Subject: Approval of the FY 2009-10 Budget for the North Miami Community Redevelopment Agency

Recommendation

It is recommended that the Board of County Commissioners (BCC) adopt the attached resolution approving the FY 2009-10 budget for the North Miami Community Redevelopment Area (the "Area"). The CRA's 2009-10 budget includes revenues and expenditures of \$10,859,999 as detailed in Exhibit I.

Scope of Agenda Item

This resolution provides the appropriation of tax increment funds derived from the North Miami Community Redevelopment Area. The area lies within County Commission Districts 1, 2, 3, and 4.

Fiscal Impact / Funding Source

The CRA's revenue source is generated through the incremental growth of ad valorem revenues beyond an established base year, Tax Increment Financing (TIF), as defined in Section 163.387 of Florida State Statutes. County tax increment revenues for FY 2009-10 total \$2,529,231.

The County will continue to make annual payments to the CRA, based on each respective year's growth of ad valorem revenues over the base year. The County will continue to make these payments through 2016, which is when the CRA will sunset.

Track Record / Monitor

This resolution does not provide for contracting with any specific entity. The resolution approves the FY 2009-10 budget for the CRA.

Background

On June 7, 2005, the BCC approved the establishment of the CRA when it approved the CRA's Community Redevelopment Plan (Plan) pursuant to Resolution R-610-05 and the funding of the Plan when it enacted Ordinance No. 05-109 (Trust Fund). An Interlocal Agreement between Miami-Dade County and the North Miami CRA was also approved by the BCC on June 7, 2005. The Interlocal Agreement requires the CRA to submit for County approval an annual budget for the implementation of the Plan.

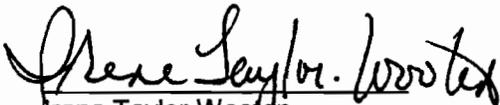

It is recommended that the BCC approve the CRA's FY 2009-10 budget of \$10,859,999 which was approved by the CRA and the City of North Miami on May 11, 2010. The budget includes revenue sources of County Tax Increment Revenues (\$2,529,231) and City Tax Increment Revenues (\$4,233,599), carryover from prior years (\$3,459,169), proceeds from an existing line of credit with Region's Bank (\$350,000), rent revenue from Bel House Apartments (\$33,000), interest earnings (\$40,000), and an operating advance from the City of North Miami (\$215,000).

Administrative expenditures total \$540,240 and represent five percent of total expenditures, excluding the 1.5 percent County Administrative Charge (\$37,938), satisfying the 20 percent cap in administrative expenditures required by the Interlocal Agreement.

Operating expenditures total \$10,281,820 and include:

- \$1,656,883 for affordable housing programs, including the Pioneer Gardens Housing Development (\$1,336,883), the Bel House Apartments (\$150,000), homebuyer subsidies (\$110,000) and a residential rehabilitation program for homeowners (\$60,000);
- \$1,134,769 for economic development programs, including commercial rehabilitation and beautification grants (\$1,012,539), and 80 percent funding support for the City Economic Development Specialist (\$122,230);
- \$700,000 for infrastructure and capital improvements projects including neighborhood beautification (\$650,000) and security enhancements in City parks (\$50,000);
- \$1,216,105 for strategic land/property acquisition;
- \$100,000 for development of a Downtown Development Master Plan;
- \$250,000 for socio-economic and business development programs and services;
- \$39,994 for 2010 U.S. Census Complete Count outreach support;
- \$65,925 to support the Jazz at MOCA Concert Series;
- \$243,759 for salaries and fringe benefits for CRA staff associated with CRA projects;
- \$105,000 for legal and professional services;
- \$50,000 for debt service payments;
- \$10,000 for marketing and promotions;
- \$2,500 for equipment and furniture;
- \$2,849,730 to supplement services provided in the CRA area by the City of North Miami including a Commercial Corridor Clean Team (\$255,482), Code Enforcement Compliance (\$78,910), a Holiday Enforcement Action Team for police services (\$39,360), an Administrator for Web/Channel 77 (\$27,640), a Purchasing Buyer (\$37,489), support for the Museum of Contemporary Art (\$189,649), a Finance Account Clerk (\$29,049), Parks Services (\$498,170), Police Athletic League (\$145,000) and miscellaneous capital improvement projects (\$1,548,981);
- \$215,000 to repay the City of North Miami for an operating advance to the CRA;
- \$1,642,155 to transfer back to Miami-Dade County from the tax increment derived from the area west of Biscayne Boulevard pursuant to Interlocal Agreement.

The Tax Increment Financing Coordinating Committee reviewed the CRA's FY 2009-10 budget on June 23, 2010 and unanimously recommended it for BCC approval.

millage rate for FY 2009-10 was reduced by Miami-Dade County to reflect an adopted rate of 4.8379 and reduced by the City of North Miami to reflect an adopted rate of 7.3390.

In addition, please note that the CRA received a letter from Miami-Dade County on 8/11/09 that provided updated FY 2009-10 estimates of the County's TIF revenue payment, County TIF refund and administrative fee. The Attachment A exhibit has been adjusted as needed to reflect these most current estimates as adjusted by the County's final adopted millage rate as of 9/17/09. A final adjustment is being made as of 4/28/10 pursuant to a letter received from the County that reduced the amount of the CRA's payment for the County Administrative Fee from \$43,222 to \$37,938. Moreover, further adjustments have been made pursuant to the review and confirmation of proposed City funding allocations and the CRA Board discussion on 8/18/09 relative to a more conservative timetable for the completion of the rehabilitation and the re-occupancy of the 45-unit Bel House east apartment building. Further adjustments are reflected for the Bel House Apartments revenues and expenses as of 4/28/10 pursuant to the termination of the lease/purchase agreement as of 11/30/09.

During the CRA Board meeting and public hearing on the FY 2009-10 Proposed Budget that was held on 9/15/09 the Board adopted a motion making certain changes to the proposed budget as reflected in the Attachment A dated 9/15/09 which was presented for the Board's consideration. The Attachment A dated 9/15/09 had been updated to make budget changes principally resulting from a reduction of \$251,399 in anticipated City and County TIF Revenue due to reductions in the adopted tentative millage rates of both jurisdictions during their respective 1st budget hearings.

During the CRA Board discussion and consideration of the FY 2009-10 budget pursuant to a public hearing on 9/15/09, the following amendments were made prior to the approval of the budget as amended by a 4-1 vote of the Board:

- Re-allocated \$650,000 from Strategic Land/Property Acquisition to Neighborhood Beautification.
- Reduced the recommended funding allocations for the following organizations: Micro-Business USA by \$62,815,

Attachment D provides a detailed schedule of operating expenses totaling **\$369,000** and capital outlay expenses totaling **\$2,500**. The operating expenses include \$215,000 for the engagement of a variety of professional services that will be needed to support the CRA in the implementation of the various projects, programs and initiatives during FY 2009-10. A detailed schedule of the anticipated legal and professional services is included in the attachment. Other significant operating expenses include the following: \$30,000 for office space rental; \$15,000 for Sponsorships and Contributions in support of events that are consistent with the mission and purpose of the CRA and which leverage CRA resources; \$35,000 for Marketing which includes promotion of the CRA and community outreach through newsletters, radio and television productions, special events, promotional materials, etc.; \$21,500 for local and out-of-town travel which includes attendance at professional conferences, workshops, and meetings involving CRA staff, and the five (5) members of the CRA Board and the twelve (12) members of the CRA Advisory Committee. The proposed capital outlay expenses total \$2,500 and include anticipated expenditures for office furniture and computer equipment. The proposed debt service expenses totaling **\$50,000** are detailed in Attachment E and provide the funding that would be necessary to meet the CRA's obligations for the repayment for funds drawn down and the continued availability of the balance the CRA's Line of Credit with Reglon's Bank.

Additional expenditures include required payments pursuant to the terms of the Interlocal Agreement among the CRA, City of North Miami and the County. amount of \$215,000. In addition to the TIF refund due to Miami-Dade County, the CRA budget as previously adopted on 9/24/09 included a projected expenditure in the amount of \$2,849,730 for a TIF refund to the City of North Miami on the same basis as that already being received by the County. The payment of the TIF refund to the City is subject to the approval by the County of a proposed amendment to the Interlocal Agreement among the City, County and CRA to permit the City to receive the requested TIF refund for fiscal years FY 2009-10, FY 2010-11, and FY 2011-12. Subsequent to the previous adoption of the CRA budget on 9/24/09 the Housing and Community Development Committee of the Board of County Commissioners met on February 10, 2010 to consider the City's request for the required amendment to the Interlocal Agreement to permit the TIF Refund Payment to the City of North Miami. The consideration of the City's request by the Committee resulted in a denial of the request for the Interlocal Agreement amendment. As the result the proposed revision to the FY 2009-10 budget reflects an amendment that reallocates the previously proposed allocation of \$2,849,730 for a City TIF Refund Payment to specific redevelopment projects, programs and activities to be undertaken by the City of North Miami. Attachment F provides a detailed explanation of the proposed funding reallocation.

The proposed revised FY 2009-10 available funding for Capital Projects and Redevelopment Activities totaling **\$8,013,406** (including prior year carryover in the amount of \$3,459,169) is allocated for the following programs, projects and initiatives as now described in column #7 of Attachment A:

- **Economic Development Assistance and Incentive Fund** that includes additional funding to continue the CRA's Commercial Grants Program. The total proposed funding allocation of **\$1,134,769** includes - **\$1,012,539** for Commercial Rehabilitation and Commercial Beautification Grants, and **\$122,230** to provide the 80% funding support for the City Economic Development Specialist. The funding for both the Commercial Rehabilitation and Commercial Beautification grants is allocated to address blighted conditions with a focus in the commercial corridors located (1) on NW 7th Avenue, (2) on West Dixie Highway/NE 6th Avenue, and (3) in the Downtown area along 125th Street. Please note that column #4 in Attachment A reflects adjustments for a Proposed Amended FY 2008-09 Budget. The adjustments would serve to more accurately reflect the CRA's estimated revenues and plan of expenditure for FY 2008-09. On the revenue side, the proposed adjustments reflect the reduction of FY 2008-09 total revenue from \$14,290,323 to \$11,765,325 due to the following changes: (1) a reduced drawdown of funds from the Letter of Credit (LOC) from \$2,250,000 to \$179,252 for the payment of advanced developer fees, (2) reduced interest income from \$200,000 to \$60,000, (3) additional miscellaneous income of \$19,000, and (4)

reduced Bel House Apartments rental income from \$413,250 to \$115,000. On the expense side, the proposed adjustments reflect the following: (1) the addition of \$199,130 for the cost of environmental remediation for the Pioneer Gardens site and a reduction in the total expenses for the Pioneer Gardens project from \$3,300,000 to \$1,394,382; (2) reduction of the estimated expense for the Residential Rehabilitation Program from \$275,000 to \$110,000; (3) reduction in the estimated expense for Homebuyer Subsidies from \$400,000 to \$274,646; (4) reduction of the estimated expense for the Home Mortgage Foreclosure Prevention Program from \$200,000 to \$50,000; (5) increase in the estimated cost for Strategic Land/Property Acquisitions from \$-0- to \$20,000 to cover cost associated with CRA-owned real estate; and (6) reduction in the estimated expense for the lease/purchase of the Bel House Apartments from \$660,000 to \$545,000.

As the result of the recommended adjustments detailed above, the FY 2008-09 budget is being reduced from the adopted amount of \$14,290,323 to \$11,765,325. It is recommended that the FY 2008-09 Proposed Amended Budget be approved along with the FY 2009-10 Proposed Revised Budget as of 4/28/10.

Next Steps for Budget Review and Approval

It is recommended that the CRA Board consider and approve the FY 2009-10 Proposed Revised Adopted Budget during its meeting on May 11, 2010. Following the approval by the CRA Board, the City Council's approval will be requested during the Council Meeting on May 11, 2010 following the CRA Board meeting, and the CRA's FY 2009-10 Revised Adopted Budget will be transmitted to Miami-Dade County to be processed for review and approval as soon as possible thereafter.

In addition to Attachments A-F, the CRA will be submitting as Exhibit 1 the FY 2009-10 budget summarized in the format required for submission to the County along with supporting detailed schedules for the budget with comparative figures for the FY 2008-09 adopted and amended budgets. As of April 28, 2010 the CRA has provided the annual progress report required by the County and will also provide any additional budgetary information or detail that may also be requested to facilitate the County's review and approval of the CRA's FY 2009-10 Revised Adopted Budget.

FY 2009-10 PROPOSED DEBT, SERVICE EXPENSES**

Debt Service Expense -- Region's Bank Line of Credit (LOC)

NOTE: The terms of the LOC are being re-negotiated based on the CRA's interest in obtaining a one-year extension of the LOC facility through 9/30/10 therefore the debt service cost estimate is subject to changes in the interest rate and availability fee

- (1) Interest payments on the LOC are due on 4/1 and 10/1 of each year at 5.79% per annum on the amount of the LOC that has been drawn down as of each date. During FY 2009-10 it is assumed that of the expected draw down of \$350,000 (e.g. \$250,000 for developer fees and \$100,000 for the marketing, homebuyer training and purchase assistance services related to the Pioneer Gardens housing development project) no funds will have been drawn down as of 10/1/09 and that some \$100,000 for developer fees and \$50,000 for marketing and homebuyer services will be drawn down as of 4/1/10.

<u>Date</u>	<u>Est. Amount Drawn Down</u>	<u>Debt Service Payment Due</u>
10/1/09	-0-	\$ -0-
04/1/10	150,000	\$ 4,343
		150K x 5.79% per annum = 8,685 for 12 months x .5 for 6 months = 4,343

- (2) The LOC also has an Availability Fee charge of 0.15% (15 basis points) per annum on the portion of the principal amount of the Note that has not been drawn down as of each such date. The fee is due on each Interest Payment Date (e.g. on 4/1 and 10/1 of each year).

<u>Date</u>	<u>Est. Amount Not Drawn</u>	<u>Debt Service Payment Due</u>
10/1/09	10,758,300	\$ 8,069
		10,758,300 x .15% per annum = 16,137 for 12 months x .5 for 6 months = 8,069
04/1/10	10,608,300	\$ 7,956
		10,608,300 x .15% per annum = 15,912 for 12 months x .5 for 6 months = 7,956

- (3) Total 1 + 2 above = 4,343 + (8,069 + 7,956) = \$20,368 = Round up to \$50,000 for budget purposes to include contingency for additional drawdown of funds

<p>Museum Special Services (Development Director) – Museum of Contemporary Art (MOCA)</p> <p>(see pages 8-10)</p>	<p align="center">97,300</p>	<p>The continued funding of this position supports the financial stability and growth of MOCA as a significant cultural and arts facility within the CRA district. MOCA's educational and outreach programs as well as operations require the Museum Special Services staff to raise at least \$3 million in addition to securing funds for the expansion of the museum, which is key to the CRA's goal to reverse blight, stimulate the economy, and transform downtown North Miami into an attractive destination.</p> <p>MOCA accomplishes this through a variety of development activities: fundraising events, corporate sponsorships, the membership program, and securing grants from foundations and governmental sources. MOCA's success in creative educational and outreach programming makes significant, positive changes in North Miami especially for underserved, at-risk youth. Its exhibition and public programs draw a large consistent audience to the museum and North Miami, which benefits the area's arts and business district. Without the Museum Special Services it would be impossible to raise sufficient funds to provide the education and outreach programs that benefit the North Miami community or attract grants and support for the MOCA expansion</p>
<p>Museum Education Curator – Museum of Contemporary Art (MOCA)</p> <p>(see pages 8-10)</p>	<p align="center">92,349</p>	<p>The funding of this position supports the writing and administering all education grants for MOCA. Most of these grants require or expect the museum to have an Education Curator trained in museum education methods and capable of administering MOCA's vast education and community outreach program according to professional standards. Among the grants that Education Curator is responsible for are:</p> <ol style="list-style-type: none"> a. Department of Education Grant for the North Miami Museum and Magnet School at Bryan Elementary, North Miami Middle and North Miami Senior b. National Endowment for the Arts grant—Learning in the Arts for Children and Youth for new MOCA Art Institute—an art school for middle and high school students to be held in MOCA's new education wing c. P&R Kiwanis Building – Parks & Recreation Department (see page 13)	228,170	<p>This funding will provide a community center facility at an existing park site in an area of the CRA district that is currently underserved.</p> <p>In 1955 a community center was constructed at Kiwanis Park. Over the years the demographics changed, and demand for the center declined. As demand for the center started to return in the early eighties, the building no longer met ADA requirements and building codes. The building was then used for storage. The facility was severely damaged by Hurricane Andrew, and found to contain asbestos. The building was effectively destroyed by Hurricane Wilma. FEMA funded the demolition and Architectural and Engineering services to design a new community center. The city received \$62,810 from FEMA and \$14,320 from insurance toward the cost to replace the building. The City recently upgraded the playground, and has been hosting two major events a year in the park, and this building will provide local residents a facility to host adult programming, activities and neighborhood meetings.</p>

FY10 Supplemental/CIP Request

Project Description:	Pepper Park Youth Center	Project #	R12Y09017
Department:	Parks & Recreation	Totals	\$5,089,900
Division:	Youth Center	Request Type	Additional Funds
Account Number:	381-487000-572-XXX-055	Priority Level	Regulatory Requirement
Project Location:	Pepper Park		

Objective:

To provide architectural and engineering services for the planning, design, awarding and construction management of the new community center.

Justification:

Funding this request will provide the city with architectural and engineering services to create construction and bid documents for the proposed community center at Claude Pepper Park. In order to construct the community center, the existing multipurpose field must be relocated to the western end of the park. Additionally, funds will be provided for a management firm to oversee construction of the facility. The City has received money from the County's General Obligation Bond to offset \$5.937 million of this expense.

FY10 Supplemental/CIP Request

Project Description:	Kiwanis Building	Project #	
Department:	CRA Funded Projects	Totals	\$228,170
Division:	Parks & Recreation	Request Type	Replacement
Account Number:	105-12-576000-572-612	Priority Level	Quality of Life
Project Location:			

Objective:

To build a new community center at Kiwanis Park as well as to create new programming that will serve the residents in the immediate area.

Justification:

In 1955 a community center was constructed at Kiwanis Park. Over the years the demographics changed, and demand for the center declined. As demand for the center started to return in the early eighties, the building no longer met ADA requirements and building codes. The building was then used for storage. The facility was severely damaged by Hurricane Andrew, and found to contain asbestos. The building was the effectively destroyed by Hurricane Wilma. The City recently upgraded the playground, and has been hosting two major events a year in the park. Rebuilding a community center will provide local residents a facility to host adult programming, activities and neighborhood meetings. The replacement cost is \$305,000, i.e., \$290,000 plus A&B of \$15,000. FEMA awarded the City \$62,510 and insurance reimbursed the City \$14,320. The City is requesting CRA funding of \$228,170 to cover the net cost of the building.
