From: George M. Burgess
County Manager

Subject: Grant Application for \$1,342,932 to the Florida Inland Navigation District,
Waterways Assistance Program 2010 for Crandon Marina

Recommendation

It is recommended that the Board approve the attached resolution authorizing the County Mayor or County Mayor's designee to apply for up to \$1,342,932 in grant funds from the Florida Inland Navigation District (FIND), Waterways Assistance Program 2010 for repairs of the second leg of seawall, a marginal dock and electrical enhancements at Crandon Marina and further authorizing the County Mayor or County Mayor's designee to receive and expend funds and execute contracts and amendments as required.

Scope

Crandon Marina is located at 4000 Crandon Boulevard in Key Biscayne, Florida in Commission District 5. It is one of six marinas managed and operated by the Miami-Dade Park and Recreation Department (MDPR). The impact of this project is countywide.

Fiscal Impact/Funding Source

This grant will contribute up to \$1,342,932 towards the estimated project cost of \$2,685,864. The balance of the needed funding will come from the Building Better Communities Bond Program (\$1,342,932).

Track Record/Monitor

FIND has awarded more than \$6 million to MDPR towards assistance with marina and waterside projects since 2002. In 2009, FIND funded 50% of the cost of repairs to the first leg of the Crandon Marina seawall. MDPR Grants Administrator Joyce Denny will administer this grant.

Background

FIND is a Special State Taxing District for the continued management and maintenance of the Atlantic Intracoastal Waterway. The Waterways Assistance Program is a grant program established by the Florida Legislature and the District for the purpose of financially cooperating with local governments to alleviate problems associated with the Atlantic Intracoastal Waterway and associated waterways within the District. FIND requires the submission of this special resolution with the application by April 1, 2010. If the application is successful funds will be available in October 2010.
