WHEREAS, on January 12, 2010 a devastating earthquake hit Haiti, approximately 10 miles southwest of Port-au-Prince; and

WHEREAS, more than three million people -- a third of Haiti's population -- have been affected by the earthquake; and

WHEREAS, the earthquake is the latest in a series of events that have hit Haiti in recent years, including four deadly storms that struck Haiti in 2008; and

WHEREAS, even before the earthquake, Haiti was one of the poorest countries in the Western Hemisphere; and

WHEREAS, Haitian migrants who come to our community are likely to need health care and social services quickly; and

WHEREAS, Miami-Dade County, as well as the cities located in Miami-Dade County, are likely to incur substantial costs in the areas of health care, social services, education and law enforcement as a result of this influx; and
