Subject: Agreement with Waterford I Associates, Ltd. for development of rental townhomes and mid-rise apartment units using \$10,592,307 from Building Better Communities GOB Project Number 249

Recommendation

It is recommended that the Board approve the Development and Grant Agreement ("Exhibit A") and accompanying Rental Regulatory Agreement ("Exhibit B") ("Agreements") between the County and Waterford I Associates, Ltd. in substantially the form attached to this item; authorize the County Mayor or County Mayor's designee to execute the Agreements on behalf of the County, subject to the County receiving a favorable underwriting report and any adjustments that need to be made in the Agreements to reflect the findings of the report, after consultation with the office of the County Attorney; and approve the Rental Regulatory Agreement to be delivered by the Developer and recorded in the public records in substantially the form attached.

Scope

Waterford will consist of 8 affordable rental townhomes and 64 mid-rise apartment residences. The mix of townhomes and flats will provide unique and varied housing options. The one bedroom/one bath apartments, the two bedroom/two bath apartments, and three bedroom/two bath apartments will consist of 742 square feet, 1,011 square feet, and 1,310 square feet, respectively. The townhomes will be a mix of two bedroom/two bath and three bedroom/two bath and range from and 1,085 to 1,347 square feet. The development will have a community/club room and a pool. There will also be approximately 125 parking spaces.

Pursuant to the Regulatory Agreement, the Developer shall, among other provisions, develop seventy-two (72) affordable rental units to be leased to individuals, four (4) of which will be rented to families whose income is equal to or less than 30% of the annual area median income; 61 of which will be rented to families whose income is equal to or less than 60% of the annual area median income; and 7 of which will be rented to families whose income is equal to or less than 140% of the annual area median income all adjusted for family size established by HUD (the "AMI"). Waterford will be constructed employing green practices, not only to mitigate the effect on the environment but also to mitigate the utility expenses for future residents of Waterford. Green features will include, but not be limited to: programmable thermostats, Energy Star rated reversible ceiling fans, toilets that have dual flush options which include utilizing 1.6 gallons of water or less, Energy Star qualified lighting in all open and common areas, low VOC paint, Energy Star rating for all appliances, Energy Star rating for all windows, HVAC with a minimum SEER rating of 15, efficient tankless water heaters, and all windows single-pane with a shading co-efficient of .67 or better. It is projected that the project will achieve a LEED designation.

The site is well located for the needs of affordable housing residents, with a bus stop located in front of the parcel on West Dixie Highway. Additionally, bus service along West Dixie Highway brings residents to the downtown Miami Central Business District. Retail employment opportunities are also plentiful, with the site being less than ½ mile from the Aventura Mall. Grocery stores are less than 1 mile away, as are A-rated schools.

Background

On July 8, 2010, the Board approved Resolution No. R-731-10, allocating \$10,529,307 of District 4 GOB Funds from Project No. 249 to Waterford I Associates, Ltd. and authorizing staff to negotiate an agreement with Waterford I Associates, Ltd, the highest ranked applicant resulting from an evaluation/negotiation procedure approved by the Board through Resolution R-1336-09. That item indicated that negotiations should include further review of the funding availability, a responsibility review, additional due diligence, and review of the underwriting capabilities. Staff has met with the developer and has begun to evaluate the financial information and proposed development details. In addition, much of the information required by the underwriter has been forwarded to them but the balance of information will be costly to the developer as well as will take some additional time to produce.

For this reason, staff has prepared the Development and Grant Agreement and accompanying Rental Regulatory Agreement in form for Board approval. Although, as stated above, these documents remain subject to underwriting and other review by staff, the developer can move forward with preparing the additional documentation required by the County as well as allowing him to move forward with the development provided his proposal is approved by the underwriter and all other due diligence by staff is completed.

The County shall administer, in accordance with the Administrative Rules, the funds available from the BBC GOB Program as authorized by Board Resolutions. Any and all reimbursement obligations of the County pursuant to this Agreement

are limited to, and contingent upon, the availability of funding solely from the BBC GOB Program funds allocated to fund the Waterford I Project. **The Grantee may not require or legally compel the County to use any other source of legally available revenues other than bond proceeds from the sale of BBC GOB bonds to fund the Total Funding Allocation. This Agreement does not in any manner create a lien in favor of the Grantee on any revenues, including the BBC GOB Program funds allocated to fund the Waterford I Project, of the County.** The Grantee shall be solely responsible for submitting all documentation, as required by this Agreement and by the Administrative Rules, to the County Mayor or County Mayor's designee.

Section 5. Waterford I Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer the Total Funding Allocation responsibly and in accordance with standard accounting practices by developing and adhering to the Budget that is based upon reasonable revenue development and expenditures projected to complete the Waterford I Project within the Total Project Cost. Further, Grantee agrees that all expenditures set forth in the Budget will be subject to the terms of this Agreement. If Grantee wishes to revise the Budget for the purpose of completing the Waterford I Project, including line item changes, and such revisions substantially alter the original Waterford I Project, the Grantee must request in writing that the County Mayor or County Mayor's designee review and approve such revisions. Grantee's request must be given at least sixty (60) days prior to implementation of the revisions. The County Mayor or County Mayor's designee will make the final determination on revisions within sixty (60) days of the date of receipt of the request in the County's Executive offices.

Section 6. Expenditure Deadline; Remaining Funds. The Grantee shall spend or commit all of the Total Funding Cycle Allocation on or before three (3) years from the Commencement Date (the "Expenditure Deadline"). Any Total Funding Cycle Allocation funds not spent or committed by the Expenditure Deadline or for which a Waterford I Project extension has not been requested shall revert to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement. A Waterford I Project extension may be requested in writing from the County Mayor or County Mayor's designee at least sixty (60) days prior to the Expenditure Deadline. The County Mayor or County Mayor's designee, at his discretion, may grant an extension of up to one (1) year from the Expenditure Deadline so long as such extension will not significantly alter the Waterford I Project including its quality, impact, or benefit to the organization, the County or its citizens. Additional extensions may be authorized by the County Mayor or County Mayor's designee if the Grantee can document in a written request sufficient Waterford I Project progress and cause for such an extension to be warranted. The three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

Section 7. Reports; and Filing Deadlines. To demonstrate that each disbursement has been used in accordance with the Waterford I Project Description and Waterford I Project Budget and that Grantee has met and fulfilled all requirements as outlined in this Agreement, exhibits, and/or other substantive materials as may be attached or included as a condition to each disbursement, the Grantee must submit to the County Mayor or County Mayor's designee, a written report documenting that the Grantee is meeting or has fulfilled all Waterford I Project and financial requirements. This report is to be received by the County Mayor or County

Mayor's designee quarterly. The Grantee shall also submit a written report to the County Mayor or County Mayor's designee on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee is fulfilling, or has fulfilled, its purpose, and has complied with all applicable municipal, County, state and federal requirements. The County Mayor or County Mayor's designee may also request that a compilation statement or independent financial audit and accounting for the expenditure of Funding Cycle Allocation funds be prepared by an independent certified public accountant at the expense of the Grantee. Prior to amending this Agreement to provide for the Second Funding Cycle Allocation, all written reports required in this Section 7 shall have been filed timely. In the event any one or more of the written reports are delinquent, the County may withhold the Second Funding Cycle Allocation until the Grantee submits such reports to the County Mayor or County Mayor's designee as required in this Section 7.

In the event that the Grantee fails to submit the required reports as required above, the County Mayor or County Mayor's designee may terminate this Agreement in accordance with Section 15 or suspend any further disbursement of Funding Cycle Allocation funds until all reports are current. Further, the County Mayor or County Mayor's designee must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Program Monitoring and Evaluation. The County Mayor or County Mayor's designee may monitor and conduct an evaluation of the Grantee's operations and the Waterford I Project, which may include visits by County representatives to observe and discuss the progress of the Waterford I Project with the Grantee's personnel. Upon request, the Grantee shall provide the County Mayor or County Mayor's designee with notice of all meetings of its Board of Directors or governing board, general activities and Waterford I Project-related events. In the event the County Mayor or County Mayor's designee concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules or for other reasons which significantly impact on the Grantee's ability to fulfill the conditions of the Total Funding Allocation as set forth in this Agreement, then the County Mayor or County Mayor's designee must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's ability to complete the Waterford I Project or fulfill the terms of this Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the County Mayor or County Mayor's designee, then the County Mayor or County Mayor's designee, at his discretion, may take other actions which may include reduction or rescission of Total Funding Allocation, as the case may be, or withholding Total Funding Allocation funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Total Funding Allocation for the Waterford I Project or uses any portion of the Total Funding Allocation for costs not associated with the Waterford I Project and the Grantee refuses or is unable to address the areas of concern, then the County Mayor or County Mayor's designee may request the return of the full or partial Funding Cycle Allocation awards, as the case may be. The County Mayor or County Mayor's designee may also institute a moratorium on applications from the Grantee to County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the County Mayor or County Mayor's designee, whichever occurs first.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee must keep accurate and complete books and records for all receipts and expenditures of each Funding Cycle Allocation award in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with each Funding Cycle Allocation, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Mayor or County Mayor's designee, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving each or both of the Funding Cycle Allocation awards, the Grantee and/or Waterford I Project or activities related to each or both of the Funding Cycle Allocation awards.

The County Mayor or County Mayor's designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Mayor or County Mayor's designee may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade Office of Inspector General (IG) which has the authority to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The OIG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee (and any affected contractor and materialman) from IG, the Grantee (and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within Budget and in conformity with plans,

specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code

Section 10. Publicity and Credits. The Grantee must include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: "THIS WATERFORD I PROJECT IS SUPPORTED BY THE BUILDING BETTER COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY."

Section 11. Naming Rights and Advertisements. It is understood and agreed between the parties hereto that the Grantee is funded by Miami-Dade County. Further, by acceptance of these funds, the Grantee agrees that Project(s) funded by this Agreement shall recognize and adequately reference the County as a funding source. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program funds, then Miami-Dade County's name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of the size of the largest lettering used for any sponsor or advertiser unless waived by the Board. Grantee shall ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of all Project(s). This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions and stationery. The use of the official County logo is permissible for the publicity purposes stated herein. The Grantee shall submit sample of mock up of such publicity or materials to the County for review and approval. The Grantee shall ensure that all media representatives, when inquiring about the Project(s) funded by the Agreement, are informed that the County is its funding source.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of BBC GOB Program funds, is not an officer, employee or agent of

the County, its Board of County Commissioners, its Mayor, nor the County department administering the Funding Cycle Allocation awards. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the Waterford I Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees.  - (1) If the Grantee uses any portion of the Total Funding Cycle Allocation for costs not associated with the Waterford I Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the

County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.

- (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.
- (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement, provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.

- (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event this grant is canceled or the Grantee is requested to repay all or a portion of the Total Funding Allocation because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant or contract with the County for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all unauthorized expenditures discovered after the expiration or termination of this Agreement. The Grantee will also be liable to reimburse the County for all lost or stolen Total Funding Allocation funds.

Any funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Mayor or County Mayor's designee a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof.

Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

 - 5) The Grantee shall upon written request of the County allow representatives of the County to review and copy any and all of its executed leases with tenant residing on the Property.

Section 4. Rents. The Grantee hereby represents, covenants and agrees, during the Term of this Agreement, that:

(a) The maximum initial approved rental rates for this Project are set forth in the attached appendix 1.

(b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, Grantee or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. Grantee hereby makes and declares these restrictive covenants which shall run with the title to said Property and be binding on the Grantee and its successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by Grantee to the County or the expiration of any agreement between the Grantee and the County regarding the Property, Project or both.

(c) The above rentals will include the following services to each unit: **[INSERT TERMS]**

(d) Grantee further agrees that it will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.

(f) Grantee agrees that the unit shall meet the energy efficiency standards promulgated by the Secretary of the United States Department of Housing and Urban Development (hereafter "HUD"), the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.

(g) County and Grantee agree that rents may increase as median income increases as published by HUD with the prior approval of County, provided, that at no time shall the Grantee's management fee and expenses attributed to the Grantee for managing the Project exceed ____ percent (____%) of the cash flow. Any other adjustments to rents will be made only if County (and HUD if applicable), in their sole and absolute discretion, find any adjustments necessary to support the continued financial viability of the Project and only by an amount that the County (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Grantee will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of the Project, excluding the management fee attributed to the Grantee for managing the Project. Within sixty (60) days of receipt of such documentation, the County will approve or deny, as the case may be, in its sole and absolute discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in Median Annual Income. In no event, however, will any increase directly proportional to an increase in Median Annual Income be denied.

Section 5. Indemnification. The Grantee hereby covenants and agrees that the provisions of Section 12 of the Development and Grant Agreement relating to the Grantee's indemnity obligations apply to any violations by the Grantee of this Agreement.

Section 6. Reliance. The County and the Grantee hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Grant and the completion of the Project as affordable residential rental housing. In performing their duties and obligations under this Agreement, the County may rely upon statements and certificates of the Grantee and tenants believed to be genuine and to have been executed by the proper purported person or persons, and upon audits of the books and records of the Grantee pertaining to occupancy of the Project. In addition, the County may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the County in good faith and in conformity with the opinion of such counsel.

Section 7. Project Within the County Limits. The Grantee hereby represents and warrants that the Project is located entirely within the limits of the County.

Section 8. Sale and Conveyance of Project. (a) The Grantee shall not sell, transfer or encumber the Project, in whole or in part, without the prior written consent of the County, which consent shall be given promptly provided that (i) the Grantee shall not be in Default hereunder, (ii) the continued operation of the Project as a Residential Rental, (iii) the subsequent purchaser or assignee shall execute any document requested by the County, to acknowledge that it holds title to the Project subject to the covenants and obligations contained in this Agreement, (iv) the purchaser and assignee shall have first executed a document in recordable form addressed to the County to the effect that such purchaser or assignee will comply with the terms and conditions of this Agreement, and (v) such other conditions as may be reasonable under the circumstances. In the event that the purchaser or assignee shall assume the obligations of the Grantee under this Rental Regulatory Agreement to the satisfaction of the County, Grantee may be released from its obligations under this Agreement.

Notwithstanding anything contained herein, the consent of the County shall not be required for (i) the removal of the general partner of the Grantee and the replacement thereof pursuant to Grantee's governing documents (as amended), (ii) the transfer by any limited partner of the Grantee of a partnership interest in Grantee, or (iii) easements necessary for the construction or operation of the Project and granted in the ordinary course of business.

Section 9. Enforcement. If the Grantee Defaults in the performance of its obligations under this Agreement or breaches any covenant, agreement or warranty of the Grantee set forth in this Agreement, and if such Default remains uncured for a Period of 30 days after notice shall have been given by the County to the Grantee (or for an extended period, if such Default stated in such notice can be corrected, but not within such 30-day period, and if the Grantee commences such correction within such 30-day period, and thereafter diligently pursues the same to completion within such extended period), then the County may take such action at law or in equity, as is necessary in order to obtain specific performance of any covenant or other obligation of the Grantee in this Agreement in addition to the remedies afforded the County in the Development and Grant Agreement including the recoupment of all or a portion of the Grant.

Section 10. Recording and Filing; Covenants to Run With the Land. (a) Upon execution and delivery by the parties to this Agreement, the Grantee shall cause this Agreement and all amendments and supplements to be recorded and filed in the official public deed records of the County and in such manner and in such other places as the County may reasonably request, and shall pay all fees and charges incurred in connection with such recording.

(b) This Agreement and the covenants contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, the Grantee, the County, and the Fiscal Agent and their respective successors and assigns during the Term of this Agreement.

Section 11. Governing Law. This Agreement shall be governed by the laws of the State of Florida, both substantive and relating to remedies.

Section 12. Assignments and Amendments. The Grantee shall not assign its interest hereunder, except by writing and in accordance with the provisions of Section 8 of this Agreement. The County and the Grantee may from time to time enter into one or more amendments or supplements to this Agreement.

Section 13. Notice. Any notice required to be given shall be given by personal delivery, by registered U.S. mail or by registered expedited service at the addresses specified below or at such other addresses as may be specified in writing by the parties hereto, and any such notice shall be deemed received on the date of delivery if by personal delivery or expedited delivery service, or upon actual receipt if sent by registered U.S. mail.
