

Memorandum

Date: June 15, 2010

Agenda Item No. 14(A)(19)

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Authorizing the Execution of a County Incentive Grant Program Agreement with the Florida Department of Transportation to Provide Funding in the amount of \$1,348,442 for the Construction of a Northeast Passenger Activity Center in Northeast Miami-Dade County

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) authorize the execution of a County Incentive Grant Program (CIGP) Agreement in substantially the form attached hereto with the Florida Department of Transportation (FDOT) to provide State funding in the amount of \$1,348,442 for construction of a bus terminal in Northeast Miami-Dade County to provide a hub for transit operations.

It is further recommended that the Board authorize the receipt and expenditure of funds as specified in this agreement. An equal match of \$1,348,442 will be provided from local funds (Local Option Gas Tax (LOGT), Charter County Transit System Surtax, or a combination thereof).

SCOPE

While this bus terminal is located in County Commission District 4, the impact of this project benefits the riding public, and is therefore, countywide.

FISCAL IMPACT/FUNDING SOURCE

The State's \$1,348,442 funding contribution would be matched equally by Miami-Dade County with \$1,348,442 from local funds (LOGT, Charter County Transit System Surtax, or a combination thereof). Once the project is built out, an annual cost of approximately \$90,000 is anticipated to maintain and operate the Passenger Activity Center and will be funded through the MDT Operating budget.

TRACK RECORD/MONITOR

MDT has entered into numerous funding agreements with FDOT over the course of more than twenty-five (25) years. The Project Manager for this grant application is Patricia Barry, Administrative Officer 3, MDT Financial Services.

DELEGATED AUTHORITY

In accordance with Section 2-8.3 of the Miami-Dade County Code related to identifying delegation of Board authority, there are no authorities beyond that specified in the resolution which include authority for the Mayor or designee to execute the agreement, and receive these and any additional funds should they become available.

BACKGROUND

The CIGP was created by Section 339.2817 of the Florida Statutes, as authorized by the 2000 State Legislature with the purpose of providing grants to counties, improvement of transportation facilities located on the State Highway Systems or relieving traffic congestion on the State Highway System.

This CIGP provides State funding for the construction of a MDT Northeast Passenger Activity Center (NEPAC) in Miami-Dade County. The proposed site for this project is located between NE 164th Street and Mischon Athletic Field and between NE 15th Avenue and NE 16th Avenue as further documented in the Conceptual Design Report dated March 2008. The funding provided through this agreement is contingent upon MDT and the City of North Miami Beach identifying a final site for the NEPAC by January 31, 2011. Funding for this project will cover capital costs for final design, construction, Construction Engineering & Inspection (CE&I), and engineering services during construction.

The terminal will serve arterial, trunk line, and local circulator routes as well as provide a safe and convenient transfer point for bus passengers in Northeast Miami-Dade County. Specific bus routes that will facilitate access to the NEPAC will be determined once the County approves the actual location of this facility. The total project cost is \$6,099,000. The remaining funding required to complete this project will be provided from local funds (LOGT, Charter County Transit System Surtax, or a combination thereof). The construction for this project is scheduled to begin in fiscal year 2014 and completed in fiscal year 2016.
