Agenda Item No. 8(M)(7)

Recommendation

The attached Contract Award Recommendation for the People's Transportation Plan (PTP) project entitled *Pavement Markings Installation - Countywide* (Project MCC 7040 Plan - CICC 7040-0/07 Request for Price Quotation (RPQ) No. 20110142) in the amount of \$293,999.92 to P & J Striping, Inc. was prepared by the Public Works and Waste Management Department (PWWM) and is recommended for approval by the Board of County Commissioners (BCC).

Proceeds from the Charter County Transportation System Sales Surtax (Surtax) will be used to fund this project; therefore, review by the Citizens' Independent Transportation Trust (CITT) is required before final approval by the BCC.

Scope

The work to be performed under the life of this contract includes pavement marking installations at various locations within Miami-Dade County.

Fiscal Impact/Funding Source

The fiscal impact will be approximately \$293,999.92 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. The base contract amount is \$249,999.93, with the total amount being inclusive of contingency and dedicated allowances. The funding index code for this project is CPEPTP00PAVM.99125, as programmed within the adopted FY 2010-11 Capital Budget. There are no recurring operating or maintenance costs anticipated with the Contract.

Delegation of Authority

No additional authority is being requested within the body of this contract.

Track Record/Monitor

P & J Striping, Inc. is currently performing work for PWWM at a satisfactory level as reported by the Project Manager. PWWM has reviewed the Capital Improvements Information System (CIIS) database and found two awarded construction contracts, both from PWWM. Additionally, the referenced database also lists a total of two contractor performance evaluations with an overall performance rating of satisfactory performance (3.5) out of a possible superior performance (4.0) rating. The Sustainability, Planning and Economic Enhancement Department's (SPEED) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, P & J Striping, Inc., Company Principals are Pedro A. Bermudez and Jackeline M. Bermudez and the Company's address is listed as 5120 SW 159 Avenue, Miami, Florida 33185.

Following PWWM's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. The responsible staff person for PTP projects in PWWM is Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting (MCC) process available under the MCC 7040 Program. Through this process, PWWM forwards a RPQ, by way of facsimile transmission, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels I, II, and III). In addition, a Community Workforce Program Goal of 13.9 percent has been established for this project as several work locations fall within a Designated Target Area.

On September 16, 2011, PWWM forwarded RPQ No. 201100142 for the Pavement Markings Installation Contract, utilizing the MCC 7040 Plan, to a list of 236 pre-qualified firms. A total of four firms purchased contract documents and two firms proffered a bid. On October 19, 2011, P & J Striping, Inc. proffered the lowest responsive, responsible base bid of \$249,999.93, seventeen percent below the County's cost estimate; and the second lowest bidder, Highway Striping, Inc. proffered a base bid of \$259,293.20, four percent over the lowest bidder. Based on the results of the solicitation, PWWM issued a Recommendation for Award on October 26, 2011 for RPQ No. 20110142 to P & J Striping, Inc. with the stipulation that approval for this project must be obtained from the CITT and the BCC in accordance with PTP guidelines.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor (including cleaning and preparation), required materials, equipment and tools to perform all operations necessary for pavement markings and signage improvements. This work includes marking and remarking of existing streets and bike lanes at designated sites within the Miami-Dade County maintenance road system.

People's Transportation Plan (PTP) Pavement Markings Installation

Mr. Bermudez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, October 19, 2011. The total RPQ amount is two hundred ninety-three thousand nine hundred ninety-nine dollars and ninety-two cents (\$293,999.92). The contract duration is established as 365 calendar days. However, the recommendation for award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7040 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11 **PERFORMANCE AND PAYMENT BOND**. (The original attached documents must be used and three (3) sets must be provided).

Dear Mr. Bermudez:

Your firm is the apparent low bidder on the referenced Project. The bid proffered, consisting of a bid amount of \$249,999.93, is substantially lower than the Project's estimated value. Over the past year, the thermoplastic Paint Industry and the local striping contractors have been affected by the worldwide shortage of raw materials for traffic marking coatings and thermoplastic projects. As such, before proceeding with an award recommendation, we need a written confirmation that your firm can complete this project for the proposed bid amount, complete the work on schedule in accordance with the RPQ and the Contract Documents, and comply with the requirements of the Bid Bond.

Please provide your confirmation of your bid prices by signing in the space provided below and providing an executed copy of this correspondence to the Contracts and Specifications Section, PWWM, 111 NW 1st Street, 14th Floor, Miami, Florida 33128-1917 or fax to (305) 375-2931 no later than close of business Thursday, October 27, 2011.

Should you have any questions, please contact me at (305) 375-2930.

Sincerely,

Frank Alra, P.E., CFM

I,  agree with the bid proffered on October 19, 2011.
