and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Agenda Item No. 8(C)(1)(C)

Subject: Alltour of America, Inc. application for a transfer of Passenger Motor Carrier Certificate of Transportation No. 30144

RECOMMENDATION

It is recommended that the Board approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30144 from American Executive International Corporation to Alltour of America, Inc.

SCOPE

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County.

TRACK RECORD/MONITOR

Applicant is a new permit. There is no enforcement history. The Consumer Services Department (CSD) will be responsible for monitoring this company.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the June 8, 2010 Government Operations Committee (GOC) meeting (Attachment A). The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

American Executive International Corporation has filed an application to transfer PMC Certificate of Transportation No. 30144 to Alltour of America, Inc. Originally issued on July 27, 1993 via Resolution R-1020-93 (Attachment B) PMC No. 30144 authorizes special operations services. This class is defined as transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminals or on a regular route.

The company is required to adhere to the terms of the resolution, which approved the initial certificate (R-1020-93). Alltour of America, Inc., located at 5878 Precision Drive, Orlando, Florida 32819, seeks to continue providing this class of service by transporting resident and tourist groups to and from various locations throughout Miami-Dade County 24-hours a day, seven days a week. Transportation is required to be pre-arranged at least 24-hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule (Attachment C).

The management plan submitted by Mr. Claudio Cipeda, President of Alltour of America, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment D) between Alltour of America, Inc. and American Executive International Corporation establishes the acquisition by Alltour of America, Inc. of PMC Certificate of Transportation No. 30144 for a total price of \$18,000.00.

TO: Hon. Chairperson and Members
Board of County Commissioners

DATE: July 27, 1993

SUBJECT: Application for
a Passenger Motor
Carrier Certificate
of Transportation

FROM: *Joaquin G. Avino*
Joaquin G. Avino, P.E., P.L.S.
County Manager

RECOMMENDATION:

It is recommended that the Board approve the application of American Executive International Corporation, d/b/a American Executive International, for a Passenger Motor Carrier Certificate of Transportation to operate pre-arranged special operations service.

BACKGROUND:

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Dade County under Chapter 31 of the Code of Metropolitan Dade County.

Section 31-103 of the Code provides the procedure to be followed by Metro Dade County in processing certificate applications. Based on these requirements, a public hearing has been scheduled before the Board of County Commissioners. At the conclusion of the public hearing the Board may issue or refuse to issue the certificate or issue the certificate with such modifications or upon such terms and conditions as in its judgment the public interest may require. In reaching its determination, the Board shall consider the application, the County Manager's report and recommendation, all matters presented at the public hearing, and among others, the following criteria:

- (1) That the applicant is fit, willing and able in accordance with the requirements of this section, to provide the transportation to be authorized by the certificate, and is able to comply with this article and regulations of the commission.
- (2) That the transportation to be provided under the requested certificate is consistent with the public interest.
- (3) That the proposed transportation service will improve the quality of transportation available to the public.

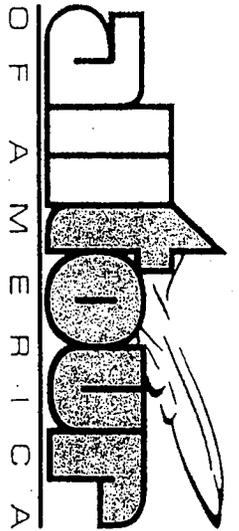

ANALYSIS:

American Executive International Corporation, d/b/a American Executive International, located at 2201 Collins Avenue, Miami Beach, Florida 33139, seeks to obtain a Passenger Motor Carrier Certificate of Transportation to provide special operations pre-arranged transportation to passengers throughout all of Dade County. This class of service is defined as the transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminal or on a regular route. The company is a tour operator which provides transportation services as part of the tour packages offered to foreign tourists. Transportation will be pre-arranged on a 24-hour minimum basis. These services will be provided seven (7) days a week, 24 hours a day, using chauffeur-driven vehicles with a seating capacity of nine (9) or more, but less than fifteen (15) passengers, excluding the driver. The proposed rates are listed on the attached fare schedule.

The management plan submitted by Ms. Silvia Ines Alpa, President of American Executive International Corporation, includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation revealed no criminal record for the applicant or its corporate officers.

In accordance with Section 31-103(e) of the Code, a 20-day notice of application was provided to all affected municipalities within Dade County, all passenger motor carrier certificate holders, and interested parties. No protests were filed.

This item was reviewed by the Public Safety and Consumer Services Committee on July 7, 1993, and it was forwarded to the Board without a recommendation.
