within 30 days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever disposition is deemed to be in the best interest of the County.

The Lessee shall, at its expense, take all actions required by Federal, State and local laws, regulations or codes to remove from the Premises any hazardous substance or environmental contaminant, whether stored in drums, or found in vats, containers, distribution pipe lines, or the like. All such substances and contaminants shall be removed by the Lessee in a manner approved and authorized by such Federal, State or local laws, regulations or codes.

If the County advises the Lessee that it has reasonable grounds to believe that any hazardous substance or environmental contaminant has been released within the Premises or into the ground under the Premises, during the term of this Agreement or during the terms of any prior leases between the Lessee and the County for the same or substantially the same Premises, then the Lessee at its sole cost and expense shall retain an approved environmental consultant to perform whatever environmental

assessment may be required to determine the extent of such release. The Lessee shall comply with the recommendations and conclusions, contingent upon County approval, of such consultant regarding environmental clean up efforts that may be required, and shall comply with any other clean up requirements imposed on the Lessee by Federal, State or local law, regulations or codes.

13.07 Right to Show Premises: At any time after the Lessee has been given notice of termination or default, pursuant to Article 13 (Termination) hereof, the County shall have the right to enter on the Premises for the purpose of showing the Premises to prospective tenants or users.

13.08 County Defaults: This Agreement shall be subject to termination by the Lessee in the event of a default by the County in the performance of any covenant or agreement herein required to be performed by the County and the failure of the County to remedy same within a reasonable period of time following receipt of written notice from the Lessee of such default.

13.09 Other Terminations: This Agreement shall be subject to termination by the County or the Lessee in the event of any one or more of the following:

- (A) The permanent abandonment of the Airport.
- (B) The lawful assumption by the United States Government or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part or parts thereof, in such a manner as to substantially restrict the Lessee from operating therefrom for a period in excess of 90 consecutive days, provided that nothing contained herein shall be deemed to constitute a waiver by the Lessee of any right it may have against the United States to just compensation in the event of any such assumption.
- (C) The issuance by any court of competent jurisdiction of any injunction in any way substantially preventing or restraining the use of the Airport, and the remaining in force of such injunction for a period in excess of 90 days.

ARTICLE 14 Special Conditions

14.01 Quality of Services: The Lessee shall furnish the services required and authorized, pursuant to Article 2 (Use of Premises) hereof, on a good, prompt and efficient basis and on a fair, equal and not unjustly discriminatory basis to all users thereof.

14.02 Nondiscriminatory Prices: The Lessee shall charge fair, reasonable, customary and not unjustly discriminatory prices for each unit of sale or service; provided, however, that the Lessee may make reasonable, customary and nondiscriminatory discounts, rebates or similar types of price reductions to volume purchasers of the Lessee's services.

14.03 County's Obligations: The Lessee, in recognition of the County's obligation, pursuant to Section 22 of Part V of the Federal Aviation Administration's standard grant assurances, to enforce the provisions of Articles 14.01 (Quality of Services) and 14.02 (Nondiscriminatory Prices) above, agrees that the Department may, from time to time, promulgate standards, methods and procedures for and monitor and test the provision of services hereunder and may require the Lessee to provide

copies of schedules of service charges and the bases for discounts, rebates and similar types of price reductions. Should the Department determine that the Lessee is not in compliance with the provisions of Articles 14.01 (Quality of Services) and 14.02 (Nondiscriminatory Prices) above, the first such occurrence shall be considered a curable default, pursuant to Article 13.03 (Other Defaults) hereof, and subsequent occurrence(s) shall be considered a material breach of this Agreement, entitling the County to the remedies provided in this Agreement or by law.

ARTICLE 15 **Nondiscrimination**

15.01 Employment Discrimination: The Lessee shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment because of age, sex, race, color, religion, national origin, ancestry or disability. The Lessee shall comply with applicable provisions of the Americans with Disabilities Act, including, but not limited to, provisions pertaining to employment.

15.02 Nondiscriminatory Access to Premises and Services: The Lessee, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color, sex, national origin or ancestry shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises; (2) that in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color, sex, national origin or ancestry shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of the improvements; and (3) that the Lessee shall use the Premises in compliance with all other requirements imposed by or pursuant to then enforceable regulations of the Department of Transportation, as amended from time to time.

15.03 Breach of Nondiscrimination Covenants: In the event it has been determined that the Lessee has breached any enforceable nondiscrimination covenants contained in Articles 15.01 (Employment Discrimination) and 15.02 (Nondiscriminatory Access to Premises and Services) above, pursuant to the complaint procedures contained in the applicable Federal Regulations, and the Lessee fails to comply with the sanctions and/or remedies which have been prescribed, the County shall have the right to terminate this Agreement pursuant to Article 13.03 (Other Defaults) hereof.

15.04 Affirmative Action and Community Small Business Enterprise, and Disadvantaged Business Enterprises Programs: The Lessee acknowledges that the provisions of Local Ordinance 97-52 for Community Small Business Enterprises ("CSBE") and/or the provisions of 49 CFR Part 23, Disadvantaged Business Enterprises ("DBE") and 14 CFR Part 152, Affirmative Action Employment Programs, are applicable to the activities of the Lessee under the terms of this Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U.S. Department of Transportation. These requirements may include, but not be limited to, the compliance with CSBE, DBE and/or Employment Affirmative Action participation goals, keeping of certain records of good faith compliance efforts, and the submission of various reports, including, if directed by the Department, the contracting of specified percentages of goods and services contracts to Community Small Business Enterprises and/or Disadvantaged Business Enterprises.

In the event it has been determined, in accordance with applicable regulations, that the Lessee has defaulted in the requirement to comply with this section, and, the Lessee thereafter fails to comply with the sanctions and/or remedies then prescribed, the County shall have the right, upon written notice to the Lessee to terminate this Agreement pursuant to Article 13.03 (Other Defaults) hereof.

ARTICLE 16

Security and Special Provisions

16.01 Security: The Lessee acknowledges and accepts full responsibility for the security and protection of the Premises, any improvements thereon, its equipment and property on the Airport and control of access to the AOA through the Premises by persons and vehicles. The Lessee fully understands and acknowledges that any security measures deemed necessary by the Lessee for the protection of said Premises, equipment and property and access to the AOA through the Premises shall be the sole responsibility of the Lessee and shall involve no cost to the County. All such security measures by the Lessee shall be in accordance with 49 CFR 1542 and the Airport Security Plan.

16.02 Security Identification Display Areas Access - Identification Badges: The Lessee shall be responsible for requesting the Department to issue identification ("ID") badges to all employees who are authorized access to Security Identification Display Areas ("SIDA") on the Airport, designated in the Airport's security program and shall be further responsible for the immediate reporting of all lost or stolen ID badges and the immediate return of the ID badges of all personnel transferred from Airport assignment or terminated from the employ of the Lessee or upon termination of this Agreement. Each employee must complete the SIDA training program conducted by the Department, before an ID badge is issued. The Lessee shall pay, or cause to be paid, to the Department such nondiscriminatory charges, as may be established from time to time, for lost or stolen ID badges and those not returned to the Department in accordance with this Article. The Department shall have the right to require the Lessee to conduct background investigations and to furnish certain data on such employees before the issuance of such ID badges, which data may include the fingerprinting of employee applicants for such badges.

16.03 AOA - Driver Training: Before the Lessee shall permit any employee to operate a motor vehicle of any kind or type on the AOA, the Lessee shall require such employee to attend and successfully complete the AOA Driver Training Course conducted from time to time by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department for any violation of AOA driving rules. Notwithstanding the above, the Lessee shall be responsible for ensuring that all such vehicle operators possess current, valid, appropriate Florida driver's licenses.

16.04 Alcohol and Drug Testing: The Lessee acknowledges that the County, as a public agency sponsor under the provisions of the Airport and Airway Improvement Act of 1982, as amended (the "Act"), has the obligation to establish a drug free workplace and to establish policies and programs to ensure airport safety and security. The Lessee acknowledges that the Department, on behalf of the County, has the right to require users of the Airport (Lessees, Permittees, Licensees, etc.) to establish reasonable programs to further the achievement of the objectives described herein. Accordingly, the Lessee shall establish programs for pre-employment alcohol and drug screening for all candidates for employment at the Airport who will as a part of their duties (a) be present on the AOA; (b) operate a motor vehicle of any type on the AOA; or (c) operate any equipment, motorized or not, on the AOA and for the same or similar

screening based upon a reasonable suspicion that an employee, while on duty on the AOA, may be under the influence of alcohol or drugs. Notwithstanding the above, the Lessee specifically acknowledges that the County, acting through the Department, has the right and obligation to deny access to the AOA and to withdraw AOA driving privileges from any person who it has a reasonable suspicion to believe is under the influence of alcohol or drugs.

16.05 Drug-Free Workplace Default: The Lessee acknowledges it has provided to the County a Drug-Free Workplace Affidavit certifying that it is providing a drug-free workplace for its employees, as required by County Ordinance No. 92-15, adopted on March 17, 1992 as amended from time to time ("Ordinance"). Based on the provisions of said Ordinance, the County shall have the right, upon 30 days written notice to the Lessee, to terminate this Agreement in the event the Lessee fails to provide, as of each anniversary of the effective date of this Agreement, the annual re-certification affidavit as required by the Ordinance; provided, however, that such termination shall not be effective if the Lessee submits the required Affidavit within the notice period.

Further, this Agreement shall be terminated upon not less than fifteen calendar days written notice to the Lessee and without liability to the County, if the Department or the County Manager determines any of the following:

- (A) That the Lessee has made a false certification in its execution of the Affidavit submitted or in its annual re-certification as required by the Ordinance;
- (B) That the Lessee has violated its original or renewal certification by failing to carry out any of the specific requirements of the Ordinance, other than the annual re-certification; or
- (C) That such a number of employees of the Lessee have been convicted of violations occurring in its workplace(s) as to indicate that the Lessee has failed to make a good faith effort to provide a drug-free workplace as required by the Ordinance.

16.06 Special Programs: The Lessee shall ensure that all employees participate in such safety, security and other training and instructional programs, as the Department or appropriate Federal agencies may from time to time require.

16.07 Vehicle Permit and Company Identification: Motor vehicles and equipment of the Lessee operating on the AOA must have an official motor vehicle identification permit issued pursuant to Operational Directives of the Department. In addition, company identification must be conspicuously displayed thereon.

16.08 Federal Agencies Right to Consent: The Lessee understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies shall not be employed by the Lessee in areas under the jurisdiction or control of such federal inspection agencies.

16.09 AOA - Right to Search: The Lessee agrees that its vehicles, cargo, goods and other personal property are subject to being searched when attempting to enter or leave and while on the AOA. The Lessee further agrees that it shall not authorize any employee or agent to enter the AOA unless and until such employee or agent has

executed a written consent-to-search form acceptable to the Department. Persons not executing such consent-to-search form shall not be employed by the Lessee at the Airport, in any job requiring access to the AOA.

It is further agreed that the Department has the right to prohibit an individual, agent or employee of the Lessee from entering the AOA based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage or other unlawful activities. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a hearing before the Director of the Department or his authorized designee within a reasonable time. Prior to such hearing, the person denied access to the AOA shall be advised, in writing, of the reasons for such denial.

The Lessee acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts, cargo tampering, aircraft sabotage and other unlawful activities at the Airport.

16.10 Right of Flight: There is hereby reserved to the County, its successors and assigns, for the use and benefit of the County and the public, a right of flight for the passage of aircraft in the air space above the surface of the premises herein leased, together with the right to cause in said air space such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said air space for landing at, taking off from or operating on Miami International Airport.

16.11 Height Restrictions: The Lessee expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the leased premises to such a height so as to comply with Federal Aviation Regulations, Part 77 and with the Code of Miami-Dade County, whichever is more restrictive.

ARTICLE 17 Control of Employees

17.01 Control of Employees: The Lessee shall properly control the actions of its employees at all times that said employees are working on the Airport, ensuring that they present a neat appearance and discharge their duties in a courteous and efficient manner and that they maintain a high standard of service to the public.

17.02 Lessee's Responsibility for Employee's Violations: In the event the Lessee is in default of the covenants of Article 17.01 (Control of Employees) for failure to properly control its employees or by permitting its employees to improperly use the facilities provided by the County, the Department shall have the right to require the Lessee to conduct an investigation into any claimed violation of the covenants; if such investigation substantiates a violation, Lessee agrees to administer the appropriate discipline up to and including discharge of the offending employee.

ARTICLE 18
Civil Actions

18.01 Governing Law; Venue: This Agreement shall be governed and construed in accordance with the laws of the State of Florida. The venue of any action on this Agreement shall be laid in Miami-Dade County, Florida, and any action to determine the rights or obligations of the parties hereto shall be brought in the courts of the State of Florida.

18.02 Notice of Commencement of Civil Action: In the event that the County or the Lessee commence a civil action where such action is based in whole or in part on an alleged breach of this Agreement, the County and the Lessee agree that service of process shall be made pursuant to the rules of Civil Procedure in the court in which the action has been filed.

18.03 Registered Office/Agent; Jurisdiction: Notwithstanding the provisions of Article 18.02 (Notice of Commencement of Civil Action), and in addition thereto, the Lessee, if a corporation, shall designate a registered office and a registered agent, as required by Section 48.091, Florida Statutes, such designations to be filed with the Florida Department of State in accordance with Section 607.0501, Florida Statutes. If the Lessee is a natural person, he and his personal representative hereby submit themselves to the jurisdiction of the Courts of this State for any cause of action based in whole or in part on an alleged breach of this Agreement.

ARTICLE 19
Trust Agreement

19.01 Incorporation of Trust Agreement by Reference: Notwithstanding any of the terms, provisions and conditions of this Agreement, it is understood and agreed by the parties hereto that, to the extent of any inconsistency with or ambiguity relating to the terms and conditions of this Agreement, and the level of rents, fees or charges required hereunder and their periodic modification or adjustment as may be required by the provisions of the Amended and Restated Trust Agreement dated as of the 15th day of December, 2002 as amended by and between the County and the JP Morgan Chase Bank as Trustee and Wachovia Bank, National Association as Co-trustee, and specifically the terms of Section 501 thereof, shall prevail and govern at all times during the term of this Agreement. Copies of the Trust Agreement are available for inspection in the offices of the Department during normal working hours.

19.02 Adjustment of Terms and Conditions: If, at any time during the term of this Agreement, a Federal agency or court of competent jurisdiction shall determine that any of the terms and conditions of this Agreement, including the rentals, fees and charges required to be paid hereunder to the County by the Lessee or by other Lessees under other Agreements of the County for the lease or use of facilities used for similar purposes, are unjustly discriminatory, the County shall have the right to modify such terms and conditions and to increase or otherwise adjust the rentals, fees and charges required to be paid under this Agreement in such a manner as the County shall determine is necessary and reasonable so that the rentals, fees and charges payable by the Lessee and others shall not thereafter be unjustly discriminatory to any user of like facilities and shall not result in any violation of the Trust Agreement and/or bond resolution or in any deficiency in revenues necessary to comply with the covenants of the Trust Agreement and/or bond resolution. In the event the County has modified the

39

terms and conditions of this Agreement, including any adjustment of the rentals, fees and charges required to be paid to the County pursuant to this provision, this Agreement shall be amended to incorporate such modification of the terms and conditions including the adjustment of rentals, fees and charges upon the issuance of written notice from the Department to the Lessee.

ARTICLE 20 Other Provisions

20.01 No Representation: The County makes no representation, warranty, guarantee, or averment of any nature whatsoever concerning the physical condition of the Premises, and it is agreed that County will not be responsible for any loss, damage or costs which may be incurred by the Lessee by reason of any such physical condition.

20.02 Headings: Any headings preceding the text of any articles, paragraphs or sections of this Agreement shall be solely for convenience of reference and shall not constitute a part of this Agreement, nor shall they affect its meaning, construction or effect.

20.03 Interference: The Lessee further expressly agrees to prevent any use of the Premises, which would interfere with or adversely affect the operation or maintenance of the Airport or otherwise constitute an airport hazard.

20.04 Authorized Uses Only: The Lessee shall not use or permit the use of the Premises for any illegal or unauthorized purpose or for any purpose which would increase the premium rates paid by the County on, or invalidate, any insurance policies of the County or any policies of insurance written on behalf of the Lessee under this Agreement.

20.05 Binding Effect: The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their successors and assigns. This provision shall not constitute a waiver of any conditions prohibiting assignment or subletting.

20.06 Federal Subordination: This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. All provisions of this Agreement shall be subordinate to the right of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time of war or national emergency for military or naval use and any provisions of this Agreement inconsistent with the provisions of such lease to, or assumption of control by, the United States of America shall be suspended.

20.07 Notices: All notices required or permitted to be given under the terms and provisions of this Agreement by either party to the other shall be in writing and shall be hand delivered or sent by registered or certified mail, return receipt requested, to the parties as follows:

or to such other address as may hereafter be provided by the parties in writing. Notices by registered or certified mail shall be deemed received on the delivery date indicated by the U.S. Postal Service on the return receipt. Hand delivered notices shall be deemed received by the Lessee when presented to the local management representative of the Lessee.

20.08 Rights Reserved: Rights not specifically granted the Lessee by this Agreement are reserved to the County.

20.09 Rights of County at Airport: The County shall have the absolute right, without limitation, to make any repairs, alterations and additions to any structures and facilities at the Airport. The County shall, in the exercise of such right, be free from any and all liability to the Lessee for business damages occasioned during the making of such repairs, alterations and additions, except those occasioned by the sole active negligence of the County, its employees, or agents.

20.10 Rights to be Exercised by Department: Wherever in this Agreement rights are reserved to the County, such rights may be exercised by the Department.

20.11 No Waiver: There shall be no waiver of the right of either party to demand strict performance of any of the provisions, terms and covenants of this Agreement nor shall there be any waiver of any breach, default or non-performance hereof by either party, unless such waiver is explicitly made in writing by the other party. Any previous waiver or course of dealing shall not affect the right of either party to demand strict performance of the provisions, terms and covenants of this Agreement with respect to any subsequent event or occurrence of any subsequent breach, default or non-performance hereof by the other party.

20.12 Right to Regulate: Except to the extent prohibited by Federal law, nothing in this Agreement shall be construed to waive or limit the governmental authority of the County, as a political subdivision of the State of Florida, to regulate the Lessee or its operations. Notwithstanding any provision of this Agreement, nothing herein shall bind or obligate the County, the Zoning Appeals Board, the Building and Zoning Department (as it may be renamed from time to time), the Planning Department, or any department, board or agency of the County to agree to any specific request of the Lessee that is related in any way to the regulatory or quasi-judicial power of the County; and the County shall be released and held harmless by the Lessee from any liability, responsibility, claims, consequential damages or other damages, or losses resulting from the denial or withholding of such requests, provided, however, that this provision shall not preclude any appeal from County action wherein the sole remedy sought is reversible of the County's action or injunctive relief; nor shall it preclude any action based on the County's bad faith, capricious behavior or arbitrary action.

20.13 Severability: If any provision of this Agreement or the application thereof to either party to this Agreement is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions of this Agreement which can be given effect without the invalid provision, and to this end, the provisions of this Agreement are severable.

20.14 Inspections: The authorized employees and representatives of the County and of any applicable Federal or State agency having jurisdiction hereof shall have the right of access to the Premises at all reasonable times for the purposes of inspection and testing to determine compliance with the provisions of this Agreement. This right of inspection and testing shall impose no duty on the County to inspect and shall impart no liability upon the County should it not make any such inspections.

20.15 Payment of Taxes: The Lessee shall pay all taxes and other costs lawfully assessed against its leasehold interests in the Premises, its improvements and its operations under this Agreement; provided, however, the Lessee shall not be deemed to be in default of its obligations hereunder for failure to pay such taxes pending the outcome of any legal proceedings instituted to determine the validity of such taxes. Failure to pay the taxes upon the adverse ultimate conclusion of such legal proceedings against the Lessee shall constitute a default.

20.16 Quiet Enjoyment of Others: The Lessee shall control the actions of its employees, agents, invitees and those doing business with it, so as to not annoy, disturb or be offensive to others and to provide the service hereunder so as to not unreasonably create a nuisance or thing which may disturb the quiet enjoyment of any other users of the Airport.

20.17 Radon Disclosure: In accordance with Section 404.056, Florida Statutes, the following disclosure is hereby made:

Radon Gas: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

20.18 Force Majeure: The terms and conditions of this Agreement (with the exception of the obligation of the Lessee to pay the amounts required by the terms of this Agreement) shall be subject to "Force Majeure". Neither the County nor the Lessee shall be considered in default in the performance of its obligations hereunder, if such performance is prevented or delayed because of war, hostilities, revolution, civil commotion, strike, lock-out, epidemic, fire, wind, flood, hurricane, tornado, lightning, wind damage, or because of any law, order, proclamation, regulation or ordinance of any government or of any subdivision thereof or because of any act of good or any other cause whether of similar or dissimilar nature beyond the reasonable control of the party affected, provided that notice of such force majeure is given by the affected party to the other within ten (10) days of the beginning of said force majeure. Should one or both of the parties be prevented from fulfilling their contractual obligation by a state of force majeure lasting continuously for a period of six (6) months, the parties shall consult with each other regarding the future implementation of this Agreement.

20.19 Destruction of Premises: In the event the Premises shall be destroyed or so damaged or injured by fire, windstorm, flood or other casualty (and in each such event the Lessee was not at fault in whole or in part) during the life of this Agreement that the Premises or any portion thereof are rendered untenable, the County shall have the right, but not the obligation, to render said Premises or damaged portion thereof tenantable by repairs completed within a reasonable period of time.

- (A) Total Destruction: In the event the County elects not to render the Premises tenantable, if destroyed or damaged in their entirety, the Lessee shall be so notified in writing by the Department, and this Agreement shall be deemed terminated as of the date of the casualty, with the Lessee being liable only for payment of rentals on a pro rata basis as to whatever portion(s) of the Premises which were tenantable and used by the Lessee following the casualty. In such event, the Department shall endeavor to find adequate replacement premises for the Lessee in existing facilities on the Airport.

If the damaged portion of the Premises is not rendered tenantable by the County within a reasonable period of time, and the Lessee shall determine that: 1) the loss of the damaged portion of the Premises shall have a materially adverse impact on the ability of the Lessee to utilize the Premises for the purposes described in Article 2; or 2) would require the

Lessee to obtain other space off the Premises in order to substantially conduct the operations of the Lessee originally conducted within the Premises, then, in either such event, upon written notice to the County, the Lessee may cancel this Agreement as of a date which shall be not later than three months from the giving of such notice, if the repairs are not completed within 90 days following such written notice of the intent to cancel, or if the County has not commenced repairs within such notice period for repairs which cannot be reasonably completed within such 90-day period. In the event of cancellation, the rent for the untenable portion of the Premises shall be paid only to the date of such fire, windstorm, flood, or other casualty. If the Agreement is not canceled following any such casualty, the rent shall be abated as to the portion of the Premises rendered untenable.

If the casualty was caused in whole or in substantial part by the Lessee, its officers, employees, agents, contractors or trespassers, then the Lessee shall not have the right to terminate this Agreement and shall be responsible under other provisions of this Agreement for payment to the County of all damage to the Premises, plus the loss of rentals attributable to the damaged or destroyed premises.

20.20 Quiet Enjoyment: Subject to the terms of this Agreement, specifically including, but not limited to, environmental remediation steps to be taken under Article 8, the County's right and obligation to make certain repairs, alterations, and additions under Articles 5 (Maintenance by County) and 20.09 (Rights of County at Airport), which, for purposes of this clause, includes any and all demolition, in whole or in part, of buildings and runways, and roadway systems on or off the Airport, and the reservation of easement rights to the airspace under Article 16.10 (Right of Flight), all of which provisions and others in this Agreement, the Lessee acknowledges may cause disruption and disturbance to the Lessee, and upon the observance by the Lessee of all the terms, provisions, covenants, and conditions imposed upon the Lessee hereunder, the Lessee shall peaceably and quietly hold and enjoy the Premises for the term of this Agreement; provided, however, that the County shall not be liable for any violation of this clause or for any disturbance or disruption in or to the Lessee's business, for acts or omissions of tenants, users of the Airport, third parties or when any department or agency of the County is acting in its governmental capacity or by Acts of God.

20.21 Interpretation of Agreement: This Agreement is the result of negotiation between the parties hereto and has been typed/printed by one party for the convenience of both parties, and the parties covenant that this Agreement shall not be construed in favor of or against any of the parties hereto.

20.22 Entirety of Agreement: The parties hereto agree that this Agreement sets forth the entire agreement between the parties, and there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or

otherwise altered, except as may be specifically authorized herein or by written instrument executed by the parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their appropriate officials as of the date first above written.
