Small Business Development's (SBD's) History of Violation's report lists three closed violations for this contractor.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are Raul Gonzalez and Lucrecia Gonzalez and the Company's address is listed as 1955 NW 110 Avenue, Miami, Florida 33172.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. The responsible staff person for all PTP projects in PWD is PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWD continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting (MCC) process available under the MCC 7360 Program. Through this process, PWD forwards the Request for Proposal Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project award evaluation is based upon the lowest bid submitted by the responsive, responsible bidder for the project.

The SBD Review Committee met and recommended a 10 percent Community Small Business Enterprise subcontractor goal based on the project's scope of work and cost estimate of \$879,000. In addition, the Community Workforce Program (CWP) has been established for this project as several work locations fall within a Designated Target Area and are subject to a 13 percent CWP Goal. Subsequently, PWD forwarded RPQ 20110036 for the Roadway Resurfacing Contract, utilizing the OCI contract MCC 7360 Plan, to a list of 55 pre-registered firms. A total of five firms purchased contract documents and all five firms proffered a bid.

H & R Paving, Inc. proffered the lowest responsive, responsible base bid of \$848,832.09, four percent below the County's cost estimate. The second lowest bidder, General Asphalt Co., Inc. proffered a base bid of \$872,184.23, six percent over the lowest bidder; while the third lowest bidder, H & J Asphalt, Inc., proffered a base bid of \$923,740.90, eight percent over the second lowest bidder. Based on the results of the solicitation, PWD issued a recommendation of award on June 24, 2011 for RPQ No. 20110036 to H & R Paving, Inc., with the stipulation that approval of this project must be obtained from the CITT and the BCC in accordance with PTP guidelines.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for roadway resurfacing improvements. The work includes clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additional work to be performed includes milling of existing pavement, resurfacing of the full roadway, the widening and resurfacing of intersecting streets, and resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to the edge of the pavement, if necessary.

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.
