

Memorandum

Date: August 2, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Agenda Item No. 5(A)

From: Alina T. Hudak
County Manager

Subject: Application for Funds, Edward Byrne Memorial Justice Assistance Grant (JAG) Program 2012

Recommendation

It is recommended that the Board approve the attached resolution retroactively authorizing the County Mayor and/or County Mayor's designee action to apply for, receive, and expend federal funds in the amount of \$673,213 from the Edward Byrne Memorial Justice Assistance Grant (JAG) Program from the U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance to support the Miami-Dade Police Department (MDPD). The grant period will be effective October 1, 2011 through September 30, 2014, and does not require any matching local or in-kind funds.

Scope

The grant will provide countywide services.

Fiscal Impact/Funding Source

This grant will provide \$673,213 in federal funds to implement the proposed project. The grant does not require any matching local or in-kind funds. The funding source is the U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance.

Track Record/Monitor

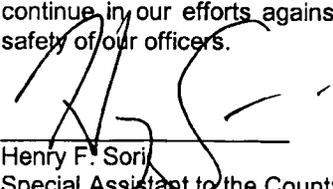

The grant will be monitored by Gus Knoepfler, Chief Financial Officer of the Miami-Dade Police Department (MDPD).

Background

Ratification of this application is necessary because the proposal did not allow time to submit the resolution to the Board prior to submitting the application. The JAG Program has allocated funds to MDPD in the amount of \$673,213. The grant requires that a public hearing be conducted on the application for these funds.

The purpose of the grant is to provide units of local government with funds to support projects that will prevent and control crime and improve public safety based on their own local needs and conditions. The grant is a blend of the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) to provide agencies with the flexibility to prioritize and place justice funds where they are needed most.

The priority for this year's allocation takes into account the continued unprecedented fiscal challenges facing Miami-Dade County. Grants funds will invest in critical technology solutions, investigative support, and other specialized equipment and tools. The federal funding of these high priority items is especially prudent at this time. This grant funded initiative, in conjunction with the Department's personnel, will allow the Miami-Dade Police Department to continue in our efforts against crime to protect the citizens and visitors of our community and the safety of our officers.
