Agenda Item No. 8(I)(1)(A)

Recommendation

It is recommended that the Board retroactively authorize the Intergovernmental Cooperation Agreement between the City of Pittsburgh and Miami-Dade County for the Miami-Dade Police Department (MDPD) to provide services and aid in preparation for and during the G20 Summit, known as the G20 Event, held on September 24-25, 2009.

Scope

The agreement will authorize MDPD to provide services for the G20 Event as described in the Agreement.

Fiscal Impact/Funding Source

The City of Pittsburgh will reimburse the MDPD an estimated \$214,080.59 for personnel salaries, overtime, and transportation expenses for Department personnel assigned to provide these services detailed in the Agreement. In addition, the City of Pittsburgh will compensate the MDPD for additional expenses if there are any unforeseeable circumstances which might increase this amount.

Track Record/Monitor

The Agreement will be administered and monitored by the MDPD.

Background

The G20 Event is a forum for the discussion of international finance issues by the heads of state of 20 member countries from around the world. This year Pittsburgh, Pennsylvania has been chosen to host this high-profile and important event. Due to the nature of the issues discussed, these forums are known to attract a variety of interested parties. As the host city, the Pittsburgh Bureau of Police (PBP) is responsible for coordinating local law enforcement efforts for the G20 Event and to promote the safety and welfare of all G20 Event participants and members of the public.

The MDPD was requested to assist the PBP based on its well respected reputation in the police community, and its proven experience in crowd control and field force deployments. Seventy (70) officers were carefully selected and assigned to staff this event. These officers have been trained in the type of tactics specifically needed to assist the PBP during the G20 Event.

The Miami-Dade Police Department is proud to have been called upon to participate and assist in a world event as important as the G20 Summit 2009 in Pittsburgh and to represent Miami-Dade County.

5

WHEREAS, the parties now wish to outline the terms and scope of the intergovernmental cooperation required for G20 Event purposes.

NOW THEREFORE, pursuant to the authority of 53 Pa.C.S.A. §§ 2301 *et seq.*, and other applicable statutes and ordinances authorizing intergovernmental cooperation and in consideration of the mutual covenants herein contained and the benefits that each party hereto shall derive from their joint participation, the parties agree as follows:

I. INCORPORATION OF RECITALS

The above recitals are incorporated herein by reference.

II. ORGANIZATIONAL STRUCTURE

A. Agency acknowledges and agrees that at all times during any joint training session prior to the G20 Event and during the G20 Event Period, including each deployment of any certified police officer ("LPO" as further defined below), regardless of such LPO's rank or job title within the Agency, he or she shall be subject to a structure of supervision, command and control coordinated through a unified law enforcement command composed of federal, state, and local public safety personnel and following unified command principles and practices established throughout the law enforcement community.

B. The PBP is the lead local law enforcement agency associated with G20 Event law enforcement. All functions and duties to be performed by the Agency's personnel under this Agreement will conform to the G20 Operational Plan (the "Plan"), with specific assignments to be communicated to the Agency by the "Commanding Officer" (as defined below) or his designee. Agency will be provided with briefings from the PBP, as necessary, regarding its assignments.

C. For purposes of the G20 Event Period, the PBP's "Commanding Officer" shall be City of Pittsburgh Police Chief Nathan Harper.

D. Agency LPOs performing services pursuant to this Agreement will abide by the PBP's G20 Operational Plan, provided it is not contrary to applicable law, which will be made available to the Agency in one or more G20 information and training packets ("G20 Preparatory Materials") prior to the G20 Event. The Agency shall disseminate the G20 Preparatory Materials to its LPOs providing services hereunder. The Agency agrees to follow PBP's G20 Operational Plan with respect to any G20 Event services provided hereunder and shall instruct its LPOs to do likewise. By signing this Agreement, Agency certifies that all LPOs provided hereunder are or will be trained on the G20 Preparatory Materials provided by PBP before the G20 Event period. The Agency was not consulted prior to the creation of the "G20 Operational Plan" and consequently had no role in creating or drafting the "G20 Operational Plan."

E. Nothing in this Agreement shall affect the statutory or common law authority of the parties or their personnel, nor shall this Agreement limit or enhance the respective liabilities and immunities of the parties. Responsibility for the conduct of Agency personnel, both personally and professionally, shall remain with the Agency as further set forth herein.

III. AGENCY RESPONSIBILITIES

Agency agrees to the following terms in preparation for and during the G20 Event:

A. That upon reasonable advance written notification from the PBP, Agency's LPOs being deployed at the G20 Event shall participate in G20 Event training activities that are coordinated or conducted by Agency and the PBP or its designee. For purposes of this Agreement, training activities will include G20 Preparatory Materials and in person-training on September 23, 2009, for all Agency LPOs providing services during the G20 Event Period; and

B. That upon reasonable advance written notification from the PBP to the Agency, each Agency LPO being deployed at the G20 Event shall provide services assigned by the PBP during the G20 Event Period; and

C. That each Agency LPO agrees to be placed by the PBP in an "on call" status in which the LPO is physically near a specified G20 Event location within the City of Pittsburgh or the County of Allegheny, so as to be able to physically report in a timely manner to such duty post assigned by the PBP and be prepared to undertake the specific job task or responsibility assigned to the LPO by the PBP. The physical location of the Agency LPO's will be dictated by availability of accommodations during the G20 Event.

D. That at the request of the PBP, each Agency LPO shall participate in and/or provide information to and otherwise cooperate with the PBP in any "after action activities" following the conclusion of the G20 Event Period. This may include debriefings of information and experiences, or completion of surveys and questionnaires and assisting and/or participating in any civil and/or criminal legal proceedings.

E. Agency agrees to cooperate with and provide the City with any other information reasonably requested by the City that the City deems necessary to facilitate and enable compliance with the terms and conditions contained in this Agreement. By way of illustration only, such cooperation and information may include, but not be limited to the Agency's timely completion and production of information required for insurance or audit purposes. The Agency or their representatives will have the right to review all documents prior to the production of any information, and agrees to release information as it complies with the laws of the State of Florida.

F. Agency has designated the following contacts for operational and administrative purposes under this Agreement:

[name]
Greg Terp
Thomas P. Hanlon

[rank and duty]
Major, Special Patrol Bureau
Captain, Special Patrol Bureau

G. The names of all LPOs to be provided by the Agency for G20 Event purposes shall be sent to the PBP in written form upon execution of this Agreement and prior to providing any G20 Event services hereunder.

H. Each of the LPOs provided by Agency shall meet one of the following criteria (as applicable to the particular Agency):

1. Agencies located in the Commonwealth of Pennsylvania shall ensure all officers provided are MPOETC certified in accordance with all applicable Pennsylvania statutes, rules and regulations, including 53 Pa.C.S.A. §§ 2161 *et seq.*; or
2. Non-Commonwealth of Pennsylvania Agencies shall ensure that the LPOs providing assistance under this Agreement are duly licensed or certified by the authority of the state in which the officer's appointing authority is located. Statutory certification requirements for Agency LPOs shall be forwarded to the PBP with the list of all Agency LPOs providing G20 Event services.

I. In addition to the certification/licensure for LPOs set forth above, Agency agrees that each of the LPOs provided shall also meet all of the following criteria:

1. That each LPO shall by reason of experience, training and physical fitness is capable of performing the duties anticipated to be required by the PBP during the G20 Event; and
2. That each LPO shall have been employed as a licensed or certified police officer for a minimum of two (2) years in the United States; and
3. That each of the LPOs being provided for the G20 Event are officers in good standing with the Agency. Throughout the term of this Agreement, the Agency shall promptly notify the PBP in the event that any LPO is no longer an officer in good standing with the Agency; and
4. That no LPO being provided for the G20 event has been sued in an individual capacity in the last three (3) years and adjudicated as liable for violations of the first amendment of the U.S. Constitution or for use of excessive, unreasonable or unnecessary force; and that no internal investigations on such allegations have been sustained.

J. Unless otherwise provided or requested by the PBP, each of the LPOs being provided shall be equipped and/or supplied by Agency at Agency's own expense, with a seasonally appropriate patrol uniform and equipment, including but not limited to service belts with Agency radio equipment, service weapon and personal soft ballistic body armor as required to be worn by the LPO while on duty for the Agency. A complete sanctioned uniform and authorized equipment list will be provided to Agency as part of the G20 Preparatory Materials. To the extent that Agency intends to send any equipment, gear, service weapons or munitions with its LPOs that is not included in the PBP sanctioned list,

it shall notify PBP in writing no later than September 18th, 2009, and must obtain the PBP's written consent prior to its use by an Agency LPO during the G20 Event Period.

K. Agency acknowledges and agrees that at anytime during the term of this Agreement the PBP has the sole discretion to decline to accept and/or use any LPO without cause or explanation.

L. Agency will exercise its best efforts to assist with the G20 Event. However, the parties recognize that resource availability requires Agency to exercise its best judgment in prioritizing and responding to the public safety needs of its own jurisdiction, which may also include the G20 Event. That prioritization decision belongs solely to Agency and Agency may recall its LPOs when Agency so determines it is in its best interest to do so. Agency shall follow the termination procedures set forth in Section XII of this Agreement in the event a decision to recall its assistance is made.

M. Except as set forth in Sections IV and V, Agency shall be responsible for all costs associated with providing LPO assistance that are not assumed by City as stated in this Agreement and authorized in writing.

IV. CITY RESPONSIBILITIES

In addition to its lead local law enforcement planning responsibilities for the G20 Event, City agrees to the following:

A. City agrees that it will provide G20 Event training for participating Agency LPOs, including the provision of G20 Preparatory Materials for review and in-person training on September 23, 2009.

B. City will provide lodging and food for Agency LPOs performing services under this Agreement. The PBP shall provide lodging and food location assignments to Agency LPOs in writing prior to the G20 Event Period. This shall include a standard *per diem* for each LPO for one day's travel to, and one day's travel from, the City.

C. City shall further cover personnel salaries, overtime, and transportation expenses of LPOs providing services during the G20 Event Period. Agency's estimate of allowable expenses will be itemized on a Travel Reimbursement Request, which has been provided to Agency prior to execution of this Agreement. The compensation to Agency for LPO services pursuant to this Agreement has been based on this estimate, as approved by City and may not exceed **\$214,080.59 U.S. Currency**. This estimate is a "not to exceed" amount, and Agency agrees that all actual payments in an amount equal or less than this amount shall be based on itemized invoices provided to City for services actually provided after the G20 Event according to the Payment Terms provided to Agency as part of the G20 Preparatory Materials. In the event LPO's are required to provide services, for the G20 Event, beyond the "not to exceed" amount, due to unforeseeable circumstances, the City agrees to compensate the Agency for any and all expenses above the "not to exceed" amount, after itemized invoices have been provided by the Agency. The City is bound by the approval of its Public Safety Director, Michael H. Huss.

D. As further set forth in Section XIV herein, City is in the process of procuring an insurance policy to cover certain liabilities of the parties, including Agency, participating in the G20 Event. In the event that the policy cannot be procured prior to the G20 Event, City will notify Agency in writing.

V. FINAL PAYMENT TERMS

A. Agency shall only be paid for the necessary costs of participating in G20 Event-related activities during the G20 Event Period, and any “after action activities” related thereto as described in Article IV – Section C, of this agreement.

B. Subject to the terms of this Agreement and the prior written approval of the City, the City agrees to provide payment to the Agency for each LPO whose services are actually utilized (including “on-call status” set forth in Section III.C.) by the PBP during the G20 Event Period.

C. Unless otherwise agreed to in writing by the City, the City shall only provide reimbursement to the Agency for Personnel Costs if the Agency completed the PBP’s required training and 1) participated in the G20 Event or 2) was ready, willing, available and physically present in the City of Pittsburgh or Allegheny County to participate in the G20 Event as required by the PBP hereunder despite the LPO not having actually participated in the G20 Event.

D. In the event the Agency fails to comply with any terms or conditions of this Agreement or to provide in any manner the work or services as agreed to herein, the City reserves the right to withhold any available payment until the City is satisfied that corrective action has been taken or completed. This option is in addition to and not in lieu of the City or Agency’s right of termination as provided in this Agreement.

VI. LAW ENFORCEMENT PROCEDURES

A. Authority to Act as LPOs/Appointment of LPOs.

1. Commonwealth of Pennsylvania Agencies: Pursuant to 42 Pa.C.S.A. §8953(3), in recognition of PBP’s request for police assistance set forth herein, LPOs provided by list to the PBP from a Commonwealth-based Agency shall be authorized to enforce the laws of the Commonwealth of Pennsylvania and otherwise enforce the functions of a municipal police officers in the City of Pittsburgh during the G20 Event Period for G20 purposes as requested by the PBP.

VIII. MUTUAL BENEFITS TO PARTIES-CONSIDERATION

A. Other than the items set forth in Section IV (B) and (C), further consideration for this Agreement shall be non-monetary and shall consist of enhanced public safety and improved law enforcement activity in the Greater Pittsburgh region in preparation for and during the G20 Event, and other mutual benefits through the cooperative efforts of the parties under this Agreement.

B. It is understood and agreed that any anticipated payment obligation of the City hereunder shall extend only to funds appropriated by its City Council, encumbered for the purpose of this Agreement and paid into the City's general fund.

The Agency reserves the right to provide the necessary representation to any LPO, in compliance with the Agency's policies.

B. It is understood and agreed that each party's liability may be limited by the provisions of the Pennsylvania Political Subdivision Tort Claims Act ("PSTCA"), 42 Pa.C.S.A. §§ 8541 *et seq.*, or other immunity law applicable to Agency. The parties understand and agree that each party is relying upon, and has not waived, the monetary limitations and all other rights, immunities and protections provided by the PSTCA. Nothing contained in this Agreement shall waive or amend, nor shall be construed to waive or amend any defense or immunity that either party, their respective officials and employees, may have under the PSTCA or any other common-law immunity or limitation of liability, all of which are hereby reserved by the parties hereto.

The City agrees to pay for all cost associated with the production of said records or personnel, notwithstanding the provisions in Article IV – Section C, of this agreement.

1. the cancellation of the G20 Event; or
2. the failure of City to be able to purchase and provide

the insurance coverage described in Section XIV of this Agreement in a timely manner; or

3. the failure of the Agency to comply with or perform any material term, condition or obligation contained in this Agreement and to fail to cure such default within seven (7) calendar days after the City or PBP provides Agency with notice of such failure.

C. Both the City and the Agency shall act in good faith to provide as much advance written notice of an event of termination under this Section to the other party that is reasonable under the circumstances.

D. In the event of termination by either party, the City will only pay Agency for those services authorized hereunder and actually, timely, and faithfully rendered up to the receipt of the notice of termination and thereafter until the date of termination. 2. Non-Commonwealth of Pennsylvania Agencies:

¹ Act of June 2, 1915, P.L. 736, *as amended*, 77 P.S. §§ 1-1041.4; 2501-2626

a. The City is not providing any benefit to the Agency and its LPOs, respectively, pursuant to the Workers' Compensation Act, 53 Pa. C.S. § 1-1603, and the Heart and Lung Act, 53 Pa. C.S.A. § 637(a).

b. Agency shall be responsible for providing its LPOs with those benefits pursuant to or consistent with the Workers' Compensation Act, 53 Pa. C.S. § 1-1603, and the Heart and Lung Act, 53 Pa. C.S.A. § 637(a).

c. Agency agrees that in the event of the bodily or psychological injury or death of its LPOs, it assumes each legal and equitable duty, liability and responsibility pursuant to the Pennsylvania Workers' Compensation Act, 53 Pa. C.S. § 1-1603, and the Heart and Lung Act, 53 Pa. C.S.A. § 637(a) or in the alternative, any similar law or statute enacted by the jurisdiction where the Agency is located.

d. Agency hereby certifies that it maintains insurance, self-insurance or coverage equivalent to the Workers' Compensation Act, 53 Pa. C.S. § 1-1603, and the Heart and Lung Act, 53 Pa. C.S.A. § 637(a) for each of its LPOs while such Agency LPOs are providing G20 Event services under this Agreement. Agency agrees that in the event its LPO pursues a claim in his or her home jurisdiction and in the Commonwealth of Pennsylvania, the Agency shall indemnify the City for all liability and loss related to the claim.

e. In the event the Agency's LPOs sustain bodily or psychological injury or death and the LPO or anyone designated to act on behalf of his or her estate pursue benefits pursuant to the Workers' Compensation Act, 53 Pa. C.S. § 1-1603, and the Heart and Lung Act, 53 Pa. C.S.A. § 637(a), or in the alternative, any similar law or statute enacted by the jurisdiction where the Agency is located, the Agency agrees to defend and indemnify the City. This agreement to indemnify the City is intended to create an indemnity against liability and loss.

f. The Agency waives the right to subrogate against the City and any other Agency for Workers' Compensation Act benefits and Heart and Lung Act benefits or their equivalent paid to its own LPOs and any dependents of such LPOs for injuries caused wholly or partially by the active or passive negligence of LPOs employed by the City or any other Agency.

g. The parties agree the duty to cooperate and indemnify set forth within this section survive the expiration or termination of this agreement.

B. Professional Liability Insurance

1. The City is working to acquire Police Professional Liability Insurance (G20 Security Policy), including law enforcement professional liability coverage that will be an occurrence policy, which applies only to claims that occur during the G20 Event. The full text of the Police Professional Liability Policy will be made "Exhibit" I, upon final acquisition, and attached to this document. Failure of the City to purchase and provide the

Police Professional Liability Policy insurance coverage prior to the event shall be grounds for termination by the Agency.

2. The (G20 Security Policy) shall cover the acts of each party during the provision of the G20 Event Period, subject to any policy limits.

3.. The City agrees to name the Agency and its LPOs as insureds on any Police Professional Liability Insurance it purchases to provide coverage for the G20 event.

4. The G20 Security Policy shall be the primary policy to the extent one or more policies of Police Professional Liability Insurance provide coverage for any claim or incident.

5. The G20 Security Policy shall be the primary policy to the extent that an Agency is self-insured.

6. The Agency agrees that through the G20 Security Policy, a defense shall be provided for the Agency and its LPOs to the extent one, the other or both are named as parties to a lawsuit for an action or omission that is alleged to have occurred during the course and scope of the services provided for the G20 Event; however, neither the City nor the G20 Security Policy carrier shall have any duty to indemnify for loss or liability against the actions or omissions that are judicially determined to be beyond the course and scope of the services provided for the G20 Event, the alleged actions or omissions are judicially determined to be willful misconduct as set forth in the Tort Claims Act, 42 Pa.C.S.A. § 8550 or where the claim establishes exemplary or punitive damages against the LPO or his or her Agency.

7. The Agency agrees the City shall not have any duty or obligation to indemnify against loss or liability beyond the monetary limit of the G20 Security Policy and in the event that an award, compromise, judgment, settlement or verdict exceeds the monetary limit of the G20 Security Policy, the Agency shall indemnify the City against all losses that exceed the monetary limit of the G20 Security Policy solely for those actions or omissions attributable to the Agency and its respective LPOs.

8. For any and all acts and omissions that may fall outside the scope of the G20 Security Policy or any liability that may exceed the policy limits of the G20 Security Policy, the parties will be self-insured as required by applicable law or will maintain adequate insurance to insure the types of activities undertaken in this Agreement.

a. The Agency's self-insurance or in the alternative, its insurance, shall be considered secondary to the G20 Security Policy, which will be considered primary; and

b. The Agency's self-insurance or in the alternative, its insurance shall be considered primary to any insurance or self-insurance obligation of the City beyond the G20 Security Policy.

9. Each party will, at all times, be legally self-insured or maintain auto insurance, equipment, and/or equipment insurance for its own automobiles, equipment or other property used during its performance of G20 Event services.

a. The Agency's self-insurance or in the alternative, its insurance, shall be considered primary; and

b. The Agency's self-insurance or in the alternative, its insurance shall be considered primary to any insurance obligation of the City beyond the G20 Security Policy and the City's self-insurance.

10. Agency and LPOs agree to be bound by the terms and conditions contained in the G20 Security Policy, which is incorporated herein by reference and a copy of which will be provided to Agency upon receipt by City.

11. The Parties agree the City is responsible for any deductible amount required per the G20 Security Policy.

12. Agency and its LPOs agree to cooperate with the underwriter for the G20 Security Policy by timely providing information as is reasonably requested by the insurer or its designee(s).

a. This cooperation will include both the underwriting process and the claims process and this obligation shall survive and extend (if necessary) beyond the termination date of this Agreement.

b. The Agency agrees to fully cooperate in the defense of any civil claims, in which the Agency is a named party, as reasonably requested by the insurer or its designee and shall instruct its LPOs do the same.

13. The parties agree the G20 Security Policy will not provide coverage to any Agency or LPO for claims that establish a right to exemplary or punitive damages or are judicially determined to be willful misconduct as set forth in the Tort Claims Act, 42 Pa.C.S.A. § 8550 and the City's self insurance will not provide coverage for any claims that establish a right to exemplary or punitive damage or are judicially determined to be willful misconduct as set forth in the Tort Claims Act, 42 Pa.C.S.A. § 8550,

14. The parties agree that the City shall consult with MDC and the Agency prior to rejecting or approving any compromise or settlement of any claim filed against the Agency or its LPO.

XV. MISCELLANEOUS

A. **No waiver.** Acceptance of partial performance or continued performance after breach shall not be construed to be a waiver of any such breach.

B. **Assignment and Subcontracting.** Neither party is obligated or liable under this Agreement to any party other than the other party to the Agreement. Each party

understands and agrees that it shall not assign or subcontract with respect to any of its rights, benefits, obligations or duties under this Agreement except upon prior written consent and approval of the other party, and in the event any such assignment or subcontracting shall occur, such action shall not be construed to create any contractual relationship between the parties and such assignee or subcontractor, and each party herein named shall remain fully responsible to the other party according to the terms of this Agreement.

C. **No Third Party Beneficiary.** It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the parties to the Agreement, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person or entity on such Agreement, including but not limited to members of the general public. It is the express intention of the parties that any person or entity, other than the parties to this Agreement, receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

D. **Paragraph Headings.** The captions and headings set forth in this Agreement are for convenience of reference only, and shall not be construed as defining or limiting the terms and provisions in this Agreement.

E. **Severability.** If any part, term, or provision of this Agreement, except for the provisions of the Agreement requiring prior appropriation of funds, is by the courts held to be illegal or in conflict with any law of the Commonwealth of Pennsylvania, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the Agency shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

F. **Agreement as Complete Integration- Amendments.** This Agreement is intended as the complete integration of all understandings between the parties as to the subject matter of this Agreement. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect, unless embodied herein in writing. No subsequent novation, renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a written amendatory or other Agreement properly executed by the parties. No oral representation by any officer or employee of the Agency at variance with the terms and conditions of this Agreement, or any written amendment to this Agreement, shall have any force or effect or bind the Agency. Amendments to this Agreement will become effective when approved by all Agencies and executed in the same manner as this Agreement. This Agreement and any amendments will be binding upon the Agencies, their successors and assigns.

G. **Survival of Certain Provisions.** The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the City's obligations to provide insurance as set forth in Section XIV will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.
