Executive Summary

With this submittal, the City of Doral (City), wishes to initiate the annexation process for the reference Section. The City wishes to annex approximately a **one square mile area** which is contiguous to the City's current southwestern municipal boundary (See Location Aerial).

The Annexation Area is described as: Section 31, Township 53, Range 40 in Miami-Dade County, Florida and is bounded by NW 12th Street on the south, NW 87th Avenue on the east, NW 25th Street on the north, and NW 117th Avenue. This Section contains the Dolphin Mall and the area was originally known as Truman City.

As stated in the preceding paragraph, the Dolphin Mall is located in the southwest section of the annexation area and is the major retail component. There is other scattered retail/commercial and office. Another dominant use is industrial. A rather large proportion of vacant land remains within this area but continues to be developed.

The City is a relatively new municipality being approximately six years old. Miami-Dade County (County) still provides certain services as stipulated in various interlocal agreements and will continue to do so for the proposed Annexation Area. The City has had no need to adjust its millage rate since the time of incorporation.

The City is dissimilar from others municipalities that have incorporated in Miami-Dade County over the last 10 or so years due to the unprecedented mix of residential, commercial and industrial uses within the existing boundaries – a benefit to property owners within the annexation area. The City also includes a world class hotel and golf course, excellent schools and is considered an international hub for commerce. Because of the mix of uses and large tax base the City of Doral is considered a donor area.

According the University of Florida Bureau of Economic and Business Research (BEBR), the latest population figures available (April 2007) showed that 34,472 persons reside in the City of Doral. Since that time the City has welcomed hundreds of new residents. The addition of the Annexation Area, which has zero electors, would not impact the population of the City.

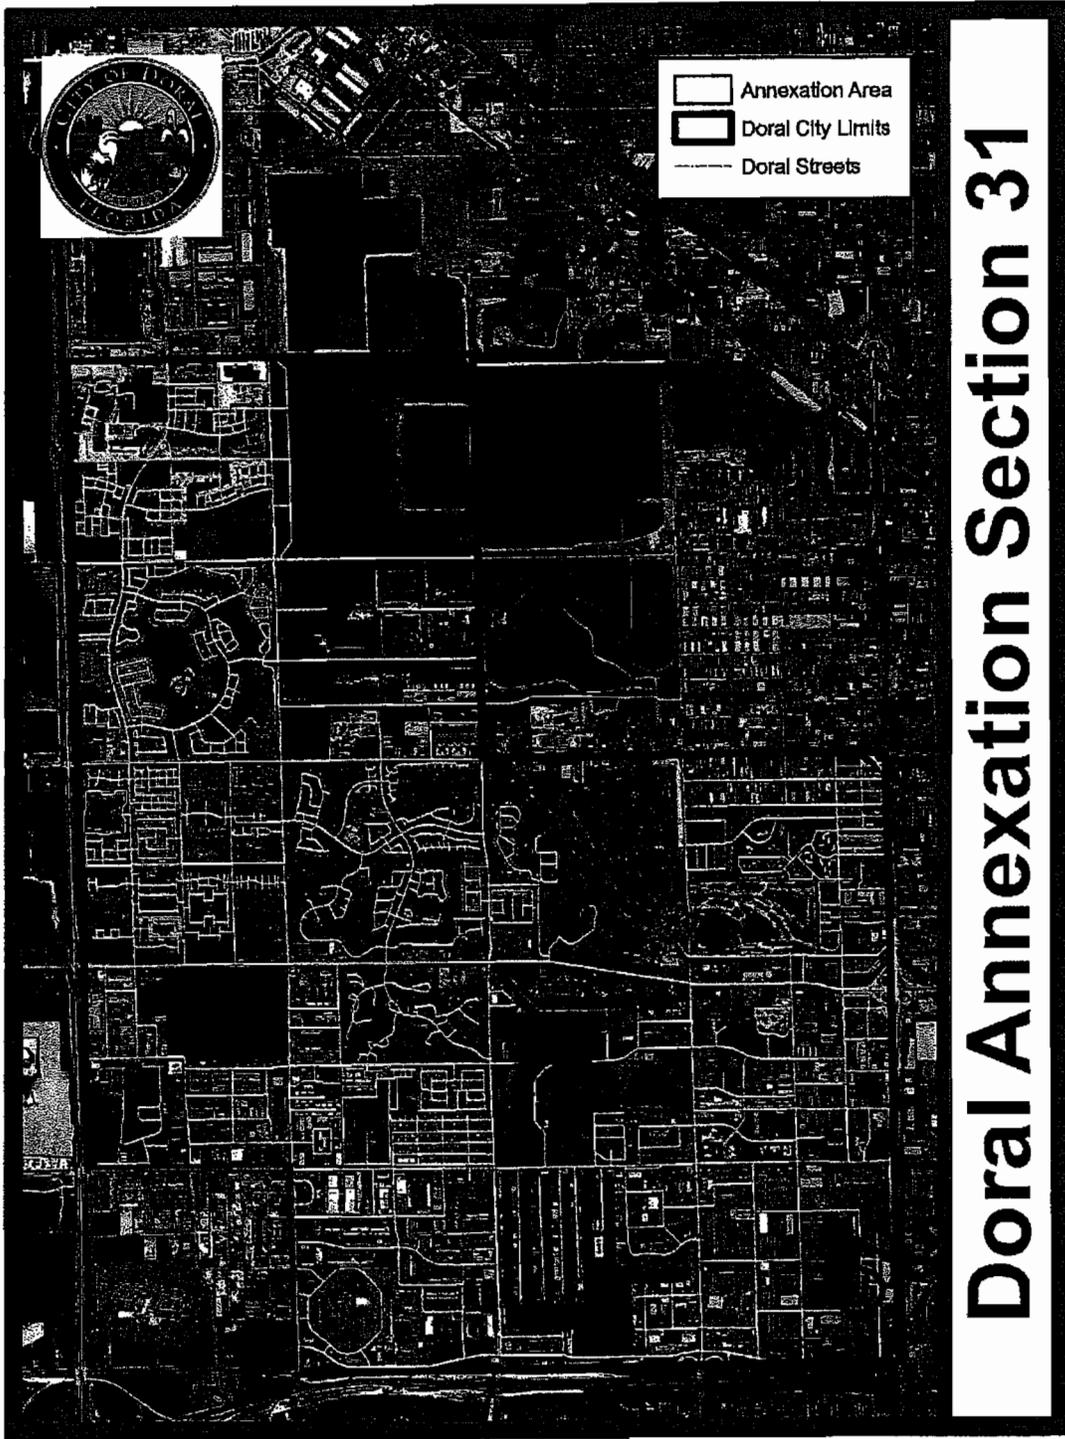

With its current successes the City wishes to expand so that the following goals of the City may be met:

- Improving services and infrastructure, including streets;
- Providing for buffering; and
- Providing for future green space.

In summary and additionally, annexing this area will "square off" the City's boundary and relieve the County of an enclave already bounded by the City of Doral on the north and east, and by the major transportation arteries of the HEFT on the west and SR 836 on the south. Through more localized planning, review and enforcement of regulations the needs of this very important employment and economic center, which is the City of Doral, will be fully realized.

Public Hearing Notice

CITY OF DORAL

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Wednesday, September 9, 2009**, the City Council of Doral will hold a Public Hearing at **1:00 P.M.** at the **City of Doral, City Hall, Council Chambers** located at **8300 N.W. 53rd Street, Suite 100, Doral, FL.**, pursuant to the Miami-Dade County Charter Section 5.04 and the Miami-Dade County Ordinances, Section 20-3, to consider annexation and enactment of a Resolution concerning the annexation of certain land depicted in the following map. All interested parties are urged to attend the meeting and be heard.

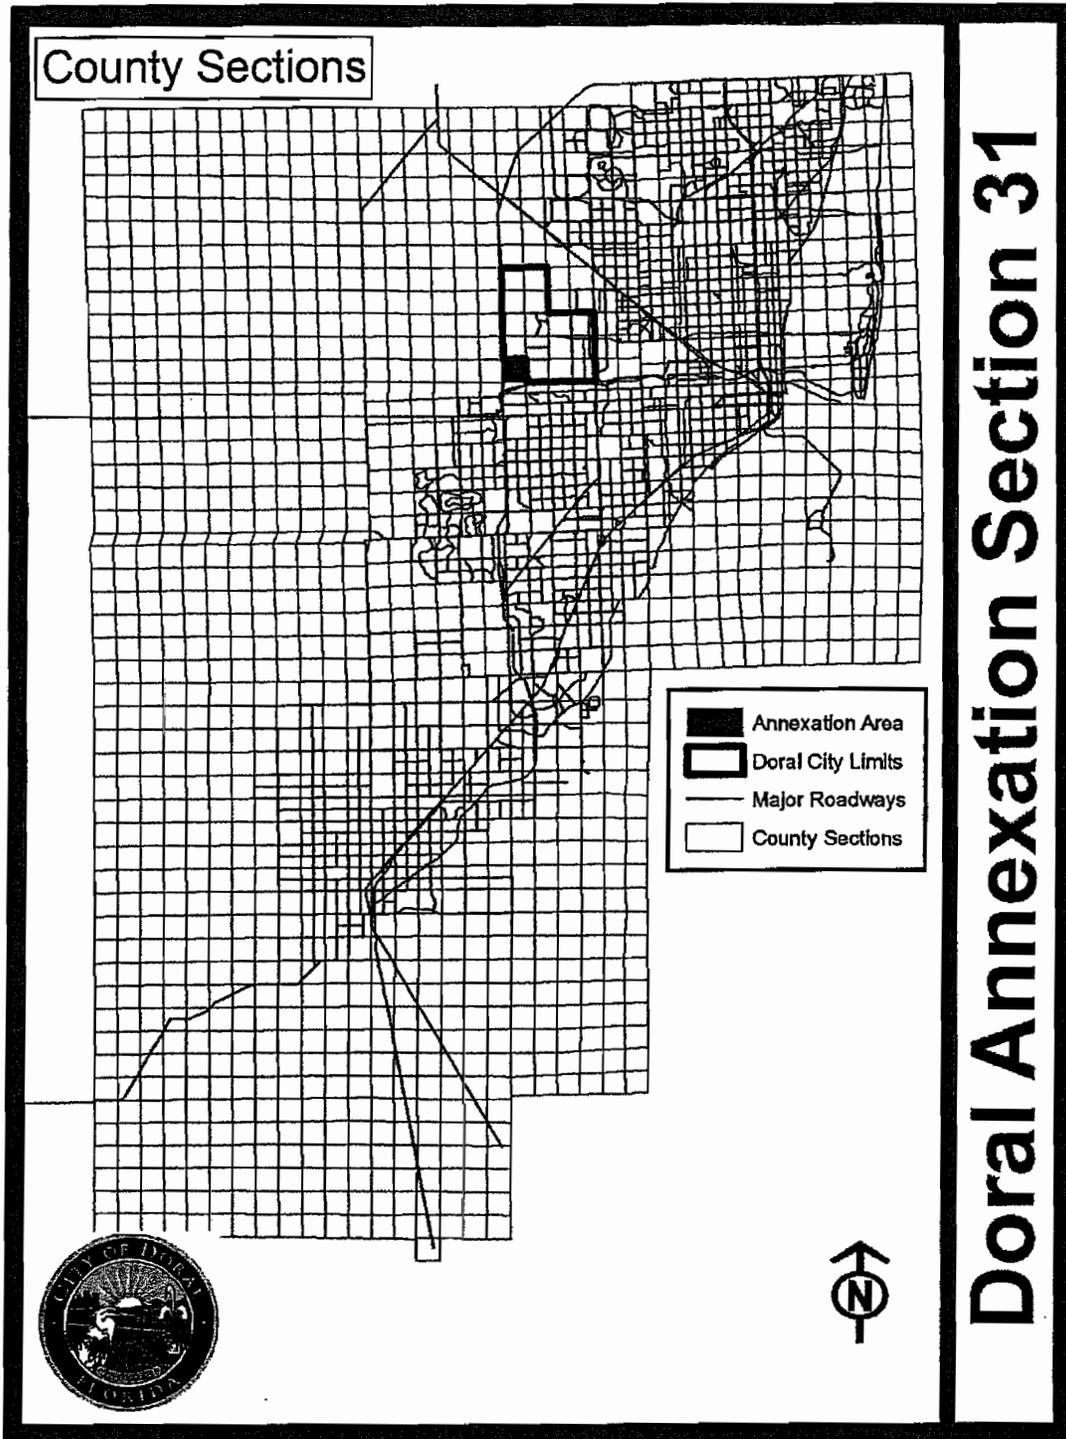

Legal Description: All of Section 31, Township 53 South, Range 40 in Miami-Dade County, Florida.

Information relating the subject application is on file and may be examined in the City of Doral, Planning and Zoning Department Located at 8300 NW 53rd Street, Suite 200, Doral, Florida. All persons are invited to appear

at this meeting or be represented by an agent, or to express their views in writing addressed to the City Clerk, 8300 N.W. 53 Street, Suite 100, Doral, Florida 33166. The courts have ruled that it is improper to contact a City Council member individually, either orally or in writing about any zoning application. Maps and other data pertaining to these applications are available for public inspection during normal business hours in City Hall. Any persons wishing to speak at a public hearing should register with the City Clerk prior to that item being heard. Inquiries regarding the item may be directed to the Planning and Zoning Department at 305-59-DORAL. Pursuant to Section 286.0105, Florida Statutes If a person decides to appeal any decisions made by the City Council with respect to any matter considered at such meeting or hearing, they will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. This notice does not constitute consent by the City for introduction or admission of otherwise inadmissible or irrelevant evidence, nor does it authorize challenges or appeals not otherwise allowed by law. In accordance with the Americans with Disabilities Act, all persons who are disabled and who need special accommodations to participate in this meeting because of that disability should contact the Planning and Zoning Department at 305-59-DORAL no later than 48 hours prior to the proceeding.

RE: Certificate of the Supervisor Certifying the Number of Qualified Electors
City of Doral Annexation Request-Section 31, Township 53, Range 40

Dear Mr. Sola:

My client, the City of Doral, is initiating the process to have the above referenced Section of land annexed into the City and which is located southwest of and adjacent to the existing municipal boundaries or, northeast of the intersection of SR 836 and the HEFT. More particularly, the Section is bounded by NW 12th Street on the south, NW 107th Avenue on the east, NW 25th Street on the north, and NW 117th Avenue to the west. This square mile contains the Dolphin Mall.

As referenced in Chapter 20 "Municipalities", Section 3(C), a "Certificate of the County Supervisor of Registration certifying that the area involved in the proposed boundary change contains either more than two hundred fifty (250) residents who are qualified electors, or less than two hundred fifty (250) residents who are qualified electors." is required for the application submittal.

We would appreciate your assistance in this matter and respectfully request the referenced certification letter. If you have any questions, I may be reached at (786) 514-0121.

Very truly yours,

RE: Certificate of the Director Determining Percent of Residential Development
City of Doral Annexation Request -- Section 31, Township 53, Range 40

Dear Mr. LaFerrier:

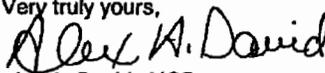

My client, the City of Doral, is initiating the process to have the above referenced Section of land annexed into the City and which is located southwest of and adjacent to the existing municipal boundaries or, northeast of the intersection of SR 836 and the HEFT. More particularly, the Section is bounded by NW 12th Street on the south, NW 107th Avenue on the east, NW 25th Street on the north, and NW 117th Avenue to the west. This square mile contains the Dolphin Mall.

As referenced in Section 20-3 (G) and pursuant to the Miami-Dade County Code, Chapter 20 "Municipalities", Section 20-9 "Election on proposed boundary changes required", a determination by the Director of the Department of Planning and Zoning concerning the percentage of development within the annexed area is required.

Section 20-9 states: "... If a boundary change involves the annexation or separation of an area having two hundred fifty (250) or fewer resident electors, and the area is less than fifty (50) percent developed residential, the Commission may by ordinance effect the boundary change in accordance with Section 5.04.B of the Home Rule Charter. The determination of whether an area is more or less than fifty (50) percent developed residential shall be made in the sole discretion of the Director of the Department of Planning and Zoning."

We would appreciate your assistance in this matter and respectfully request the referenced certification letter. If you have any questions, I may be reached at (786) 514-0121.

Memorandum

Date: September 11, 2009

To: Diane Collins, Acting Division Chief
Clerk of the Board

From: Marc C. LaFerrier, AICP, Director
Department of Planning and Zoning 

Subject: Certification of the City of Doral's Proposed Annexation – Section 31-53-40

This memo will serve to certify that, in accordance with Sec. 20-9 (a) of the Code of Miami-Dade County, I have determined that:

- o The proposed annexation area, described below, is less than 50 percent developed residential. According with the 2007 land use records, as shown in the attached table and figure, there are only 1.6 acres of land in residential use (0.3 percent) within the proposed annexation area. The land area of the proposed annexation is approximately 639.2 acres.
- o The proposed annexation area, which is shown in the attached figure and consists the entire Section 31-53-40, is generally located south of the NW 25th Street, north of NW 12th Street, east of the Homestead Extension of the Florida Turnpike and west of NW 107th Avenue.

Statement of Reason for Boundary Changes

The proposed annexation area as shown abuts the City of Doral along both NW 25th Street and NW 107th Avenue. Annexing the approximately 1.0 square mile area will insure that a high quality of life be maintained for businesses and visitors and will remain as such through continued proper planning and development practices. It is a fact that the excellent quality of existing and proposed development within the annexation area is compatible with and complementary to development already existing in Doral's surrounding office and industrial zones. Additionally, annexing this area will "square off" the City's boundary and relieve the County of an enclave already bounded by the City of Doral on the north and east, and by the major transportation arteries of the HEFT on the west and SR 836 on the south.

As stated in the previous paragraph, proper planning and development practices and compatibility are extremely important to the City.

Again, through more localized planning, review and enforcement of regulations the needs of this very important employment and economic center will be fully realized.

Finally, since the City of Doral is fiscally very sound there has been no need to adjust the millage rate since the date of incorporation.

Notification of Property Owners of City Intent

For the formal hearing by the City to proceed with the annexation mailed notice was sent to property owners within the area and within 600 feet thereof. Proof of compliance with this section shall be required. (See Attachment "A" - CERTIFIED LIST OF PROPERTY OWNERS)

Land Use Plan and Zoning

The designated future land uses are: Industrial and Office, Business and Office, Transportation and Water. The square mile is a mix of zoning districts but predominantly business and industrially zoned. These designations are shown on the Miami-Dade County Comprehensive Development Master Plan Future Land Use Plan Map and the respective Zoning Map.

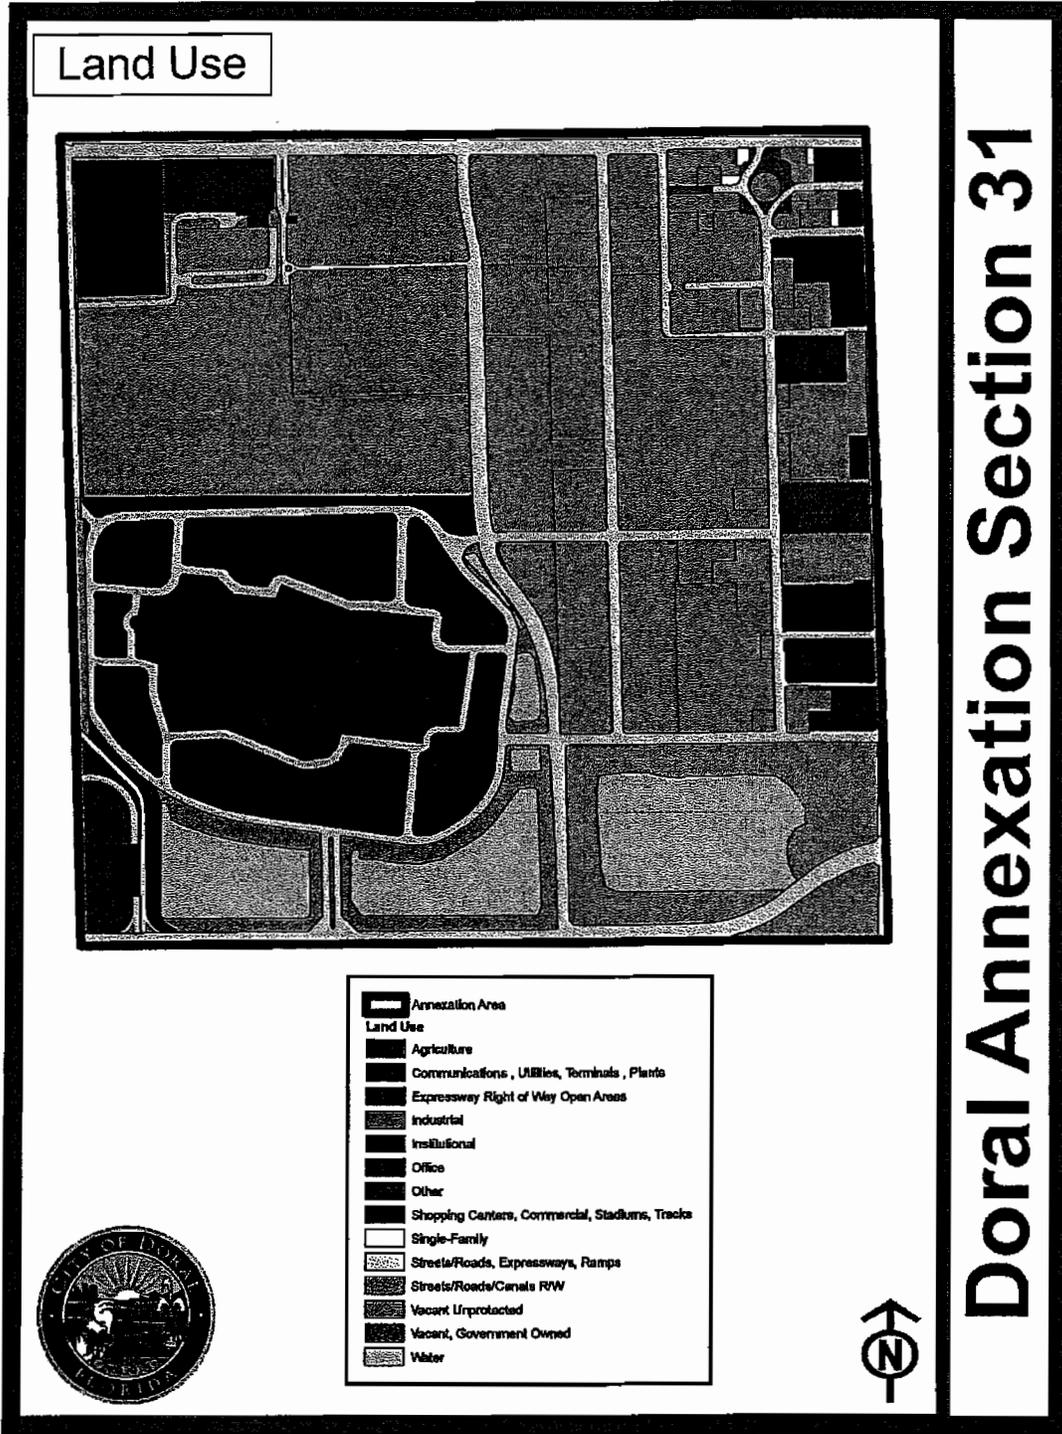

According to the Inventory of Existing Land Uses provided by the Miami-Dade County Department of Planning & Zoning the Annexation Area is approximately 1.0 square mile (639.2 acres) in size. The following table details the major land use categories by number of acres and percentage of total. A map of the existing land uses is on the following page.

Table 1.
Inventory of Land Uses

Land Use	Number of Acres	Percent of Total
Residential	1.6	0.3

The City has adopted its Comprehensive Development Master Plan; however, it is not currently effective. Additionally, the City adopted its first Land Development Code.

Future Land Use Designation for Section

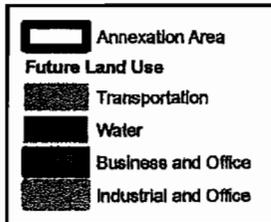

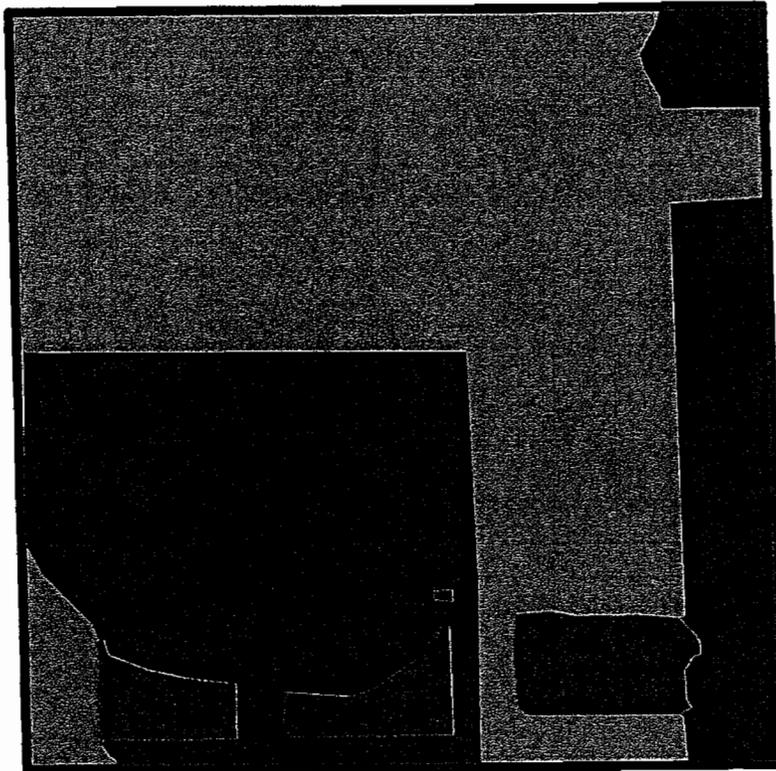

Section 31 53 40 is designated Industrial and Office, Business and Office, Transportation and Water on the Miami-Dade County Future Land Use Plan Map. Upon annexation, the City will re-designate those properties to the City's closest Land Use equivalent.

Please see Future Land Use Plan Map for more detailed Land Use designation locations.

Also, for reference purposes, the relevant Land Use Designation descriptions are included and were obtained from the Miami-Dade County Comprehensive Development Master Plan 2015-2025 and the City of Doral Comprehensive Development Master Plan.

Future Land Use Plan Map Designations (Miami-Dade County)

Industrial and Office

Industries, manufacturing operations, warehouses, mini-warehouses, office buildings, wholesale showrooms, distribution centers, merchandise marts and similar uses are permitted in areas designated as "Industrial and Office" on the LUP map. Also included are construction and utility-equipment maintenance yards, utility plants, public facilities, hospitals and medical buildings. The full range of telecommunications facilities, microwave towers, radar stations and cell towers is also allowed. Very limited commercial uses to serve the firms and workers in the industrial and office area are allowed dispersed as small business districts and centers throughout the industrial areas. Hotels and motels are also authorized. Freestanding retail and personal service uses and shopping centers larger than 10 acres in size are prohibited in these areas because they would deplete the industrial land supply and they are better located in commercially designated areas and in closer proximity to residential areas. Freestanding retail and personal service uses and shopping centers that are approved in Industrial and Office areas should front on major access roads, particularly near major intersections. In addition, uncommon commercial uses such as amusement uses, and others with unusual siting requirements may also be considered at appropriate locations. Quarrying activities and ancillary uses may also be approved in areas designated Industrial and Office where compatible with the surrounding area and environment. The specific range and intensity of uses appropriate in a particular Industrial and Office area vary by location as a function of the availability of public services and access and, among other factors, compatibility with neighboring development. Through the zoning review process, use of particular sites or areas may be limited to something less than the maximum allowed in this category. Moreover, special limitations may be imposed where necessary to protect environmental resources.

If the land is the subject of an application for rezoning, zoning approval or a plan amendment and is located in an MSA with less than a 15-year supply of industrial land, in order to receive approval for a non-industrial use, the applicant must demonstrate that such use will not have a significant adverse impact on future industrial development.

In general, the typical residential development is incompatible with major industrial concentrations and shall not occur in areas designated as "Industrial and Office" on the LUP map to avoid use conflicts and for health and safety, and residential service planning, reasons.

Exceptions may be granted for the following: (1) the development of live-work or work-live buildings or the adaptive reuse of existing structures for these purposes in areas of light industrial uses such as office, wholesale, distribution and the assembling of pre-manufactured parts; (2) the development of a TND as provided herein; and (3) the residential development of a portion of an industrially designated area where the portion is, a) 10 acres or smaller and is bounded on two or more sides by existing residential development or zoning, or is b) the perimeter of a Plan-designated industrial area which perimeter does not exceed 150 feet; and c) the subject portion of the industrially designated site immediately adjoins a currently developed or platted residential area and the Director of the Department of Planning and Zoning determines that the inclusion of a residential component in the Industrially designated area, designed to provide compatible transition along the boundary, is the best means of maintaining the quality of the adjoining residential area.

Notwithstanding the foregoing, applications for residential zoning that were properly filed prior to August 25, 2000, can be considered where adjoining land is residentially zoned, designated or developed. Residential developments in this land use category may participate in the inclusionary zoning program. The properties utilized for residential development will be eligible within the limits provided in this paragraph for the density allowances of the inclusionary zoning program in the Residential Communities section.

TNDs may be permitted in Industrial and Office areas where: 1) compatible with nearby development and with the objectives and policies of this Plan, 2) necessary services exist or will be provided by the developer, and 3) adjacent to land designated Residential Communities on the LUP map (including across an abutting major or minor roadway) along 30 percent or more of the total perimeter of the TND, provided that land designated Residential Communities exists along at least some portion of two or more sides. (Multiple sides created by an out parcel shall count as one side only.) TNDs located within Industrial and Office areas shall allocate to Workshop Uses a minimum of 15 percent and a maximum of 30 percent of the gross built-up area planned for development within a TND, and shall have a residential density no greater than the average of the adjacent Residential Communities designations or ten units per acre, whichever is higher. Workshop Uses shall be oriented to adjacent non-residential areas, while the residential uses shall be oriented to the adjacent Residential Communities designations. All criteria for TNDs enumerated in the Residential Communities section of this Chapter, other than the provisions governing percent of built-up area which may be devoted to workshop uses addressed herein and the maximum permitted residential density, shall govern the development of TNDs in areas designated Industrial and Office.

Business and Office

This category accommodates the full range of sales and service activities. Included are retail, wholesale, personal and professional services, call centers, commercial and professional offices, hotels, motels, hospitals, medical buildings, nursing homes (also allowed in the institutional category), entertainment and cultural facilities, amusements and commercial recreation establishments such as private commercial marinas. Also allowed are telecommunication facilities such as cell towers and satellite telecommunication facilities (earth stations for satellite communication carriers, satellite terminal stations, communications telemetry facilities and satellite tracking stations). These uses may occur in self-contained centers, high-rise structures, campus parks, municipal central business districts or strips along highways. In reviewing zoning requests or site plans, the specific intensity and range of uses, and dimensions, configuration and design considered to be appropriate will depend on locational factors, particularly compatibility with both adjacent and adjoining uses, and availability of highway capacity, ease of access and availability of other public services and facilities. Uses should be limited when necessary to protect both adjacent and adjoining residential use from such impacts as noise or traffic, and in most wellfield protection areas uses are prohibited that involved the use, handling, storage, generation or disposal of hazardous material or waste, and may have limitations as to the maximum buildable area, as defined in Chapter 24 of the County Code. When the land development regulations are amended pursuant Policies LU-9P and LU-9Q, live-work and work-live developments shall be permitted on land designated as Business and Office, as transitional uses between commercial and residential areas.

Residential uses, and mixing of residential use with commercial, office and hotels are also permitted in Business and Office areas provided that the scale and intensity, including height and floor area ratio of the residential or mixed use development, is not out of character with

that of adjacent or adjoining development and zoning, and it does not detrimentally impact, and it provides a sensitive well designed transition to any adjacent or adjoining residentially developed or designated areas of different development intensity. Where these conditions are met residential development may be authorized to occur in the Business and Office category at a density up to one density category higher than the LUP-designated density of the adjacent or adjoining residentially designated area on the same side of the abutting principal roadway, or up to the density of any such existing residential development, or zoning if the adjacent or adjoining land is undeveloped, whichever is higher. If there is no adjacent or adjoining residential use existing, zoned or designated on the same side of the roadway, the maximum allowable residential density will be that which exists or which this plan allows across the roadway. Where there is no residential use, zoning or designation on either side of the roadway, the intensity of residential development, including height, bulk and floor area ratio shall be no greater than that which would be permitted for an exclusively commercial use of the site. Where SURs or TDRs are transferred to Business-designated parcels which are zoned or to be used for residential development, or when a residential project utilizes the inclusionary zoning program the allowances of the Residential communities section may be used within the limits provided in this paragraph.

Transportation (including Terminals)

The LUP map includes a summarized portrayal of the major components of Miami-Dade County's existing and future transportation network. Included are roadways, rapid transit corridors, railways and major switching yards, and such major terminals as the County airports and the Miami-Dade Seaport. This information is included on the LUP map to provide orientation and locational references, and to relate future development patterns to the future transportation network. The Transportation and Capital Improvements Elements of the CDMP provide additional details about these facilities, including their intended sizes, functions, uses, and designs and, with the exception of local streets, schedules of improvements.

As provided in the policies of the Transportation Element, transportation facilities such as terminals and transit stations shall contain the transportation uses and may contain other uses as provided in the applicable Transportation Subelement. Railroad terminals may include uses designed to serve the traveling public and on-site employees, such as offices, personal services, retail activities, restaurants, auto rental business, and lodging establishments. Rail yards may also be developed with industrial, office and similar uses that are customary and incidental to the primary railroad use.

All proposed uses on lands owned by Miami-Dade County at the Opa-locka Executive Airport, Kendall-Tamiami Executive Airport, Homestead General Aviation Airport, and Miami International Airport that are designated as Terminal on the LUP map, may be developed for the uses described in this subsection. All proposed uses on such lands shall comply with the requirements of the Future Aviation Facilities Section of the Aviation Subelement, shall be compatible with, and not disruptive of, airport operations occurring on such lands, and shall comply with all applicable regulations of the Federal Aviation Administration and other applicable law.

The airside portion of the Opa-locka Executive Airport, Kendall-Tamiami Executive Airport, Homestead General Aviation Airport, and Miami International Airport, which shall be deemed to consist of all portions of the airports where general public access is restricted (but not including terminal concourses), shall be limited to aviation uses, including but not limited to airfield uses such as runways, taxiways, aprons, runway protection zones, landing areas, and

support and maintenance facilities such as control towers, flight service stations, access roads, fire stations, and fuel farms. Where not otherwise prohibited by law, open space and interim or existing agricultural uses and zoning may also be permitted in the airside portion, subject to such conditions and requirements as may be imposed to ensure public health and safety.

The landside portion of these airports, which shall be deemed to consist of all portions of the airports where general public access is not restricted and terminal concourses only at Miami International Airport, may include both aviation uses and non-aviation uses that are compatible with airport operations and consistent with applicable law. At least one third of the land area in the landside portion must be developed with aviation-related uses or uses that directly support airport operations.

Aviation uses where general public access is allowed may include existing uses and the following or substantially similar uses:

- passenger terminal area, which may include non-aviation related uses designed to serve the traveling public and on-site employees, such as offices, personal services, retail activities, restaurants, auto rental businesses, and lodging establishments,
- parking garages and lots serving the airport,
- access roadways serving the airport,
- offices of aviation industry companies and the Miami-Dade County Aviation Department,
- facilities of fixed base operators,
- hangar rentals and tie downs,
- ground transportation services,
- aircraft and automobile rental establishments,
- aviation-related educational uses such as flight schools, simulator training facilities,
- helicopter and aerobatics training and other educational facilities providing aviation courses,
- aviation-related governmental agency facilities,
- flying club facilities,
- aviation-related entertainment uses such as skydiving establishments, museums and sightseeing services, and
- aviation-related retail uses such as aircraft sales, electronic an instrument sales and pilot stores.

Subject to the restrictions contained herein, the following privately owned non-aviation-related uses may be approved in the landside area of the Opa-locka Executive Airport, Kendall-Tamiami Executive Airport, Homestead General Aviation Airport, and Miami International Airport accessible to the general public:

- lodgings such as hotels and motels (except for Homestead General),
- office buildings (except for Homestead General),
- lodgings and office buildings at Miami International Airport (except in terminal concourse),
- industrial uses such as distribution, storage, manufacturing research and development and machine shops(except for Homestead General),
- agricultural uses, and
- retail, restaurants, and personal service establishments (except for Homestead General).

Such privately owned non-aviation related uses at the Opa-locka Executive, Miami International, Kendall-Tamiami Executive and Homestead General Aviation airports shall be limited as follows:

(1) Those portions of the landside area at Opa-locka Executive, Miami International, and Kendall-Tamiami Executive airports that are not developed for uses that are aviation related or directly supportive of airport operations shall range from 50 to 85 percent for industrial uses, 5 to 25 percent for commercial uses, 5 to 25 percent for office uses, 0 to 10 percent for hotels and motels, and 0 to 20 percent for institutional uses. The distribution, range, intensity and types of such non-aviation related uses shall vary by location as a function of the availability of public services, height restrictions, CDMP intensity ceiling for the Urban Infill Area (FAR of 2.0 not counting parking structures) at Opa-locka Executive and Miami International Airports or for the Urbanizing Area (FAR of 1.25 not counting parking structures) at Kendall-Tamiami Executive Airport, impact on roadways, access and compatibility with neighboring development. Freestanding retail and personal service uses and shopping centers shall front on major access roads preferably near major intersections, where practical, and have limited access to major roadways.

(2) Those portions of the landside area at Homestead General Aviation Airport that are not developed for uses that are aviation-related or directly supportive of airport operations shall be developed with agricultural uses.

(3) Each non-aviation related use shall comply with applicable law, including but not limited to FAA regulations and any airport layout plan governing permissible uses on the entire airport property.

The Port of Miami and downtown Miami maritime park areas are also included in this category. Because the CDMP does not generally preempt municipal plans and because the City of Miami comprehensive plan allows a broad range of land uses and facilities in addition to transportation facilities, it is the intent of the CDMP that all actions of the County with regard to development in the downtown Miami maritime park area are deemed to be consistent with the CDMP if consistent with the adopted comprehensive plan of the City of Miami. Further, notwithstanding the City's comprehensive plan, it is the intention of the CDMP that Port developments on Dodge and Lummus Islands and on the mainland may include other uses including, but not limited to, commercial, recreational and cultural uses accessible to Port users, County visitors and residents.

The summarized roadway classification used on the LUP map distinguishes between Limited Access facilities, Major Roadways (3 or more lane arterials and collectors) and Minor Roadways (2 lane arterials and collectors). Also shown are existing and proposed Rapid Transit corridors. The term rapid transit, as used herein, includes any public heavy rail or light rail, or busses operating on exclusive bus lanes. The transportation network depicted is a year 2025 network that will develop incrementally as funding becomes available. In addition, rapid transit corridors may be provided with an interim type of service such as express bus service during much of the planning period while more permanent facilities are being planned, designed and constructed. The roadway and transit alignments shown in the CDMP are general indications of the facility location. Specific alignments may be modified through detailed transportation planning, DRI review and approval processes, subdivision platting, highway design and engineering or other detailed planning or engineering processes. Moreover, most station locations along future rapid transit lines are not identified in the Plan; they will be selected as part of the detailed planning of transit facilities in the corridor.

Because of the critical relationships between transportation facilities and the land uses served and impacted by those facilities, land use and transportation planning decisions must be made

in direct concert with one another. Accordingly provisions for nonlocal roadways, public mass transportation facilities, rail lines, airports and the Miami-Dade Seaport facilities contained in the Transportation Element should not be amended without concurrent evaluation and, as applicable, amendment of the Land Use Plan map. In particular, extension or widening Major or Minor Roadways beyond 2 lanes outside the Urban Development Boundary (UDB) of the LUP map may occur only if indicated on the LUP map.

Water

This category includes all natural waters such as coastal waters and navigable rivers or waters. Water-dependent uses and water-related uses along coastal shorelines as discussed under Objective CM-5 as well as ancillary structures or uses may be permitted for flood control or recreational purposes. Man-made water bodies are permitted in any land use category subject to applicable environmental regulations.

Equivalent City of Doral Future Land Use Designations

- * *Industrial* - This category allows industries, manufacturing operations, warehouses, mini-warehouses, office buildings, showrooms, distribution centers, merchandise marts, utility maintenance yards, utility plants, public facilities, hospitals, medical buildings, hotels, convention facilities, restaurants, banks, university and college facilities; hotels, and similar uses. No rock quarrying or ancillary uses are allowed in I. Within the I category, retail and service uses may be integrated within a project (land under unified control) in an amount not to exceed 15 percent of the total floor area. Building height is limited to the width of the public right-of-way fronting the subject property and landscaped open space must comprise a minimum of 15% of a project site. Floor area ratio (FAR) is limited to 0.5 for the first floor and 0.25 for every additional floor, exclusive of structured parking.

- * *Office* - This category accommodates corporate, commercial and professional offices, hotels, medical buildings, and entertainment and cultural facilities. Five (5) percent of the floor area of Office parcels may contain retail and services uses. The maximum height allowed in this category is 14 stories and landscaped open space must comprise a minimum of 15% of a project site. Office parcels may be approved city-wide, including the mixed use opportunity areas, and must exhibit the same level of community design excellence and connectivity to surrounding areas as required in the DMU and CMU areas. The new City Land Development Code should establish office zoning categories that reflect differing levels of intensity based on location in Doral. Floor area ratio (FAR) is limited to 0.5 for the first floor and 0.25 for every additional floor, exclusive of structured parking.

- * *Business* - This category accommodates the full range of sales service activities including retail, wholesale, personal and professional services, commercial and professional offices, hotels, motels, hospitals, theaters, medical buildings, nursing homes, entertainment and cultural facilities, amusement and commercial recreation establishments. Building height is limited to no more than six (6) stories and landscaped open space must comprise a minimum of 15% of a project site. Floor area ratio (FAR) is limited to 0.5 for the first floor and 0.25 for every additional floor, exclusive of structured parking. In the Business land use strip immediately west of the Miami-Dade County Resource Recovery Facility along (theoretical) NW 102nd Avenue, uses that exhibit 24-hour site usage such as hotels, motels, hospitals, and nursing homes are not allowed.

- * *Water Bodies* - Water bodies depicted on the FLUM are not intended for any land use and are not counted toward gross density determinations for adjacent land areas unless they are inland waters wholly owned by the applicant.

The City does not currently have an equivalent Land Use category for Transportation.

Zoning Districts (Miami-Dade County)

Article XIII. GU, Interim District

Sec. 33-194. Boundary.

The boundary of GU Interim District shall be the entire unincorporated area of the County, excepting the area specifically covered by another district.

Sec. 33-196. Standards for determining zoning regulations to be applied to GU property.

(A) All properties in the GU District, which are inside the Urban Development Boundary, as shown on the Land Use Plan Map of the Comprehensive Development Master Plan, and which have not been previously trended or otherwise approved through the public hearing process for a specific use, shall be subject to the following trend determination process:

If a neighborhood in the GU District is predominantly one (1) classification of usage, the Director shall be governed by the regulations for that class of usage in determining the standard zoning regulations to be applied, including setbacks, yard areas, type of structures, height, limitations, use, etc. For the purposes of this section, "trend of development" shall mean the use or uses which predominate in adjoining properties within the GU District which because of their geographic proximity to the subject parcel make for a compatible use. The Director shall be guided in determining what constitutes a neighborhood by limiting the evaluation to separate geographic areas, which may be designated by natural boundaries (rivers, canals, etc.) and/or man-made boundaries (roads, full-and half-section lines, etc.). The Director's decision shall be subject to appeal pursuant to the provisions of Section 33-311 of the Code. If no trend of development has been established in the GU neighborhood, minimum standards of the EU-2 District shall be applied. All lots subject to compliance with the standards of the EU-2 District shall contain a minimum land area of five (5) acres gross, unless a larger minimum lot size is required by the Comprehensive Development Master Plan.

Notwithstanding the foregoing, certain platting activity occurring prior to April 12, 1974, which created lots meeting the minimum requirements of the EU-1 District on April 12, 1974, shall qualify such lots for those uses permitted in the EU-1 District. Those lots shall include only those lots indicated on:

- (1) Plats recorded prior to April 12, 1974; and
- (2) Tentative plats approved as of April 12, 1974, and finally approved and recorded within ninety (90) days after such approval; and
- (3) A tentative plat for single-family residential lots approved prior to April 12, 1974, if each lot in the approved tentative plat met the minimum standards of the EU-1 District, provided that no final plat or other tentative plat for the subject property was approved after April 12, 1974, and that as of December 31, 2003, a majority of the lots indicated on the tentative plat had been improved with residences pursuant to building permit in accordance with the tentative plat's provisions; and
- (4) Waivers of plat approved prior to April 12, 1974; and

Parcels, other than the aforementioned platted lots or tentatively approved plat lots, that prior to April 12, 1974 were purchased under a contract for deed or deeded and met the minimum requirements of the EU-1 District shall be qualified for those uses permitted in the EU-1 District. However, if such deeded parcels were contiguous to and under the same ownership on April 12, 1974, and such deeded contiguous parcels are less than the five-acre minimum site size of the EU-2 District, but exceed the minimum standards of the EU-1 District, such property shall be considered as one parcel of land and cannot be divided or used except as one lot.

(B) All properties in the GU District, which are outside of the Urban Development Boundary as shown on the Land Use Plan Map of the Comprehensive Development Master Plan and which have not been previously trended by the Department or otherwise approved through the public hearing process for a specific use, shall be governed by the following regulations:

(1) All properties designated Agriculture on the Land Use Plan Map of the Comprehensive Development Master Plan shall comply with the regulations of the AU (Agricultural) District. Exceptions to this requirement are those properties designated Agriculture on the Land Use Plan Map of the Comprehensive Development Master Plan lying within the Areas of Critical Environmental Concern pursuant to Chapter 33B of this Code. Such properties shall comply with the regulations applicable under Chapter 33B.

(2) All properties designated Open Land or Environmental Protection on the Land Use Plan Map of the Comprehensive Development Master Plan shall be subject to the trend determination process outlined in Section 33-196(A). Exceptions to this requirement are those areas lying within the East Everglades Area Boundaries pursuant to Section 33B-13, which shall comply with the regulations applicable under the East Everglades Zoning Ordinance pursuant to Chapter 33B, and those areas within the Rockmining Overlay Zoning Area, which shall comply with the regulations contained in Article XLI of this code.

Article XIV. RU-1, Single-Family Residential District

Sec. 33-199. Uses--Permitted.

No land, body of water and/or structure shall be used or permitted to be used and no structure shall be hereafter erected, constructed, moved, reconstructed, structurally altered or maintained for any purpose in a RU-1 District which is designed, arranged or intended to be used or occupied for any purpose other than the following, unless otherwise specifically provided herein:

(1) Every use as a one-family residence, including every customary use not inconsistent therewith, including a private garage.

(1.1) Workforce housing units in compliance with the provisions of Article XIIA of this code.

(2) Municipal recreation building, playgrounds, parks or reservations owned and operated by a municipality, County, State or the United States Government.

(2.1) Private recreation area, private recreation building or playground owned and maintained by a homeowner's or tenant association, provided same is approved in conjunction with approval of the subdivision at time of site plan approval or plat.

(3) Golf courses.

(4) Business telephone will be permitted in a residence provided no truck, heavy equipment, or similar vehicle is kept on the property and no storage or any other business activity is carried on.

(5) Noncommercial boat piers or slips for docking of private watercraft incidental to an existing residential use, except houseboats without power.

(6) Reserved.

(7) Servants' quarters, only upon approval after public hearing.

(8) Noncommercial pigeon lofts, provided the pigeons shall be housed in a structure meeting the requirements of the building code and the requirements of these regulations for accessory buildings; the activity shall be conducted in a manner meeting the requirements of the Health Department, provided birds shall not be exercised later than two (2) hours after sunrise and more than two (2) hours before sunset.

(9) Notwithstanding anything to the contrary in this Code, family day care and after-school care for children is permitted upon compliance with the following conditions:

- (a) That the total number of children on the premises does not exceed five (5) in number, including in the count only preschool children of the resident family. Preschool children shall consist of children five (5) years of age or younger.
- (b) That the age of the children, excluding those of the resident family, shall not exceed eleven (11) years of age.
- (c) That the applicant secure a license from the Florida Department of Health and Rehabilitative Service to operate a family day care home at the subject property.
- (d) Where applicable, compliance with the requirements of this Code pertaining to educational and child care facilities.
- (e) Upon compliance with all conditions enumerated, a certificate of use and occupancy is secured from the Department.
- (f) That the facility shall comply with the safety barrier requirements and restrictions enumerated in Section 33-151.18(j).
- (10) A group home shall be permitted in a dwelling unit provided:
 - (a) That the total number of resident clients on the premises not exceed six (6) in number.
 - (b) That the operation of the facility be licensed by the State of Florida Department of Health and Rehabilitative Services and that said Department or sponsoring agency promptly notify the Director of the Building and Zoning Department of said licensure no later than the time of home occupancy.
 - (c) That the structure used for a group home shall be located at least one thousand (1,000) feet from another existing, unabandoned legally established group home. The 1,000-foot distance requirement shall be measured by following a straight line from the nearest portion of the structure of the proposed use to the nearest portion of the structure of the existing use.
- (11) Reserved.

Sec. 33-200. Same--Prohibited.

The following uses shall be prohibited in any RU-1 District, Single-family Residential District:

- (1) Bee hives or the breeding or raising of any insects, reptiles or animals other than customary pets.
- (2) The keeping, breeding, or maintaining of horses, cattle or goats.
- (3) The raising of poultry or fowl.

Article XXIV. BU-1, Neighborhood Business District

Sec. 33-237. Purpose.

The purpose of the BU-1, Neighborhood District, is to provide for retail and service convenience facilities which satisfy the essential and frequent needs of the adjacent residential neighborhood.

Sec. 33-238. Uses permitted.

No land, body of water or structure shall be used or permitted to be used and no structure shall be hereafter erected, constructed, moved, reconstructed or structurally altered or maintained in any BU-1 District, which is designed, arranged or intended to be used or occupied for any purpose, except for one (1) or more of the following uses:

- (1) Residential uses may be permitted as a combination of permitted business uses and residential uses housed in the same building; the floor area of the residential use shall not exceed fifty (50) percent of the floor area of the building.
 - (1.1) Workforce housing units in compliance with the provisions of this section and Article XIIA of this code.
 - (2) Antique shops.

(3) Apparel stores selling new and/or used merchandise, provided such establishments offering used merchandise contain not more than four thousand (4,000) square feet of gross floor area. The incidental sales of used jewelry, used toys, and used furniture shall be permitted in conjunction with the sales of used apparel, provided that the floor area devoted to the display of those incidental sales items does not exceed thirty (30) percent of the total gross floor area of the apparel store.

(4) Art good stores, artist studios and photograph shops and galleries.

(5) Attended, non-motorized donation collection vehicles as described in Section 33-19; provided, however, that such attended non-motorized donation collection vehicles are placed only on improved property on sites of not less than one-half acre in size, in compliance with required setbacks, and not in required landscape areas or required parking areas and not in an area which would impede traffic circulation. It is further provided, that no attended non-motorized donation collection vehicle shall be placed within twenty-six hundred (2600) feet of another non-motorized donation collection vehicle; the distance shall be measured by following a straight line from the nearest property line where the proposed attended, non-motorized donation collection vehicle is to be located to the nearest property line of an existing attended, non-motorized donation collection vehicle. Notwithstanding any ordinance, resolution or administrative order to the contrary no fee shall be charged for the issuance of a certificate of use and occupancy.

(6) Banks, excluding drive-in teller service.

(7) Beauty parlors.

(8) Bakeries, retail only (baking permitted on premises).

(9) Barber shops.

(10) Bicycle sales, rentals and repairs (non-motorized).

(10.1) Computer, video, videogame and DVD stores, including the retail sale or rental of new hardware, software, players, videotapes and videogames, consoles, and related computer, video, videogame and DVD products, and the ancillary resale or exchange of pre-played computer, video, videogame and DVD products, provided such establishments contain not more than four thousand (4,000) square feet of floor area.

(11) Confectionery, ice cream stores and dairy stores.

(12) Conservatories and music and dance schools, provided no such establishment is located within five hundred (500) feet of any RU, or EU District except after approval after public hearing.

(13) Dairy stores.

(13.5) Drugstores.

(14) Donated goods centers for the acceptance only of new or used merchandise, upon compliance with the following conditions:

(a) The portion of the donated goods center which is open to the public shall not exceed 2000 square feet;

(b) A solid wall shall separate the public area of the donated goods center from the balance of the said center and shall prevent public access to the balance of said center;

(c) The donated goods center must be operated by an organization which has been incorporated as a not-for-profit organization under the laws of the State of Florida for a charitable purpose and which has been declared exempt from the payment of federal income taxes by the United States Internal Revenue Service;

(d) The donated goods must be accepted by personnel directly employed by or volunteers for the not-for-profit organization;

(e) The monetary proceeds resulting from the sale of donations collected at a donated goods center must be used in accordance with the organization's charitable purpose pursuant to Section 33-238(14)(c) to benefit persons within the boundaries of Miami-Dade County or

outside of Miami-Dade County to provide emergency relief for victims of natural, man-made or economic disasters;

(f) The operation of the donated goods center, the collection and use of donations and proceeds thereof must be conducted by said not-for-profit organization and not by a licensee, subcontractor or agent of the not-for-profit organization;

(g) A declaration of use in a form meeting with the approval of the Director shall be submitted to the Department prior to the issuance of a certificate of use and occupancy specifying compliance with the foregoing conditions. Said declaration of use shall include a floor plan for the intended use as required by the Department.

(15) Florist shops.

(16) Grocery stores, fruit stores, health food stores, delicatessen, meat and fish markets and other similar food stores, provided such establishments contain not more than four thousand (4,000) square feet of floor area.

(17) Hardware stores.

(18) Information booth, gate house and security station. The structure housing these uses shall comply with principal building setback requirements but need not comply with any minimum square foot requirements for the districts.

(19) Interior design shops, office and display only.

(20) Jewelry stores, including incidental sales and purchases of used jewelry.

(21) Leather goods and luggage shops.

(22) Mail order offices, without storage of products sold.

(22.1) Museum.

(23) Newsstand.

(24) Office buildings.

(25) Optical stores.

(26) Paint and wallpaper stores.

(27) Photograph galleries.

(28) Pottery shops.

(29) Restaurants and coffee houses or dining room where kitchen is screened or located altogether within an enclosed building or room and with ample provisions for carrying away or dissipating fumes, odors, smoke or noise and where premises are so arranged and the business is so conducted as not to be offensive or obnoxious to occupants of adjoining premises or to passersby. Restaurants and outdoor (where approved by public hearing) cafes may serve alcoholic beverages where such service is strictly incidental to the service of food and from a service bar only provided no entertainment of any kind is furnished. No sign of any type or character shall be exhibited or displayed to the outside denoting that alcoholic beverages are obtainable within.

(29.1) Religious facilities located inside the Urban Development Boundary. Religious facilities outside the Urban Development Boundary will be permitted only upon approval after public hearing.

(30) Schools, subject to compliance with the requirements of sections 33-151.11 through 33-151.22 of this code.

(31) Self-service post office which contains mechanical or computer equipment designed to provide limited postal service for walk-up trade.

(32) Shoe stores and shoe repair shops.

(33) Sporting goods stores.

(34) Tailor shops, provided such establishments contain not more than four thousand (4,000) square feet of floor area.

(35) Tobacco shops.

(36) Variety stores, provided such establishments contain not more than four thousand (4,000) square feet of floor area.

(37) Any property in a BU District may be used as access for egress and ingress only to property zoned in any BU classification or in any IU classification provided that both properties are under the same ownership.

(38) Outside walk-up window service (no outside stools, chairs or tables), in connection with establishments where the principal use is selling food and drink products, and where a sidewalk of at least seven (7) feet in width abuts the store unit concerned.

Article XXV. BU-1A, Limited Business District

Sec. 33-246. Purpose.

The purpose of the BU-1A, General Business District, is to provide for retail and service convenience facilities which satisfy the essential and frequent needs of the adjacent residential neighborhood as well as the more specialized commercial facilities which may serve several neighborhoods.

Sec. 33-247. Uses permitted.

No land, body of water and/or structure shall be used or permitted to be used, and no structure shall be hereafter erected, constructed, reconstructed, moved, maintained or occupied for any purpose in any BU-1A District, except for one (1) or more of the following uses:

(1) All uses permitted in the BU-1 District except that residential uses are subject to approval at a public hearing.

(1.1) Amusement center as defined in Section 33-1(5.1).

(2) Auditoriums.

(3) Automobile new parts and equipment, sales only.

(4) Automobile and light truck, new sales agency or rental shall be permitted only upon approval after public hearing and subject to the following conditions:

(a) That a continuous, densely planted greenbelt of not less than fifteen (15) feet in width, penetrated only at points approved by the Director and the Director of the Public Works Department for ingress or egress to the property, shall be provided along all property lines abutting public rights-of-way or properties zoned residential. Said greenbelt shall have shade trees planted at a maximum spacing of thirty (30) feet on center. The shade trees shall have a minimum caliper of two and one-half (2 1/2) inches at time of planting.

(b) That a decorative masonry wall at least five (5) feet in height shall enclose the vehicle storage area and repair area approved through public hearing. The placement of said wall and openings through same shall comply with the requirements contained elsewhere in this article.

(c) That all outdoor paging or speaker systems are expressly prohibited.

(d) That no repair work of any type is permitted on premises unless approved after public hearing.

(e) That accessory used vehicle sales shall be permitted providing said vehicles are late model and in operable condition.

(f) That the applicant obtain a certificate of use and occupancy which shall be automatically renewable yearly upon compliance with all terms and conditions applicable.

(5) Automobile service stations (which may include facilities available for sale of other retail products and services related to the servicing of automobiles) including rental of single axle hauling trailers. Plans for paved areas, driveways or curb cuts of service stations shall be submitted to and approved by the Department of Public Works and, where required, the Florida State Department of Transportation before a permit can be issued. As an accessory use, the service stations may perform minor automobile repairs as herein listed:

(a) Sale and servicing of spark plugs and batteries.

(b) Tire repair and servicing, but no recapping.

- (c) Replacement of mufflers and tailpipes, water hose, fan belts, brake fluids, light bulbs, floor mats, seat covers, wiper blades, arms for windshields and replacement of grease retainers and wheel bearings.

- (10) Bait and tackle shops.
- (11) Banks, including drive-in teller service.
- (12) Billiard rooms and pool rooms.
- (13) Boats carrying passengers on excursion, sightseeing, pleasure or fishing trips.
- (14) Bowling alleys, provided that such establishments are not located closer than five hundred (500) feet to an RU, or EU District, unless such building is so constructed as to prevent the emission of sound and vibration.
- (15) Convention halls.
- (16) Dancing halls or dancing academies in air conditioned buildings providing no intoxicating beverages of any kind are served, providing that such establishments are not located closer than five hundred (500) feet to an RU, or EU District, unless such building is so constructed as to prevent the emission of sound and vibration.
- (17) Dog and pet hospitals in air-conditioned buildings.
- (17.1) Donated goods centers, including drive-through drop-off facilities, for the acceptance and sale of new or used merchandise, excluding furniture and major appliances, upon compliance with the following conditions:
 - (a) The donated goods center must be operated by an organization which has been incorporated as a not-for-profit organization under the laws of Florida for a charitable purpose and which has been declared exempt from the payment of federal income taxes by the United States Internal Revenue Service;
 - (b) The donated goods must be accepted by personnel directly employed by or volunteers for the not-for-profit organization;

(c) The monetary proceeds resulting from the sale of said merchandise must be used in accordance with the organization's charitable purpose to benefit persons within the boundaries of Miami-Dade County or outside of Miami-Dade County to provide emergency relief for victims of natural, man-made or economic disasters;

(d) The operation of the donated goods center, the collection and use of donations and proceeds thereof must be conducted by said not-for-profit organization and not by a licensee, subtenant, subcontractor or agent of the not-for-profit organization;

(e) The merchandise sold in the donated goods center must be neatly sorted and displayed.

(18) Dry cleaning establishments, using nonflammable solvents in self-contained dry cleaning units of the Prosperity type or Dedrick type or an equal approved by the Director, provided such establishments contain not more than four thousand (4,000) square feet of floor area.

(19) Electrical appliance and fixtures stores including related repair shops.

(20) Employment agencies.

(21) Furniture stores, retail of new merchandise only.

(22) Grocery stores.

(23) Handcrafted-products shop.

(24) Health and exercise clubs, including bath and massage parlors.

(24.1) Home improvement centers, subject to the conditions enumerated below. As used herein, a home improvement center is a facility engaged in the retail sale of a variety of home improvement products, including hardware, appliances, cleaning supplies, construction supplies, electrical and plumbing fixtures and supplies, paint and wall coverings, lumber, pool supplies, and tools as well as lawn and garden supplies. As an accessory use, a home improvement center may offer the short-term rental of tools, compressors, chain saws, ladders, post-hole diggers, hand trucks and similar light equipment as well as trucks (subject to the limitations set forth below). Additionally, a home improvement center may perform customer-requested cutting of pre-cut wood products and other products offered for sale, provided such cutting is done within the roofed area of the principal building.

(a) Lawn, garden and pool supplies may also be stored, displayed and sold from attached areas with or without a solid roof, subject to the following limitations:

(1) such storage, display and sales areas does not exceed thirty-five percent (35%) of the home improvement center's gross building floor area; and

(2) all such storage, display and sales areas must be enclosed by a solid masonry wall or ornamental metal picket fence or combination thereof, a minimum of eight (8) feet in height. The items stored within these areas shall not exceed the height of the wall or metal picket fence. Openings for ingress and egress purposes, restricted to the narrowest width necessary, are permitted, subject to site plan review; and

(3) setbacks as required for the principal building shall apply to all storage, display and sales areas; and

(4) parking for the home improvement center, including such storage, display and sales areas, shall be provided in accordance with Section 33-124(h)(3.1) herein.

(b) The rental of trucks for the convenience of customers purchasing items only shall be permitted at home improvement centers with greater than one hundred thousand (100,000) square feet of gross floor area, subject to the following limitations:

(1) The total number of trucks available for rental shall not exceed five (5);

(2) The location of storage areas for rental trucks shall be subject to site plan review;

(3) Storage areas for rental trucks shall not utilize any of the facility's minimum required parking spaces; and

(4) No repairs or maintenance of rental trucks shall take place on the premises.

46

Loading dock facilities for the purpose of supplying the home improvement center shall be oriented away from adjacent residential zoning districts unless screened from view by a masonry wall of not less than six (6) feet in height but not more than eight (8) feet in height.

(25) Junior department stores.

(26) Lawn mowers, retail, sales and service.

(26.1) Medical observation dormitory as defined in Section 33-1(69.05) subject to the following conditions:

(a) That such uses on sites of ten (10) net acres or more shall be approved only after public hearing;

(b) That such uses shall be located on sites having frontage on a major access road, including major roadways (three (3) or more lanes) and frontage roadways serving limited access highways and expressways;

(c) Minimum five (5) foot high masonry wall be provided along all perimeter property lines abutting residentially zoned property, penetrated only at points approved by the Directors of the Planning and Zoning Department and the Public Works Department for ingress and egress;

(d) That the facility is located on a site consisting of at least three (3) or more net acres;

(e) That research conducted at the property shall be limited to testing of normal healthy volunteers and of clinically stable representatives of the diseased states for which medications being tested are ultimately intended;

(f) That protocols that require treating of mentally ill subjects, including persons with any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities, shall not be performed at the research facility;

(g) That such use shall be located no less than twenty-five hundred (2,500) feet from any other such establishments. For the purposes of this subsection, the distance shall be measured by following a straight line from the front door of the proposed place of business to the nearest property line of the existing place of business. For the purpose of establishing the distance between such establishments, the operator shall furnish a certified sketch of survey from a registered engineer or surveyor. Such sketch shall indicate the distance between the proposed place of business and any existing establishment within 2,500 feet. Each sketch shall indicate all such distances and routes. In case of dispute, the measurement scaled by the director shall govern;

(h) That the operator obtains an annually renewable certificate of use and occupancy for such use on the property.

(27) Mortuaries or funeral homes.

(28) Motorcycles sales and repair.

(29) Natatoriums.

(30) Open-air theaters.

(31) Package stores in shopping centers provided the shopping center is in full compliance with all provisions of Section 33-150(E)(9) of this Code.

(32) Pet shops, pet care centers and dog beauty parlors in air-conditioned buildings.

(33) Post office stations and branches, operated by postal service employees or agents, which directly serve the public.

(34) Printing shops.

(35) Private clubs.

(36) Propagating and growing plants for sale. Fertilizers, manure, compost and soil shall be limited for sale. Fertilizers, manure, compost and soil shall be limited in quantities for immediate use and shall be kept at least two hundred (200) feet from residential buildings in RU and EU Districts.

(37) Pubs and bars if approved at public hearing.

(37.1) Restaurants providing an accessory children's outdoor playground facility subject to the following requirements:

(a) The restaurant providing such an accessory use shall contain not less than two thousand five hundred (2,500) square feet of improved building area;

(b) The total outdoor playground area shall not exceed thirty-five (35) percent of the square footage of the subject restaurant structure;

(c) The playground equipment shall be the non-mechanical type and shall be designed and intended for children two (2) through twelve (12) years of age;

(d) The playground shall be immediately adjacent to, visible from, and accessible from the indoor patron area;

(e) The playground area shall be enclosed with a masonry wall or fence not less than four (4) feet in height and any gates shall be of the spring lock type, so that they shall automatically be in a closed and fastened position at all times; and

(f) The playground area shall not reduce required parking or landscaping for the site and shall be set back no less than ten (10) feet from any property line and in compliance with all Code requirements;

(g) Site plan review and approval shall be required as provided in Section 33-251.5.

(37.2) Restaurants with an accessory cocktail lounge-bar use, subject to compliance with Article X, Alcoholic Beverages, of this code.

(38) Self-service storage facility. Use will only be permitted upon the submission of a site plan which shall be approved at public hearing. "Self-service storage facility" shall be defined as a fully enclosed space used for warehousing which contains individual storage units with floor area no greater than four hundred (400) square feet and an interior height not to exceed twelve (12) feet. No wholesale or retail sales are permitted.

(39) Skating rinks, provided same are not located closer than one thousand (1,000) feet to an RU or EU District, or any lawful existing residential use, provided that such building is so constructed as to prevent the emission of sound and vibration. The 1,000-foot distance requirement shall be measured by following a straight line from the nearest portion of the skating rink structure to the nearest residential property line. For purposes of establishing such distances, the applicant for skating rink use shall furnish a certified survey from a registered surveyor, which shall indicate such distances. In case of dispute, the measurement scaled by the Director of the Department of Planning and Zoning shall govern.

(40) Supermarkets.

(41) Tailor shops.

(42) Telegraph stations.

(43) Telephone exchange.

(44) Theaters for live stage production and motion pictures.

(45) Variety stores.

(46) Rentals of trucks other than light trucks are allowed in conjunction with and ancillary to self-storage facilities, providing the following conditions are met in addition to those specified in sub-articles (4)(a) and (4)(c)--(f) above:

(i) That a decorative masonry wall at least eight (8) feet in height shall enclose the vehicle storage area and repair area. The placement of said wall and openings through same shall comply with the requirements contained elsewhere in this article. Prior to the granting of any building permit for such wall, the permit applicant shall post with the director a bond in the amount of two thousand five hundred dollars (\$2,500.00) to provide for the costs of removal of graffiti from the wall by the department as provided in Section 21-30.1(d)(6), Code of Miami-Dade County, as amended, should the applicant fail after notice to remove such graffiti.

(ii) There shall be a landscaped buffer between the masonry wall and any abutting roads which may be a hedge, and/or trees at least forty-eight (48) inches high at the time of planting, or other reasonable landscape plans acceptable to the department.

- (iii) That there be no rental of any truck having a net vehicle weight exceeding twelve thousand six hundred pounds (12,600) pounds.
- (iv) That for each one hundred (100) self-storage units there shall be no more than one (1) rental truck stored, e.g., 1--100 units: 1 rental truck; 101--200 units; 2 rental trucks, etc.; provided however, no more than eight (8) rental trucks may be stored on the premises.
- (v) That no building in the area enclosed by the wall shall exceed two (2) stories in height.
- (vi) That no loading or unloading of trucks is permitted outside the enclosed area and all trucks must be stored inside the enclosed area at all times.
- (vii) That there shall be no repairs or maintenance work on vehicles on the premises of the self-storage facility.
- (viii) That the area of self-storage facilities be not less than 2.5 acres.

Article XXVI. BU-2, Special Business District

Sec. 33-252. Purpose.

The purpose of the BU-2, Regional Shopping Center and Office Park District, is to provide for large scale commercial and/or office facilities which service the needs of large urban areas.

Sec. 33-253. Uses permitted.

No land, body of water and/or structure shall be used or permitted to be used, and no structure shall be hereafter erected, constructed, reconstructed, moved, occupied or maintained for any purpose in any BU-2 District except for one (1) or more of the following uses:

- (1) All uses permitted in the BU-1 and BU-1A Districts except that residential uses are subject to approval at a public hearing.
- (2) Automobile parking garages, not over six (6) stories in height, shall be permitted provided they are not located closer than two hundred (200) feet to an RU-1, RU-2, RU-TH or EU District or to a hospital, church or building used for public assemblage. Automobile parking garages shall meet all open space, lot coverage and other applicable requirements of this article.

2.1 Hospitals (other than animal hospitals), subject to the following conditions:

- (a) That such uses shall be on sites of at least ten (10) net acres;
- (b) That the facility shall have capacity for a minimum of one hundred (100) beds.
- (c) The certificate of use for the hospital shall be annually renewed.
- (d) That the hospital operates a 24 hour emergency room.
- (e) Notwithstanding the provisions of Section 33-253.3 of this Code, the net lot coverage permitted for all buildings on the site shall not exceed 50% of the total lot area; the floor area ratio shall be fifty one-hundredths (0.50) at one (1) story and shall be increased by fourteen-one hundredths (0.14) for each additional story up to eight (8) stories, and thereafter the floor area ratio shall be increased by six-one-hundredths (0.06) for each additional story. Structured parking shall not count as part of the floor area, but shall be counted in computing building height and number of stories. Enclosed or nonenclosed mall areas shall not count as part of the floor area, for floor area ratio computation purposes, nor as part of the lot coverage.
- (f) Notwithstanding the provisions of Section 33-253.4 of this Code, the minimum landscaped open space at one (1) story shall be fourteen percent (14%).

The minimum landscaped open space shall be increased by one (1) percent for each additional story or part thereof, up to eight (8) stories, thereafter the landscaped open space shall increase by two (2) percent for each additional story or part thereof. For the purpose of computing the amount of required landscaped space where the building height varies, the number of stories shall be equal to the sum of the products of the number of stories of each part of the building(s) of a different height times its floor area divided by the sum of the floor area of all parts of the building(s). Said open space shall be extensively landscaped with grass,

trees and shrubbery. Water areas may be used as part of the required landscaped open space provided such water areas do not exceed twenty (20) percent of the required landscaped open space. The specific areas within enclosed or nonenclosed malls which are landscaped with grass, trees and/or shrubbery, water areas therein, and areas therein with permanent art display may be used as part of the required landscaped open space provided such areas do not exceed ten (10) percent of the required landscaped open space. Landscaping and trees shall be provided in accordance with Chapter 18A of this Code.

(g) That such uses shall be located within sites having frontage on a major access road, including major roadways (three (3) or more lanes), section or half section line roads and/or frontage roadways serving limited access highways and expressways.

(h) The site shall meet and comply with the provisions of Section 33-253.7 of this Code, except that the wall may be penetrated at points approved by the Directors of the Planning and Zoning Department and the Public Works Department for ingress and egress to afford pedestrian or vehicular access between the sites, and if the property where the facility is located is separated from the AU, GU, RU or EU zoned property by a canal or a previously existing, dedicated and improved roadway, then a wall shall not be required on that portion of the property which is separated by the canal or roadway.

(2.2) Hotel and motel uses, subject to all provisions of the RU-4A District pertaining to such uses.

(3) Liquor package stores.

(4) Major department stores.

(5) Marinas for the following purposes only: Commercial boat piers or slips for docking purposes; yacht or boat storage, for laying up, but not for repairs or overhaul; and boats carrying passengers on excursion, sightseeing, pleasure or fishing trips.

(6) Night clubs located no closer than five hundred (500) feet of any RU or EU District, if approved at a public hearing.

(7) Office parks.

(8) Pubs and bars.

(9) Regional shopping centers.

Article XXVII. BU-3 Liberal Business District

Sec. 33-254. Purpose.

The purpose of the BU-3 Liberal Business District is to provide for large scale commercial activities.

Sec. 33-255. Uses permitted.

No land, body of water and/or structure in the BU-3 District shall be used or permitted to be used, and no structure shall be hereafter erected, constructed, arranged or intended to be used, occupied or maintained for any purpose, unless otherwise provided for, excepting for one (1) or more of the following uses:

(1) All uses permitted in the BU-1, BU-1A and BU-2 Districts except that residential uses shall not be permitted.

(2) Airports, airport hangars and airplane repair facilities.

(3) Automobile and truck services and facilities including:

(a) Open lot car and truck sales new and or used, including as ancillary uses, automobile repairs, body and top work and painting, provided that no more than fifteen (15) percent of the gross building area is devoted to such ancillary uses, and subject to the following conditions:

(1) That a continuous, densely planted greenbelt of not less than fifteen (15) feet in width, penetrated only at points approved by the Directors of the Planning and Zoning and Public Works Departments for ingress and egress to the property, shall be provided along all property

lines abutting public rights-of-way or properties zoned residential. Said greenbelt shall have shade trees planted at a maximum spacing of thirty (30) feet on center and a hedge of a minimum of six (6) feet in height abutting residentially zoned property and a minimum of three (3) feet in height abutting public rights-of-way. The shade trees shall have a minimum caliper of two and one-half (2 1/2) inches at time of planting.

(2) A minimum of twenty (20) percent of the net lot area of the site shall be developed as landscaped open space.

(3) That such uses be located only on major access roads, including major roadways (three (3) or more lanes) and frontage roadways serving limited access highways and expressways.

(4) That such uses be conducted on sites consisting of at least one (1) net acre.

(5) That attention attracting devices, such as blinking or flashing lights, streamer lights, pennants, banners, streamers and all fluttering, spinning advertising devices (either mobile or stationary) are prohibited, except as permitted under point of sale sign regulations.

(6) That outdoor lighting shall be designed to avoid spilling beyond the site boundaries.

(7) That no vehicular test drives shall be conducted on residential local traffic streets (fifty-foot right-of-way or less).

(8) That the applicant obtains a certificate of use, which shall be automatically renewable yearly upon compliance with all terms and conditions.

(9) All outdoor paging or speaker systems are expressly prohibited. This provision (9) shall also apply to all establishments in existence as of September 10, 1996..

(b) Open lot car rental.

(c) Automobile parts, secondhand from store building only.

(d) Automobile body and top work and painting.

All outdoor paging or speaker systems are expressly prohibited. This provision shall also apply to all establishments in existence as of the effective date of this ordinance.

(4) Bakeries, retail and wholesale.

(5) Barbecue stands or barbecue pits provided that establishments using wood burning for cooking are permitted only upon approval at a public hearing.

(6) Bottling of beverages.

(7) Cabinet working and carpentry shops.

(8) Cold storage warehouse and pre-cooling plants.

(9) Contractor's plants and storage yards.

(9.1) Dog kennels, as an exception to Section 33-256.5, subject to the following conditions:

(a) All outdoor exercise runs shall be set back fifty (50) feet from property lines and shall not be located closer than five hundred (500) feet from residentially zoned or residentially developed property. Where outside exercise runs are provided, a landscaped buffer or decorative masonry wall shall enclose the runs, and use of the runs shall be restricted to use during daylight hours.

(b) Where outside exercise runs are not provided, an outside area shall be designated for dogs (or cats) to relieve themselves, and that area shall be enclosed by a landscape buffer or masonry wall. Additionally such area shall be set back fifty (50) feet from property lines and shall not be located closer than five hundred (500) feet from residentially zoned or residentially developed property.

(c) All kennel buildings shall be soundproofed and air-conditioned.

(d) An administrative site plan review (ASPR) shall be required. The site plan shall show all fencing, berms, and soundproofing designed to mitigate the noise impact of the kennel on the surrounding properties.

(39a) Hotel and motel use (freestanding); the use shall comply fully with all provisions, pertaining to the use, of the RU-4A District.

(39b) Hotel and motel use (mixed use, i.e., connected with, and attached to a structure containing another use permitted in the industrial district); subject to the following conditions:

(1) Minimum lot width and area: The minimum lot width shall be three hundred thirty (330) feet and the minimum lot area five (5) acres including right-of-way dedications made from the property.

(2) Lot coverage: There shall be no restriction on lot coverage except as it might be controlled by other specific requirements.

(3) Setbacks: The setbacks shall be as follows:

(a) Thirty-five (35) feet from all property lines to that portion of the structure not exceeding three (3) stories in height and not exceeding thirty-five (35) feet in height.

(b) A distance from all property lines to any portion of the tower structure above three (3) stories in height equal to seventy (70) percent of the overall height of the tower, the height being measured from the third-floor level (but not exceeding thirty-five (35) feet) to the top of the tower structure.

(4) Height: There shall be no limitation as to height except those applicable under the airport zoning regulations.

(5) Floor area ratio: No limitation.

(6) Maximum number of units: The number of dwelling units shall not exceed a density of seventy-five (75) dwelling units per net acre, based on thirty-three and one-third (33 1/3) percent of the entire building site.

(7) Parking: Parking shall be provided for the combined uses in a total number as may be required elsewhere in the Code for each of the uses on the property.

(8) Open space: There shall be provided open landscaped space equal to a minimum of fifteen (15) percent of the lot area (entire site) in all the industrial districts except that in the IU-C District a minimum of twenty (20) percent shall be provided.

(9) Accessory uses:

(a) Business or commercial establishments of the BU-1 type, bars and cabarets shall be permitted in motels and hotels provided they are located within the principal building, which contains at least one hundred (100) units, and provided the exterior of any such principal building shall not have storefronts or give the appearance of commercial or mercantile activity as viewed from the highway: in the event the use contains windows which may be seen from the street or highway, said windows shall be of fixed, obscure glass. Such business or commercial establishments and bars in this district shall be entered only through the lobby, and no additional entrances shall be permitted except when the same opens into a courtyard or patio (away from the street side) which is enclosed and which is not visible from the street, and except that a fire door or emergency exit shall be permitted.

(b) Hotels and motels with one hundred fifty (150) or more guest rooms may contain liquor package use on the premises for the accommodation and use of their guests only, provided the establishment housing such use is entered only through the lobby within the building and does not have the appearance of commercial or mercantile activity as viewed from the

highway. No advertisement of the use will be permitted which can be seen from the outside of the building.

(c) Hotels and motels with two hundred (200) or more guest rooms under one (1) roof may contain a night club on the premises, provided the exterior of any such building shall not have storefronts or give the appearance of commercial or mercantile activity as viewed from the highway. In the event the use contains windows which may be seen from the highway, said windows shall be of fixed obscure glass. Such night club shall be entered only through the lobby, and no additional entrance shall be permitted except when the same opens into a courtyard or patio (away from street side) which is enclosed and which is not visible from the street, and except that a fire door or exit shall be permitted.

(68) Salesrooms and storage show rooms--wholesale.

(69) (a) Salesrooms and showrooms, subject to the prohibitions and limitations in Subsection (b), incorporated as a part of a permitted industrial use upon compliance with the following conditions:

(1) Any industrial use and its related retail sales/showroom uses in different units or bays within the same building must be under one (1) certificate of use and occupancy, and all areas under one (1) such certificate must be connected by communicating doors between units or bays.

(2) Only merchandise which is warehoused, stored, manufactured or assembled on the premises can be sold on a retail basis.

(3) The size of retail sales/showroom floor area must be less than fifty (50) percent of the total floor area of the subject premises under a single certificate of use and occupancy. Outside storage areas are to be excluded from consideration in determining the percentage of uses.

(4) A solid wall shall separate retail sales/showroom area from the balance of the industrial area which shall prevent public access to the industrial portion of the building. The industrial use area shall not be accessible to the general public.

(5) Required parking is to be calculated based upon the floor area assigned to the use classifications within the building in accordance with the provisions of Section 33-124.

(6) A declaration of use in a form meeting with the approval of the Director shall be submitted to the Department prior to the issuance of a certificate of use and occupancy specifying compliance with the foregoing conditions. Said declaration of use shall include a floor plan for the intended use as required by the Department.

(b) Subsection (a) above is intended to permit retail salesrooms and showrooms in recognition of the compatibility and reasonableness of incorporating certain retail uses into the other uses permitted in this district. To assure said compatibility and reasonableness, the retail uses hereinafter enumerated, and uses similar thereto, shall be subject to the following additional conditions: (1) the primary and permitted industrial use shall be the manufacture or assembly of the products being offered for sale; and (2) the retail sales area shall not exceed fifteen (15) percent of the total floor area of the subject premises under a single certificate of use and occupancy. The retail uses subject to the conditions of this subsection are:

(1) Antique and secondhand goods shops.

(2) Apparel stores.

 - (24) Sporting good stores.
 - (25) Tobacco shops.
 - (26) Variety stores and junior and major department stores.
 - (27) Retail uses determined by the Director to be similar to those enumerated above. In determining similarity between a proposed use and the uses enumerated above the Director shall be guided by the intent of this Subsection (62) and shall consider common characteristics including the nature of products offered for sale, the generation of pedestrian and vehicular traffic, and incompatibility with the primary uses permitted in this district.
- (c) Failure to comply with any of the provisions of Subsection (a) or (b) shall be deemed a change in use from an industrial to retail business use for which a use variance shall be required.
- (d) Any ancillary retail sales use pursuant to a lawful, valid, permanent certificate of use and occupancy issued by the Department prior to July 29, 1983, which use is in compliance with the Department's percentage of use and parking requirements on said effective date will be considered a legal, nonconforming use. Legal, nonconforming use status will also be granted to any ancillary retail sales use for which a certificate of use and occupancy has not been issued as of July 29, 1983, where the property owner or tenant:
- (1) Has obtained a building permit based on the submission of plans on which the intended retail sales area has been clearly represented by physical separation from the industrial use through placement of a solid wall, and adequate parking for the retail sales use and landscaping has been provided, and said permit remains valid in accordance with the provisions of the South Florida Building Code; or
 - (2) Has submitted a declaration of use, parking plan and floor plan for an existing building which have been approved by the Department provided that a physical separation of the retail and industrial uses has been effected through placement of a solid wall and a temporary certificate of use and occupancy as provided in the South Florida Building Code has been obtained from the Department before July 29, 1983. Legal nonconforming use status will not be perfected if the temporary certificate of use and occupancy is not converted to a permanent certificate of use and occupancy before it expires.
 - (3) Has a covenant, accepted and approved by Miami-Dade County on or before July 5, 1983, and recorded in the public records, providing assurances to Miami-Dade County to comply with the provisions of Subsection (a) above and has materially changed his position in reliance thereon. The property owner or tenant shall be permitted sixty (60) days to obtain a building permit and an additional sixty (60) days to complete construction in compliance therewith.
- (70) School--technical trade schools, such as, but not limited to aviation, electronic, mechanics; also physical training schools, such as, but not limited to gymnastics and karate. (All school uses shall be subject to compliance with off-street parking requirements and shall comply with sections 33-151.12.1 through 33-151.22 of this code.)
- (71) Ship chandlers.
 - (72) Shipyards and dry docks.
 - (73) Sign painting shops.

- (77) Telecommunications hubs:*
 - (1) At least eighty-five (85) percent of the gross floor area of a telecommunications hub building shall be designated for equipment or machinery; no more than fifteen (15) percent of the gross floor area shall be designated for employees and support personnel;
 - (2) A declaration of use in a form meeting with the approval of the Director and specifying compliance with the conditions set forth in subsection (1), above, shall be submitted to the Department prior to the issuance of a building permit. Said declaration of use shall include a floor plan and site plan for the intended use as required by the Department.
- (78) Telephone exchanges.
- (79) Telephone service unit yards.
- (80) Textile, hosiery and weaving mills not closer than two hundred (200) feet to an RU or EU District.
- (81) Upholstery shops.
- (82) Utility work centers--power and telephone, etc.
- (83) Vending machine sales and service.
- (84) Veterinarians.
- (85) Vulcanizing.*
- (86) Warehouses for storage or products in the form sold in a BU District.
- (87) Warehouse, membership, subject to the following minimum standards, unless otherwise approved by public hearing as a non-use variance:
 - (a) The area of such occupancy shall contain no less than one hundred thousand (100,000) square feet of gross floor area;
 - (b) The subject use shall be located on a major or minor roadway as depicted on the adopted Land Use Plan map and shall be within one quarter (1/4) mile of that roadway's intersection with another major or minor roadway; and
 - (c) Site plan review criteria set forth in Section 33-261.1 shall be met.
 - (d) Subject to compliance with Article X (Alcoholic Beverages) of this Code, liquor package sales shall be permitted. Package sales areas shall be divided from the rest of the membership warehouse area by a solid floor-to-ceiling wall and shall have a separate exterior entrance.
- (88) Welding shops.*
- (89) Welding supplies.
- (90) Wood and coal yards..
- (91) The operation of an equipment and appliance center for the testing, repairing, overhauling and reconditioning of any and all equipment, appliances, and machinery sold by the operator/occupant; provided such may be manufactured at the location of the operation and in connection therewith individual customers bringing equipment to the site for such repairing, overhauling or reconditioning, may purchase parts for such equipment, appliances, or machinery.

*NOTE: Provided no such establishment is located within five hundred (500) feet of any RU or EU District except after approval after public hearing. Provided that this spacing limitation shall be two hundred fifty (250) feet if the use is confined within a building and an exterior wall or walls of the building located on the establishment is not penetrated with any openings directly facing the RU or EU District. It is further provided that, except for exterior uses, such distances shall be measured from the closest point of the subject use in the building to the RU or EU District. In connection with exterior uses, the distance of five hundred (500) feet shall be measured from the closest point of the IU District to the RU or EU District. For purposes of establishing such distances, the applicant for such use shall furnish a certified survey from a

registered surveyor, which shall indicate such distances. In case of dispute, the measurement scaled by the Director of the Department of Planning and Zoning shall govern.

Sec. 33-259.1. Additional uses permitted.

(a) In the development and enforcement of this section it is recognized that there are uses which because of their very nature are recognized as having serious objectionable characteristics, particularly when several of them are concentrated in any given location, thereby having a deleterious effect upon the adjacent business and residential areas. It is desirable, therefore, to locate these adult oriented activities away from residential areas and public facilities that are used frequently by minors such as schools, churches, parks, libraries, day care centers or nurseries.

(b) For the purpose of this section the following definitions for terms used herein shall apply:

(1) *Adult bookstore.* Any business engaged in displaying, distributing, bartering, renting or selling printed matter, pictures, films, graphic or other materials which activity requires the exclusion of minors pursuant to Chapter 847, Florida Statutes, unless such activity comprises no more than fifteen (15) percent of the total floor area and is kept from clear view of minors.

(2) *Adult theater.* Any business engaged in presenting films, theatrical productions, performances, recitals, displays, printed matter or other entertainment which activity requires the exclusion of minors pursuant to Chapter 847, Florida Statutes.

(3) *Adult entertainment club.* Any business which features live entertainment requiring the exclusion of minors pursuant to Chapter 847, Florida Statutes.

(4) *Adult video store.* Any business engaged in displaying, renting or selling videotapes which activity requires the exclusion of minors pursuant to Chapter 847, Florida Statutes, unless such activity comprises no more than fifteen (15) percent of the total floor area and is kept from clear view of minors.

(5) *Massage establishment.*

a. Any shop, parlor, establishment or place of business wherein all or any one (1) or more of the following named subjects and methods of treatments are administered or practiced: Body massage either by hand or by any mechanical or electrical apparatus or device (excluding fever therapy), applying such movements as stroking, friction, rolling, vibration, kneading, cupping, petrissage, rubbing, effleurage or tapotement.

b. Nothing in this section shall be construed as applying to State of Florida licensed massage therapists, barbers, cosmetologists, manicurists, pedicurists, physical therapists' assistants, midwives, practical nurses, agents, servants or employees in licensed hospitals or nursing home or other licensed medical institutions, licensed physicians, osteopaths, chiropractors, podiatrists, naturopathic physicians or other licensed medical practitioners, or their agents, servants, or employees acting in the course of such agency, service or employment under the supervision of the licensee.

c. Provided, however, that, for the purpose of this section, the term "massage establishment" shall not include any massage establishment wherein at least one (1) State of Florida licensed massage therapist is employed and on duty full time during the hours open for business.

(6) *Adult modelling establishments.* Any establishment offering nude or partially nude modelling sessions or lingerie, swimwear or photography modelling sessions between two (2) or more persons requiring the exclusion of minor pursuant to Chapter 847, Florida Statutes.

(7) *Encounter studio.* All establishments offering nude or partially nude encounter sessions between two (2) or more persons, nude or partially nude dance encounter sessions between two (2) or more persons, and sexual consultation requiring the exclusion of minors pursuant to Chapter 847, Florida Statutes.

(c) The following additional uses shall be permitted in the IU-1 zone:

(1) Adult bookstore;

(2) Adult theater;

LPO

- (3) Adult entertainment club;
- (4) Adult video store;
- (5) Massage establishment;
- (6) Adult modelling establishment;
- (7) Encounter studio.

(d) Unless approved as a special exception, none of the uses set forth in Subsection 33.259.1(c) shall be permitted (i) within one thousand (1,000) feet of a private school as defined in Section 33-151.11, public school, church, public park, public library, day care center or nursery for children; (ii) within one thousand two hundred (1,200) feet of any of the uses described in Subsection 33.259.1(c); and (iii) within seven hundred fifty (750) feet of any residential zoning (with the exception of AU) district located within either the unincorporated areas of Miami-Dade County or within a municipality; provided, however, that the spacing requirements above shall not apply where the adult entertainment use is separated from the uses set forth at Subsection 33.259.1(d)(i) and Subsection 33.259.1(d)(iii) above by a county or state road of not less than six (6) lanes, or an expressway. All other distance and spacing requirements pursuant to the Code shall apply, as well as those spacing requirements imposed by State Statute, if such State spacing requirements are more restrictive than the regulations contained herein. Any application seeking a variance from State imposed spacing requirements shall be heard directly by the Board of County Commissioners pursuant to Section 33-314(C)(8).

(e) The distance and spacing requirements set forth in Subsection (d) shall be measured as follows:

(1) From a church, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest point on the church property.

(2) From a private or public school, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest point on the school grounds.

(3) From another Subsection 33.259.1(b) use, the distance shall be measured by following a straight line from the front door of the proposed place of business to the nearest point of the existing Subsection 33.259.1(b) use.

(4) From residential zoning districts, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest boundary of the residential zoning district.

(5) From a public park, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest point on park grounds.

(6) From a public library, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest point of the library property.

(7) From day care centers or nurseries for children, the distance shall be measured by following a straight line from the nearest point of the proposed place of business, whether it is the structure itself or the parking lot used by the patrons of the proposed place of business, to the nearest point on the property of the day care center or the nursery.

(f) For the purposes of establishing the distance between the uses set forth in Subsection 33.259.1(b), and between such uses and private schools as defined in Section 33-151.11,

public schools, churches, public parks, public libraries, day care centers or nurseries for children, or residential zoning districts, the applicant for such use shall furnish a certified survey from a registered surveyor. Such sketch shall indicate the distance between the proposed place of business, and any existing Subsection 33.259.1(b) use, any church, public school, private school, public park, public library, day care center or nursery for children or residential zoning district. Each sketch shall indicate all such distances and routes. In case of dispute, the measurement, scaled by the Director of the Department of Planning and Zoning shall govern.

(g) *Exemptions to spacing requirements.* This section shall not apply to accredited universities, accredited colleges or other accredited educational institutions, museums, art exhibits, arts and cultural performance theaters and playhouses or commercial professional photography and portrait studios which may use nude subjects for their photographs or portraits.

(h) *Legally existing nonconforming uses.* The following uses shall be deemed legally existing, whether or not such uses comply with the regulations enacted by this section, provided however, that nothing contained herein shall exempt such uses from complying with Section 33-35 of the Code Miami-Dade County.

(1) Any adult entertainment use for which a building permit has been issued to establish such use prior to January 1, 2002, provided the work authorized by the building permit is completed and a Certificate of Use and Occupancy ("CO") is issued within the time prescribed by applicable regulations; or

(2) Any adult entertainment use for which a CO has been issued prior to January 1, 2002, provided such CO is valid (not expired or revoked) as of January 1, 2002.

Article XXX. IU-2 Industrial, Heavy Manufacturing District

Sec. 33-262. Uses permitted.

No land, body of water or structure shall be used or permitted to be used and no structure shall be hereafter constructed, reconstructed or structurally altered, maintained or moved in any IU-2 District, which is designed, arranged or intended to be used for any purpose, unless otherwise provided herein, except for one (1) of the following uses:

(1) Every use permitted in IU-1 District, except adult entertainment uses as defined in Section 33-259.1, and private schools and nonpublic educational facilities as defined in Section 33-151.11 are prohibited in the IU-2 District.

Sec. 33-265. Control of uses.

Any person, firm, corporation or other legal entity desiring to use any property or premises situated in an IU-3 District for the manufacture, assembly, processing or packaging of any article or matter enumerated in Section 33-264(3), or for the storage of relatively large quantities of such article or matter (not to include storage where storage is relatively small and incidental to the use of small quantities of such article or matter in connection with manufacture, processing or use permitted in more restrictive districts), or manufacture, assembly, processing, packaging or storage of similar articles or matter, or for any use or operation enumerated in said Section 33-264(3) or for similar use or operation, shall file with the Director a written application setting forth a full description of the proposed use or occupancy, and accurate legal description of the property or premises, a description of the structure or structures to be constructed or occupied, satisfactory proof that the proposed use will conform to the requirements of the Miami-Dade County Pollution Control Ordinance, and such other information as may be reasonably required by the Director, who shall determine from such information, whether or not the proposed use will, in fact, create objectionable influences ordinarily associated with the general type of such uses. If it is found that such use because of the method of operation, or type of materials used, the usual degree of hazardous conditions will not be created, the Director may assign the use to the IU-3 District or to a less restrictive zoning district. However, if it is determined that the high hazards usually anticipated in connection with the uses listed involving fire, explosions, noise, vibration, dust or emissions of smoke, odors, or toxic gases, or other hazards to public health, safety or welfare will be created, the Director shall require approval as result of a public hearing before such use is permitted. Upon filing of the application, the Director shall transmit such application, together with his recommendations, to the Community Zoning Appeals Board, who shall consider the application in accordance with the zoning procedure prescribed by article XXXVI of this

chapter, and transmit its recommendations to the County Commission. Provided, however, no use specified in Section 33-264(3) shall be established within five hundred (500) feet of any RU or EU District except after approval after public hearing. Provided, that the spacing limitation shall be two hundred fifty (250) feet if the use is confined within a building and an exterior wall or walls of the building located on the establishment is not penetrated with any openings directly facing the RU or EU District. It is further provided that, except for exterior uses, such distances shall be measured from the closest point of the subject use in the building to the RU or EU District. In connection with exterior uses, the distance of five hundred (500) feet shall be measured from the closest point of the IU District to the RU or EU District. For purposes of establishing such distances, the applicant for such use shall furnish a certified survey from a registered surveyor, which shall indicate such distances. In case of dispute, the measurement scaled by the Director of the Department of Planning and Zoning shall govern.

City of Doral Equivalent Zoning Districts

CHAPTER V. ZONING DISTRICTS

Section 22. General Use (GU) District

(a) *Standard for determining regulations to be applied.* If a neighborhood in the GU District is predominantly one (1) classification of usage, the Director shall be governed by the regulations for that class of usage in determining the standard zoning regulations to be applied, including setbacks, yard areas, type of structures, height, limitations, use, etc. For the purposes of this section, "trend of development" shall mean the use or uses which predominate in adjoining properties within the GU District which because of their geographic proximity to the subject parcel make for a compatible use. The Director shall be guided in determining what constitutes a neighborhood by limiting his evaluation to separate geographic areas which may be designated by natural boundaries (rivers, canals, etc.) and/or man-made boundaries (roads, full- and half-section lines, etc.). The Director's decision shall be subject to appeal pursuant to the provisions of Chapter IV of this Code. If no trend of development has been established in the GU neighborhood, minimum standards of the SF-2 District shall be applied. Properties under power lines are exempted from this regulation and shall be regulated as per Section 3. regulations for uses under power lines. Public schools are also exempt from this regulation.

(b) Group homes shall be permitted pursuant to provisions of Section 4 (l) of Chapter IV.

(c) *New district classifications.* Subdivisions in GU Districts shall be governed by the provisions of Chapter XII. Where applications for building permits indicate the need for reclassification of an area in GU District, the Director may initiate an application for a change of zoning.

(d) *Public hearing on refusal to issue permit.* Whenever a permit to construct, alter, move or use a building or premises in a GU District is refused because the proposed use would conflict with regulations contained herein, the person desiring a permit may apply for a public hearing.

Section 1. Single family residential-1 district (SF-1)

(a) *Intent and Purpose of district:* The intent and purpose of the Single Family-1 Residential District ("SF-1") is to protect and preserve the integrity and value of existing, stable residential neighborhoods of estate density while at the same time, allowing a careful and deliberate redevelopment and revitalization of such neighborhoods in need of reinvigoration or neighborhoods with unique amenities which create unique opportunities to increase property values and the overall attractiveness of the city.

I — Industrial District

List of Services to be Provided

a. Police

The City of Doral Police Department comprises 95 sworn officers for the current 2008/2009 budget year. With a \$14 Million current year budget the Police Department is prepared to absorb any additional required police services.

Upon completion of the annexation process and municipal boundary change the City would provide immediate coverage to the area. If the annexation is successful an increase of two sergeants, 10-officers, and 2-detectives would be contemplated for FY2009/2010.

b. Fire Protection

Fire Protection is provided by Miami-Dade County fire services for the City of Doral residents. Primary Fire Rescue service for the **proposed annexation area** will be provided by Fire Battalion 11 and Battalion 12, as referenced below. The following station territories lie within the proposed annexation area.

Battalion 11

Station	Address	Unit
Virginia Gardens 17	7050 NW 36 St	Aerial
Medley 46	10200 NW 116 Way	Technical Response Team
Miami Springs 35	201 Westward Dr	Rescue, Engine
Hialeah Gardens 28	10350 NW 87 Ave	Rescue

Battalion 12

Station	Address	Unit
Doral 45	9710 NW 58 St	Medic Engine
Fontainebleau 48	8825 NW 18 Terr	Rescue
Future Station 69	NW 112 th Avenue and NW 74 th Street	

A Battalion, is defined as a fire department organizational unit comprised of multiple units under the command of a Chief Fire Officer. The annexed area will be served by Battalion 11, which is comprised of Virginia Gardens Station 17, Medley Station 46, Miami Springs Station 35, and Hialeah Gardens Station 28, new Station 69 and others. Battalion 12 will also serve the area. Battalion 12 is comprised of Doral Station 45, Fontainebleau Station 48, and other stations. Although these units primarily serve their own communities (Miami Springs, Medley, Miami Gardens) they come together in response to any major incident in the area. They also provide support services when primary response units are on other service calls. To develop proficiency and unit coordination, the Battalion units regularly drill together.

Battalion 11 is also part of Miami Dade Fire Rescue's Special Operations Division. In addition to their normal firefighting, dive rescue and emergency medical activities, Stations 17, 28, 46, and 48 have some very special capabilities.

Station 46 serves as part of the urban search and rescue (USAR-1) and the Technical Rescue Team (TRT Units). Members of these units are trained in vehicle extraction, confined space rescue, trench rescue and elevated victim rescue. Station 17 is equipped with aerial apparatus units that are especially suited for taller buildings. Stations 28 and 48 comprise the core of the County's Hazardous Materials Response Team, Rescue and USAR-1 rescue support services.

Miami-Dade Fire Rescue Department provides fire and rescue service to the annexation area. There will be no change in this service if annexation occurs. There is no cost to the City of Doral for this service. All costs are directed to the property owners in the annexed area.

c. Water Supply and Distribution

The Miami-Dade County Water and Sewer Department currently services the Annexation Area through its water supply and distribution system and will continue to do so. Also, MDWASD has the capacity to handle any future development in this area.

d. Facilities for Collection and Treatment of Sewage

The Miami-Dade County Water and Sewer Department currently services the Annexation Area through its collection and treatment system and will continue to do so. Also, MDWASD has the capacity to handle any future development in this area.

e. Garbage and Refuse Collection and Disposal

The County's Department of Solid Waste Management will continue to serve existing customers but typically commercial and industrial areas will be required to contract for refuse removal services utilizing the County's landfills.

f. Street Lighting

Florida Power and Light provides electricity and lighting to the Annexation Area and will continue to do so.

g. Street Construction and Maintenance

The State of Florida will be responsible for the maintenance of State roads while Miami-Dade County will be responsible for County roads. The remaining municipal streets totaling 5.5 miles will become City roads.

h. Park and Recreation Facilities and Services

The City has adequate park and recreational facilities to serve the needs of residents and of those employed in the City's municipal boundaries.

i. Building Inspection

The City assumed this function on October 1, 2004 and is therefore responsible for all building inspections. One additional Code Compliance Officer will be required.

j. Zoning Administration

The City assumed this function on September 6, 2004 and is therefore responsible for all zoning related matters.

k. Local Planning Services

The City assumed this and other local planning services functions on September 6, 2004 but shall continue to acknowledge the Miami-Dade County Comprehensive Development Master Plan until the City's own Comprehensive Development Master Plan becomes effective.

I. Special Services Not Listed Above

The City assumed the platting function on October 1, 2004 and is therefore responsible for all applications for plat approval and waivers of plat.

m. General Government

The City has a Mayor-Council-Manager form of government. The Mayor and four Council members (Members of the Council) are vested with all legislative powers as set forth in the municipal charter of the City and are elected at-large for staggered four year terms (beginning in 2006) and may serve no more than two consecutive terms. The Council's powers include establishing public policy and law and directing the City Manager.

The City Manager serves as the Chief Administrative Officer of the City and is responsible to the Council for the administration of all City affairs. These duties include responsibility for all City departments and operations. The current number of employees is 270 and will be expanded as the City takes on additional responsibilities.

Timetable for Supplying Services

a. Police

Immediate/No Change. The City officially began its own Police Department on June 6, 2008 from Miami-Dade County and would be able to adequately handle any policing needs in the annexation area.

b. Fire Protection

Immediate/No Change. Miami-Dade Fire Rescue will continue to provide services in perpetuity.

c. Water Supply and Distribution

Immediate/No Change. Miami-Dade County Water and Sewer Department will continue to supply potable water through its water supply and distribution system.

d. Facilities for Collection and Treatment of Sewage

Immediate/No Change. Miami-Dade County Water and Sewer Department will continue to service the Annexation Area through its wastewater collection and treatment system.

e. Garbage and Refuse Collection and Disposal

Immediate/No Change. The Annexation Area will continue to be part of the Solid Waste and Collection System.

f. Street Lighting

Immediate/No Change. Any new lighting will be paid for through Special Taxing Districts or funded by FPL through user fees.

g. Street Construction and Maintenance

Immediate/No change. The County shall maintain responsibility for section line roadways while the City will maintain roadways designated municipal streets.

h. Park and Recreation Facilities and Services

Immediate/No Change No new recreational facilities will be needed to service the Annexation Area due to the lack of residential areas.

i. Building Inspection

Immediate/No Change This function was assumed by the City on October 1, 2004.

j. Zoning Administration

Immediate/No Change This function was assumed by the City on September 6, 2004.

k. Local Planning Services

Immediate/No Change This function was assumed by the City on September 6, 2004.

l. Special Services Not Listed Above

Immediate/No Change Platting functions were assumed by the City on October 1, 2004.

m. General Government

Immediate/No Change After the annexation process is completed, the City of Doral will be responsible for all general government services.

Financing of Services

a. Police

The City will fund this service through its General Fund via tax collections.

b. Fire Protection

Fire and Rescue services will continue to be provided by Miami-Dade County Fire Rescue Department. Services are financed through the Fire Rescue Special Taxing District.

c. Water Supply and Distribution

Water supply and distribution services will continue to be provided by MDWASD. Costs associated with new development (water main extensions and connections) will be paid by the developers. Residential and commercial water usage charges will provide the revenues for the continued operation and maintenance of the water supply and distribution system.

d. Facilities for Collection and Treatment of Sewage

Wastewater treatment and collection services will continue to be provided by MDWASD. Costs associated with new development (wastewater main extensions and connections) will be paid by the developers. Residential and commercial sewer usage charges will provide the revenues for the continued operation and maintenance of the wastewater treatment and collection system.

e. Garbage and Refuse Collection and Disposal

The County's Department of Solid Waste Management will continue to serve existing customers but typically commercial and industrial areas will be required to contract for refuse removal services utilizing County landfills. Services provided by the County are financed through tax collections.

f. Street Lighting

Street lighting is financed through FP&L or Special Taxing Districts created by new development.

g. Street Construction and Maintenance

The costs of new street construction will be funded by the associated new development. Maintenance will be funded through the City's General Fund.

h. Park and Recreation Facilities and Services

The operation and maintenance of these facilities will be funded through the General Fund. As stated previously, no new parks are required to service the Annexation Area.

i. Building Inspection

Building Inspections are financed through user fees.

j. Zoning Administration

Zoning Administration services are financed through user fees.

k. Local Planning Services

Local Planning Services are financed through user fees.

l. Special Services Not Listed Above

Platting function costs are financed through user fees.

m. General Government

General Government Services are provided and funded through tax collections.

Tax Load on Annexation Area

Gross Revenue is based on the 2008 Taxable Property Rolls and other revenues. The Cost of Providing Services (Expenditures) is based on expected costs the City believes it will incur.

The City of Doral Budget (FY 08-09) process has been completed and maintains a millage rate of 2.447. The current Miami-Dade County millage rate is 2.0406.

Property Tax Revenue is determined by the following formula:

$$\text{Revenue} = \text{Taxable Property} \times \text{Millage} \times .95/1000$$

SECTION TOWNSHIP RANGE	2008 TAXABLE PROPERTY ROLLS	PROPERTY TAX REVENUE	COST OF PROVIDING SERVICES	NET BUDGET GAIN/LOSS
