

Memorandum

Date: July 8, 2010

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Agenda Item No. 9(A)(2)

From: George M. [Signature]
County Manager

Subject: FY 2009-2010 Community Grants Program – Fourth Quarter Recommendations
for a Total of \$140,000

Recommendation

It is recommended that the Board approve the funding of 29 grants for a total of \$140,000 from the FY 2009-2010 Community Grants Program – Fourth Quarter. Attached is a list describing the projects being recommended for funding.

Scope

The impact of this agenda item is countywide.

Fiscal Impact/Funding Source

Funding for the Community Grants Program comes from Department of Cultural Affairs' approved departmental revenues as carried in the FY 2009-2010 adopted County budget ordinance.

Track Record/Monitor

Each recommended, non-profit cultural organization has a track record of following Departmental grant requirements and contractual conditions. Michael Spring, Director of the Miami-Dade Department of Cultural Affairs, is responsible for monitoring the grant contracts.

Background

The FY 2009-2010 Community Grants Program panel convened on May 13, 2010 to review 30 applications requesting \$212,441 for the Fourth Quarter of the program. The panel recommended funding 29 applicants for a total of \$140,000. The Cultural Affairs Council approved these recommendations at their meeting on May 19, 2010.

The projects selected for funding represent a diversified range of activities and demographic locations. In its deliberations, the panel carefully considered and applied the Community Grants guidelines, as outlined below.

The Community Grants Program is responsive on a quarterly basis to organizations, which develop small and large-scale community-based programs, projects, events, and publications. The program is particularly sensitive to the needs of: 1) indigenous cultural neighborhood activities and projects encouraging the preservation of heritage, traditions and culture; and 2) social service organizations and cultural groups developing collaborative intervention projects.

Each applicant organization was evaluated specifically based on the following competitive review criteria: 1) quality of program; 2) administrative capability; 3) marketing strategy; 4) fundraising efforts; and 5) geographic location of event.
