THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Property shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative established in Sections 17-121 through 128 of the Code of Miami-Dade County and the County's Infill Housing Initiative Guidelines. If the event Party of the Second Part fails to develop the home in accordance with the Infill Housing Initiative Guidelines, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause.

2. That the Property shall be developed with affordable housing within one (1) year of the recording of this deed, as evidenced by the issuance of a final Certificate of Occupancy. In the event Party of the Second Part fails to complete the construction of the home(s) within one (1) year from the date of this deed, title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter. Notwithstanding, Party of the First Part may, in its sole discretion, waive this reverter condition if Party of the First Part finds it necessary to extend the time frame in which Party of the Second Part must complete the home. Such waiver by Party of the First Part, to be effective must (i) be given prior to the event of the reverter and (ii) shall be evidenced by the preparation of a letter executed by the County Manager or his designee giving such waiver and specifying the new time frame in which Party of the Second Part must complete the home. The letter by Party of the First Part shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within (1) year from the date of this deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to Party of the First Part.

3. That the affordable housing developed on the property shall be sold to a qualified low income household earning less than or equal to eighty percent of the area median income, must be "affordable" to that household (PITI is less than one-third of household's gross monthly income), and is sold at a price equal to or as defined in Sections 17-122(n) of the Code of Miami-Dade County but under no circumstances shall the sales price of the home exceed One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00). In the event Party of the Second Part fails to sell the home to a qualified household or sells the home above One Hundred and Twenty-Nine Thousand and 00/100 (\$129,000.00), title shall automatically revert to the Party of the First Part as a matter of law and pursuant to this reverter clause, and by such reverter to the Party of the First Part, Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

4. Within 30-days of closing on the sale of the home to the qualified household, Grantee shall submit a report to Miami-Dade County's Office of Community and Economic Development indicating the size of the household, ethnicity of the household, and the amount of Program income generated from the amount (percentage) of the CDBG investment. Program income is defined as the income from the sale of the houses.

Party of the Second Part shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant;" and include the following language in the deed of conveyance:

"This property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the property shall remain affordable during the "Control Period." The "Control Period" commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every 20 years for a maximum of 60 years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

Party of the Second Part (or Successor in Interest), shall pay real estate taxes and assessments on the property or any part thereof when due. Party of the Second Part shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, provided, however, that Party of the Second Part may encumber the property with:

- a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the single family home in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and
- b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.

The recordation, together with any mortgage purporting to meet the requirements of clauses (a) or (b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the single family home is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

Upon receiving proof of compliance with all the deed restrictions listed above, the County shall furnish the Party of the Second Part an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

In the event the Party of the Second Part, its successors or assigns, shall violate or otherwise fail to comply with any of the restrictions and covenants set forth herein, the Party of the Second Part, its successors or assigns, shall correct or cure the default/violation within (30) days of notification of the default by the county. If the party of the Second Part, its successors or assigns, fails to remedy the default within thirty (30) days, the County shall have the right to re-enter and take possession of the property and to terminate and re-vest in the County the estate conveyed by this Deed to the Party of the Second Part, its successors or assigns, and by such reverter to the County, the Party of the Second Part shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever; provided, that any such right of re-entry shall always be subjected to and limited by, and shall not defeat, render invalid, or limit any way the lien of any valid mortgage or Deed or Trust permitted by this Deed.

This grant conveys only the interest of the County and its Board of County Commissioners in the property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF the said party of the first part has caused these presents to be executed in its name by its Board of County Commissioners acting by the Mayor of said Board, the day and year aforesaid.

Summary

This resolution conveys seven (7) parcels of land to Habitat for Humanity of Greater Miami, Inc. (HHGM) for the development of affordable housing.

National Trend

According to the State of the Nation's Housing 2009 Study by the Joint Center for Housing Studies of Harvard University, between 1980 and 2000, the share of cost burdened households shot up by almost six percentage points between 2001 and 2007. This includes a three percentage point increase in households with severe burdens. As a result, the number of households spending more than half their incomes on housing jumped by an unprecedented 30 percent to 17.9 million in 2007. Another 21.6 million had moderate burdens, paying 30–50 percent of income for housing. By 2007, fully 30 percent of all homeowners were at least moderately burdened and 12 percent were severely burdened. Even so, the share of renters with severe burdens remained nearly twice as high as that of owners, despite a modest 0.6 percentage point dip from 2005 to 2007.

Households in the bottom income quartile are most likely to face affordability problems. In 2007, nearly three-quarters of severely cost-burdened households had low incomes. Indeed, fully 51 percent of low-income renters and 43 percent of low income owners paid more than half their incomes for housing. High housing outlays cut deep into household budgets, leaving low-income families about \$485 per month for everything else.

Households in the bottom expenditure quartile devoting more than half their spending to housing on average spent \$123 less each month on food, \$86 less on healthcare, and \$20 less on clothing than households that were paying less than 30 percent of outlays for housing. Even households with expenditures in the lower-middle quartile but with high housing outlays had less left over than bottom quartile households with low housing outlays. It remains to be seen whether the incidence of cost burdens will increase as job losses continue to mount or retreat in the face of falling house prices. But even if age- and race-specific shares return to 2000 levels by 2015, a grim 16.2 million households would still be severely housing cost burdened in that year.

Below is a status report, through September 11, 2009, of the parcels conveyed to HHGM pursuant to Resolutions 175-09 and 415-08:
