

Memorandum

MIAMI-DADE
COUNTY

Date: December 15, 2009

Agenda Item No. 3(B)(1)(A)

To: Honorable Chairman Dennis C. Moss and Members,
Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Authorizing the Execution of Grant Assistance Agreement Number S0467 with the Florida Department of Environmental Protection to Provide Title V Funding in the amount of \$296,337 for Air Pollution Control in Miami-Dade County

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the execution of Grant Assistance Agreement No. S0467 with the Florida Department of Environmental Protection (FDEP).

Scope

This grant agreement funds countywide activities related to air pollution source permitting, inspection, and monitoring.

Fiscal Impact/Funding Source

This grant agreement provides \$296,337 for work performed between the period of July 1, 2009 and June 30, 2010, inclusive. It may be amended to provide for additional services if additional funding is made available by the Florida State Legislature. No matching funds are required from the County.

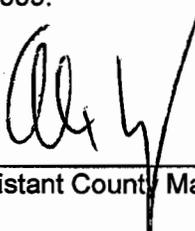

Track Record/Monitor

The Director of the Department of Environmental Resources Management (DERM) will monitor this grant agreement.

Background

Title V of the federal Clean Air Act mandates the establishment of state or local permitting programs to ensure that major facilities that emit air pollutants submit applications for permits and identify methods of controlling said pollutants. The Clean Air Act also mandates that those facilities subject to Title V pay sufficient fees to cover all costs of implementing the various program elements, including permitting and inspection activities.

The FDEP is the lead agency in Florida for enacting and enforcing regulations pursuant to the provisions of the Clean Air Act. FDEP has delegated most of their air pollution control program activities to local agencies, such as DERM, with whom they have contracted since 1993. The subject Grant Assistance Agreement replaces Agreement Number AQS0283, which was approved October 10, 2006 through Resolution No. R-1129-06 and expired June 30, 2009. Due to delays with the state budget, the FDEP sent this agreement to Miami-Dade County on October 20, 2009, after the expiration of Agreement Number AQS0283. The new agreement will compensate the County for work performed on or after July 1, 2009.

DEP AGREEMENT NO. S0467

STATE OF FLORIDA
GRANT ASSISTANCE
PURSUANT TO LINE ITEM 1829 OF THE 2009-2010 GENERAL APPROPRIATIONS ACT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and MIAMI-DADE COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is Miami-Dade County Department of Environmental Resources, 701 NW 1st Court, 8th Floor, Miami, Florida 33136-3912 (hereinafter referred to as "Grantee" or "Recipient"), local governmental entity, to provide financial assistance for Title V Funding for Air Pollution Control in Miami-Dade County.

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, Attachment A, Grant Work Plan, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" and the terms "Grantee", "Recipient" and "Contractor", are used interchangeably.
2. This Agreement shall begin upon execution by both parties and end no later than June 30, 2010, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2009. All work must be completed no later than June 30, 2010 and the Grantee is not eligible to be reimbursed for any work that occurs after June 30, 2010 unless authorized by amendment. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.
3.
 - A. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$296,337.00. For the first period of service beginning July 1, 2009 and ending June 30, 2010, the Department shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$296,337.00 for satisfactory completion of work described in Attachment A, Grant Work Plan – First Service Period. Prior written approval from the Department's Grant Manager shall be required for changes between approved budget categories up to 10% of the total budget amount. The DEP Grant Manager will transmit a copy of the written approval and revised budget to the DEP Procurement Office and the DEP Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% will require a formal amendment to the Agreement. Funding for each additional period of service shall be added to the Agreement by formal amendment. The parties hereto understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee.
 - B. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon receipt and acceptance of a properly completed Attachment B, Payment Request Summary Form. In addition to the summary form, the Grantee must provide from its accounting system, a listing of expenditures made under this Agreement. The listing shall include, at a minimum, a description of the goods or services purchased, date of the transaction, voucher number, amount paid, and vendor name. Travel expenses will not be reimbursed under the terms and conditions of this Agreement.
 - C. In addition to the invoicing requirements contained in paragraph 3.B. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within 30 calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State

guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.
5. The Grantee shall submit Attachment B, Payment Request Summary Form, in conjunction with Attachment C, Title V Monthly Progress Report. Monthly reports shall be submitted to the Department's Grant Manager no later than twenty (20) days following the completion of the reporting period. The monthly reports may be submitted at a later date upon written approval by the Department's Grant Manager. The Department's Grant Manager shall have thirty (30) calendar days to review deliverables submitted by the Grantee.
6. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
7.
 - A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
 - B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
8. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1)(a), Florida Statutes.
9. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five years following Agreement completion. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
10.
 - A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in Attachment D, Special Audit Requirements, attached hereto and incorporated herein by reference. Exhibit 1 to Attachment D summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of Attachment D. A revised copy of Exhibit 1 must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of Exhibit 1, the Grantee shall notify the Department's Grants Development and Review Manager at 850/245-2361 to request a copy of the updated information.
 - B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment D, Exhibit 1 when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section __.210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

- C. In addition, the Grantee agrees to complete and submit the **Certification of Applicability to Single Audit Act Reporting, Attachment E**, attached hereto and made a part hereof, within four (4) months following the end of the Grantee's fiscal year. Attachment B should be submitted to the Department's Grants Development and Review Manager at 3900 Commonwealth Boulevard, Mail Station 93, Tallahassee, Florida 32399-3000. The Grants Development and Review Manager is available to answer any questions at (850) 245-2361.
11. A. The Grantee may not subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
12. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
13. The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient (*which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://12.46.245.173/cfda/cfda.html>.

PART II: STATE FUNDED

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes.
