Track Record/Monitor

There are no known performance issues with the vendors recommended for award in the Competitive Contract Modifications Package. Each department's contract manager is reflected in the Competitive Contract Modifications Package.

under RFQ97, Police Towing and which are recommended for this contract. These issues have been successfully closed out or corrected.

Westbrook Motors, Inc

While conducting a site inspection due to the sale of the company, the Miami-Dade Police Department discovered that Westbrook did not have sufficient inside storage space to comply with requirements of the County contract. Westbrook had an agreement with the City of Hialeah that required the same amount of inside storage spaces as the County contract. The City of Hialeah relinquished Westbrook from their agreement after the new owners agreed that the inside storage space was to be used solely by Miami-Dade County.

Kauff's of Miami, Inc.

MDPD issued a warning to the vendor for several violations including overcharging citizens \$13.50 in towing charges per citation. Additionally, the vendor did not issue certified mail to violators as required, creating a delay in issuance of owner notification letters. The vendor acknowledged the violations and issued refunds to the citizens that were overcharged.

A-1 Redland Economy Towing

MDPD issued a warning to the vendor for overcharging citizens for citations issued. The overcharges totaled \$127.00. The vendor acknowledged the violations and issued refunds to the citizens that were overcharged.
