Subject: Resolution regarding temporary moratorium, as directed by Resolutions R-1161-07, R-167-08, R-567-08, R-1115-08, R-144-A-09, R-1230-09 and R-209-10 for properties being utilized as mobile home parks in unincorporated Miami-Dade County

Recommendation

It is recommended that the Board of County Commissioners' (BCC) adopt the proposed resolution continuing the temporary moratorium for 90 days, in order to allow for additional time to receive the Opinion from the Attorney General's Office on the two year "look-back" provision included in Section 5, Sec. 33-169.2 of the proposed Ordinance (Agenda Item 5C, March 2, 2010), pertaining to the regulatory criteria for determining whether suitable housing exists for mobile home owners subject to removal or relocation due to the redevelopment of mobile home parks. The extension of the temporary moratorium notwithstanding, immediately upon receipt of the Opinion of the Attorney General, the County Manager's Office will request that the Clerk cause to be placed on the agenda a public hearing pertaining to the temporary moratorium. The Ordinance will be presented for the Board's consideration at that time.

At the meeting of March 2, 2010, the BCC requested an Attorney General's Opinion on the two year "look back" provision included in Section 5, proposed Sec.33-169.2, and remanded the Ordinance to committee. On April 9, 2010 the County Attorney's Office submitted a request for the Opinion of the Attorney General.

On April 13, 2010 the Budget Planning and Sustainability Committee deferred the proposed Ordinance to a date not certain pending the Opinion of Attorney General's Office.

Background

On October 16, 2007, the Board of County Commissioners adopted Resolution R-1161-07, on the appropriateness of existing zoning districts for mobile home park use, which imposed a temporary moratorium in the unincorporated area of Miami-Dade County for issuance of building permits on 40 properties being utilized as mobile home parks. The resolution directed the County Manager to prepare a comprehensive report with recommendations taking into account the surrounding development, the availability of public facilities and resources, and the availability of alternative mobile home parks or affordable housing for the residents of mobile home parks removed or relocated by a change in land use of the mobile home park property. The estimated number of units in the parks, subject to the temporary moratorium, is approximately 8,000. The County Manager's Report was presented to and reviewed by the Board on February 19, 2008. The Board heard testimony from interested parties. Based on the information received and testimony heard, the Board adopted Resolution R-167-08 and directed the extension of the moratorium for an additional period of ninety (90) days and directed the staff to analyze in greater detail the appropriateness of existing zoning districts or creation of a new zoning district for mobile home parks.

Based on the February 19, 2008 directive, staff prepared and presented a number of implementation strategies at the Board meeting of May 6, 2008. The Board again heard testimony from interested parties. Based on the information received and testimony heard, the Board adopted Resolution R-567-08 and ordered the extension of the moratorium for an additional period of one hundred and eighty (180) days and directed staff to further analyze in greater detail the appropriateness of the existing zoning districts or creation of a new zoning district for mobile home park and other zoning regulations.

On October 21, 2008, the Board adopted Resolution R-1115-08 extending the temporary moratorium for an additional one hundred and twenty (120) days on the issuance of building permits for properties being utilized as mobile home parks in unincorporated Miami-Dade County. The Board directed the County Manager to continue reviewing zoning options for the subject mobile home park sites.

On February 17, 2009, the Board adopted Resolution R-144-A-09 to extend the temporary moratorium on the issuance of building permits for properties being utilized as mobile home parks in unincorporated Miami-Dade County and ordered the administration to return to the Board of County Commissioners on June 2, 2009 with a revised report further addressing zoning options for the mobile home park sites.

On June 2, 2009, the Board adopted Resolution R-647-09 to extend the temporary moratorium on the issuance of building permits for properties being utilized as mobile home parks in unincorporated Miami-Dade County for five months. As part of the BCC's discussion leading to the motion, the Board requested that the administration conduct an analysis of potential land use/rezoning of the mobile home parks sites listed in Attachment A.

On November 3, 2009, the Board adopted Resolution R-1230-09 directing the Mayor or his designee to implement appropriate recommendations contained in the November 3, 2009 Report, and further, ordering the continuance of the temporary moratorium for 120 days in

order to provide time for the BCC to consider adoption of the proposed Villa Development District Ordinance and a proposed Ordinance establishing criteria for redevelopment of property currently being utilized as a mobile home park. The adopted resolution also released the following sites: #28- tract 3, #10 with the acceptance of proffered covenant, #14 with the acceptance of proffered covenant, #3, #5, and #8.

On February 9, 2010, the Budget, Planning and Sustainability Committee held a public hearing on the proposed Villa Development District Ordinance and the proposed Ordinance pertaining to redevelopment of mobile home parks. These ordinances were forwarded to the Board for final action without recommendation.

On March 2, 2010, the Board enacted the Villa Development District ordinance and adopted Resolution R-209-10 directing the Mayor or his designee to implement certain recommendations contained in the County Manager's March 2, 2010 Report. The resolution further ordered the continuance of the temporary moratorium for 120 days in order to provide time for the County Attorney's Office to request an opinion from the Attorney General regarding whether certain provisions of the proposed Ordinance are preempted to the State by the provisions of Chapter 723, Florida Statutes.

On April 13, 2010, Budget, Planning and Sustainability Committee deferred the proposed Ordinance pertaining to redevelopment of mobile home parks to a date uncertain pending a response to the request for the Opinion of the Attorney General.
