Agenda Item No. 8(C)(1)(A)

RECOMMENDATION

It is recommended that the Board approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30275 from Van Go! Transportation, Inc. to Miami Sunny, Inc.

SCOPE

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County.

TRACK RECORD/MONITOR

Applicant is a new service provider. There is no enforcement history. The Consumer Services Department (CSD) will be responsible for monitoring this company.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

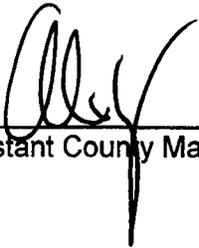

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the July 13, 2010 Government Operations Committee (GOC) meeting (Attachment A). The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

Van Go! Transportation, Inc. has filed an application to transfer PMC Certificate of Transportation No. 30275 to Miami Sunny, Inc. Originally issued on June 2, 1998 via Resolution R-601-98 (Attachment B) PMC No. 30275 authorizes special operations services. This class is defined as transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminals or on a regular route.

The company is required to adhere to the terms of the resolution, which approved the initial certificate (R-601-98). Miami Sunny, Inc., located at 16810 NE 1 Avenue, Miami, Florida 33162, seeks to continue providing this class of service by transporting resident and tourist groups to and from various locations throughout Miami-Dade County 24-hours a day, seven days a week. Transportation is required to be pre-arranged at least 24-hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule (Attachment C).

The management plan submitted by Ms. Lili Zheng, President of Miami Sunny, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment D) between Miami Sunny, Inc. and Van Go! Transportation, Inc. establishes the acquisition by Miami Sunny, Inc. of PMC Certificate of Transportation No. 30275 for a total price of \$17,500.
