DEVELOPMENT AND GRANT AGREEMENT**

**BETWEEN  
MIAMI-DADE COUNTY  
and  
VILLA CAPRI ASSOCIATES, LTD.**

This Development/Grant Agreement (the "Agreement"), by and between Miami-Dade County, a political subdivision of the State of Florida (the "County" or "Miami-Dade County"), through its Board of County Commissioners (the "Board") and Villa Capri Associates, Ltd. (the "Developer/Grantee" or "Grantee"), a Florida limited partnership or limited liability limited partnership with offices at 2100 Hollywood Blvd., Hollywood, Florida 33020, is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2011.

WHEREAS, pursuant to Resolution No. R-53-11 adopted on February 1, 2011 (the "Allocation Resolution"), this Board approved a District 9 grant/allocation of \$2,000,000 from Project No. 249 – "Preservation of Affordable Housing Units and Expansion of Home Ownership" (the "Total Funding Cycle Allocation") of the Building Better Communities General Obligation Bond Program (the "BBC GOB Program") to the Grantee for the construction of two-hundred twenty (220) affordable rental, mid-rise, apartment units known as the Villa Capri Apartments (the "Villa Capri Project") on real property located at 14500 South West 280 Street, Homestead, Florida 33032 (the "Property") which will be leased to certain individuals and/or families describe in Section 3 below at certain rents based on a percentage of the annual area median income adjusted for family size established by HUD in accordance with Rental Regulatory Agreement ("Regulatory Agreement") attached to, and incorporated in, this Agreement as Exhibit 1; and

WHEREAS, Villa Capri Project is estimated to cost \$31,035,773 (the "Total Project Cost") and will be funded in accordance with the sources and uses and the budget (the "Budget"), which are set forth in Exhibit 2 to this Agreement; and

WHEREAS, it is anticipated that the Total Funding Cycle Allocation shall be available on or before February of 2015 solely from funds allocated from the BBC GOB program and the timing of such funding availability shall depend on the cash flow needs of the Villa Capri I Project; and

WHEREAS, it is anticipated that \$2,000,000 ("Funding Allocation") will be available from the Series of BBC GOB Bonds issued in May of 2011 ("Series 2011 Bonds") for Villa Capri Project for disbursement pursuant to the terms of this Agreement; and

WHEREAS, the County pursuant to Resolution R- -11 adopted by the Board on \_\_\_\_\_, 2011, and the Board of Directors of the Developer/Grantee through a corporate resolution, have authorized their respective representatives to enter into this Agreement,

NOW, therefore, in consideration of the mutual covenants recorded in this Agreement and in consideration of the mutual promises and covenants contained and the mutual benefits to be derived from this Agreement, the parties agree as follows:

Section 1. Parties; Effective Date; and Term. The parties to this Agreement are the Grantee and the County. The County has delegated the responsibility of administering this Agreement to the General Services Administration.

This Agreement shall take effect as of the date written above upon its execution by the authorized officers of the County and of the Grantee and shall terminate upon the termination of the Regulatory Agreement.

Section 2. Villa Capri Project Description; Timetable; and Revisions. Villa Capri will consist of 220 affordable rental, mid-rise, apartment residences. The one bedroom/one bath apartments (48 units), two bedroom/two bath apartments (124 units), and three bedroom/two bath apartments (48 units) will consist of 720 square feet, 925 square feet, and 1,177 square feet, respectively. The development will have a community/club room, fitness center and a pool. There will also be approximately 404 parking spaces.

Grantee will endeavor to construct Villa Capri employing green practices, to mitigate the effect on the environment and additionally to mitigate the utility expenses for future residents of Villa Capri. Green features will include, but not be limited to: programmable thermostats, Energy Star rated reversible ceiling fans in all bedrooms and living areas, showerheads that use less than 1.8 gallons of water per minute, faucets that use less than 2 gallons of water per minute in the kitchens and bathrooms, toilets that have dual flush options which include utilizing 1.6 gallons of water or less, Energy Star qualified lighting in all open and common areas, low VOC paint in all units and common areas, Energy Star rating for all refrigerators, dishwashers and washing machines, Energy Star rating for all windows, Carpet and Rug Institute Green Label certified carpet and pad for all carpeting provided, HVAC with a minimum SEER rating of 15, efficient tankless water heaters, and all windows single-pane with a shading co-efficient of .67 or better.

Villa Capri Project shall be completed within thirty-six (36) months from the date of the initial disbursement by the County pursuant to the terms of this Agreement (the "Commencement Date"). If construction is not completed within such period and the County Mayor or County Mayor's designee has not extended the time for completion pursuant to the terms of this Agreement, it shall be an Event of Default under Section 15 of this Agreement. The thirty-six month (36) period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials through no fault of the Grantee, civil uprising, governmental delays or other matters beyond Grantee's control.

The Grantee may only use the grant funds for the purpose of developing and constructing the Villa Capri Project in the manner described above. If the Grantee wishes to revise the Villa Capri Project for the purpose of its completion and such revisions substantially alter it, the Grantee shall submit a request in writing to the County Mayor or County Mayor's designee seeking his or her review and approval of such revisions. Grantee shall provide its request in writing at least sixty (60) days prior to implementation of any revisions. The County Mayor or County Mayor's designee shall make the final determination in writing on revisions within sixty (60) days of the date of receipt of the request in the County Mayor or County Mayor's designee's offices. Grantee shall not proceed with the revisions until the County Mayor or County Mayor's designee has made a determination in writing.

Section 3. Restrictive Covenant. The units shall be set aside for a mix of Eligible Tenants as that term is defined in the Regulatory Agreement with incomes equal to or less than: (a) 33% of the area median income adjusted for family size established annually by the United States Department of Housing and Urban Development (the "Area Median Income"); (b) 50% of the Area Median Income and (c) 60% of the Area Median Income. The corresponding monthly rents and rental terms are set forth in the Rental Regulatory Agreement. The Regulatory Agreement shall be recorded by the Grantee at its expense in the public records of Miami-Dade County. County shall have no obligation to disburse any funds pursuant to this Agreement until evidence of such recordation is delivered to the County.

Section 4. Availability and Payment of BBC GOB Funds Subject to availability of funds as set forth in this Section 4, the County agrees to make disbursements as soon as practicable after receipt of invoices from the Grantee for capital costs incurred in connection with development of the Villa Capri Project. The Grantee shall also provide a written statement that: (a) the Grantee is not in default pursuant to the provisions of this Agreement and the Regulatory Agreement; (b) the budget has not been materially altered without the County's approval; (c) all quarterly reports have been submitted; (d) the reimbursement is in compliance with the reimbursement rules set forth in Section 4 of this Agreement; and (e) the Villa Capri Project is progressing in accordance with its construction schedule. All grant funds allocated the Villa Capri Project shall be disbursed in accordance with the Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by this reference. By making this grant, the County assumes no obligation to provide financial support of any type whatever in excess of the Funding Allocation. Cost overruns are the sole responsibility of the Grantee. Grantee understands and agrees that reimbursements to the Grantee shall be made in accordance with federal laws. Subject to certain exceptions, the applicability of which is to be reviewed on a case-by-case basis, the reimbursement allocation shall be made no later than eighteen (18) months after the later of (a) the date the original expenditure is paid, or (b) the date the Villa Capri Project is placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid by the Grantee.

The County shall only be obligated to reimburse the Grantee provided the Grantee is not in breach of this Agreement and the Grantee has demonstrated that it has adequate funds to complete the Villa Capri Project. The County shall administer, in accordance with the Administrative Rules, the funds available from the BBC GOB Program as authorized by Board Resolutions. Any and all reimbursement obligations of the County pursuant to this Agreement

are limited to, and contingent upon, the availability of funding solely from the BBC GOB Program funds allocated to fund the Villa Capri Project. **The Grantee may not require or legally compel the County to use any other source of legally available revenues other than bond proceeds from the sale of BBC GOB bonds to fund the Funding Allocation. This Agreement does not in any manner create a lien in favor of the Grantee on any revenues, including the BBC GOB Program funds allocated to fund the Villa Capri Project, of the County.** The Grantee shall be solely responsible for submitting all documentation, as required by this Agreement and by the Administrative Rules, to the County Mayor or County Mayor's designee.

Section 5. Villa Capri Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer the Funding Allocation responsibly and in accordance with standard accounting practices by developing and adhering to the Budget that is based upon reasonable revenue development and expenditures projected to complete the Villa Capri Project within the Total Project Cost. Further, Grantee agrees that all expenditures set forth in the Budget will be subject to the terms of this Agreement. If Grantee wishes to revise the Budget for the purpose of completing the Villa Capri Project, including line item changes, and such revisions substantially alter the original Villa Capri Project, the Grantee must request in writing that the County Mayor or County Mayor's designee review and approve such revisions. Grantee's request must be given at least sixty (60) days prior to implementation of the revisions. The County Mayor or County Mayor's designee will make the final determination on revisions within sixty (60) days of the date of receipt of the request in the County's Executive offices. Notwithstanding the foregoing, any revision to the budget that changes: (i) the number and size of the affordable rental mid-rise apartment residences described in Section 2; (ii) the percentages of eligible tenants described in Section 3, and/or (iii) materially, the affordability of the Villa Capri Project, shall be approved by the Board.

Section 6. Expenditure Deadline; Remaining Funds. The Grantee shall spend or commit all of the Funding Allocation on or before three (3) years from the Commencement Date (the "Expenditure Deadline"). Any Funding Allocation funds not spent or committed by the Expenditure Deadline or for which a Villa Capri Project extension has not been requested shall revert to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement. A Villa Capri Project extension may be requested in writing from the County Mayor or County Mayor's designee at least sixty (60) days prior to the Expenditure Deadline. The County Mayor or County Mayor's designee, at his discretion, may grant an extension of up to one (1) year from the Expenditure Deadline so long as such extension will not significantly alter the Villa Capri Project including its quality, impact, or benefit to the organization, the County or its citizens. Additional extensions may be authorized by the County Mayor or County Mayor's designee if the Grantee can document in a written request sufficient Villa Capri Project progress and cause for such an extension to be warranted. The three year period shall be extended for delays caused by casualty, war, terrorism, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond Developer's control.

Section 7. Reports; and Filing Deadlines. To demonstrate that each disbursement has been used in accordance with the Villa Capri Project Description and Villa Capri Project Budget and that Grantee has met and fulfilled all requirements as outlined in this Agreement, including

any and all exhibits, and/or other substantive materials as may be attached or included as a condition to each disbursement, the Grantee must submit to the County Mayor or County Mayor's designee, a written report documenting that the Grantee is meeting or has fulfilled all Villa Capri Project and financial requirements. This report is to be received by the County Mayor or County Mayor's designee quarterly. The Grantee shall also submit a written report to the County Mayor or County Mayor's designee on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee is fulfilling, or has fulfilled, its purpose, and has complied with all applicable municipal, County, state and federal requirements. The County Mayor or County Mayor's designee may also request that a compilation statement or independent financial audit and accounting for the expenditure of Funding Allocation funds be prepared by an independent certified public accountant at the expense of the Grantee. Prior to amending this Agreement to provide for the Funding Allocation, all written reports required in this Section 7 shall have been filed timely. In the event any one or more of the written reports are delinquent, the County may withhold the Second Funding Allocation until the Grantee submits such reports to the County Mayor or County Mayor's designee as required in this Section 7.

In the event that the Grantee fails to submit the required reports as required above, the County Mayor or County Mayor's designee may terminate this Agreement in accordance with Section 15 or suspend any further disbursement of Total Funding Cycle Allocation funds until all reports are current. Further, the County Mayor or County Mayor's designee must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Project Monitoring and Evaluation. The County's General Services Administration Department (or any successor) shall act as project manager for the County during the construction of Villa Capri Project and shall monitor and conduct an evaluation of the Grantee's operations and the Villa Capri Project during the construction period. Such project management shall include site visits to observe and discuss the progress of the Villa Capri Project with the Grantee's personnel. The Grantee shall pay a fee to the County of no more than \$2,000 per month if there are no federal funds used in any phase of this project or no more than \$4,000 per month if there are federal funds used in any phase of this project for the services of its General Services Administration Department (or any successor) as project manager. Subject to the limitations set forth herein, the County shall set the final fee. Upon request, the Grantee shall provide the General Services Administration Department (or any successor) with notice of all meetings of its Board of Directors or governing board, general activities and Villa Capri Project-related events. In the event the General Services Administration Department (or any successor) concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules and/or the Rental Regulatory Agreement for other reasons which significantly impact the Grantee's ability to fulfill the conditions of the Funding Allocation as set forth in this Agreement, then the General Services Administration Department (or any successor) shall provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact the Grantee's ability to complete the Villa Capri Project as described in Section 2 or otherwise fulfill the terms of this Agreement within a reasonable time frame. If Grantee refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the General Services Administration Department

(or any successor), then the General Services Administration Department (or any successor) , at its discretion, may take other actions which may include reduction or rescission of Total Funding Cycle Allocation, as the case may be, or withholding Total Funding Cycle Allocation funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Total Funding Cycle Allocation for the Villa Capri Project or uses any portion of the Total Funding Cycle Allocation for costs not associated with the Villa Capri Project and the Grantee refuses or is unable to address the areas of concern, then the General Services Administration Department (or any successor) may request the return of the full or partial Funding Allocation awards, as the case may be. The General Services Administration Department (or any successor) may also institute a moratorium on applications from the Grantee to County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the General Services Administration Department (or any successor) , whichever occurs first.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee must keep accurate and complete books and records for all receipts and expenditures of each Funding Allocation award in conformance with reasonable general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with each Funding Allocation, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Mayor or County Mayor's designee, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving each or both of the Funding Allocation awards, the Grantee and/or Villa Capri Project or activities related to each or both of the Funding Allocation awards.

The County Mayor or County Mayor's designee may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Mayor or County Mayor's designee may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade Office of Inspector General (IG) which has the authority to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The OIG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees,

lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee (and any affected contractor and materialman) from IG, the Grantee (and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within Budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission Auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code

Section 10. Publicity and Credits. The Grantee must include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: “THIS VILLA CAPRI PROJECT IS SUPPORTED BY THE BUILDING BETTER COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY.”

Section 11. Naming Rights and Advertisements. It is understood and agreed between the parties hereto that the Grantee is funded in part by Miami-Dade County. Further, by acceptance of these funds, the Grantee agrees that Project(s) funded by this Agreement shall recognize and adequately reference the County as a funding source. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program funds, then Miami-Dade County’s name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of

the size of the largest lettering used for any sponsor or advertiser unless waived by the Board. Grantee shall ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of all Project(s). This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions and stationery. The use of the official County logo is permissible for the publicity purposes stated herein. The Grantee shall submit sample of mock up of such publicity or materials to the County for review and approval. The Grantee shall ensure that all media representatives, when inquiring about the Project(s) funded by the Agreement, are informed that the County is its funding source.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of BBC GOB Program funds, is not an officer, employee or agent of the County, its Board of County Commissioners, its Mayor, nor the County department administering the Funding Allocation awards. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the Villa Capri Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers' compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the Villa Capri Project. The Grantee may subcontract as necessary to complete the Villa Capri Project, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that the County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement and/or the development of the Villa Capri Project by the Grantee or its employees, agents, servants, partners, principals, subconsultants or subcontractors (collectively, "Adverse Proceedings"). Grantee shall pay all claims and losses in connection with such Adverse Proceedings and shall investigate and defend all Adverse Proceedings in the name of the County, where applicable,

including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may result from such Adverse Proceedings. Grantee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as provided in this Section 12.

Section 13. Assignment. The Grantee is not permitted to assign this Agreement or any portion of it. Any purported assignment will render this Agreement null and void and subject to immediate rescission of the full amount of each or both of the Funding Allocation awards and immediate reimbursement by the Grantee of the full amount of the Total Funding Cycle Allocation disbursed to the Grantee.

Section 14. Compliance with Laws. The Grantee is obligated and agrees to abide by and be governed by all Applicable Laws necessary for the development and completion of the Villa Capri Project. "Applicable Law" means any applicable law (including, without limitation, any environmental law), enactment, statute, code, ordinance, administrative order, charter, tariff, resolution, order, rule, regulation, guideline, judgment, decree, writ, injunction, franchise, permit, certificate, license, authorization, or other direction or requirement of any governmental authority, political subdivision, or any division or department thereof, now existing or hereinafter enacted, adopted, promulgated, entered, or issued. Notwithstanding the foregoing, "Applicable Laws" and "applicable laws" shall expressly include, without limitation, all applicable zoning, land use, DRI and Florida Building Code requirements and regulations, all applicable impact fee requirements, all requirements of Florida Statutes, specifically including, but not limited to, Chapter 11-A of the County Code (nondiscrimination in employment, housing and public accommodations); all disclosure requirements imposed by Section 2-8.1 of the Miami-Dade County Code; County Resolution No R-754-93 (Insurance Affidavit); County Ordinance No. 92-15 (Drug-Free Workplace); County Ordinance No. 91-142 (Family Leave Affidavit); execution and delivery of public entity crimes disclosure statement, Miami-Dade County disability non-discrimination affidavit, and Miami-Dade County criminal record affidavit; all applicable requirements of Miami-Dade County Ordinance No. 90-90 as amended by Ordinance 90-133 (Fair Wage Ordinance); the requirements of Section 2-1701 of the Code and all other applicable requirements contained in this Agreement.

The Grantee shall comply with the Miami-Dade County Resolution No. R-385-98 which creates a policy of prohibiting contracts with firms violating the Americans with Disabilities Act of 1990 and other laws prohibiting discrimination on the basis of disability and shall execute a Miami-Dade County Disability Non-Discrimination Affidavit confirming such compliance.

The Grantee covenants and agrees with the County to comply with Miami-Dade County Ordinance No. 72-82 (conflict of Interest), Resolution No. R-1049-93 (Affirmative Action Plan Furtherance and Compliance), and Resolution No. R-185-00 (Domestic Leave Ordinance).

All records of the Grantee and its contractors pertaining to Villa Capri Project shall be maintained in Miami-Dade County and, upon reasonable notice, shall be made available to representatives of the County. In addition, the Office of Inspector General of Miami-Dade

County shall have access thereto for any of the purposes provided in Sec. 2-1076 of the Code of Miami-Dade County.

The Grantee shall submit to the department administering this Agreement, all affidavits required in this Section 14 prior to, or at the time, this Agreement is delivered by the Grantee to the County fully executed by an authorized officer.

Section 15. Default; Remedies and Termination.

(a) Each of the following shall constitute a default by the Grantee:

- (1) If the Grantee uses any portion of the Total Funding Cycle Allocation for costs not associated with the Villa Capri Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.
- (2) If the Grantee shall breach any of the other covenants or provisions in this Agreement other than as referred to in Section 16(a)(1) and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.
- (3) If the Grantee fails to complete the Villa Capri Project within three (3) years of the Commencement Date of this Agreement subject to extension as provided above.

(b) The following shall constitute a default by the County:

- (1) If the County shall breach any of the covenants or provisions in this Agreement and the County fails to cure its default within thirty (30) days after written notice of the default is given to the County by the Grantee; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the County commences diligently and thereafter continues to cure.

(c) Remedies:

- (1) Upon the occurrence of a default as provided in Section 15(a) and such default is not cured within the applicable grace period, in addition to all other remedies conferred by this Agreement, the Grantee shall reimburse the County, in whole or in part as the County shall determine, all funds provided to the Grantee by the County pursuant to the terms of this Agreement and this Agreement shall be terminated.
  - (2) Either party may institute litigation to recover damages for any default or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy), provided, however, any damages sought by the Grantee shall be limited solely to legally available BBC GOB funds allocated to the Villa Capri Project and no other revenues of the County.
  - (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.
  - (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.
- (d) Termination:
- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement, provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.
  - (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
  - (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event this grant is canceled or the Grantee is requested to repay all or a portion of the Total Funding Cycle Allocation because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant or contract with the County for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all unauthorized expenditures discovered after the expiration or termination of this Agreement. The

Grantee will also be liable to reimburse the County for all lost or stolen Total Funding Cycle Allocation funds.

Any funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Mayor or County Mayor's designee a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

Section 17. Written Notices. Any notice, consent or other communication required to be given under this Agreement shall be in writing, and shall be considered given when delivered in person or sent by facsimile or electronic mail (provided that any notice sent by facsimile or electronic mail shall simultaneously be sent personal delivery, overnight courier or certified or registered mail as provided herein), one business day after being sent by reputable overnight carrier or 3 business days after being mailed by certified mail, return receipt requested, to the parties at the addresses set forth below (or at such other address as a party may specify by notice given pursuant to this Section to the other party):

Section 4. Rents. The Grantee hereby represents, covenants and agrees, during the Term of this Agreement, that:

(a) The maximum initial approved rental rates for this Project are set forth in the attached Appendix 1.

(b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, Grantee or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. (d) Grantee further agrees that it will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.

(f) Grantee agrees that the unit shall meet the energy efficiency standards promulgated by the Secretary of the HUD, the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.

(g) County and Grantee agree that rents may increase as median income increases as published by HUD with the prior approval of County, provided, that at no time shall the Grantee's management fee and expenses attributed to the Grantee for managing the Project exceed \_\_\_\_\_ percent (\_\_\_\_%) of the cash flow. Any other adjustments to rents will be made only if County (and HUD if applicable), in its sole and absolute discretion, find any adjustments necessary to support the continued financial viability of the Project and only by an amount that the County (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Grantee will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of the Project, excluding the management fee attributed to the Grantee for managing the Project. Within sixty (60) days of receipt of such documentation, the County will approve or deny, as the case may be, in its sole and absolute discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in median annual income. In no event, however, will any increase directly proportional to an increase in median annual income be denied.

(h) The County shall have the right to review the Grantee's reports and conduct any further reasonable inspection of Grantee's records to confirm the information as being correct and that the Grantee is acting according to all of the terms and conditions of this Agreement. Additionally, the Grantee shall be subject to a fee equal to 1.5% of the Grant, payable to the County, for the time required by the County to perform this (these) reviews and inspections. This fee can either be paid in full at closing of the Funding Agreement or annually over the 30 year term of this Rental Regulatory Agreement.

Section 5. Indemnification. The Grantee hereby covenants and agrees that the provisions of Section 12 of the Development and Grant Agreement relating to the Grantee's indemnity obligations apply to any violations by the Grantee of this Agreement and to any suites, claims etc. by third parties against the County arising out of this Agreement and/or the Project.

Section 6. Reliance. The County and the Grantee hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality

and validity of the Grant and the completion of the Project as affordable residential rental housing. In performing their duties and obligations under this Agreement, the County may rely upon statements and certificates of the Grantee and tenants believed to be genuine and to have been executed by the proper purported person or persons, and upon audits of the books and records of the Grantee pertaining to occupancy of the Project. In addition, the County may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the County in good faith and in conformity with the opinion of such counsel.

Section 7. Project Within the County Limits. The Grantee hereby represents and warrants that the Project is located entirely within the limits of the County.

Section 8. Sale and Conveyance of Project. (a) The Grantee shall not sell, transfer or encumber the Project, in whole or in part, without the prior written consent of the County, which consent shall be given promptly provided that (i) the Grantee shall not be in Default hereunder, (ii) the continued operation of the Project as Residential Rental Housing, (iii) the subsequent purchaser or assignee shall execute any document requested by the County, to acknowledge that it holds title to the Project subject to the covenants and obligations contained in this Agreement, (iv) the purchaser and assignee shall have first executed a document in recordable form addressed to the County to the effect that such purchaser or assignee will comply with the terms and conditions of this Agreement, and (v) such other conditions as may be reasonable under the circumstances. In the event that the purchaser or assignee shall assume the obligations of the Grantee under this Rental Regulatory Agreement to the satisfaction of the County, Grantee may be released from its obligations under this Agreement.

Notwithstanding anything contained herein, the consent of the County shall not be required for (i) the removal of the general partner of the Grantee and the replacement thereof pursuant to Grantee's governing documents (as amended), (ii) the transfer by any limited partner of the Grantee of a partnership interest in Grantee, or (iii) easements necessary for the construction or operation of the Project and granted in the ordinary course of business.

Section 9. Enforcement. If the Grantee Defaults in the performance of its obligations under this Agreement or breaches any covenant, agreement or warranty of the Grantee set forth in this Agreement, and if such Default remains uncured for a Period of 30 days after notice shall have been given by the County to the Grantee (or for an extended period, if such Default stated in such notice can be corrected, but not within such 30-day period, and if the Grantee commences such correction within such 30-day period, and thereafter diligently pursues the same to completion within such extended period), then the County may take such action at law or in equity, as is necessary in order to obtain specific performance of any covenant or other obligation of the Grantee in this Agreement in addition to the remedies afforded the County in the Development and Grant Agreement including the recoupment of all or a portion of the Grant.

Section 10. Recording and Filing; Covenants to Run With the Land. Upon execution and delivery by the parties to this Agreement, the Grantee shall cause this Agreement and all amendments and supplements to be recorded and filed in the official public deed records of the County and in such manner and in such other places as the County may reasonably request, and shall pay all fees and charges incurred in connection with such recording. This Agreement and its covenants shall run with the land and shall

bind, and the benefits shall inure to, respectively, the Grantee and the County and their respective successors and assigns during the Term of this Agreement.
