Subject: Rigaud Alexander d/b/a Liberty City Jitney application for a transfer of Passenger Motor Carrier Certificate of Transportation No. 30009

Agenda Item No. 8(C)(1)(E)

RECOMMENDATION

It is recommended that the Board approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30009 from Mr. Alphe Willingham d/b/a Liberty City Jitney to Mr. Rigaud Alexander d/b/a Liberty City Jitney.

SCOPE

This PMC Certificate of Transportation is countywide, allowing the license holder to operate in unincorporated and incorporated areas of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County.

TRACK RECORD/MONITOR

Applicant is a new permit holder. However, Mr. Rigaud Alexander has been a registered chauffeur since 2000. There is no enforcement history. The Consumer Services Department (CSD) will be responsible for monitoring this company.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the June 8, 2010 Government Operations Committee (GOC) meeting (Attachment A). The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

Mr. Alphe Willingham d/b/a Liberty City Jitney has filed an application to transfer PMC Certificate of Transportation No. 30009 to Mr. Rigaud Alexander d/b/a Liberty City Jitney. Originally issued on April 20, 1983 to Mr. Cecil Keaton d/b/a Liberty City Jitney by the former Dade County Transportation Administration (Attachment B), and transferred to Mr. Alphe Willingham d/b/a Liberty City Jitney in 1994 via Resolution R-425-94 (Attachment C), PMC No. 30009 authorizes jitney service. This class is defined as any motor vehicle having a maximum seating capacity of fifteen (15) or less, transporting

passengers for compensation on a semi-fixed route between fixed terminals not on a fixed schedule basis.

Mr. Rigaud Alexander d/b/a Liberty City Jitney, located at 320 NW 99 Street, Miami, Florida 33150, seeks to continue transporting passengers for compensation on a semi-fixed route between fixed terminals not on a fixed schedule throughout Miami-Dade County. Transportation will be provided using chauffeur driven vehicles with a seating capacity of at least nine (9) nine or more, excluding the driver, but no more than 15 passengers, seven days a week, from 6:00 a.m. to midnight. The proposed rates are \$1.25 per person, one-way.

The management plan submitted by Mr. Rigaud Alexander includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment D) between Mr. Alexander and Mr. Alphe Willingham establishes the acquisition by Mr. Alexander of PMC Certificate of Transportation No. 30009 for a total price of \$14,000.00.
