Recommendation

The attached Contract Award Recommendation for the PTP ADA Ramps and Connectors Contract, Located within Commission District 3 (Project MCC 7040 Plan - CICC 7040-0/07 RPQ No. 20100694), in the amount of \$103,764.58, between Leyram Construction, Inc. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Fiscal Impact/Funding Source

The fiscal impact will be approximately \$103,764.58 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the respective Commission District PTP yearly allocations. The base contract amount is \$89,059.96, but the total allocated amount is \$103,764.58, which is inclusive of the contingency and dedicated allowances. There is no fiscal impact to operations or maintenance.

Track Record/Monitor

Leyram Construction, Inc. is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found nine (9) awarded construction contracts all from PWD. The referenced database also lists a total of nine (9) contractor performance evaluations with an overall performance rating of above satisfactory performance (3.9) out of a possible superior performance (4.0) rating. The Department of Small Business Development's (SBD) History of Violation's report lists no violations for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will be

the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Rudy Raghunandan, Project Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Leyram Construction, Inc., Company Principals are: Ariel R. Portilla and Maria Jose Portilla and the Company's address is listed as: 11612 NW 57 Avenue, Miami, Florida 33012.

Background

In an effort to carry on the success of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting (MCC) process available under OCI contract MCC 7040 Plan - CICC 7040/0/07. Through this process, PWD forwards the RPQ, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Additionally, PWD advertises the project in the Daily Business Review and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest sum bid submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III) designation. Therefore, on November 4, 2010, PWD forwarded an RPQ for the PTP ADA Ramps and Connectors Contract, utilizing the OCI contract MCC 7040 Plan - CICC 7040-0/07, to a list of 168 pre-qualified firms. A total of nine (9) firms purchased contract documents and seven (7) firms proffered a bid. On December 6, 2010, Leyram Construction, Inc. proffered the lowest responsive, responsible base bid of \$89,059.62, 35% below the County's cost estimate; the second lowest bidder, ACME Organization, Inc. proffered a base bid of \$99,503.96, 12% over the lowest bidder; the third lowest bidder, CEB Construction, Inc., proffered a base bid of \$106,278.60, 7% over the second lowest bidder. As a result, on January 7, 2011, PWD issued a recommendation of award for RPQ No. 20100694 to Leyram Construction, Inc., with the stipulation that approval of this project must be obtained from the CITT and the BCC due to guidelines associated with the funding source.

In accordance with ADA regulations, wherever the County resurfaces a roadway, the existing sidewalks must be upgraded in order to meet ADA accessibility requirements. The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor (including cleaning and preparation), required materials, equipment and tools to perform all operations necessary for the construction of new sidewalk ramps and connectors with sub-grades; installation of detectable warning surfaces; restoration of asphalt and concrete driveways (including driveway transitions); removal and disposal of existing sidewalks; removal and disposal of existing trees, hedges and debris; replacement of existing water meter boxes and vaults; installation of pull boxes; installation of work zone signs; resetting of existing signs and posts; and sodding, at various locations within Miami-Dade County.

Re: **Recommendation for Award**
Request for Price Quotation (RPQ) No. 20100694 – MCC 7040 Plan – CICC 7040-0/07
People's Transportation Plan (PTP) ADA Ramps and Connectors

Dear Mr. Portilla:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Monday, December 8, 2010. The total RPQ amount is for one hundred three thousand seven hundred sixty-four dollars and fifty-eight cents (\$103,764.58). This includes a base contract amount of eighty-nine thousand fifty-nine dollars and sixty-two cents (\$89,059.62), a contingency amount of eight thousand nine hundred five dollars and ninety-six cents (\$8,905.96), and dedicated allowances totaling five thousand seven hundred ninety-nine dollars and zero cents (\$5,799.00). The contract duration is established as 180-calendar days. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The original attached documents must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current Insurance certificates.
4. Copies of required license(s).
5. Submit Workforce Plan to the issuing/user department within fifteen (15) days of Notice of Award for project specific and within fifteen (15) days from Notice to proceed for work orders.

The preceding documents are required as outlined within Contract MCC 7040 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

Recommendation of Award
RPQ No. 20100694

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Please contact Mr. Ultimo De Oliveira, OCI office, at (305) 375-5265 to insure that your file is complete for award consideration.
