Background and Relevant Legislation

City Year Miami, 44 W. Flagler Street, Suite 500, Miami, was launched in the fall of 2008 as a way to support the Miami-Dade Public School System in its efforts to help youth succeed in school and realize their potential. Since its inception, City Year Miami has worked to create and implement innovative solutions for the various issues facing County school children.

On October 2, 2009, City Year Miami officially launched its second corps which included 82 corps members who served throughout Miami-Dade County.

The Miami-Dade Board of County Commissioners passed a resolution expressing support for City Year's work to improve "the lives of this nation's youth." (R-531-08.)

Legislative History of City Year in Miami-Dade County.		
Resolution No.	Title	Purpose
R-531-08	Resolution Expressing Support for Outstanding Work of City	Resolution expressing support for the City Year program and its

	Year	volunteers.
R-55-10	Resolution Directing Mayor to Provide Transit Passes to City Year Volunteers	This resolution provided 80 transit passes per month free for the year 2010, in exchange for no less than 2,800 hours of volunteer services at transit facilities.

Comments

The proposed resolution reduces the number of service hours required of City Year as compared to Resolution 55-10, while also increases the number of passes provided to the group.
