

Memorandum

MIAMI-DADE
COUNTY

Date: January 11, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Ordinance providing that leases and contracts for privately funded improvements on County owned land shall be subject to the requirements of the CBE and CSBE programs

IMFR
Supplement to
Agenda Item No. 1(D)1

The proposed ordinance providing that leases and contracts for privately funded improvements on County owned land shall be subject to the requirements of the Community Business Enterprise (CBE) and Community Small Business Enterprise (CSBE) programs may have a fiscal impact on the County. Increased lease or contractual costs could result if these provisions are passed on to the County. However, consistent with the County's objective to promote utilization of small businesses through its contracting, this legislation would bring these types of procurements into compliance with others.
