WHEREAS, in 1999, the Miami-Dade County ("County") submitted a HOPE VI application to the United States Department of Housing and Urban Development ("HUD") to seek funding to demolish and revitalize the James E. Scott Homes and Carver Homes Public Housing Development ("Scott-Carver"); and

WHEREAS, HUD awarded a HOPE VI implementation grant in the amount of \$35 million (the "Grant") for the purpose of demolishing and revitalizing Scott-Carver Homes; and

WHEREAS, the County, through the developer, McCormack Baron Salazar ("MBS"), is in the process of rebuilding the new community to re-house the former residents of Scott-Carver and other eligible families; and

WHEREAS, one of the mandates of the Grant is that the County must comply with Section 3 of the Housing and Urban Development Act of 1968 and 24 CFR Part 135 (collectively "Section 3 Requirements"); and

WHEREAS, the Section 3 Requirements represent HUD's policy for providing preference to low- and very low-income residents of the community where the funds are spent (regardless of race or gender), and the businesses that substantially employ these persons for new

employment, training, and contracting opportunities created from the usage of covered HUD funds; and

WHEREAS, the Section 3 Requirements apply to all Public Housing Authorities (PHAs) and all contractors that receive awards from PHAs, regardless of the dollar amount of the contract; and

WHEREAS, each PHA (and their contractors, subcontractors, or subrecipients) is required to comply with the requirements of Section 3 for employment, training, or contracting opportunities resulting from the expenditure of covered funding; and

WHEREAS, in addition to the Section 3 Requirements, the Grant requires the County to comply with HUD's procurement regulations ("Procurement Requirements"); and

WHEREAS, the Procurement Requirements, which require PHAs, like the County, to "take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible"; and

WHEREAS, it is essential that the County, MBS and any other contractors or subcontractors take all necessary steps to comply with the Section 3 Requirements and Procurement Requirements throughout all phases of the development and construction of the Scott-Carver HOPE VI project; and
