

Memorandum

Date: October 5, 2010

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

Agenda Item No. 9(A)(8)

From: George M. Burgess
County Manager

Subject: Miami-Dade Court Training and Improvements Program Specialized
Domestic Violence Court Enhancement Project Grant Application

Recommendation

It is recommended that the Board of County Commissioners (Board) ratify the Mayor or the Mayor's designee's action in applying for United States Department of Justice, Office of Violence Against Women "Court Training and Improvements Program" funds in the amount of \$349,954, as applicant, on behalf of the Eleventh Judicial Circuit of Florida Administrative Office of the Courts (AOC). It is further recommended that the Board authorize the Mayor or the Mayor's designee to receive and expend grant funds, and to execute such contracts, agreements, Memoranda of Understanding (MOU), and amendments, after approval by the County Attorney, as required by program guidelines. It is also recommended that the Board authorize the Mayor or the Mayor's designee to apply for, receive, and expend additional funds that may become available during the term of the grant; to file and execute any amendments to the application for and on behalf of the County; and to exercise amendments, modifications, renewal, cancellation, and termination clauses of any contracts and agreements, subject to the approval of the County Attorney's Office.

Scope

The scope of this project is countywide. The Eleventh Judicial Circuit Administrative Office of the Courts, the State Attorney's Office, and the Advocate Program will expand and improve the collaboration with community partners in order to address the needs of victims of intimate partner violence; reduce barriers to victims accessing services; increase victim safety; and improve offender accountability. The project period is 36 months.

Fiscal Impact/Funding Source

The County applied on behalf of the Administrative Office of the Courts of the Eleventh Judicial Circuit of Florida. Resolution Number R-79-03 approved the designation of the County as the fiscal agent for the Eleventh Judicial Circuit of Florida in connection with certain grants provided to the Circuit. This grant will provide \$349,954 to implement the project. Matching funds are not required.

Track Record/Monitor

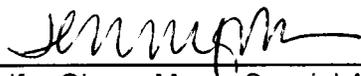

The Eleventh Judicial Circuit of Florida, the largest circuit in the state with the fourth largest trial court in the nation, has been innovative in implementing programs and services to address problems which impact the court and the community. The AOC's Grants Administration Office has worked collaboratively since 1995 with the Justice Department and the community to obtain funding for services for those who come in contact with the judicial system. The AOC's Grants Administration and Administrative Service Division have managed and administered many of these grants. AOC will be responsible for the disbursement and expenditure of grant funds, and shall assume responsibility for managing programmatic and fiscal records in accordance with the project reporting and auditing procedures stipulated by the Department of Justice.

Background

In a collaborative partnership, the Eleventh Judicial Circuit of Florida will enhance its specialized Domestic Violence Court Division through the *Court Training and Improvements Program Specialized Domestic Violence Court Enhancement Project*. Project partners include the State Attorney's Office and the Advocate Program, Inc., a court sanctioned community-service agency. Current "system gaps" identified include limited victim follow-up to check on safety and violations of stay-away orders; the lack of continued advocacy and support to victims upon the resolution of their criminal case; limited trauma-informed, home-based services to victims and their children; and limited Creole interpreter services.

The Project will develop a comprehensive victim response and evidence-based model that will engage 125 victims throughout several points of the criminal justice process, and address identified system gaps. The model will include: 1) Expansion of a trauma-informed system of care/wraparound model for victims of intimate partner violence and their children; 2) Focus on conducting trauma-informed assessments with victims and their children; and 3) Empowering victims to initiate safety planning and individualized goal plans.

The short turnaround time imposed by the application deadline did not allow sufficient time for the processing of the resolution, and its submission to the Board prior to submission of the application.
