BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the July 13, 2010 Government Operations Committee meeting (Attachment A). The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

Niagara Outsourcing Services, Inc. d/b/a Five Diamonds Limousine has filed an application to transfer PMC Certificate of Transportation No. 30326 to MGH Transportation Services, LLC. Originally issued on July 27 1999, via Resolution R-858-99 (Attachment B) to Brickell Key Tours and Transportation, Inc., subject to a stock transfer via Resolution R-24-02 (Attachment C), and transferred to Niagara Outsourcing Services, Inc. d/b/a Five Diamonds Limousine via Resolution R-1144-09 (Attachment D) PMC No. 30326 authorizes special operations services. This class is defined as transportation of persons in a motor vehicle to a common destination or series of common destinations where the person

may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminals or on a regular route.

The company is required to adhere to the terms of the resolution, which approved the initial certificate (R-858-99). MGH Transportation Services, LLC, located at 1000 Brickell Avenue, #225, Miami, Florida 33131, seeks to continue providing this class of service by transporting resident and tourist groups to and from various locations throughout Miami-Dade County 24-hours a day, seven days a week. Transportation is required to be pre-arranged at least 24-hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the rate schedule (Attachment E).

The management plan submitted by Mr. Juan Gervas, Manager of MGH Transportation Services, LLC, includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment F) between MGH Transportation Services, LLC and Niagara Outsourcing Services, Inc. establishes the acquisition by MGH Transportation Services, LLC of PMC Certificate of Transportation No. 30326 and a passenger van for a total price of \$36,000.00.

SUBJECT: Brickell Key Tours and
Transportation, Inc. application for
stock transfer

FROM: Steve Shiver,
County Manager

RECOMMENDATION

It is recommended that the Board approve the transfer of all of the issued and outstanding shares of capital stock of Brickell Key Tours and Transportation, Inc., holder of Passenger Motor Carrier Certificate of Transportation No. 326, to its new president, Alejandro Diaz.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the County Commission. The Commission, in considering the proposed transfer of ownership or control of the certificate shall determine, upon evidence submitted by the parties or any other party or person affected by the proposed transfer, whether or not said transfer is contrary to the public interest. The Commission may approve said transfer or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer where the same may best serve the public interest.

ANALYSIS

Brickell Key Tours and Transportation, Inc., holder of Passenger Motor Carrier (PMC) Certificate of Transportation No. 326, has filed an application to transfer all of the issued and outstanding shares of capital stock of the corporation, to its new president, Alejandro Diaz. The Code requires that such transfers be approved by the Board. PMC No. 326, originally issued on July 27, 1999, authorizes special operations service. Brickell Key Tours and Transportation, Inc. located at 2190 NW 33 Avenue, Miami, Florida, 33142, seeks to continue providing this class of service.

The company is required to adhere to the terms of the resolution which approved the initial certificate (R-858-99, attached). Brickell Key Tours and Transportation, Inc. will continue

transporting tourist and resident groups to and from various locations throughout Miami-Dade County.

Transportation will be pre-arranged on a 24 hours minimum basis. These services will be provided 24 hours a day, seven days a week, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule.

The management plan submitted by Alejandro Diaz, President of Brickell Key Tours and Transportation, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding transfer of the certificate. Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.
