

Memorandum

MIAMI-DADE
COUNTY

Date: February 2, 2010

To: Honorable Chairman Dennis C. Moss and Members,
Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Retroactively Authorizing Execution of U.S. Government Lease for Real Property between Miami-Dade County and U. S. Customs and Border Protection for Office Space Located at 1500 Port Boulevard at the Dante B. Fascell Port of Miami-Dade

Agenda Item No. 8(Q)(1)(B)

RECOMMENDATION

It is recommended that the Board retroactively approve the accompanying resolution authorizing the execution of a U.S. Government Lease for Real Property ("Agreement") between Miami-Dade County ("County") and U.S. Customs and Border Protection ("CBP") for office space located at 1500 Port Boulevard at the Dante B. Fascell Port of Miami-Dade.

SCOPE

The Port of Miami ("Port") is located within District 5 – Commissioner Bruno A. Barreiro. The impact of this agenda item is countywide as the Port of Miami is a regional asset and generates employment for residents throughout Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

Recently, the Federal government imposed new guidelines and requirements with respect to the provision of its inspection and support facilities at their ports of operations. The new guidelines require seaports to provide at no-cost to CBP sufficient processing space as well as office space to support these functions. For legal support, the guidelines rely on Section 1223 of the United States Code. Section 1223 requires carriers, at their expense, to provide CBP landing stations conveniently located at the point(s) of entry where CBP provides inspection services.

TRACK RECORD/MONITOR

CBP has been at the Port of Miami since the early 1970s, when international vessels started arriving at the Port. Throughout the years, CBP has played an important role in the expansion and success of the Port.

This item is being submitted to the Board retroactively due to delays in the receipt of rental payments to the County by CBP. These payments were inadvertently sent to another Port of Miami tenant. This issue has been resolved and CBP has no outstanding business issues nor delinquent account balances with the Seaport Department.

The Seaport Department staff members responsible for monitoring this agreement are Juan Kuryla, Deputy Port Director, Miriam Abreu, Chief Financial Officer, and Dalgis Betancourt, Manager, Seaport Real Estate and Economic Development.

BACKGROUND

For almost 40 years, CBP has been an invaluable partner at the Port of Miami. Its efficient processing of passengers and cargo has enabled the Port to achieve significant growth. As a result of the Seaport's increase in cargo and passenger volumes, as well as additional security measures following the events of September 11, 2001, CBP operations and staff have increased significantly at the Port. To accommodate this increased activity, throughout the years the Port has identified and provided office space for CBP.

Throughout this time, CBP has held different types of leases at the Port; i.e., open ground leases, warehouse leases and office space leases. Up to the late 1990s, CBP occupied these areas on Port at no cost. From approximately 1999 through 2009, CBP has paid either tariff or off-tariff rates depending on the lease structure, including rates to reimburse the Port for improvements to their facilities.

Toward this end, the Port is recommending the proposed Agreement with CBP at no cost for the usage of 16,894 square feet of office space at 1500 Port Boulevard for a period of three years, commencing on November 1, 2009 with no renewal options. The proposed Agreement may be terminated at any time by giving 30 days written notice to the other party. Currently CBP is occupying this facility under a Board approved lease (Resolution # 447-06) for a period of three years. Such lease executed by U.S. Government, General Services Administration (GSA) for CBP commenced on November 1, 2006 and expired on October 31, 2009, and provided for the then Tariff rate of \$17.00 per square foot plus additional markups for office space build out, staff parking and Consumer Price Index (CPI) increases.

From an operational standpoint, it is beneficial for the Port to house CBP on-Port to process both passengers and cargo in an expedited manner. CBP's presence at the Port is extremely valuable as it is an excellent asset when selling the Port's infrastructure and services to its customers.

The Port of Miami is mandated to comply with Section 1223 of the United States Code, other competing ports are also required to do so. For instance, at the Port of Tampa, CBP conducts passenger inspections and occupies space in the cruise terminals at no cost. In addition, the Port pays for maintenance and utilities incurred by the agency such as electricity, water, janitorial services, landscaping, etc. Port Everglades is also offering complimentary rent to CBP and it is also absorbing all utilities costs. Other ports experiencing similar situations are the Port of Jacksonville, which provides CBP facilities at no cost to conduct passenger inspections as well as Port Canaveral and the Port of Palm Beach which also provide free space at cruise terminals as well as pay for all utilities costs associated with CBP.

It is worth noting that the rental space covered in this Agreement could not be leased for any commercial purpose to any other entity as it is within Seaboard Marine's leased area. Seaboard has agreed to continue allowing CBP occupy this area as well.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which include the authority for the Mayor or designee to execute the Agreement and to exercise any cancellation provisions.

**U.S. GOVERNMENT LEASE FOR REAL PROPERTY
(Short Form)**

1. LEASE NUMBER
HSBP-1109-L-INO199

PART I - SOLICITATION/DESCRIPTION OF REQUIREMENTS (To be completed by Government)

A. REQUIREMENTS

The Government of the United States of America is seeking to lease approximately 16,894 rentable square feet of office space located in at 1500 Port Boulevard, Miami, Florida 33132 for occupancy not later than November 1, 2009 for a term of One (1) year and a year to year basis for up to a total of three (3) years, but not beyond October 31, 2012.

B. STANDARD CONDITIONS AND REQUIREMENTS

The following standard conditions and requirements shall apply to any premises offered for lease to the UNITED STATES OF AMERICA (hereinafter called the GOVERNMENT):

Space offered must be in a quality building of sound and substantial construction, either a new, modern building or one that has undergone restoration or rehabilitation for the intended use.

The Lessor shall provide a valid Certificate of Occupancy for the intended use of the Government and shall meet, maintain, and operate the building in conformance with all applicable current (as of the date of this solicitation) codes and ordinances. If space is offered in a building to be constructed for lease to the Government, the building must be in compliance with the most recent edition of the building code, fire code, and ordinances adopted by the jurisdiction in which the building is located.

Offered space shall meet or be upgraded to meet the applicable egress requirements in National Fire Protection Association (NFPA) 101, *Life Safety Code* or an alternative approach or method for achieving a level of safety deemed equivalent and acceptable by the Government. Offered space located below-grade, including parking garage areas, and all areas referred to as "hazardous areas" (defined in NFPA 101) within the entire building (including non-Government areas), shall be protected by an automatic sprinkler system or an equivalent level of safety. Additional automatic fire sprinkler requirements will apply when offered space is located on or above the 6th floor. Unrestricted access to a minimum of two remote exits shall be provided on each floor of Government occupancy. Scissor stairs shall be counted as only one approved exit. Open-air exterior fire escapes will not be counted as an approved exit. Additional fire alarm system requirements will apply when offered space is located 2 or more stories in height above the lowest level of exit discharge.

The Building and the leased space shall be accessible to workers with disabilities in accordance with the Americans With Disabilities Act Accessibility Guidelines (36 CFR Part 1191, App. A) and the Uniform Federal Accessibility Standards (Federal Register vol. 49, No. 153, August 7, 1984, reissued as FED. STD. 795, dated April 1, 1988, and amended by Federal Property Management Regulations CFR 41, Subpart 101-19.6, Appendix A, 54 FR 12628, March 28, 1989). Where standards conflict, the more stringent shall apply.

The leased space shall be free of all asbestos containing materials, except undamaged asbestos flooring in the space or undamaged boiler or pipe insulation outside the space, in which case an asbestos management program conforming to Environmental Protection Agency guidance shall be implemented. The space shall be free of other hazardous materials according to applicable Federal, State, and local environmental regulations.

Services, utilities, and maintenance will be provided daily, extending from 12 a.m. to 12p.m. except Saturday, Sunday, and Federal holidays. The Government shall have access to the leased space at all times, including the use of electrical services, toilets, lights, elevators, and Government office machines without additional payment.

**GENERAL CLAUSES
(Simplified Leases)**

(Acquisition of Leasehold Interests in Real Property for Leases Up to \$100,000 Net Annual Rent)

1. The Government reserves the right, at any time after the lease is signed and during the term of the lease, to inspect the leased premises and all other areas of the building to which access is necessary to ensure a safe and healthy work environment for the Government tenants and the Lessor's performance under this lease.
2. If the building is partially or totally destroyed or damaged by fire or other casualty so that the leased space is untenable as determined by the Government, the Government may terminate the lease upon 15 calendar days written notice to the Lessor and no further rental will be due.
3. The Lessor shall maintain the demised premises, including the building, building systems, and all equipment, fixtures, and appurtenances furnished by the Lessor under this lease, in good repair and tenable condition. Upon request of the Contracting Officer, the Lessor shall provide written documentation that building systems have been maintained, tested, and are operational.
4. In the event the Lessor fails to perform any service, to provide any item, or meet any requirement of this lease, the Government may perform the service, provide the item, or meet the requirement, either directly or through a contract. The Government may deduct any costs incurred for the service or item, including administrative costs, from rental payments.
