

Memorandum

Date: November 3, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Agenda Item No. 8(O)(1)(B)

From: George M. Burgess
County Manager

Subject: Resolution Requesting Authority to Exercise Option-to-Renew Periods Under Existing Competitively Bid Contracts that Would Bring the Cumulative Contract Value to More than \$1 Million

This item was originally placed on the agenda as a substitute to item 14A3 on the 10-20-09 BCC.

This substitute item differs from the original item as authorization is requested for one Option-to-Renew period for each of the contracts. The initial contract value of Item No. 2 increased from \$850,000 to \$941,000 in order to cover payment for services authorized on this contract.

Recommendation

At the October 8, 2009 Board of County Commission meeting, Agenda Item No. 801B was bifurcated. Items 1, 3, 7, and 8 were adopted by the Board; items 2, 4, 5, and 6 were deferred. Following discussion by Board members, the Administration is offering an alternative recommendation that calls for the authorization to exercise the next Option-to-Renew term only for the four previously deferred items. The previously deferred items have been renumbered. The initial contract value of Item No. 2 has been modified. The amount was increased from \$850,000 to \$941,000 in order to cover payment for services authorized on this contract.

Scope

The impact of the item in the accompanying OTR package is countywide in nature.

Fiscal Impact/Funding Source

Funding will be expended only if departmental budgets can support the expenditures approved in their Resource Allocation Plan adopted annually by the Board.

Track Record/Monitor

There are past performance issues noted in Item 4, Towing Services. The departments' contract managers are reflected in the individual agenda items.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise OTRs in accordance with the terms and conditions of the contract listed in the accompanying package.

Background

The competitively bid contract listed in this item requires approval to exercise OTRs contained in the contract that would, if exercised, bring the cumulative value of the contract over \$1 million. This contract was awarded under the County Mayor or County Mayor's designee's delegated authority (\$1 million for competitive procurements) pursuant to Section 2-8.1(b) of the County Code and the Master Procurement Administrative Order, A.O. 3-38.

On August 11, 2008, the Board was informed that, prospectively, Board approval would be sought when awarding contracts exceeding \$1 million in value if the OTRs are exercised. The following contracts were awarded prior to August 11, 2008: Items 1, 2, 3, and 4.

Prior to exercising any Options-to-Renew (OTR) periods, market research is conducted to ensure that continuing to purchase from the awarded vendor is in the best interest of the County. Market research includes competitive factors such as pricing, quality, product features, technology, and lead time. It may also include commercial factors such as environmental issues, other governmental entity practices, industry trends, support and capabilities. The OTRs for each contract in this package will be executed if determined to be in the best interest of the County.

Item No. 1: Printed Case File Folders seeks authority to exercise the second OTR period to purchase printed case file folders for the Clerk of Courts. The amount being requested for this option term is **\$344,000**.

Item No. 2: Financial Advisory Services General Segment seeks authority to exercise the first OTR period for financial advisory services for Miami-Dade County. The amount being requested for this option term is **\$567,000**.

Item No. 3: Financial Advisory Services Enterprise Segment seeks authority to exercise the first OTR period for financial advisory services for Miami-Dade County. The amount being requested for this option term is **\$567,000**.

Item No. 4: Towing Services (County Vehicles) seeks authority to exercise the first OTR period for several County departments. The amount being requested for this option term is **\$1,467,000**.

JUSTIFICATION

This contract is being utilized to purchase printed case file folders for documents stored by the Clerk of Courts. JUSTIFICATION

This competitively awarded contract provides financial advisory services for the Finance Department. JUSTIFICATION

This contract is for purchase of towing services for County owned vehicles and equipment. The contract includes unallocated funds totaling \$168,751 that are administered by the Department of Procurement Management. These funds may be used to supplement department allocations in order to satisfy service requirements.

Market research has shown that that the County's pricing is lower than the base prices being paid by other jurisdictions in the South Florida area, for the most frequently used types of tows. It is therefore in the best interest of the County to exercise the first option to renew period.
