## Recommendation

It is recommended that the Board of County Commissioners (BCC) grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Planning and Zoning, Public Works, Water and Sewer and Fire Rescue have no objection to this right-of-way being closed.

## Scope

This road closing is located within Commission District 8.

## Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$50,000.00 per acre. Therefore, the estimated value of this right-of-way would be approximately \$18,940.00. If this right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$387.00 per year in additional property taxes. The fee for this road closing is \$2,694.00.

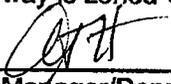

## Track Record/Monitor

The Public Works Department (PWD) is the entity overseeing this project and the person responsible for monitoring is Mr. Luis Lacau, PLS, Section Head, PWD Right-of-Way Division.

## Background

The petitioners, Syed Kazim and Dahirys Rodríguez, wish to close the right-of-way for Ali Cogia Circle, from SW 213 Street to SW 214 Street, in order to incorporate the land into their property. The right-of-way being closed has never been improved nor maintained by Miami-Dade County. Therefore, this action will not adversely impact traffic flow or continuity of traffic in the area.

The subject right-of-way was dedicated in 1925, by the plat of ALADDIN CITY, recorded in Plat Book 23, Page 5, of the Public Records of Miami-Dade County, Florida. The subject right-of-way is zoned GU (Interim District).

  
County Manager/Deputy Mayor

Note: The Clerk is directed to publish notice of a public hearing on a Road Closing Petition in a newspaper of general circulation in Miami-Dade County, one (1) time, at least two (2) weeks prior to the date of said public hearing in conformity with the statutory requirements.
