

Memorandum

Date: December 6, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: FY 2011-12 Contract with Miami-Dade County and the State of Florida
Department of Health to Provide Public Health Services to the Miami-Dade
County Residents

Agenda Item No. 8(G)(1)

This item was amended at the November 8, 2011 Internal Management and Fiscal Responsibility Committee to correct the ownership of the vehicles on page 7 of the attached agreement and to correct an error in the memo to include the AIDS Drug Assistance Program as an indirect contribution from the state.

Recommendation

It is recommended that the Board approve the attached resolution retroactively authorizing the execution of the agreement between Miami-Dade County and the State of Florida Department of Health (DOH) for one year, from October 1, 2011 to September 30, 2012. The resolution authorizes Miami-Dade County to provide \$1,204,767 in program support to the State of Florida DOH for public health services to Miami-Dade County residents.

Scope

This agreement provides for public health services to Miami-Dade County residents countywide.

Fiscal Impact/Funding Source

The FY 2011-12 contract identifies total program cost of \$69,943,761 (Attachment II, page 18) including indirect/in-kind support and contributions by the state (\$56,273,594) and a direct local County Contribution of (\$1,204,767), and other local contribution (\$12,465,400) to the state Public Health Trust Fund maintained by the State Treasurer (See Attachment II, page 17). Additionally, the contract delineates the public health services to be provided by each unit and the corresponding staff and service measures (see Attachment II, Part III).

The state's cash contribution totals \$56,273,594 (Attachment II, page 18) consisting of state and federal revenues (\$52,883,172), state-authorized fees (\$1,992,576) and other miscellaneous revenues (\$1,397,846).

The County's cash contribution totals \$1,204,767 (Attachment II, page 16) consisting of \$1,130,909 from the Public Health Trust (PHT), and \$73,858 from the Community Development Block Grant (CDBG) (see Attachment II, Section 9, page 16). The CDBG funding is used for the Immunization Program. The DOH can elect a re-appropriate funding among the different programs with prior contract officer approval, if necessary. The PHT's reimbursement methodology and monitoring requirements are detailed under separate agreements between the PHT and DOH.

The other local cash contribution totals \$12,465,400 of which \$5,000,000 is ARRA grant Federal Funding awarded from CDC to the Miami-Dade County Health Department for Chronic Disease Prevention and Education (Attachment II, Section 11, page 18). The remainder consists of fees assessed for DOH health services new birth and death certificates, environmental health and communicable disease services, carryover funds held in the state Public Health Trust Fund, Medicare payments, and private cash donations.

Pursuant to state law, the Board of County Commissioners is responsible for approving the DOH revised fee schedule (see Attachment VII). However, no changes in service fees are recommended in this document. Furthermore, communicable disease and primary care fees are automatically adjusted to at least the Medicaid reimbursement rate without formal amendment to this contract in accordance with Section 154.06, Florida Statutes, should such reimbursement be increased or decreased. Other state indirect contributions not reflected in the trust fund budget include immunization; AIDS Drug Assistance Program (ADAP); and the Women, Infant and Children (WIC) food program totaling \$78,249,653 (Attachment II, page 16).

Although not mandated by State Statute, Miami-Dade County agrees to provide building space and insurance coverage for County-owned buildings, furnishings and equipment used by the DOH. It is the responsibility of the DOH to obtain insurance coverage for any buildings, furnishings, and equipment used by the agency but not owned by Miami-Dade County. The DOH is responsible for the construction, maintenance, repair and improvements of all buildings as well as for providing utilities, janitorial and custodial services. In addition, the DOH must maintain facilities in compliance with all federal, state, and local regulatory requirements, including the American with Disabilities Act (see Attachment VIII).

Track Record/Monitor

The DOH and the County agree to comply with federal and state laws and regulations and maintain books, records, and documents in accordance with accounting procedures and practices. In addition, the DOH must adhere to State of Florida purchasing rules and regulations but may purchase goods and services through the County when feasible.

Background

Chapter 154, Florida Statutes requires that the DOH enter into a contract (attached) with each county. This contract provides for the Miami-Dade County Department of Health to promote public health, including environmental health services, to control for and eradicate preventable diseases, and to provide care to special populations. This contract format is prescribed by the state, and it establishes a basic legal framework for shared responsibilities between the state DOH and Miami-Dade County. This relationship has evolved over the years from a county-managed Public Health Unit to a large state agency operated entirely by the DOH.

Either party may terminate the agreement without cause upon any less than 180 calendar days notice in writing to the other party. Either party, upon no less than 30 days notice, may terminate the agreement if the other party fails to perform an obligation under the contract. In the event funds to finance this contract become unavailable, either party may terminate the contract upon no less than 24 hours notice in writing to the other party. Staffing and services may be reduced based on the availability of funds.

This agreement ("Agreement") is made and entered into between the State of Florida, Department of Health ("State") and the Miami-Dade County Board of County Commissioners ("County"), through their undersigned authorities, effective October 1, 2011.

RECITALS

A. Pursuant to Chapter 154, F.S., the intent of the legislature is to "promote, protect, maintain, and improve the health and safety of all citizens and visitors of this state through a system of coordinated county health department services."

B. County Health Departments were created throughout Florida to satisfy this legislative intent through "promotion of the public's health, the control and eradication of preventable diseases, and the provision of primary health care for special populations."

C. Miami-Dade County Health Department ("CHD") is one of the County Health Departments created throughout Florida. It is necessary for the parties hereto to enter into this Agreement in order to assure coordination between the State and the County in the operation of the CHD.

NOW THEREFORE, in consideration of the mutual promises set forth herein, the sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. RECITALS. The parties mutually agree that the forgoing recitals are true and correct and incorporated herein by reference.

2. TERM. The parties mutually agree that this Agreement shall be effective from October 1, 2011, through September 30, 2012, or until a written agreement replacing this Agreement is entered into between the parties, whichever is later, unless this Agreement is otherwise terminated pursuant to the termination provisions set forth in paragraph 8, below.

3. SERVICES MAINTAINED BY THE CHD. The parties mutually agree that the CHD shall provide those services as set forth on Part III of Attachment II hereof, in order to maintain the following three levels of service pursuant to Section 154.01(2), Florida Statutes, as defined below:

a. "Environmental health services" are those services which are organized and operated to protect the health of the general public by monitoring and regulating activities in the environment which may contribute to the occurrence or transmission of disease.

7

Environmental health services shall be supported by available federal, state and local funds and shall include those services mandated on a state or federal level. Examples of environmental health services include, but are not limited to, food hygiene, safe drinking water supply, sewage and solid waste disposal, swimming pools, group care facilities, migrant labor camps, toxic material control, radiological health, and occupational health.

b. "Communicable disease control services" are those services which protect the health of the general public through the detection, control, and eradication of diseases which are transmitted primarily by human beings. Communicable disease services shall be supported by available federal, state, and local funds and shall include those services mandated on a state or federal level. Such services include, but are not limited to, epidemiology, sexually transmissible disease detection and control, HIV/AIDS, immunization, tuberculosis control and maintenance of vital statistics.

c. "Primary care services" are acute care and preventive services that are made available to well and sick persons who are unable to obtain such services due to lack of income or other barriers beyond their control. These services are provided to benefit individuals, improve the collective health of the public, and prevent and control the spread of disease. Primary health care services are provided at home, in group settings, or in clinics. These services shall be supported by available federal, state, and local funds and shall include services mandated on a state or federal level. Examples of primary health care services include, but are not limited to: first contact acute care services; chronic disease detection and treatment; maternal and child health services; family planning; nutrition; school health; supplemental food assistance for women, infants, and children; home health; and dental services.

4. FUNDING. The parties further agree that funding for the CHD will be handled as follows:

a. The funding to be provided by the parties and any other sources are set forth in Part II of Attachment II hereof. This funding will be used as shown in Part I of Attachment II.

i. The State's appropriated responsibility (*direct contribution excluding any state fees, Medicaid contributions or any other funds not listed on the Schedule C*) as provided in Attachment II, Part II is an amount not to exceed \$ 41,883,172 (*State General Revenue, State Funds, Other State Funds and Federal Funds listed on the Schedule C*). The State's obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.

ii. The County's appropriated responsibility (*direct contribution excluding any fees, other cash or local contributions*) as provided in Attachment II, Part II is an amount not to exceed \$ 1,204,767 (*amount listed under the "Board of County Commissioners Annual Appropriations section of the revenue attachment*).

b. Overall expenditures will not exceed available funding or budget authority, whichever is less, (either current year or from surplus trust funds) in any service category. Unless requested otherwise, any surplus at the end of the term of this Agreement in the

County Health Department Trust Fund that is attributed to the CHD shall be carried forward to the next contract period.

c. Either party may establish service fees as allowed by law to fund activities of the CHD. Where applicable, such fees shall be automatically adjusted to at least the Medicaid fee schedule.

d. Either party may increase or decrease funding of this Agreement during the term hereof by notifying the other party in writing of the amount and purpose for the change in funding. If the State initiates the increase/decrease, the CHD will revise the Attachment II and send a copy of the revised pages to the County and the Department of Health, Bureau of Budget Management. If the County initiates the increase/decrease, the County shall notify the CHD. The CHD will then revise the Attachment II and send a copy of the revised pages to the Department of Health, Bureau of Budget Management.

e. The name and address of the official payee to who payments shall be made is:

County Health Department Trust Fund
Miami-Dade County
8175 NW 12th ST
Miami, FL 33126

5. CHD DIRECTOR/ADMINISTRATOR. Both parties agree the director/administrator of the CHD shall be a State employee or under contract with the State and will be under the day-to-day direction of the Deputy State Health Officer. The director/administrator shall be selected by the State with the concurrence of the County. The director/administrator of the CHD shall insure that non-categorical sources of funding are used to fulfill public health priorities in the community and the Long Range Program Plan. A report detailing the status of public health as measured by outcome measures and similar indicators will be sent by the CHD director/administrator to the parties no later than October 1 of each year (*This is the standard quality assurance "County Health Profile" report located on the Office of Planning, Evaluation & Data Analysis Intranet site*).

6. ADMINISTRATIVE POLICIES AND PROCEDURES. The parties hereto agree that the following standards should apply in the operation of the CHD:

a. The CHD and its personnel shall follow all State policies and procedures, except to the extent permitted for the use of county purchasing procedures as set forth in subparagraph b., below. All CHD employees shall be State or State-contract personnel subject to State personnel rules and procedures. Employees will report time in the Health Management System compatible format by program component as specified by the State.

b. The CHD shall comply with all applicable provisions of federal and state laws and regulations relating to its operation with the exception that the use of county purchasing procedures shall be allowed when it will result in a better price or service and no statewide Department of Health purchasing contract has been implemented for those goods or services. In such cases, the CHD director/administrator must sign a justification therefore, and all county-purchasing procedures must be followed in their entirety, and such

compliance shall be documented. Such justification and compliance documentation shall be maintained by the CHD in accordance with the terms of this Agreement. State procedures must be followed for all leases on facilities not enumerated in Attachment IV.

c. The CHD shall maintain books, records and documents in accordance with those promulgated by the Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB), and the requirements of federal or state law. These records shall be maintained as required by the Department of Health Policies and Procedures for Records Management and shall be open for inspection at any time by the parties and the public, except for those records that are not otherwise subject to disclosure as provided by law which are subject to the confidentiality provisions of paragraph 6.i., below. Books, records and documents must be adequate to allow the CHD to comply with the following reporting requirements:

- i.* The revenue and expenditure requirements in the Florida Accounting System Information Resource (FLAIR).
- ii.* The client registration and services reporting requirements of the minimum data set as specified in the most current version of the Client Information System/Health Management Component Pamphlet;
- iii.* Financial procedures specified in the Department of Health's Accounting Procedures Manuals, Accounting memoranda, and Comptroller's memoranda;
- iv.* The CHD is responsible for assuring that all contracts with service providers include provisions that all subcontracted services be reported to the CHD in a manner consistent with the client registration and service reporting requirements of the minimum data set as specified in the Client Information System/Health Management Component Pamphlet.

d. All funds for the CHD shall be deposited in the County Health Department Trust Fund maintained by the state treasurer. These funds shall be accounted for separately from funds deposited for other CHDs and shall be used only for public health purposes in Miami-Dade County.

e. That any surplus/deficit funds, including fees or accrued interest, remaining in the County Health Department Trust Fund account at the end of the contract year shall be credited/debited to the state or county, as appropriate, based on the funds contributed by each and the expenditures incurred by each. Expenditures will be charged to the program accounts by state and county based on the ratio of planned expenditures in the core contract and funding from all sources is credited to the program accounts by state and county. The equity share of any surplus/deficit funds accruing to the state and county is determined each month and at contract year-end. Surplus funds may be applied toward the funding requirements of each participating governmental entity in the following year. However, in each such case, all surplus funds, including fees and accrued interest, shall remain in the trust fund until accounted for in a manner which clearly illustrates the amount

which has been credited to each participating governmental entity. The planned use of surplus funds shall be reflected in Attachment II, Part I of this contract, with special capital projects explained in Attachment V.

f. There shall be no transfer of funds between the three levels of services without a contract amendment unless the CHD director/administrator determines that an emergency exists wherein a time delay would endanger the public's health and the Deputy State Health Officer has approved the transfer. The Deputy State Health Officer shall forward written evidence of this approval to the CHD within 30 days after an emergency transfer.

g. The CHD may execute subcontracts for services necessary to enable the CHD to carry out the programs specified in this Agreement. Any such subcontract shall include all aforementioned audit and record keeping requirements.

h. At the request of either party, an audit may be conducted by an independent CPA on the financial records of the CHD and the results made available to the parties within 180 days after the close of the CHD fiscal year. This audit will follow requirements contained in OMB Circular A-133 and may be in conjunction with audits performed by county government. If audit exceptions are found, then the director/administrator of the CHD will prepare a corrective action plan and a copy of that plan and monthly status reports will be furnished to the contract managers for the parties.

i. The CHD shall not use or disclose any information concerning a recipient of services except as allowed by federal or state law or policy.

j. The CHD shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of five (5) years after termination of this Agreement. If an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings.

k. The CHD shall maintain confidentiality of all data, files, and records that are confidential under the law or are otherwise exempted from disclosure as a public record under Florida law. The CHD shall implement procedures to ensure the protection and confidentiality of all such records and shall comply with sections 384.29, 381.004, 392.65 and 456.057, Florida Statutes, and all other state and federal laws regarding confidentiality. All confidentiality procedures implemented by the CHD shall be consistent with the Department of Health Information Security Policies, Protocols, and Procedures, dated April 2005, as amended, the terms of which are incorporated herein by reference. The CHD shall further adhere to any amendments to the State's security requirements and shall comply with any applicable professional standards of practice with respect to client confidentiality.

l. The CHD shall abide by all State policies and procedures, which by this reference are incorporated herein as standards to be followed by the CHD, except as otherwise permitted for some purchases using county procedures pursuant to paragraph 6.b. hereof.

m. The CHD shall establish a system through which applicants for services and current clients may present grievances over denial, modification or termination of services. The CHD will advise applicants of the right to appeal a denial or exclusion from services, of failure to take account of a client's choice of service, and of his/her right to a fair hearing to the final governing authority of the agency. Specific references to existing laws, rules or program manuals are included in Attachment I of this Agreement.

n. The CHD shall comply with the provisions contained in the Civil Rights Certificate, hereby incorporated into this contract as Attachment III.

o. The CHD shall submit quarterly reports to the county that shall include at least the following:

i. The DE385L1 Contract Management Variance Report and the DE580L1 Analysis of Fund Equities Report;

ii. A written explanation to the county of service variances reflected in the DE385L1 report if the variance exceeds or falls below 25 percent of the planned expenditure amount. However, if the amount of the service specific variance between actual and planned expenditures does not exceed three percent of the total planned expenditures for the level of service in which the type of service is included, a variance explanation is not required. A copy of the written explanation shall be sent to the Department of Health, Bureau of Budget Management.

p. The dates for the submission of quarterly reports to the county shall be as follows unless the generation and distribution of reports is delayed due to circumstances beyond the CHD's control:

- i. March 1, 2012 for the report period October 1, 2011 through December 31, 2011;

WITNESSETH:

That LANDLORD, for and in consideration of the restrictions and covenants herein contained, hereby leases to TENANT and TENANT hereby agrees to lease from LANDLORD the premises described as follows:

Various locations enumerated in Attachment IV and made a part hereto, all of which are Miami-Dade County owned buildings located in Miami-Dade County, Florida.

TO HAVE AND TO HOLD unto said TENANT the term of the Core Contract for and at an annual rent of One dollar and No/100 (\$1.00), for each and every location being used by the TENANT, with the exception of the Seven Hundred (700) square feet used at a \$25/SQF rate in the PIC Center, for the original term of the Lease, c/o General Services Administration, 111 N.W. If the damage shall be so extensive as to render such premises unusable for the purposes intended, but capable of being repaired within thirty (30) days, the damage shall be repaired with due diligence by TENANT from the proceeds of the insurance coverage policy and/or at its own cost and expense. In the event that said premises are completely destroyed due to TENANT's negligence, TENANT shall repair and reconstruct the premises so that they equal the condition of the premises on the date the premises was destroyed. MIAMI-DADE COUNTY Required Provisions

- A. Indemnification by State. The State is a state agency or political subdivision as defined in Chapter 768.28, Florida Statutes, and agrees to be fully responsible for acts and/or omissions of its agents and/or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by a state agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of this contract or any other contract.
- B. Breach of Contract. (1) A breach by the State shall have occurred under this contract if the State fails to meet the terms and conditions of any obligation under any contract or otherwise or any repayment schedule to the County or any agencies or instrumentalities. (2) If, for any reason, the State should attempt to meet its obligations under this Agreement through fraud, misrepresentation or material misstatement the County shall, whenever practicable terminate this Agreement by giving written notice to the State of such termination and specifying the effective date thereof at least five (5) days before the effective date of such termination. The County may terminate or cancel any other contracts which such individual or entity has with the County. Such individual or entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees. Any individual or entity who attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be disbarred from county contracting for up to five (5) years.

Any contract entered into based upon a false affidavit shall be voidable by the County. If the State violates any of the Acts during the term of any Contract the Provider has with the County, such Contract shall be voidable by the County, even if the State was not in violation at the time it submitted its affidavit.

The State agrees that it is in compliance with the Domestic Violence Leave, codified as 11A-60 et. seq. of the Miami-Dade County Code, which requires an employer, who in the regular course of business has fifty (50) or more employees working in Miami-Dade County for each working day during each of twenty (20) or more calendar work weeks to provide domestic violence leave to its employees.
