This is an Interlocal Agreement between Miami-Dade County, a political subdivision of the State of Florida (the "County") and the Town of Cutler Bay, a municipal corporation of the State of Florida (the "Town"), entered into this \_\_\_\_ day of \_\_\_\_\_, 2010 (the "Agreement").

### WITNESSETH

**WHEREAS**, in the early 1970s the County approved the Lakes by the Bay development, which, pursuant to the development order, included a public community park to serve the residents of the development; and

**WHEREAS**, in 1991, the developer of the Lakes by the Bay development dedicated approximately eighty (80) acres of land to the County for this community park to be known as Lakes by the Bay Park as partial satisfaction of its obligation under, inter alia, County Code §33H et seq. and Florida Statutes §163.3180; and

**WHEREAS**, in 1998, in order to enlarge the park and buffer environmentally endangered lands, the County, with a contribution from the Environmentally Endangered Land program, purchased an additional parcel of 19.54 acres for the park, including lake bottoms adjoining the upland portions due to the County's express desire to provide boating, and fishing in the lake; and

**WHEREAS**, in 1999, the County added an additional 5+/- acres of land to the park by assigning lands formerly assigned as a Solid Waste transfer site; and

**WHEREAS**, in 1999, the County approved a general plan for the park, which included, but was not limited to, active playing fields and aquatic (boating, fishing) activities, picnicking, natural trails, nature/recreation center and gateway into the adjacent Biscayne Coastal Wetland properties; and

**WHEREAS**, the County now wishes to convey, and the Town wishes to receive, a portion of the park consisting of those certain parcels of real property, as shown on the map in Exhibit "A" attached hereto and incorporated herein by reference as Tract A and Tract B (jointly referred to herein as the "Park"), including the portion depicted on the map as the lake, and as more particularly described in the County Deed attached hereto and incorporated herein as Exhibit "B"; and

**WHEREAS**, the County has allocated specific funds, in the form of impact fees, Building Better Communities General Obligation Bond ("BBC GOB") proceeds, and Safe

Neighborhood Parks (“SNP”) bond proceeds, for the construction and development of the Park and

**WHEREAS**, the County desires to transfer such funds to the Town to provide the resources, in part, for the planning, design, permitting and construction of the Park in general accordance with the County’s Park and Recreation Department’s General Plan for the Park.

**NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS AND PROMISES SET FORTH HEREIN, THE COUNTY AND THE TOWN AGREE AS FOLLOWS:**

**1. Recitals**

The above recitals are true and correct and incorporated herein by reference.

**2. Transfer of Parks**

- a. The County shall convey the Park to the Town and shall execute and deliver to the Town the County Deed in the form attached hereto as Exhibit “B”.
- b. Property and facilities are conveyed in an as-is condition, and subject to all easements, agreements, and restrictions, evidence of such to be provided prior to conveyance.
- c. Within 30 days of the execution of this Agreement, the County shall provide the Town with a list and a copy of all agreements for services that the County may have with any third party vendors or organizations providing services at the Park. Except as otherwise provided herein, upon direction from the Town Manager, the County Mayor or Mayor’s designee shall either terminate the third party agreements prior to the closing of this transaction or execute an assignment of any such agreements with the Town. Notwithstanding the foregoing, the County shall not be obligated to terminate or assign any third party agreements if such assignment or termination will penalize, prejudice or cause the County to breach any contract, in any way.
- d. Within 30 days of the execution of this Agreement, the County shall provide the Town with a copy of all available permits, plans, and any and all other available documents pertaining to the County’s acquisition of and development of the Park that the County shall have in its possession as of the date of conveyance, including, but not limited to, budgets and scopes of services for all SNP Bond funds, impact fees, and BBC GOB funds currently in place for the Park. The County shall have no obligation, however, to create, recreate, construct, or reconstruct any permit, plan, or any other document (e.g. “as-builts”) not in its possession as of the date of conveyance.

10

- e. At closing, the County shall take all steps necessary to transfer and/or assign to the Town any warranties or guarantees the County may have for the Park, personal property, fixtures or other park improvements or equipment.
- f. The County shall continue to own and maintain the adjacent natural areas shown on Exhibit A as Tract C comprised of approximately 50 acres, and shall construct nature trails and other facilities on said Tract in general accordance with the County's Park and Recreation Department's General Plan for Lakes by the Bay Park, as such plan may be amended from time to time.

**3. Funding**

a. The following funds have been allocated by the County for the development of the Park and the County agrees to pay to Town the sum of the following amounts, subject to the conditions set forth in Section 6 herein:

(i) \$3,357,500 representing unspent impact fees;

(ii) \$742,500 representing SNP Bond funds; and

(iii) \$4,500,000.00 representing BBC GOB funds from BBC GOB Project No. 32 – "Lakes by the Bay Park" in accordance with, and as described in that certain County Resolution with reference number R-913-04.

b. The County makes no representations or warranties that these funds alone are sufficient to complete all of the planned development and construction work at the Park, which includes, but is not limited to, the Community/Nature Center, parking, lighting, and sidewalks. The County shall not be responsible for any additional funds needed in order to complete all of the planned development and construction work at the Park. The Town will use its best efforts in identifying and/or procuring any such additional funds that are needed for the Town to complete its development and improvement of the Park.

c. The Town shall use the funds identified in Section 3 solely for improvements at the Park and no other location.

**4. Terms of Payment**

Impact Fee Funds for the Park shall be paid to Town no later than 45 days after closing by wire transfer.

**5. Restrictions Related to the Town's Use of the Park**

As a condition to the acceptance of the Park, the Town agrees that:

- a. The Park shall be used in perpetuity as a public park and shall be open, along with all improvements, to all members of the public.
- b. The Town shall not discriminate against Miami-Dade County residents in program registration, pricing or other policies as they relate to the use of the Park.
- c. Article 7 of the Miami-Dade County Home Rule Charter shall apply to the Park.

Should the Town violate any of these restrictions, the County shall provide the Town with written notice of the alleged violations including the statement "The County will exercise its reversionary interest in the property if the violation is not cured." Within 45 days of receipt of the notice, the Town shall cure the violation. If the violation is of a type that cannot be cured within this time period, the Town shall notify the County in writing specifying the reason and the additional time required to cure the violation. However, in no event shall the time to cure exceed 90 days, unless such time period is extended by action of the County Commission. Failure of the Town to cure the violation within the specified time period shall result in the Park automatically reverting to the County without any entitlement or recourse against the County for payment of any improvements whatsoever made to, on or for any of the properties.

**6. Further Conditions of Conveyance**

- a. By accepting this conveyance, the Town agrees that it will make every good faith effort to develop, operate and maintain the Park in a manner that provides appropriate active and passive recreational opportunities to park users consistent with normal and customary park and recreation policies.
- b. The Park will be operated and maintained in a manner at least equal to or better than Miami-Dade County Park and Recreation Department standards.
- c. With respect to the balance of SNP Bond funds referenced in Section 3(a)(i) herein, contracted by and between the Miami-Dade County Parks and Recreation Department and the County's Office of Safe Neighborhood Parks for improvements to the Park, the transfer of such funds to the Town is conditioned upon and subject to a separate, standard SNP agreement with the County to be executed at the same time as this Agreement. The Town agrees to utilize these funds within the Park in accordance with the provisions of the SNP Ordinance, SNP Administrative Rules, and SNP Agreement.
- d. With respect to the balance of the impact fees referenced in Section 3(a)(ii) herein, the Town will agree to utilize the impact fees within the Park in

accordance with the provisions of the Miami-Dade County Park Impact Fee Ordinance.

- e. With respect to the proceeds of the BBC GOB funds referenced in Section 3(a)(iii) herein, the transfer of such funds to the Town is conditioned upon and subject to a separate, standard BBC GOB Interlocal Agreement with the County and contingent upon the availability of BBC GOB program proceeds. The Town will agree to utilize these funds within the Park in accordance with the provisions of the BBC GOB Interlocal Agreement and BBC GOB Administrative Rules. The County agrees to include BBC GOB Project No. 32 - "Lakes by the Bay Park" as a project to be funded from the bond proceeds of the next BBC GOB bond issuance.
- f. The Town will use best efforts to develop the Park in general accordance with all plans and permits that the County has obtained prior to the date of this Agreement, provided however that the Town may, at its sole discretion, change the plans, develop, or redevelop the Park.
- g. Notwithstanding the foregoing in subsection (f) above, any such change in the plans, development, or redevelopment of the Park shall not adversely impact the County's ability to access, manage and maintain Tract C. The Town shall grant Miami-Dade County and visitors parking and pedestrian access through the Park in order to reach the portion of the property referred to as Tract C herein.
- h. The Town shall work cooperatively with the County to facilitate the future development and use of the Community/Nature Center proposed within Tract B for certain nature programs which the Parties may wish to conduct from time to time and may enter into a subsequent agreement with the County governing such joint use of the proposed Community/Nature Center facility as well as joint use of other facilities to be developed within the adjacent natural areas to be owned and maintained by the County.

**7. Closing**

The closing of this transaction (the "**Closing**") shall be held no more than forty-five (45) days after the Effective Date of this Agreement at the offices of the attorneys for the Town, Weiss Serota Helfman Pastoriza Cole & Boniske, P.L. at 2525 Ponce de Leon Boulevard, Suite 700, Coral Gables, Florida 33134.

At Closing, County shall execute and deliver to Town the following closing documents:

A resolution and/or such other evidence of authority of the County to transfer the Park and if the Town opts to obtain title insurance at the Town's sole expense, such other documents as may be reasonably required by the title insurance company issuing title to Town, provided that the County has possession of such documents.

At closing, County and Town shall each execute counterpart closing statements and such other documents as are reasonably necessary to consummate this transaction.

**8. Indemnification**

- a. Prior to the date of execution of this Agreement, the County shall provide the Town with any known claims, litigation or other proceedings that may be pending regarding the Property.
- b. Prior to the closing of this transaction, the County does hereby agree to indemnify and hold the Town harmless to the extent and within the limitations of Section 768.28 Fla. Stat., subject to the provisions of that Statute whereby the County shall not be held liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of \$100,000, or any claim or judgments of portions thereof, which, when totaled with all other occurrences, exceeds the sum of \$200,000, from any and all personal injury or property damage claims, liabilities, losses and causes of action which may arise solely as a result of the negligence of the County. Agenda Item No. 9(R)(1)(A)

**Subject:** Resolution Awarding Safe Neighborhood Parks Specified/Per Capita Funds

## RECOMMENDATION

It is recommended that the Board of County Commissioners approve the attached resolution, allocating \$58,530,000 in Safe Neighborhood Parks (SNP) Specified/Per Capita funds to five (5) public agencies, and authorizing me to negotiate and expedite execution of subject grant agreements.

## BACKGROUND

On July 16, 1996, the Board of County Commissioners approved Ordinance No. 96-115 which authorizes issuance, subject to approval by special election, \$200 million in general obligation bonds for park projects; establishes a Citizens' Oversight Committee and empowers it to administer the bond program; and designates entities and projects eligible for bond funding. At the November 5, 1996 Special Election, 67% of those voting approved the bond program.

On May 6, 1997, the Board of County Commissioners appointed the Citizens' Oversight Committee. The Oversight Committee solicited and reviewed applications for Series 2005 Funding and, in accordance with Master Bond Resolution R-1193-97, has submitted the attached report (Attachment I) recommending the allocation of \$58,530,000 in bond funds to public agencies for specific park projects.

A series bond resolution authorizing a \$58,530,000 bond sale will be scheduled for a future commission agenda.

## **SECTION 5. FUNDING CYCLES; GRANT APPLICATION SUBMISSION PERIODS**

A Funding Cycle shall be established by the Committee on an annual basis related to the sale of bonds, provided there are Safe Neighborhood Parks bonds remaining to be sold. Each Project determined by the Committee and the Board of County Commissioners to be eligible may be funded during one or more Funding Cycles.

Each Safe Neighborhood Parks Project is funded through a Grant. Eligible Public Agencies and Not-for-Profit Organizations must apply for these Grants. Grant Agreements between

the county and approved Applicants implement the Grants.

Grant Applications shall be delivered on or before the last day of the announced Application Submission Period. The County shall publicize each Application Submission Period and other pertinent application information at least one (1) month prior to the deadline for submission of the Grant Application, unless otherwise waived by the Committee. The County may announce an additional Application Submission Period if funds remain or become available after the preceding Application Submission period is complete. Each Application Submission period shall be publicly announced in newspapers of general circulation in the County.

## SECTION 6. GRANT APPLICATION

- A. **Complete Grant Application.** An Applicant must submit a complete Grant Application in order to receive an Award. A complete Grant Application means one that meets all the requirements of the Ordinance and these rules and is supported by proper documentation. Proper documentation includes all documentation reasonably required by the Committee or the County to enable determination of Project costs and compliance with the Ordinance. Such documentation shall include:
- 1) Completed Application Form.
  - 2) Completed Line Item Budget. The line item budget must be submitted with budget justifications for the **Pre-Agreement Soft Cost, Pre-Agreement Construction, Construction and Fixture, Furniture and Equipment** line items. The justification should provide detailed descriptions of the project elements. **Reimbursement for FF&E is contingent upon prior approval by the MAAR Subcommittee (see Section 9B-11).**
  - 3) Letter(s) of commitment for matching funds equal to the grant request as required by the application.
  - 4) Projected completion date for the Project.
  - 5) Project location map.
  - 6) For Development Projects, certification of ownership by the Public Agency or evidence of land tenure sufficient to satisfy the Committee that the project complies with the terms of the Ordinance.
  - 7) A Public Agency shall submit a resolution, which at a minimum: (i) authorizes the execution of the Grant Agreement; (ii) commits the Public Agency to complete the Project; (iii) as applicable, commits the Public Agency to provide operating, maintenance and programming funds upon completion of the Project, to the extent allowed by law; and (iv) provides that the Grant shall not be used in substitution of other capital project funding.
  - 8) A Not-for-Profit Organization shall submit a board resolution which at a minimum: (i) authorizes the execution of the Grant Agreement; (ii) commits the organization to complete the Project; (iii) and as applicable, commits the organization to provide operating, maintenance and programming funds upon completion of the Project.

9) An Applicant may request funding for a major Project in phases. Each phase shall constitute a distinct portion of the proposed Project. Each Applicant requesting funding for a Project in phases shall commit to completing the Project as defined in the Grant Agreement unless otherwise modified by approval of the Committee in accordance with these rules and the Ordinance.

B. **Pre-agreement Expenses.** The incurring of Pre-agreement Expenses creates no obligation on the County to execute a Grant Agreement or otherwise satisfy those expenses. However, prior to the effective date of the Grant Agreement, a recipient may incur eligible Pre-agreement Expenses as defined in Section 4, and then after the effective date of the Grant Agreement be reimbursed for those costs, provided that:

- 1) The costs and activities are funded as part of the Grant award and are in compliance with the requirements of the Ordinance and these rules.
- 2) The Pre-agreement Expenses for Series 97, 98 and 99 were incurred after July 26, 1996 and before the effective date of the contract.
- 3) The Pre-agreement Expenses for all subsequent Series (after Series 99) were incurred no earlier than one (1) year prior to the application date, unless previously approved by the Committee.

## **SECTION 7. ELIGIBILITY REQUIREMENTS (CHALLENGE GRANTS)**

In order to be eligible for award under the construction and/or development of youth recreation and service facilities the Ordinance requires that the park, recreation and open space acquisition and development occur in or serve areas which "are identified as economically and/or socially disadvantaged consistent with Federal guidelines, where at least 51 percent of residents live at or below 80 percent of the County's medium income, and which possess a documented deficiency in recreation and open space opportunities defined as the difference between area supply and demand for facilities, programs and services.

## **SECTION 8. ELIGIBILITY DETERMINATION**

Following closure of an Application Submission Period, the Subcommittee will review each Grant Application for funding eligibility and determine the eligibility or ineligibility of each of its Grant Applications. The Committee may declare a Grant Application to be:

- A. **Ineligible.** Declaration that a Grant Application is ineligible.
- B. **Conditionally Eligible.** The Committee may determine that a Project is eligible for funding upon satisfaction of specified conditions. In the event that conditional approval is given, Committee staff shall verify that the conditions have been satisfied prior to disbursement of any bond funds.
- C. **Eligible.** Declaration that a Grant Application is fully eligible.

## **SECTION 9. GRANT ADMINISTRATION & REIMBURSEMENT POLICY**

- A. As a condition of award of a Grant the County and the Grantee shall enter into a Grant

Agreement which sets forth the responsibilities and duties of each regarding administration of the approved Project and approved Grant. The Grant Agreement shall specify the Project's beginning and end dates and shall incorporate such other terms and conditions as may be required by particular circumstances.

B. Payment. Grantees are paid allocated Grant funds subject to the following conditions:

- 1) **Cost of Issuance of Bonds.** Not more than one percent (1%) of the value of each Grant award may be earmarked for all costs incidental to the preparation, issuance and administration of the Safe Neighborhood Parks bonds.
- 2) **Timing.** Project costs eligible for reimbursement shall be incurred between the effective date of, and the Project completion date identified in, the Grant Agreement with the exception of Pre-agreement Expenses.
- 3) **Soft Cost Limits.** Project Planning, Design and Administration, as defined in Section 4, are eligible Project soft costs provided that bond proceeds utilized to pay for such costs do not exceed seventeen percent (17%) of the total bond proceeds allocated to a given Project. Where a major Project is funded in phases, this cost limit may not necessarily apply to each individual Project phase, but must apply to the total allocation for the Project.
- 4) Grantees will use their own procurement procedures, which reflect applicable Federal, state and local laws and regulations.
- 5) Grantees are responsible for managing the day-to-day operations of Grant supported activities. Grantees must monitor Grant supported activities to assure compliance with the Ordinance, these rules, the Grant Agreement, and all applicable Federal, State, and local requirements.
- 6) Payments to the Grantee may be withheld at any time that the Grantee fails to comply with Grant award conditions. Funds withheld for failure to comply with Grant award conditions but without suspension of the Grant shall be released to the Grantee upon subsequent compliance.
- 7) Completion of the authorized signature form (Exhibit A).
- 8) In general, payment shall be made on a reimbursement basis. A Grant Recipient may, upon submission of a *Request for Advance Payment* form (Exhibit B), receive an advance payment of up to 25% of the value of the Safe Neighborhood Parks bond funds awarded for the subject Project. **All advance payments received by a Grantee shall be maintained in a separate interest bearing account and may not be co-mingled with other funds. All advances must be fully accounted for within one (1) year of the date of the approval and before subsequent reimbursement requests are paid.** The grantee will be required to close the account and submit a check to the County for the interest earned accompanied by an *Interest Earned on Advance Form* (Exhibit C). Upon receipt of the check and supporting documentation all subsequent reimbursement requests can be paid. Checks must be made payable to Miami-Dade County Board of County Commissioners and forwarded to the Office of Safe Neighborhood Parks.

- 9) **Grantees must submit reimbursement requests on a quarterly basis, December 31, March 31, June 30 and September 30.** If a Grantee is unable to submit a reimbursement request by the quarterly deadline, a written justification indicating the reason for the delay and expected submission date is required to be submitted by the deadline. **Failure to comply with this requirement shall render the Grantee in non-compliance with the Administrative Rules and may result in reduction or forfeiture of payment, at the discretion of the MAAR Subcommittee.**
- 10) Grantees shall complete, sign, and submit to the County Reimbursement Request forms as necessary (Exhibits D through H). All Contractual Services/Direct Payment and FF&E reimbursement requests must be accompanied by supporting documentation (i.e., copies of invoices, receipts and check payments). **Grantees are required to submit requests for reimbursement within six months or two quarters following the date in which the expense is incurred, except when pre-agreement expenses have been approved.**
- 11) ***Reimbursement requests for FF&E items must be approved by the MAAR Subcommittee prior to submission of the request. Written requests for FF&E approval must be accompanied by Exhibit H.***
- 12) **Ten percent (10%)** of the value of the Safe Neighborhood Parks bond funding for a given Project shall be retained by the County until the Project is complete, unless otherwise approved in writing by the MAAR Subcommittee. Upon completion of a Project a signed project completion certificate (Exhibit I) must be submitted with the final reimbursement request forms in order for the retainer to be released.
- 13) The first reimbursement request for any grant requiring a dollar-for-dollar cash match must be accompanied by documentation of the expenditure of committed match funds (i.e. copies of invoices, canceled checks, etc.).
- 14) Each Grantee will ensure that all contractors and consultants perform in accordance with the terms, conditions and specifications of their contracts or purchase orders.
- 15) Each Grantee shall maintain an accounting system, which meets generally accepted accounting principles and shall maintain all required financial records to properly account for all Safe Neighborhood Parks bond funds and any supplemental funds used for the Project. The Grantee shall at all times maintain a separate accounting of all Safe Neighborhood Parks bond funds.
- 16) The Grantee shall be responsible for completing the Project. If the total cost of the Project exceeds the value of the Grant, then the Grantee must provide any supplemental funds required. In the event that supplemental funds are necessary for completion of a Project, as of the point in time that it is known that supplemental funds are needed, the Grantee must demonstrate that such supplemental funds have been committed to the Project prior to and as a condition of disbursement or further disbursement of Grant funds. The requirement for a Grantee to provide supplemental funds may be modified, in part or whole, by the Committee, to the extent that it approves in writing any reduction to the Project scope of work in

accordance with the Ordinance. Approval of any reduction in scope of work is at the sole discretion of the Committee.

C. Acquisition Projects. Guidelines and requirements for administering Acquisition Project Grants are as follows:

- 1) **Appraisal Required.** Prior to acquisition of a Project site, a Grantee must obtain an appraisal or appraisals supporting the fair market value of the land to be acquired. Pursuant to State law, if the property is \$500,000 or less in appraised value, one appraisal is required. If the property exceeds \$500,000 in appraised value, two appraisals are required.
- 2) **Amount Authorized for Payment.** The amount of Grant funds authorized for payment for land acquisition shall in no case exceed the Grant funds available for such purpose. In the event that the negotiated acquisition price exceeds by ten percent or greater the appraised value of the land, the disbursement of Grant funds shall be conditioned upon a written justification for the purchase price and other conditions attendant to the proposed purchase, which justification is declared satisfactory by the Committee in writing. Appraisal costs are eligible Grant costs as long as the appraised property is being realistically and seriously considered for Acquisition, regardless of the outcome.
- 3) **Environmental Survey.** The Grantee may not purchase property with Grant funds until a Phase I environmental survey is completed, which demonstrates that the property is suitable for its intended general use and for the specific Project.
- 4) **Signage.** For acquisition only Projects, for six months following Acquisition, the Grantee shall post a sign, in the general design provided by the County, containing the Safe Neighborhood Parks logo, identifying the source of Project funding. The cost of such a sign is eligible for payment from the Grant.
- 5) **Ownership.** Title to land acquired with Safe Neighborhood Parks bond funds shall vest with a Public Agency. Facilities constructed/developed with Safe Neighborhood Parks bond funds shall vest with a Public Agency.

D. Development Projects. Guidelines and requirements for administering Development Project Grants are as follows:

- 1) **Licensed Contractors; Contractor Bonds.** Duly licensed or registered contractors shall perform all construction. Construction contracts for work in excess of the threshold amounts established in Section 255.20 of the Florida Statutes should contain payment and performance bonds which comply with the requirements of that Section.
- 2) **Cost Elements.**
  - a) **Construction Equipment.** Grantees are required to use their own equipment, if available. If a Grantee's equipment is used, the maximum Grant payment shall cover operating and routine maintenance costs of such equipment; the Grant excludes any depreciation or replacement cost from payment. If an applicant's

equipment is used, a report or source document must describe the work performed, indicate the hours used and relate the use to the Project. If a Grantee does not have needed construction equipment available, then the Grantee may rent such equipment.

- b) *Construction Supplies and Materials.* Supplies and materials may be purchased for a specific Project or may be drawn from a central stock, providing they are claimed at a cost no higher than that which the Applicant paid. When supplies and/or materials are purchased with the intention of constructing a piece of equipment, structure or part of a structure, the costs that are charged as supplies and materials may be capitalized according to the Applicant's normal practice or policy. If capitalized, only the cost reasonably attributable to the Project may be claimed under the Project.
- c) *Personnel or Employee Services.* Services of the Applicant's employees who perform work directly related to the accomplishment of the Project are eligible costs. These costs must be computed according to the Applicant's prevailing wage or salary scales and may include fringe benefit costs, such as vacations, sick leave, FICA, MICA, health and life insurance, and workers compensation at the Applicant's established fringe benefit rate. Costs charged to the Project must be computed on the basis of actual time spent on the Project, and supported by time and attendance records describing the work performed on the Project. Overtime costs may be allowed under the Applicant's established policy, provided that the regular work time was devoted to the same Project. Salaries and wages claimed for employees working on grant-funded Projects must not exceed the Applicant's established rates for similar positions. Alternative methodologies for established wage rates must be pre-approved by the MAAR Subcommittee.
- d) *Consultant Services.* The costs of consultant services necessary for the Project are eligible. The Applicant must pay consultants according to the Applicant's customary or established method and rate. No consultant fee may be paid to the Applicant's own employees.

### 3) *Cost Activities.*

- a) *Construction activities.* The cost of all necessary construction activities, from site preparation (including demolition, survey, excavation and other site work) to the completion of a structure is eligible for payment from the Grant.
- b) *Fixtures, Furnishings and Equipment (FF&E).* The cost of fixtures, furnishings and equipment necessary to operate the facility is eligible. Consumable goods shall not be considered eligible. ***(Please refer to Section 4 for a detailed definition of FF&E).***
- c) *Interpretive Signs and Aids.* The cost of signs, display boards or other interpretive aids relating to the Project, is eligible.
- d) *Signage.* During the time period of Development, the Grantee shall post a sign at the Project site, in the general design provided by the County, containing the Safe Neighborhood Parks logo, identifying the source of funding for the Project. The

cost of such a sign is eligible.

- e) Grantees are encouraged to use value-engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions.

4) **The following is a non-exclusive list of ineligible costs:**

- a) *Grant Application costs.*
- b) *Ceremonial expenses.*
- c) *Expenses for publicity.*
- d) *Bonus payments of any kind.*
- e) *Charges in excess of the lowest responsive and responsible bid or proposal in accordance with the governing rules and procedures of the Applicant, when the law requires the Applicant to utilize competitive selection.*
- f) *Charges for deficits or overdrafts.*
- g) *Charges incurred contrary to the policies and practices of the Applicant.*
- h) *Interest expense.*
- i) *Litigation expenses or judgments, except for those awards resulting from an eminent domain taking.*
- j) *Cost of services, materials or equipment obtained under any other program.*
- k) *Costs of discounts not taken.*
- l) *Cost of purchasing a non-refundable option when acquiring land.*

E) **Budget Changes.**

- 1) Grantees shall adjust their Project budgets to reflect actual costs and updated cost estimates and shall submit adjusted Project budgets to the Office of Safe Neighborhood Parks with the project completion certificate.
- 2) Budget adjustments may not exceed the 17% limitation for design, planning and program administration, nor exceed the total budget award allocation.
- 3) Grantees shall obtain the prior written approval of the Committee whenever budget adjustments are anticipated. The request must be in the same budget format the Grantee used in the Agreement and shall be accompanied by a narrative justification for the proposed revision. Such request for adjustment shall, if approved, amend the Grant Agreement under the Grant award. Requests for budget changes shall be considered by the Committee whenever any of the following adjustments are required:
  - a) For any Project involving both Acquisition and Development activities, any proposed budget transfer from Acquisition to Development or vice versa.
  - b) Any proposed reduction or revision of the scope or objectives of the Project (regardless of whether there is an associated budget adjustment). **However, in the event that a Grantee has completed the approved scope of work for a park and has unexpended funds, the Grantee may request to OSNP to expend these funds in an existing or new budget line item for the park. OSNP is authorized to approve such budget changes and expenses not to**

**exceed \$9,999.00. (Revised 3/18/02 by MAAR sub-committee.)**

- c) Any change that would increase planning, design and program administration in the aggregate total.
- F) Cost Overruns. During the execution of work on a Project, the Grantee may find that actual Project costs exceed the approved budget. For cost overruns that will require additional funding for the Project, or otherwise require a budget adjustment for which prior Committee approval is required pursuant to paragraph E above, the Grantee shall:
  - 1) *Provide a justification for the additional costs;*
  - 2) *Identify available funds for the completion of the Project; and*
  - 3) *If necessary, request from the Committee a reduction in the Project scope consistent with the terms of the Ordinance.*

The Committee, at its discretion, may authorize in writing a reduction in the scope of the Project: (i) where reduction of the scope is consistent with the Ordinance; (ii) where the reduction is justified by the Applicant, and (iii) where the Applicant does not have sufficient funds to complete the Project with the available funds. The Committee, in its discretion, may also, under those circumstances, identify other funds available under the Ordinance for the Project.

## **SECTION 10. COMPLIANCE RESPONSIBILITIES**

The following constitute general requirements for program compliance:

- A) An annual independent audit of SNP funds must be submitted by all Grantees that expend \$500,000 or more in SNP funds in a fiscal year. This audit is due to OSNP by June 1<sup>st</sup> following the fiscal year for which the audit is performed.

The audit shall examine for compliance with contract specifications, verification of project costs and the prevention of corruption and fraud. The cost of this audit may be paid from the general bond fund.

Additionally, in accordance with SNP Bond Ordinance 96-115, Section 13, the SNP Citizens' Oversight Committee may, at its sole discretion, require recipients of any grant to retain the services of an independent private sector inspector general (IPSIG) to audit, investigate, monitor, oversee, inspect and review the operations, activities and performance of its contractors. ***(Revised January 11, 2007 by MAAR Subcommittee.)***

- B) Land and facilities acquired, developed, improved or rehabilitated by Grant funds shall be dedicated and maintained in perpetuity for recreational use for the benefit of the general public except where leases are in effect. All projects shall be open to the public at reasonable times and shall be managed in a safe and attractive manner appropriate for public use.
- C) Grant funds for the purposes of development, improvement, rehabilitation or restoration shall be expended for these purposes only on lands owned by a Grantee or on lands for

which the Grantee holds a lease or other use agreement. Such lease or other use agreement must be for an unexpired term of 25 years. The Grant Recipient may demonstrate the eligibility of the Project to the reasonable satisfaction of the Committee, through a joint ownership, use, franchise or other agreement, evidencing that the lands and/or the Project will be utilized for the public benefit, consistent with the terms of this Ordinance, for a term of at least 25 years in duration. The lease must not be revocable at will.

- D) Grantee shall maintain all financial and programmatic records, supporting documents and other records pertinent to the Grant for a period of three years from the starting date defined below. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three year period, whichever is later. When Grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the Grantee submits to the County its single or last expenditure report for that period. In all other cases, the retention period starts on the day the Grantee submits its final expenditure report.
- E) The Committee and the County, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers or other records of the Grantee in order to make audits, examinations, excerpts and transcripts.
- F) If a Grantee materially fails to comply with any term of an award, the Committee or the Office of Safe Neighborhood Parks (OSNP) may take one or more of the following actions, as appropriate in the circumstances:
  - 1) *Temporarily withhold cash payments pending correction of the deficiency by the Grantee.*
  - 2) *Disallow all or part of the cost of the activity or action not in compliance.*
  - 3) *Wholly or partly suspend or terminate the current award for the Grantee's program.*
  - 4) *Withhold further Grant awards from the Grantee.*
  - 5) *Take other remedies that may be legally available.*
- G) Any of the enforcement actions listed in paragraph F above, taken by the OSNP, which are contested and unresolved between the Grantee and the County within thirty days of such action, will result in the MAAR Subcommittee providing the Grantee with an opportunity to be heard on the issue. Said hearing will occur within sixty days of the MAAR Subcommittee receiving the Grantee's written request. The MAAR Subcommittee will recommend appropriate action to the Committee.
- H) Costs of Grantee resulting from obligations incurred by the Grantee during a suspension or after termination of an award are not allowable unless OSNP expressly authorizes them in the notice of suspension or termination or subsequently authorizes them in writing. Other Grantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
  - 1) *The costs result from obligations which were properly incurred by the Grantee before the effective date of suspension or termination, are not in anticipation of it,*

*and in the case of a termination, are non-cancelable; and*

- 2) *The costs would be allowance if the award was not suspended or if the award expired normally at the end of the funding period in which the termination takes effect.*
- l) Inspections. Staff of the Committee or the County, or both, shall periodically inspect each Project to ensure compliance with these rules, the Ordinance, and the Grant agreement. Staff shall perform an inspection of the Project site to ensure compliance prior to release of the final Grant payment.

## **SECTION 11. SEMI-ANNUAL PROJECT STATUS REPORTS**

Grantees are required to submit the Project Status Report on a semi-annual basis, in the format stipulated by OSNP. Additional reports shall be due upon request of the SNP Oversight Committee or the Office of Safe Neighborhood Parks. Reports may include:

- A) Actual accomplishments of each grant.
- B) Problems encountered in implementation of each grant.
- C) Anticipated start and/or completion dates of each grant.

Grantees may be required to meet with the Committee to discuss any Projects.

## **SECTION 12. PROJECT CLOSE-OUT**

- A) A Grantee has up to forty-five (45) days after the expiration or termination of the Grant to submit all final documentation, including final reimbursement requests and project completion certificates.
- B) The close-out of a Grant does not affect:
  - 1) *The County's right to disallow costs and recover funds on the basis of a later audit or review.*
  - 2) *The Grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions.*
  - 3) *Records retention responsibilities set forth above.*
  - 4) *Continuing responsibilities set forth in the Ordinance and these rules.*
  - 5) *Audit rights set forth in these rules.*
- C) Any amounts paid to Grantee in excess of the amount to which the Grantee is finally determined to be entitled under the terms of an award constitute a debt to the County. If not paid within a reasonable period after demand, the County may reduce the debt by:
  - 1) *Making an administrative offset against other requests for reimbursement;*
  - 2) *Withholding payments otherwise due to the Grantee; or*
  - 3) *Taking other action provided by law.*

Any overdue debt of the Grantee shall accrue interest at the maximum rate allowed by law.

### **SECTION 13. INTERPRETATION; ADMINISTRATION**

These administrative rules have been promulgated under the Ordinance. In the event there exists a conflict between these rules and the provisions of the Ordinance, the Ordinance shall prevail.

The MAAR Subcommittee shall be authorized to interpret the provisions of these administrative rules on behalf of the Committee and its interpretation of any matters governed hereby shall be final. The Committee shall be authorized to amend these administrative rules, by majority vote, in accordance with its duly adopted bylaws, subject to applicable law.

Staff to the Committee shall be authorized and required to administer the Safe Neighborhood Parks bond program consistent with the Ordinance and these administrative rules.
