SUBJECT: Resolution accepting conveyances of

The accompanying resolution was prepared by the Public Works and Waste Management Department placed on the agenda at the request of Prime Sponsor Vice Chairwoman Audrey M. Edmonson.

Date: November 15, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Accepting Conveyances of Various Properties Interests for Road Purposes to Miami-Dade County, Florida

Recommendation

The attached instruments are being forwarded in one (1) Resolution for Commission acceptance.

Scope

The properties being conveyed are located within various Commission Districts and are thereby listed individually below.

Fiscal Impact/Funding Source

The fiscal impact as a result of these conveyances for various properties being accepted would be approximately \$785 annually for maintenance costs associated with the subject rights-of-way being included to the Public Works Department inventory. These costs will be funded through the Department's General Fund allocation. The requirement on the conveyance from CEMEX, (Grantor No. 4) to build the railroad crossing at NW 12 Street and 137 Avenue and to improve NW 137 Avenue within three years of acceptance by the Miami-Dade County has been fulfilled by the property owner abutting the east side of NW 137 Avenue, therefore with the exception of the aforementioned maintenance costs, no additional obligations by Miami-Dade County are required.

Track Record/Monitor

Not Applicable.

Background

These right-of-way dedications are being obtained to fulfill various zoning and land development requirements. Each individual site is listed below outlining the specific requirement for each site.
