From: George M. Burgess
County Manager 

Subject: Ratification of Grant Agreement with the Florida Department of Health for Implementation of Policies of the Park and Open Space Master Plan and Installation of Vending Machines with Healthy Alternatives in Park and Recreation Department Facilities

Agenda Item No. 3(J)(1)(A)

Recommendation

It is recommended that the Board approve the attached resolution ratifying the execution of an agreement with the Florida Department of Health for \$528,789 in grant funds for implementation of policies of the Park and Open Space Master Plan (OSMP) and installation of vending machines with healthy alternatives in Miami-Dade Park and Recreation Department (MDPR) facilities. The resolution further authorizes the County Mayor or County Mayor's designee to receive and expend funds and execute contracts and amendments as required.

Scope

This agenda item has a countywide impact. Vending machines will be placed in various MDPR facilities throughout the County and providing equitable access to park lands and safe routes to parks and meaningful open space in the public realm will impact the entire county.

Fiscal Impact/Funding Source

The total project cost is \$528,789 which will be provided by the grant. There are no matching funds required.

Track Record/Monitor

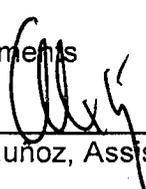

The grant will be administered and monitored by Joyce Denny, Grants Administrator MDPR.

Background

The Florida Department of Health provides funding to local governmental agencies which have the ability to implement programs and services that promote improved nutritional habits and increased physical activity for children and adults. This is accomplished by planning easy access to park lands, providing safe routes for walking and cycling, and by changing the requirements of vending machine contracts to provide healthy alternatives for park patrons.

No work will be done on the project until the Board provides the necessary ratification.

To allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119, FS, made or received by the provider in conjunction with this contract. It is expressly understood that the provider's refusal to comply with this provision shall constitute an immediate breach of contract.

C. To the Following Governing Law

1. State of Florida Law

This contract is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. - f. HIPAA: Where applicable, the provider will comply with the Health Insurance Portability Accountability Act as well as all regulations promulgated thereunder (45CFR Parts 160, 162, and 164).

D. Audits, Records, and Records Retention

1. To establish and maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided by the department under this contract.
2. To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of six (6) years after termination of the contract, or if an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this contract.
3. Upon completion or termination of the contract and at the request of the department, the provider will cooperate with the department to facilitate the duplication and transfer of any said records or documents during the required retention period as specified in Section I, paragraph D.2. above.

7. To include these aforementioned audit and record keeping requirements in all approved subcontracts and assignments.

E. Monitoring by the Department

To permit persons duly authorized by the department to inspect any records, papers, documents, facilities, goods, and services of the provider, which are relevant to this contract, and interview any clients and employees of the provider to assure the department of satisfactory performance of the terms and conditions of this contract. Following such evaluation the department will deliver to the provider a written report of its findings and will include written recommendations with regard to the provider's performance of the terms and conditions of this contract. The provider will correct all noted deficiencies identified by the department within the specified period of time set forth in the recommendations. The provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the department, result in any one or any combination of the following: (1) the provider being deemed in breach or default of this contract; (2) the withholding of payments to the provider by the department; and (3) the termination of this contract for cause.

F. Indemnification

NOTE: Paragraph I.F.1. and I.F.2. are not applicable to contracts executed between state agencies or subdivisions, as defined in §768.28, FS.

1. The provider shall be liable for and shall indemnify, defend, and hold harmless the department and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by the provider, its agents, or employees during the performance or operation of this contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.

Only adjudication or judgment after highest appeal is exhausted specifically finding the provider not liable shall excuse performance of this provision. The provider shall pay all costs and fees related to this obligation and its enforcement by the department. G. Insurance

5

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract and any renewal(s) and extension(s) of it. Upon execution of this contract, unless it is a state agency or subdivision as defined by §768.28, FS, the provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the provider and the clients to be served under this contract. Upon the execution of this contract, the provider shall furnish the department written verification supporting both the determination and existence of such insurance coverage. I. Assignments and Subcontracts

1. To neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the department, which shall not be unreasonably withheld. Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The provider shall be responsible for all work performed and all expenses incurred with the project. If the department permits the provider to subcontract all or part of the work contemplated under this contract, including entering into subcontracts with vendors for services and commodities, it is understood by the provider that the department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and the provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The provider, at its expense, will defend the department against such claims.
3. The State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this contract to another governmental agency in the State of Florida, upon giving prior written notice to the provider. 4. The contractor shall provide a monthly Minority Business Enterprise report summarizing the participation of certified and non-certified minority subcontractors/material suppliers for the current month, and project to date. The report shall include the names, addresses, and dollar amount of each certified and non-certified MBE participant, and a copy must be forwarded to the Contract Manager of the Department of Health. The Department of Health, Minority Coordinator (850-245-4199) will assist with questions and answers.
5. Unless otherwise stated in the contract between the provider and subcontractor, payments made by the provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the department in accordance with §§287.0585, FS. Failure to pay within seven (7) working days will result in a penalty charged against the provider and paid to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the provider by the department. In the event that the provider or its independent auditor discovers that overpayment has been made, the provider shall repay said overpayment within 40 calendar days without prior notification from the department. In the event that the department first discovers an overpayment has been made, the department will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the department will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.

K. Incident Reporting

Abuse, Neglect, and Exploitation Reporting

In compliance with Chapter 415, FS, an employee of the provider who knows or has reasonable cause to suspect that a child, aged person, or disabled adult is or has been abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE).

L. Transportation Disadvantaged

If clients are to be transported under this contract, the provider will comply with the provisions of Chapter 427, FS, and Rule Chapter 41-2, FAC. The provider shall submit to the department the reports required pursuant to Volume 10, Chapter 27, DOH Accounting Procedures Manual.

M. Purchasing

1. PRIDE

It is agreed that any articles which are the subject of, or are required to carry out this contract shall be purchased from Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE) identified under Chapter 946, FS, in the same manner and under the procedures set forth in §§946.515(2) and (4), FS. For purposes of this contract, the provider shall be deemed to be substituted for the department insofar as dealings with PRIDE. 2. Procurement of Materials with Recycled Content

3. MyFloridaMarketPlace Vendor Registration

Each vendor doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in the MyFloridaMarketPlace system, unless exempted under Florida Administrative Code Rule 60A-1.030(3) (F.A.C.).

4. MyFloridaMarketPlace Transaction Fee

The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to section 287.057(23), Florida Statutes (2002), all payments shall be assessed a Transaction Fee of one percent (1.0%), which the Provider shall pay to the State.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the vendor. If automatic deduction is not possible, the vendor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

The Provider shall receive a credit for any Transaction Fee paid by the Provider for the purchase of any item(s) if such item(s) are returned to the Provider through no fault, act, or omission of the Provider. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the vendor's failure to perform or comply with specifications or requirements of the agreement.

Failure to comply with these requirements shall constitute grounds for declaring the vendor in default and recovering procurement costs from the vendor in addition to all outstanding fees. Providers delinquent in paying transaction fees may be excluded from conducting future business with the State.

N. Civil Rights Requirements

Civil Rights Certification: The provider will comply with applicable provisions of DOH publication, "Methods of Administration, Equal Opportunity in Service Delivery."

2. Except where the provider is a state agency, the provider, its officers, agents, employees, subcontractors, or assignees, in performance of this contract, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Nor shall the provider represent to others that it has the authority to bind the department unless specifically authorized to do so.
3. Except where the provider is a state agency, neither the provider, its officers, agents, employees, subcontractors, nor assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this contract.

6

4. The provider agrees to take such actions as may be necessary to ensure that each subcontractor of the provider will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
5. Unless justified by the provider and agreed to by the department in Attachment I, the department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the provider, or its subcontractor or assignee.
6. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds, and all necessary insurance for the provider, the provider's officers, employees, agents, subcontractors, or assignees shall be the responsibility of the provider.

P. Sponsorship

If the sponsorship reference is in written material, the words *State of Florida, Department of Health* shall appear in the same size letters or type as the name of the organization.

Q. Final Invoice

To submit the final invoice for payment to the department no more than 30 days after the contract ends or is terminated. If the provider fails to do so, all right to payment is forfeited and the department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the provider and necessary adjustments thereto have been approved by the department.

R. Use of Funds for Lobbying Prohibited

T. Patents, Copyrights, and Royalties

1. If any discovery or invention arises or is developed in the course or as a result of work or services performed under this contract, or in anyway connected herewith, the provider shall refer the discovery or invention to the department to be referred to the Department of State to determine whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this contract are hereby reserved to the State of Florida.
2. In the event that any books, manuals, films, or other copyrightable materials are produced, the provider shall notify the Department of State. Any and all copyrights accruing under or in connection with the performance under this contract are hereby reserved to the State of Florida.
3. The provider, without exception, shall indemnify and save harmless the State of Florida and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured by the provider. The provider has no liability when such claim is solely and exclusively due to the Department of State's alteration of the article. The State of Florida will provide prompt written notification of claim of copyright or patent infringement. Further, if such claim is made or is pending, the provider may, at its option and expense, procure for the Department of State, the right to continue use of, replace, or modify the article to render it non-infringing. If the provider uses any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

U. Construction or Renovation of Facilities Using State Funds

Any state funds provided for the purchase of or improvements to real property are contingent upon the provider granting to the state a security interest in the property at least to the amount of the state funds provided for at least (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of a receipt of state funding for this purpose, the provider agrees that, if it disposes of the property before the department's interest is vacated, the provider will refund the proportionate share of the state's initial investment, as adjusted by depreciation.

V. Electronic Fund Transfer

The provider agrees to enroll in Electronic Fund Transfer, offered by the State Comptroller's Office. Copies of Authorization form and sample bank letter are available from the Department. Questions should be directed to the EFT Section at (850) 410-9466. The previous sentence is for notice purposes only.

These procedures shall be consistent with the Department of Health Information Security Policies, as amended, which is incorporated herein by reference and the receipt of which is acknowledged by the provider, upon execution of this agreement. The provider will adhere to any amendments to the department's security requirements provided to it during the period of this agreement. The provider must also comply with any applicable professional standards of practice with respect to client confidentiality.

II. THE DEPARTMENT AGREES:

A. Contract Amount

To pay for contracted services according to the conditions of Attachment I in an amount not to exceed \$528,789.00 subject to the availability of funds. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. The costs of services paid under any other contract or from any other source are not eligible for reimbursement under this contract.

B. Contract Payment

Pursuant to §215.422, FS, the department has five (5) working days to inspect and approve goods and services, unless the bid specifications, Purchase Order, or this contract specifies otherwise. With the exception of payments to health care providers for hospital, medical, or other health care services, if payment is not available within 40 days, measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved, a separate interest penalty set by the Comptroller pursuant to §55.03, FS, will be due and payable in addition to the invoice amount. Invoice payment requirements do not start until a properly completed invoice is provided to the department.

The provisions herein do not limit the department's right to remedies at law or in equity.

4. Termination for Failure to Satisfactorily Perform Prior Agreement

Failure to have performed any contractual obligations with the department in a manner satisfactory to the department will be a sufficient cause for termination. To be terminated as a provider under this provision, the provider must have: (1) previously failed to satisfactorily perform in a contract with the department, been notified by the department of the unsatisfactory performance, and failed to correct the unsatisfactory performance to the satisfaction of the department; or (2) had a contract terminated by the department for cause.
