

Memorandum

Date: April 20, 2010

To: Honorable Chairman Dennis C Moss
and Members, Board of County
Commissioners

Agenda Item No. 15(A)(6)

From: Honorable Pedro J. Garcia, Property Appraiser

Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with City of
North Miami

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) authorize execution of the attached Intergovernmental Cooperation Agreement (Agreement) by and among Miami-Dade County on behalf of the Tax Collector (Collector), Miami-Dade County Office of the Property Appraiser (Appraiser) and the City of North Miami (City) to allow the City to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

SCOPE

The City is located within County Commission Districts 2, 3 and 4. The City has requested that the Appraiser and Collector include its proposed or adopted non-ad valorem assessments for recycling and solid waste collection services and facilities and stormwater services and facilities on the notice as specified in Section 200.069, Florida Statutes, and on the combined notice of ad valorem and non-ad valorem assessments provided for in Sections 197.3632 and 197.3635, Florida Statutes.

FISCAL IMPACT/FUNDING SOURCE

The City agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no negative fiscal impact to the County as a result of this Agreement.

TRACK RECORD/MONITOR

The City agrees that all certified assessment rolls will be maintained and transmitted to the Appraiser and Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Agreement is managed by the Office of the Property Appraiser.

BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Agreement, the City will charge separate non-ad valorem assessments for the cost of recycling and solid waste collection services and facilities and stormwater services and facilities. The Agreement affords the City the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this Agreement commences with special assessments collected for 2010 and continues until cancelled by either party.
