A handwritten signature in black ink, appearing to read "Burgess", written over the printed name of the County Manager.

**Subject:** Resolution Requesting Authority to Exercise Option-to-Renew Periods Under Existing Competitively Bid Contracts that Would Bring the Cumulative Contract Value to More than \$1 Million

## Recommendation

At the October 8, 2009 Board of County Commissioners meeting, Agenda Item No. 801B was bifurcated. Items 1, 3, 7, and 8 were adopted by the Board; items 2, 4, 5, and 6 were deferred. The deferred items have been renumbered and are included in the attached package.

It is recommended that the Board of County Commissioners delegate to the County Mayor or County Mayor's designee the authority to exercise, in his discretion, the Options-to-Renew (OTRs) set forth in this item. Ordinance #07-139 provides for committee review exemption. ***Contract amounts and department allocations represent the maximum spending authority based on estimated past usage. This action does not guarantee that the total contract amount/value will be expended by County departments and/or agencies.***

## Scope

The impact of the item in the accompanying OTR package is countywide in nature.

## Fiscal Impact/Funding Source

***Funding will be expended only if departmental budgets can support the expenditures approved in their Resource Allocation Plan adopted annually by the Board.***

## Track Record/Monitor

There are past performance issues noted in Item 4, Towing Services. The departments' contract managers are reflected in the individual agenda items.

## Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise OTRs in accordance with the terms and conditions of the contract listed in the accompanying package.

## Background

The competitively bid contract listed in this item requires approval to exercise OTRs contained in the contract that would, if exercised, bring the cumulative value of the contract over \$1 million. This contract was awarded under the County Mayor or County Mayor's designee's delegated authority (\$1 million for competitive procurements) pursuant to Section 2-8.1(b) of the County Code and the Master Procurement Administrative Order, A.O. 3-38.

**On August 11, 2008, the Board was informed that, prospectively, Board approval would be**

**sought when awarding contracts exceeding \$1 million in value if the OTRs are exercised. The following contracts were awarded prior to August 11, 2008: Items 1, 2, 3, and 4.**

Prior to exercising any Options-to-Renew (OTR) periods, market research is conducted to ensure that continuing to purchase from the awarded vendor is in the best interest of the County. Market research includes competitive factors such as pricing, quality, product features, technology, and lead time. It may also include commercial factors such as environmental issues, other governmental entity practices, industry trends, support and capabilities. The OTRs for each contract in this package will be executed if determined to be in the best interest of the County.

**Item No. 1: Printed Case File Folders** seeks authority to exercise the second OTR period to purchase printed case file folders for the Clerk of Courts. The amount being requested for this option term is **\$1,032,000**.

**Item No. 2: Financial Advisory Services General Segment** seeks authority to exercise the first OTR period for financial advisory services for Miami-Dade County. The amount being requested for this option term is **\$1,034,000**.

**Item No. 3: Financial Advisory Services Enterprise Segment** seeks authority to exercise the first OTR period for financial advisory services for Miami-Dade County. The amount being requested for this option term is **\$1,034,000**.

**Item No. 4: Towing Services (County Vehicles)** seeks authority to exercise the first OTR period for several County departments. The amount being requested for this option term is **\$7,335,000**.

The contract prices are firm and fixed for the initial term and the two remaining option-to-renew (OTR) periods. Exercising the next OTR will ensure continuity of financial advisory services to provide general and special obligation debt transactions and services related to the issuance of bonds, notes, certificates or other financing instruments. **Performance Data:** Several performance issues were identified on this contract and on Contract No. RFQ97, Police Towing, with vendors who are also on this contract. The performance issues are noted below.

Excalibur Towing Service , Midtown Towing of Miami and Westbrook Motors, Inc.

During this contract's current term, difficulties were identified with invoicing procedures. These issues have been resolved following notifications to, and meetings with, the vendors.

Westbrook Motors, Inc.

On RFQ 97, while conducting a site inspection due to the sale of the company, Miami Dade Police Department staff discovered that this firm did not have sufficient inside storage space. This issue was resolved and the proper storage space is now available.

Kauff's of Miami, Inc.

On RFQ 97, this firm was overcharging citizens for towing services and failed to send letters notifying owners of tows via certified mail, and in a timely manner. These issues were resolved and the company provided refunds to those that were overcharged.

A-1 Redland Economy Towing

On RFQ 97, this firm was overcharging citizens for towing services. These issues were resolved and the company provided refunds to those that were overcharged.

**Compliance Data:**

There are no compliance issues with the awarded vendors.

**Contract Managers:**

Km! Ra, Department of Procurement Management

Neivy Garcia, Miami-Dade Aviation Department

Marianela Betancourt, Miami-Dade Fire Rescue Department

Martin Dareff, General Services Administration Department

Laura Romano, Miami-Dade Police Department

Kevin Kirwin, Park and Recreation Department

Carlos Balbis, Miami-Dade Transit Department

Gregory Hicks, Miami-Dade Water and Sewer Department

**JUSTIFICATION**

This contract is for purchase of towing services for County owned vehicles and equipment. The contract includes unallocated funds totaling \$168,751 that are administered by the Department of Procurement Management. These funds may be used to supplement department allocations in order to satisfy service requirements.

Market research has shown that that the County's pricing is lower than the base prices being paid by other jurisdictions in the South Florida area, for the most frequently used types of tows. It is therefore in the best interest of the County to exercise the remaining option to renew periods.
