

# Memorandum

**Date:** June 10, 2010

**To:** Honorable Chairperson Dennis C. Moss and  
Members, Board of County Commissioners

**From:** George M. Burgess  
County Manager 

**Subject:** Changes to Implementing Order 7-30 Rates for Off-Duty Fire Rescue Services

HPSI

Agenda Item No. 3C

## Recommendation

It is recommended that the Board approve the attached resolution amending Implementing Order 7-33, to approve the bi-annual update of Fire Rescue off-duty pay rates, raise the administrative surcharge from ten (10) to twenty-five (25) percent, and add the Fire Boat to the hourly equipment rate schedule.

## Scope

Miami-Dade Fire Rescue performs off-duty services throughout the Fire & Rescue Service District and Countywide.

## Fiscal Impact

The recommended changes to the current off-duty pay rates are consistent with the change in the Consumer Price Index and the cost associated to provide such services. The change in administrative fee will produce an estimated \$252,000 in additional revenue and result in a cost recovery ratio for the MDRF Special Events Bureau of approximately 100 percent.

## Track Record/Monitor

The Miami-Dade Fire Rescue Special Events Bureau closely monitors all off-duty services.

## Background

The Miami-Dade Fire Rescue Department (MDFR) provides off-duty services at various special events throughout Miami-Dade County. The MDRF Special Events Bureau provides an important service by dedicating personnel and equipment to an event; thus ensuring regular on-duty personnel are not diverted to provide support. The fees and charges to reimburse personnel and equipment costs are regulated by Implementing Order 7-33. The current rates for special off-duty fire rescue services were approved by the Board in July 2008 and are updated in the amended Implementing Order. For the Miami-Fort Lauderdale metropolitan area, the United States Bureau of Labor Statistics determined that from October 1, 2007 through September 30, 2009 inflation increased by 5.7 percent.

In FY 2008-09, the MDRF Special Events Bureau provided services and billed customers for approximately \$1.68 million to reimburse for County personnel and equipment costs and \$168,000 in administrative fees. The current 10 percent fee does not cover the full salary and benefits of Special Event Bureau personnel. Raising the administrative fee to 25 percent would result in a cost recovery ratio for the MDRF Special Events Bureau of approximately 100 percent. MDRF is also adding the Fire Boat to the hourly rate schedule for equipment reimbursement.

**POLICY:**

Section 2-56 of the Miami-Dade County Code allows for the assignment of off-duty County personnel to provide fire services. **PROCEDURES:**

**Fire Protection and Rescue Watch**

The following hourly rates will be paid to employees:

<b>Classification</b>	<b>Employee Rate of Pay</b>
Fire Fighter	\$ <del>32</del> <u>34</u> /hour

The permittee contracting for off-duty services pays the employee rate plus the prevailing rates for social security (FICA and MICA), special risk retirement, and an administrative surcharge of ~~ten~~ twenty-five percent (~~10%~~ 25%) in order to defray the costs of processing and recording off-duty services.

**Minimum Charge:**

The minimum charges for off-duty services shall be the amount applicable for three (3) hours of service.

**Time of Service:**

Hourly charges for off-duty services will be calculated from the starting time and location agreed upon by the permittee and the department issuing the permit, through the time of completion of the required services, exclusive of travel time required for the employee to report for their assignment, and exclusive of travel time from the location associated with the completion of services to subsequent personal or other official destination of the employee.

**Utilization of Vehicles:**

The following rates will be paid by the permittee to cover equipment costs:

<b>Equipment Type</b>	<b>Rate</b>

Accounts thirty (30) days in arrears may be subject to finance charges up to the maximum legal rate. In no instance shall the employee(s) performing the service be required to receive or required to assist in the collection of any monies due to the department from the permittee. Personnel performing off-duty services shall be fully compensated in the pay period during which the off-duty services were provided, or in the immediately following paycheck, or in the case of large events, as soon as payment can be processed.
