

Memorandum

Date: October 5, 2010

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Authorizing Grant Awards for the FY2010 South Florida Cultural Consortium Visual & Media Artists Fellowship Program

Agenda Item No. 9(A)(1)

Recommendation

It is recommended that the Board of County Commissioners approve \$150,000 in funding support for twelve fellowship awards to South Florida artists from the South Florida Cultural Consortium's FY2009-2010 general operating funds for the Visual & Media Artists Fellowship Program. Attached is a list of the artists being recommended for fellowship awards.

Scope

The impact of this agenda item is regional, reflecting the five-county membership of the South Florida Cultural Consortium (Martin, Palm Beach, Broward, Monroe and Miami-Dade counties).

Fiscal Impact/Funding Source

The funding for each of the twelve Visual & Media Artists Fellowship Awards is from the adopted FY2009-2010 budget for the Department of Cultural Affairs. The Miami-Dade County Department of Cultural Affairs administers the Fellowship program and serves as fiscal agent for the South Florida Cultural Consortium's contributed funds from member counties and from state grants secured for Consortium programs benefiting the South Florida region.

Track Record/Monitor

During the program's twenty three-year history, all fellowship recipients have complied with their contractual requirements. Michael Spring, Director of the Miami-Dade County Department of Cultural Affairs and Chairman of the South Florida Cultural Consortium, is responsible for monitoring the contracts on behalf of the Department and the Consortium.

Background

The South Florida Cultural Consortium (an alliance of the local arts agencies of Martin, Palm Beach, Broward, Monroe and Miami-Dade counties) conducted the 2010 Visual & Media Artists Fellowship Program, recommending the award of twelve fellowships to outstanding South Florida artists. A list of the recommended artists and awards is attached.

Each member county of the South Florida Cultural Consortium receives benefits at least equivalent to its respective cash contribution. Grant funds secured by the South Florida Cultural Consortium provide additional financial and programmatic benefits to each of the participating counties. The following provides an account of the total amount in fellowships recommended in FY2009-2010 to artists in each county:

Miami-Dade County	\$75,000
Broward County	\$45,000
Palm Beach County	\$15,000
Martin County	\$15,000
Monroe County	-0-

The twelve artists were chosen through a competitive process involving 330 applicants received from all five member counties and reviewed by two panels. One panel, consisting of regional arts experts, met on February 10, 2010 to review all of the submissions and to select a pool of finalists. This regional panel's recommendations were forwarded to a national panel of three out-of-state arts experts that met on July 30, 2010. The national panel's recommendations were approved by the Consortium's Board of Directors on August 4, 2010.
