WHEREAS, pursuant to Resolution No. 84-09 adopted on January 22, 2009 (the “Allocation Resolution), this Board approved a District 1 allocation of \$3,092,377.63 from Project No. 249–“Preservation of Affordable Housing Units and Expansion of Home Ownership” of the Building Better Communities General Obligation Bond Program (the “BBC Program”) to UDG III Oasis, LLC (the “Developer”) for the construction of forty (40) affordable single family residences known as the Lake Vue Oasis project for low and moderate income families located at 13900 NW 17th Avenue, Opa-locka (the “Lake Vue Oasis Project”) subject to Board approval of the necessary documents; and

WHEREAS, it is in the best interest of County and for the success of the Lake Vue Oasis Project that the Allocation Resolution be amended to provide for a grant instead of a loan in order to provide more flexibility in the financial structure and to reduce the financing costs; and

WHEREAS, the funding of the Lake Vue Oasis Project serves a public purpose and is in the best interest of the County and its citizens since it will make available forty (40) affordable single family homes to individuals and families who are first time home buyers and earn 80% or less of the area median income (the “AMI”) established by HUD (the “Qualified Purchasers”); and

AFFORDABLE HOUSING
DEVELOPMENT AND GRANT AGREEMENT**

**BETWEEN
MIAMI-DADE COUNTY
and
UDG III Oasis, LLC**

This Development/Grant Agreement (the "Agreement"), by and between Miami-Dade County, a political subdivision of the State of Florida (the "County" or "Miami-Dade County"), through its Board of County Commissioners (the "Board"). and UDG III Oasis, LLC, (the "Developer/Grantee" or "Grantee"), a Florida limited liability company with offices at 2100 SW 4th Ave Miami, FL 33129, is entered into this ___ day of _____, 2010.

WHEREAS, pursuant to Resolution No. 84-09 adopted on January 22, 2009 (the "Allocation Resolution), this Board approved a District 1 grant/allocation of \$3,092,377.63 from Project No. 249 – "Preservation of Affordable Housing Units and Expansion of Home Ownership" (the "Total Funding Cycle Allocation") of the Building Better Communities General Obligation Bond Program (the "BBC GOB Program") to the Grantee for the construction of forty (40) affordable single family condominiums known as the Lake Vue Oasis project (the "Lake Vue Oasis Project") located at 13900 NW 17th Avenue, Opa-Locka, Fl 33054 (the "Property") which will be sold to families earning 80% or below of the Area Median Income established by HUD (the "AMI"); and

WHEREAS, Lake Vue Oasis Project is estimated to cost \$5,788,800 (the "Total Project Cost") and will be funded in accordance with the sources and uses and the budget (the "Budget"), both of which are set forth in Exhibit 1 to this Agreement; and

WHEREAS, as a result of the County's grant of the Total Funding Cycle Allocation to the Developer/Grantee, the condominiums shall be sold at a sales price of \$52,411 and \$82,411, respectively, depending on their size; and

WHEREAS, pursuant to the terms of this Agreement the County has agreed to grant \$1,500,000 from the series of BBC GOB Bonds to be issued in the fall of 2010 (the "2010 Bonds) to the Grantee to be used to purchase the Property and to complete the first phase of the Lake Vue Oasis Project consisting of sixteen units (the "Initial Funding Cycle Allocation"); and

WHEREAS, the County has also agreed to fund the second phase of the Lake Vue Oasis Project in the amount of \$1,592,377 through a grant to the Grantee (the "Second Funding Cycle Allocation"), provided certain conditions set forth in this Agreement are satisfied, from a series of BBC GOB Bonds that will follow the 2010 Bonds and are scheduled to be issued in the summer or fall of 2011 (the "2011 Bonds"); and

WHEREAS, the County and the Board of Directors of the Developer/Grantee have authorized, by resolution, their respective representatives to enter into this Agreement,

NOW, therefore, in consideration of the mutual covenants recorded in this Agreement, and pursuant to Resolution R-595-05, which specifically authorizes the County Manager to execute such an Agreement regarding the expenditure of BBC GOB Program bond funds received for the purpose described in the approved Total Funding Cycle Allocation, and in consideration of the mutual promises and covenants contained and the mutual benefits to be derived from this Agreement, the parties agree as follows:

Section 1. Parties; Effective Date; and Term. The parties to this Agreement are the Grantee and the County. The County has delegated the responsibility of administering this Agreement to the County Mayor, or the County Mayor's designee, who shall be referred to as the "County Manager."

This Agreement shall take effect as of the date written above upon its execution by the authorized officers of the County and of the Grantee and shall terminate upon the sale of the forty (40) condominiums as contemplated in this Agreement, the transfer of any surplus funds to the County and the completion of all final closeout documentation.

Section 2. Lake Vue Oasis Project Description; Phases; Timetable; and Revisions. The description and development concept for the Lake Vue Oasis Project is set forth in Exhibit 2 (the "Development Description"). Generally, it shall consist of forty (40) affordable condominiums in five (5) two story buildings of eight (8) units each. Twenty (20) of the affordable condominiums shall be approximately eight hundred seventeen (817) square feet in size and consist of two bedrooms and one bath. The remaining twenty (20) affordable condominiums shall be approximately one thousand one hundred sixty-four (1,164) square feet in size and consist of three bedrooms and two baths. In addition, a recreation building and ninety-seven parking spaces will be constructed on site. The Lake Vue Oasis Project is located at 13900 N.W. 17th Avenue, Opa-Locka, Fl. 33054.

The Grantee shall develop the Lake Vue Oasis Project in two phases in accordance with the Development Description. Phase 1 will consist of sixteen (16) condominium units in two buildings of eight (8) units each and Phase II will include the remaining twenty-four (24) condominium units in three buildings of eight (8) units each. Each Phase shall include the related surface parking prescribed by the building code and the recreation building shall be included in Phase 1.

Grantee agrees that Phase I will be completed within twelve (12) months from the date the First Funding Cycle Allocation is available for disbursement by the County (the "Commencement Date"). Phase II will be completed (following the completion of Phase I) within a consecutive and succeeding twenty-four (24) month period after Phase I. If completion of construction does not occur on time for each Phase and the County Manager has not extended the time for completion pursuant to the terms of this Agreement, it shall be an Event of Default under Section 15 of this Agreement. In addition, the County will have no obligation to disburse

the Second Funding Cycle Allocation until Phase I is complete, among other conditions, as provided in Section 4 of this Agreement. The twelve (12) and twenty-four (24) month periods shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

The Grantee may only use the grant funds for the purpose of acquiring the Property and developing and constructing the Lake Vue Oasis Project in the manner described in the Development Description. If the Grantee wishes to revise the Lake Vue Oasis Project for the purpose of its completion and such revisions substantially alter it, the Grantee shall submit a request in writing to the County Manager seeking his or her review and approval of such revisions. Grantee shall provide its request in writing at least thirty (30) days prior to implementation of any revisions. The County Manager shall make the final determination in writing on revisions within thirty (30) days of the date of receipt of the request in the County Manager's offices. Grantee shall not proceed with the revisions until the County Manager has made a determination in writing.

Section 3. Restrictive Covenants. The Grantee shall sell the condominiums solely to families earning 80% or below of the Area Median Income established by HUD (the "AMI") at the prices and on the terms set forth in the Affordable Housing Restrictive Covenant ("Developer's Restrictive Covenant") attached to, and incorporated in, this Agreement as Exhibit 3. The Developer's Restrictive Covenant shall be recorded by the Grantee and evidence of such recordation shall be delivered to the County prior to the County disbursing any funds to the Grantee pursuant to this Agreement. The Grantee also agrees that it shall not finalize a sale of any condominium without first recording a restrictive covenant from each eligible purchaser of a condominium in favor of the County (the "Purchaser's Affordability Covenant") in the form attached to, and incorporated in, this Agreement as Exhibit 4. The Grantee shall incorporate the provisions of this Section in all contracts for the sale of the condominiums.

Section 4. Availability and Payment of Funding Cycle Allocations; Remaining Funds. . Subject to availability as set forth in this Section 4, the County agrees to grant to the Grantee (i) the Initial Funding Allocation as soon as it's practicable after the proceeds from the 2010 Bonds are available; and (ii) the Second Funding Cycle Allocation as soon as it is practicable after the proceeds from the 2011 Bonds are available and this Agreement has been amended as provided in this Section 4. By making these grants, the County assumes no obligation to provide financial support of any type whatever in excess of the Total Funding Cycle Allocation. Cost overruns are the sole responsibility of the Grantee. The Initial Funding Cycle Allocation and the Second Funding Cycle Allocation (collectively, the "Funding Cycle Allocations") shall be disbursed in accordance with the Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by this reference. The County shall disburse the Second Funding Cycle Allocation only after this Agreement is amended by an Exhibit executed by the County and the Grantee in which each certifies that all the units in Phase I have been sold or are under contract to sell, all reports required by Section 7 have been delivered and the proceeds from the sale of the units, excluding the sales and closing costs and developer fees (the "Sales Proceeds"), have been paid to the County. The County shall disburse the Sales Proceeds and the Second Funding Cycle Allocation to the Grantee for Phase II in accordance with this Agreement and the Administrative Rules.

Although, payment(s) of the Funding Cycle Allocation funds will be made to the Grantee pursuant to the reimbursement provisions in the Administrative Rules and its Exhibits, the County shall include \$600,000 for the cost of the Property in the first disbursement from the Initial Funding Cycle Allocation. Such disbursement shall be paid directly to the lender holding the mortgage on the Property pursuant to an estoppel letter and written proof that upon the release of the mortgage the Grantee will have title to the Property free of any encumbrances, liens and/or claims other than permitted exceptions approved by the County. Grantee also agrees it shall not encumber, mortgage, and/or lien all or any portion of the Property without the prior written consent of the County Manager.

The County shall only be obligated to reimburse the Grantee provided the Grantee is not in breach of this Agreement and the Grantee has demonstrated that it has adequate funds to complete the Lake Vue Oasis Project. The County shall administer, in accordance with the Administrative Rules, the funds available from the BBC GOB Program as authorized by Board Resolutions. Any and all reimbursement obligations of the County pursuant to this Agreement are limited to, and contingent upon, the availability of funding solely from the BBC GOB Program funds. **The Grantee may not require the County to use any other source of legally available revenues other than bond proceeds from the sale of BBC GOB bonds to fund the Funding Cycle Allocations. This Agreement does not in any manner create a lien in favor of the Grantee on any revenues of the County.** The Grantee shall be solely responsible for submitting all documentation, as required by this Agreement and by the Administrative Rules, to the County Manager. In the event the Bonds are not sold for either Phase of the project, then this agreement and all other related agreements shall be terminated as to that phase of the project to which the unsold Bonds relate.

The Grantee agrees that the Sales Proceeds from Phase I shall be paid to the County as soon as it is practicable after the closing of a unit. If Phase 1 is not completed and the County declares a breach pursuant to Section 15, the County shall retain any Sales Proceeds it holds and apply them against any amounts due the County from the Grantee pursuant to Section 15 (c). Once Phase II is completed and all the units in Phase II are sold, it will remit to the County any funds remaining after all expenses in the Budget have been paid. Any remaining funds shall be used by the County for other affordable housing projects in County Commission District 1.

Section 5. Lake Vue Oasis Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer each Funding Cycle Allocation responsibly and in accordance with standard accounting practices by developing and adhering to the Budget that is based upon reasonable revenue development and expenditures projected to complete the Lake Vue Oasis Project within the Total Project Cost. Further, Grantee agrees that all expenditures set forth in the Budget will be subject to the terms of this Agreement. If Grantee wishes to revise the Budget for the purpose of completing the Lake Vue Oasis Project, including line item changes, and such revisions substantially alter the original Lake Vue Oasis Project, the Grantee must request in writing that the County Manager review and approve such revisions. Grantee's request must be given at least fourteen (14) days prior to implementation of the revisions. The County Manager will make the final determination on revisions within fourteen (14) days of the date of receipt of the request in the County's Executive offices.

Section 6. Expenditure Deadline. The Grantee shall spend or commit all of the Total Funding Cycle Allocation on or before three (3) years from the Commencement Date (the "Expenditure Deadline"). Any Total Funding Cycle Allocation funds not spent or committed by the Expenditure Deadline or for which a Lake Vue Oasis Project extension has not been requested shall revert to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement, provided the Grantee reimburses the County for the pro-rata share of the Property cost associated with the condominiums that are not completed. A Lake Vue Oasis Project extension may be requested in writing from the County Manager at least thirty (30) days prior to the Expenditure Deadline. The County Manager, at his discretion, may grant an extension of up to one (1) year from the Expenditure Deadline so long as such extension will not significantly alter the Lake Vue Oasis Project including its quality, impact, or benefit to the organization, the County or its citizens. Additional extensions may be authorized by the County Manager if the Grantee can document in a written request sufficient Lake Vue Oasis Project progress and cause for such an extension to be warranted. The three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

Section 7. Reports; and Filing Deadlines. To demonstrate that the each Funding Cycle Allocation has been used in accordance with the Lake Vue Oasis Project Description and Lake Vue Oasis Project Budget and that Grantee has met and fulfilled all requirements as outlined in this Agreement, exhibits, and/or other substantive materials as may be attached or included as a condition to each Funding Cycle Allocation award, the Grantee must submit to the County Manager, a written report documenting that the Grantee is meeting or has fulfilled all Lake Vue Oasis Project and financial requirements. This report is to be received by the County Manager quarterly. The Grantee shall also submit a written report to the County Manager on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee is fulfilling, or has fulfilled, its purpose, and has complied with all applicable municipal, County, state and federal requirements. The County Manager may also request that a compilation statement or independent financial audit and accounting for the expenditure of Funding Cycle Allocation funds be prepared by an independent certified public accountant at the expense of the Grantee. Prior to amending this Agreement to provide for the Second Funding Cycle Allocation, all written reports required in this Section 7 shall have been filed timely. In the event any one or more of the written reports are delinquent, the County may withhold the Second Funding Cycle Allocation until the Grantee submits such reports to the County Manager as required in this Section 7.

In the event that the Grantee fails to submit the required reports as required above, the County Manager may terminate this Agreement in accordance with Section 15 or suspend any further disbursement of Funding Cycle Allocation funds until all reports are current. Further, the County Manager must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Program Monitoring and Evaluation. The County Manager may monitor and conduct an evaluation of the Grantee's operations and the Lake Vue Oasis Project, which may include visits by County representatives to observe and discuss the progress of the Lake Vue Oasis Project with the Grantee's personnel. Upon request, the Grantee shall provide the County

Manager with notice of all meetings of its Board of Directors or governing board, general activities and Lake Vue Oasis Project-related events. In the event the County Manager concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of each Funding Cycle Allocation award as set forth in this Agreement, then the County Manager must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the Lake Vue Oasis Project or fulfill the terms of this Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the County Manager, then the County Manager, at his discretion, may take other actions which may include reduction or rescission of one or both of the Funding Cycle Allocation awards, as the case may be, or withholding Funding Cycle Allocation funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Funding Cycle Allocation for the Lake Vue Oasis Project or uses any portion of the Funding Cycle Allocation for costs not associated with the Lake Vue Oasis Project and the Grantee refuses or is unable to address the areas of concern, then the County Manager may request the return of the full or partial Funding Cycle Allocation awards, as the case may be. The County Manager may also institute a moratorium on applications from the Grantee to County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the County Manager, whichever occurs first.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee must keep accurate and complete books and records for all receipts and expenditures of each Funding Cycle Allocation award in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with each Funding Cycle Allocation, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Manager, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving each or both of the Funding Cycle Allocation awards, the Grantee and/or Lake Vue Oasis Project or activities related to each or both of the Funding Cycle Allocation awards.

The County Manager may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Manager may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade County Office of Inspector General (IG) which has the authority and power to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The OIG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any

expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee (and any affected contractor and materialman) from IG, the Grantee (and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within Budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission Auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code.

Section 10. Publicity and Credits. The Grantee must include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: "THIS LAKE VUE OASIS PROJECT IS SUPPORTED BY THE BUILDING BETTER

COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY.”

Section 11. Naming Rights and Advertisements. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program funds, then the County’s name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for the County will be no less than 75% of the size of the largest lettering used for any sponsor or advertiser, unless waived by the Board.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of BBC GOB Program funds, is not an officer, employee or agent of the County, its Board of County Commissioners, its Mayor, nor the County department administering the Funding Cycle Allocation awards. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the Lake Vue Oasis Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers’ compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the Lake Vue Oasis Project. The Grantee may subcontract as necessary to complete the Lake Vue Oasis Project, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that the County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys’ fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement and/or the development of the Lake Vue Oasis Project by the Grantee or its employees, agents, servants, partners, principals, subconsultants or subcontractors (collectively, “Adverse Proceedings”). Grantee shall pay all claims and losses in connection with such Adverse Proceedings and shall investigate and defend all Adverse Proceedings in the name of the County, where applicable,

including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may result from such Adverse Proceedings. Grantee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as provided in this Section 12.

Section 13. Assignment. The Grantee is not permitted to assign this Agreement or any portion of it. Any purported assignment will render this Agreement null and void and subject to immediate rescission of the full amount of each or both of the Funding Cycle Allocation awards and immediate reimbursement by the Grantee of the full amount of the Total Funding Cycle Allocation disbursed to the Grantee.

Section 14. Compliance with Laws. The Grantee is obligated and agrees to abide by and be governed by all Applicable Laws necessary for the development and completion of the Lake Vue Oasis Project. "Applicable Law" means any applicable law (including, without limitation, any environmental law), enactment, statute, code, ordinance, administrative order, charter, tariff, resolution, order, rule, regulation, guideline, judgment, decree, writ, injunction, franchise, permit, certificate, license, authorization, or other direction or requirement of any governmental authority, political subdivision, or any division or department thereof, now existing or hereinafter enacted, adopted, promulgated, entered, or issued. Notwithstanding the foregoing, "Applicable Laws" and "applicable laws" shall expressly include, without limitation, all applicable zoning, land use, DRI and Florida Building Code requirements and regulations, all applicable impact fee requirements, all requirements of Florida Statutes, specifically including, but not limited to, Chapter 11-A of the County Code (nondiscrimination in employment, housing and public accommodations); all disclosure requirements imposed by Section 2-8.1 of the Miami-Dade County Code; County Resolution No R-754-93 (Insurance Affidavit); County Ordinance No. 92-15 (Drug-Free Workplace); County Ordinance No. 91-142 (Family Leave Affidavit); execution and delivery of public entity crimes disclosure statement, Miami-Dade County disability non-discrimination affidavit, and Miami-Dade County criminal record affidavit; all applicable requirements of Miami-Dade County Ordinance No. 90-90 as amended by Ordinance 90-133 (Fair Wage Ordinance); the requirements of Section 2-1701 of the Code and all other applicable requirements contained in this Agreement.

The Grantee shall comply with Miami-Dade County Resolution No. R-385-98 which creates a policy prohibiting contracts with firms violating the Americans with Disabilities Act of 1990 and other laws prohibiting discrimination on the basis of disability and shall execute a Miami-Dade County Disability Non-Discrimination Affidavit confirming such compliance.

The Grantee covenants and agrees with the County to comply with Miami-Dade County Ordinance No. 72-82 (Conflict of Interest), Resolution No. R-1049-93 (Affirmative Action Plan Furtherance and Compliance), and Resolution No. R.-185-00 (Domestic Leave Ordinance).

All records of the Grantee and its contractors pertaining to the Lake Vue Oasis Project shall be maintained in Miami-Dade County and, upon reasonable notice shall be made available to representatives of the County. In addition, the Office of Inspector General of Miami-Dade

 - (1) If the Grantee uses any portion of the Total Funding Cycle Allocation for costs not associated with the Lake Vue Oasis Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement, provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.
- (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
- (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event this grant is canceled or the Grantee is requested to repay Funding Cycle Allocation funds because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all unauthorized expenditures discovered after the

expiration or termination of this Agreement. The Grantee will also be liable to reimburse the County for all lost or stolen Funding Cycle Allocation funds.

Funding Cycle Allocation funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Manager a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

WHEREAS, in exchange for the Grant, the Developer agrees to sell each Residence to Eligible Purchasers (defined below) at a sale price of \$52,411 for two bedroom Residences and a sale price of \$82,411 for three bedroom Residences; and

WHEREAS, in order to qualify for the Grant, the Developer makes the following binding commitments to ensure that the Property complies with the requirements of the Program,

NOW, THEREFORE, as consideration for the receipt of the Grant Proceeds, and other good and valuable consideration which the Developer acknowledges, the Developer, including his/her/their heirs, successors and assigns, agrees that the Property shall be subject to the following rights and restrictions which are imposed for the benefit of the County, and may be enforceable by and through one of the County’s departments.

1. **Definitions.** In this Covenant, in addition to the terms defined above, the following words and phrases shall have the following meanings:

Affordable means where the mortgage payment, including taxes and insurance, as of the date of closing, does not exceed 30 percent of the amount which represents the percentage of the median annual gross income for Low Income Households. However, it is not the intent to limit an individual household's ability to devote more than 30 percent of its income for housing, and

housing for which a household devotes more than 30 percent of its income shall be deemed "Affordable" if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30 percent benchmark.

Certificate of Qualification means a certificate issued by the County or a designated non-County agency that has been authorized by the County to qualify households as Low Income Household eligible to purchase a Residence. Certificates of Qualification shall be valid for 12 months.

This includes a spouse (if either meets the above test, they are considered first-time homebuyers); a single parent who has only owned a home with a former spouse while married; an individual who is a displaced homemaker and has only owned with a spouse; or an individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations.

3 **Development of the Property; Release from Covenant; Failure to Develop.** Developer shall develop the Property into 40 Affordable single family Residences within three years from the date of this Covenant unless such date is extended upon mutual agreement of the Developer and the County. Upon the sale of, and the transfer of title in, a Residence to an Eligible Purchaser, the Unit associated with such Residence shall be released from this Covenant pursuant to a written release from the County. The three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

In the event that all or a portion of the Property is not developed within three years (as extended above) and such date has not been extended or all or a portion of the Property has been sold to a purchaser other than an Eligible Purchaser ("Non-Eligible Purchaser") and the County has funded its grant on account of the development of that unit, Developer shall reimburse the County upon demand or upon the sale, whichever occurs earlier, for those Units that have not been developed or have been sold to a Non-Eligible Purchaser. The reimbursement shall be \$15,000 for those Units that are not developed and \$92,411 for those units sold to a Non-Eligible

4. **Sale of Residences.** Developer shall sell each Residence to an Eligible Purchaser only at a sale price of \$52,411 for two bedroom Residences and at a sale price of \$82,411 for three bedroom Residences. Developer shall submit to the County the name of each Eligible Purchaser and a copy of the Eligible Purchaser's Certificate of Qualification. The sales proceeds, excluding the sales and closing costs and developer fees, from the sale of the sixteen Residences in Phase I shall be remitted to the County for allocation to the Developer to pay the cost of the twenty-four (24) Residences included in Phase II.

5. **Conveyance by Deed.** Residences shall be conveyed by the Developer to the respective Eligible Purchasers by a good and sufficient deed conveying a good and clear record and marketable title to the portion of the Property associated with each Residence free from all encumbrances except (i) such taxes for the then current year as are not due and payable on the date of delivery of the deed, (ii) any lien for municipal betterments assessed after the date of the Notice of Sale, (iii) provisions of local building and zoning laws, (iv) all easements, restrictions, covenants and agreements or record specified in the deed from the Developer to the Eligible Purchaser, (v) such additional easements, restrictions, covenants and agreements of record, including, but not limited to this Covenant. Both Covenants shall be recorded with the Deed which shall reference the Official Record Book and Page number of this recorded Covenant and the Affordability Covenant. Failure to comply with the preceding sentence shall not affect the validity of the conveyance from the Developer to the Eligible Purchaser or the enforceability of the restrictions in this Covenant or the Affordability Covenant

6. **Discrimination.** The Developer shall not discriminate against any person in the exercise of its obligations under this Covenant and all such actions shall be taken without regard to race, age, religion, color, gender sexual orientation, national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully, used.

10. **Survival.** This Covenant shall survive any proceedings in foreclosure, bankruptcy, probate or any other proceedings at law or in equity.
