ORDINANCE NO. \_\_\_\_\_

ORDINANCE CREATING A TASK FORCE ON SCRAP METAL AND COPPER WIRE THEFT TO FORMULATE RECOMMENDATIONS TO THE BOARD OF COUNTY COMMISSIONERS ON ENFORCEMENT OF ORDINANCES REGULATING JUNK DEALERS AND SCRAP METAL PROCESSORS, PROPOSED AMENDMENTS, EDUCATION OF BUSINESSES AND THE COMMUNITY ON THE EFFECT OF SUCH ORDINANCES, AND THE PREVENTION OF ILLEGAL SALES OF REGULATED AND RESTRICTED REGULATED METALS

**WHEREAS**, skyrocketing prices for metals, especially copper, has resulted in a significant increase in the theft of copper, aluminum and other ferrous and nonferrous metals material in Miami-Dade County; and

**WHEREAS**, such thefts include metals material from light poles which create power outages and endanger the health, safety and welfare of the public particularly the elderly and children; and

**WHEREAS**, such thefts are economically burdensome on the County since the County is required to expend funds to replace or repair stolen or vandalized street signs and street lights owned by the County; and

**WHEREAS**, for example, since 2009, the County's Public Works Department has spent thousands of dollars to repair or replace vandalized light poles; and

**WHEREAS**, such thefts damage or interrupt utilities which endanger the public's health, safety and welfare; and

**WHEREAS**, such thefts also result in increased costs to businesses and homeowners that have been victimized by thefts and have suffered damages; and

**WHEREAS**, the economic recession has resulted in many residential and commercial properties in foreclosure which are either unoccupied or under renovation and thus more likely targets for burglars to steal or vandalize personal property that contain ferrous and nonferrous metals material; and

**WHEREAS**, for example, air conditioning units have been vandalized because they contain copper material; and

**WHEREAS**, such criminal activity adversely affects the economic recovery in Miami-Dade County by hampering the ability of property owners, banks and mortgage holders to market and sell residential and commercial properties; and

**WHEREAS**, in 2010, over 800 burglaries of residential properties have been reported to the Miami-Dade Police Department's Northside District alone; and

**WHEREAS**, the criminal activity also affects the social and economic quality of life of the County's citizens by resulting in unsafe properties, business losses and higher insurance costs; and

**WHEREAS**, the theft of such metals material may result in its unlawful sale to junk dealers and scrap metal processors also known as secondary metals recyclers; and

**WHEREAS**, on April 5, 2011, the Board approved Ordinance No. 11-17 which created Sections 8A-9 through 8A-9.6 to regulated junk dealers and scrap metal processors; and

**WHEREAS**, this Board finds that the creation of a task force to formulate recommendations on enforcing and amending ordinances regulating junk dealers and scrap metal processors, educating businesses and the community on the effect of such ordinances, and

preventing the illegal sale of scrap metal and copper wire will promote, protect and improve the health, safety and welfare of the people of Miami-Dade County, Florida,

**NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:**
