SBD HISTORY OF VIOLATIONS:	None
EXPLANATION:	A Notice to Professional Consultants (NTPC) was advertised on July 22, 2011. Twelve proposals were received on August 22, 2011, in response to the NTPC. All twelve respondents were found in compliance with the NTPC requirements and the top three ranked firms were forwarded to the Sustainability, Planning, and Economic Enhancement Department (SPEED) for review and found in compliance with the Community Business Enterprise goal established for this solicitation. The Competitive Selection Committee (CSC) appointed by the Mayor conducted a First Tier Meeting on September 15, 2011 to evaluate the proposals received. All twelve firms were evaluated in accordance with Section 2-10.4 of the Miami-Dade County Code and Implementing Order 3-34. The final qualitative rankings for the top three firms were as follows: Firm No. 1, Camp Dresser & McKee Inc. received 435 points; Firm No. 2, AMEC E&I, Inc. received 433 points; and Firm No. 3, CH2M Hill, Inc. received 431 points. Ordinance 10-23 amended Section 2-10.4 of the Miami-Dade County Code whereby the total qualitative points for each respondent for each CSC is converted to an ordinal score. The ordinal scores for each firm are then totaled.

Pursuant to Implementing Order 3-34 the highest and lowest ordinal score for each firm in the First Tier evaluation are dropped. After dropping the highest and lowest ordinal score for each firm, ordinal scores are totaled to yield a final ordinal ranking. The final ordinal rankings for the top three firms were as follows: Firm No. 1, Camp Dresser & McKee Inc. received 8 points; Firm No. 2, CH2M Hill, Inc. received 8 points; and Firm No. 3, Malcolm Pirnie, Inc. received 12 points. There was a total ordinal score tie for first place between Camp Dresser & McKee Inc. and CH2M Hill, Inc.

In accordance with Administrative Order 3-39, the tiebreaker utilized to break the tie for first place was the total qualitative points for Criteria 1A – Qualifications of firms including team members associated to the project. The qualitative points for Camp Dresser & McKee Inc., was 225 points and 220 points for CH2M Hill, Inc., resulting in a first place ranking for Camp Dresser & McKee Inc., and a second place ranking for CH2M Hill, Inc.

Based on the CSC's professional expertise, the information provided in the proposals was deemed sufficient to determine the qualifications of the teams. As a result of said determination, and by a unanimous vote, the CSC decided to forego Second-Tier proceedings and recommended that negotiations be conducted with Camp Dresser & McKee Inc. The Mayor concurred with the CSC and on October 21, 2011, the first and only negotiation meeting was held.

After negotiations were concluded, the Negotiation Committee arrived at a schedule of rates that was fair and reasonable to provide professional environmental and engineering services for the Port of Miami. There are twenty-four evaluations on record in the Capital Improvement Information System for Camp Dresser & McKee Inc. with an above average rating of 3.7 points out of a total 4.0 possible points. Based on the above, it is recommended that this agreement be awarded in the not to exceed amount of $1,500,000.00 to Camp Dresser & McKee Inc.

H. Make no statements, press releases or publicity releases concerning this Agreement or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of this Agreement, without first notifying the COUNTY and securing its consent in writing. The CONSULTANT also agrees that it shall not publish, copyright, or patent any of the data furnished in compliance with this Agreement, that being understood that under SECTION X – OWNERSHIP OF DOCUMENTS hereof such data or information is the property of the COUNTY.

SECTION III – TIME FOR COMPLETION

The services to be rendered by the CONSULTANT for each section of the work shall commence upon receipt of a written Work Order from the Director subsequent to the execution of this Agreement, and shall be completed within the time stated in the Work Order.

A reasonable extension of time shall be granted in the event there is a delay on the part of the COUNTY in fulfilling its part of the Agreement or should a Force Majeure, as defined in Section IV hereof, render performance of the CONSULTANT's duties impossible. Such extensions of time shall not be cause for any claim by the CONSULTANT for extra compensation.

SECTION IV– FORCE MAJEURE

Force Majeure shall mean an act of God, epidemic, lightning, earthquake, fire, explosion, hurricane, flood or similar occurrence, strike, an act of a public enemy, or blockade, insurrection, riot, general arrest or restraint of government and people, civil disturbance or similar occurrence, which has had or may reasonably be expected to have a material adverse effect on the rights and obligations under this Agreement, and which, by the exercise of due diligence, such parties shall not have been able to avoid. Such acts or events DO NOT INCLUDE inclement weather (except as noted above) or the acts or omissions of sub-consultants/subcontractors, third-party consultants/contractors, material men, suppliers, or their subcontractors, unless such acts or omissions are otherwise encompassed by the definition set forth above.

No party hereto shall be liable for its failure to carry out its obligations under the Agreement during a period when such party is rendered unable, in whole or in part, by Force Majeure to carry out such obligations, but the obligation of the party or parties relying on such Force Majeure shall be suspended only during the continuance of any inability so caused and for no longer period of said unexpected or uncontrollable event, and such cause shall, so far as possible, be remedied with all reasonable dispatch.

It is further agreed and stipulated that the right of any party hereto to excuse its failure to perform by reason of Force Majeure shall be conditioned upon such party giving, to the other party or parties, written notice of its assertion that a Force Majeure delay has commenced within ten (10) working days after such commencement, unless there exists good cause for failure to give such notice, in which event, failure to give such notice shall not prejudice any party's right to justify any non-performance as caused by Force Majeure unless the failure to give timely notice causes material prejudice to the other party or parties.

SECTION V – COMPENSATION

The COUNTY agrees to pay and the CONSULTANT agrees to accept, for services rendered pursuant to this Agreement, fees and other compensation computed in accordance with one or a combination of the methods outlined below:

A. Fee as a Multiple of Negotiated Fixed Hourly Rates per classification

1. The fee for services rendered by the CONSULTANT's personnel, principals excluded, shall be computed based on the negotiated fixed hourly raw salary rates included in Attachment "A" times negotiated multipliers of **2.8** for Office Personnel and **2.2** for Field Personnel. Office Personnel shall mean personnel that are located in the home offices of the CONSULTANT and or Sub-consultant(s). Field Personnel shall mean personnel that is performing duties outside of the home offices of the CONSULTANT and or Sub-consultant(s), for more than 30 days, but not considered permanent. Also, the home office still provides office space. This fee shall constitute full compensation to the CONSULTANT for costs incurred in the performance of the work such as overhead, fringe benefits, operating margin and all other costs not covered by reimbursable expenses. In no case the maximum rate of compensation including multiples of direct salary shall exceed **$140** per hour for the CONSULTANT and Sub-consultant(s) except as specifically provided herein. The COUNTY has the right to verify these multipliers through an audit.

2. The CONSULTANT and its Sub-consultants shall be compensated at the flat rate of **$110** per hour for the time of principals engaged directly in the work. This rate shall not be subject to the negotiated multiplier and shall be applied to the time spent on requested work by the following principal(s).

The COUNTY reserves the right to substitute principals in its sole discretion upon request by the CONSULTANT.

3. Overtime work considered necessary and previously authorized by the Director in writing shall be compensated at time-and-a-half of the labor rate normally paid to the employee, for personnel below the level of project engineer or project architect, as defined by the Director. Overtime is defined as work in excess of 40 hours per week. Principals shall not receive additional compensation for performance of overtime work.

4. Labor rates shall be in accordance with the list of classifications and rates supplied by the CONSULTANT and its sub-consultants, and made a part hereof as Attachment "A".

5. The CONSULTANT and its sub-consultants shall not invoice the COUNTY for charges for office, rent or overhead expenses of any kind, including but not limited to, insurance, local telephone (including cellular service) and utility charges, office/drafting supplies, depreciation of equipment, professional dues, subscriptions, computer software/hardware, reproduction of drawings and/or specifications, mailing, stenographic, clerical, nor shall it invoice for other employee time or travel and substance not directly related to the work. The multiple factor set forth above shall cover all such costs pertinent to the work.

6. All payments to Sub-consultant(s) employed hereunder shall be the sole responsibility of the CONSULTANT unless otherwise provided for herein or within a Work Order. The CONSULTANT shall not submit invoices, which include charges for services by Sub-consultant(s), unless such services have been performed satisfactorily and the charges are, in the opinion of the CONSULTANT, payable to such Sub-consultant(s). The CONSULTANT shall promptly make all payments to such Sub-consultant(s) following receipt by the CONSULTANT of corresponding payment from the

COUNTY. Prior to any payments to Sub-consultant(s), the CONSULTANT shall, if requested by the Director, furnish to the COUNTY a copy of the agreement(s) providing for such payments. Compensation rate to Sub-consultant(s) authorized by the Director as services shall not exceed the CONSULTANT's rates above unless otherwise approved in advance by the Director.

B. Lump sum Fee

The fee for any requested portion of work may, at the option of the COUNTY, be a lump sum mutually agreed upon by the Director and the CONSULTANT and stated in the written Work Order. Lump sum fees may or may not include reimbursable expenses.

C. Reimbursable Expenses

The CONSULTANT shall be compensated on a direct reimbursement basis for certain work related expenditures not covered by fees for consulting services, provided such expenditures are reasonable and previously authorized by the Director. Reimbursable expenses may include:

1. Expenses for document reproduction (reproduction costs for internal coordination, reviews and other in-house uses will not be reimbursed), rental of specialized equipment, and purchase of special instruments necessary for the efficient performance of the work. Provided that such purchased instruments remain the property of the COUNTY upon work completion. These expenses shall be reimbursed on a direct cost basis. No separate additional payment shall be authorized for the use of CADD workstations (computers).

2. Expenses for travel (except commuting), transportation and subsistence by CONSULTANT's personnel in the furtherance of the work outside Miami-Dade County will be reimbursed according to the provisions of Florida Statutes Section 112.061 and Miami-Dade County Administrative Order 6-1, as presently written or hereafter amended. The CONSULTANT shall obtain prior authorization from the Director or

his/her designee, for all travel expenses. Failure to obtain such prior authorization shall be grounds for nonpayment of travel expenses. To be compensated for travel within Miami-Dade County, the CONSULTANT shall maintain accurate mileage records, in ink, and submit them with their invoices.

D. Maximum Compensation

The maximum compensation for the services included shall be the not to exceed amount of **$1,363,637.00** so long as the performance of additional services, as outlined in Section VI hereof, is not necessary and authorized by the Director. It is understood that any unspent portion of the contract ceiling is to remain with the COUNTY.

E. Compensation for Other Services

The COUNTY shall compensate other services or goods provided by the CONSULTANT and others working in conjunction with the CONSULTANT as stipulated by the following:

1. Land and Engineering Field Survey (If applicable)

In the event supplementary field survey work is required during design of the project and such work is authorized by the Director, the CONSULTANT shall be compensated for performance of said work in accordance with the provisions of Section V(A) hereof. The surveying rates shall not exceed the negotiated rates under the latest Miami-Dade County Public Works contract.

F. COUNTY Discretion to Negotiate

Notwithstanding and prevailing over any other provision of this section, the COUNTY reserves the right in its sole discretion, through the Seaport Director or his designee, to negotiate fees and rates with CONSULTANT, mutually acceptable to COUNTY and CONSULTANT, that are less than those set forth herein for particular projects, including but not limited to lower multiplier and hourly rates.

SECTION VI – ADDITIONAL SERVICES (ALLOWANCE ACCOUNT)

In the event that a contingency necessitates the performance of additional services by the CONSULTANT after the **$1,363,637.00** maximum compensation limit of the Agreement has been encumbered, the Director shall have the right to authorize performance of additional services provided that compensation for such services does not exceed ten percent (10%) of the Agreement's maximum compensation limit or **$136,363.00**. It is understood that any unspent portion of the allowance account is to remain with the COUNTY.

SECTION VII – METHODS OF PAYMENT

The COUNTY agrees to make monthly or partial payments to the CONSULTANT, based on properly submitted invoices, for all authorized work performed during the previous calendar month or other mutually agreed invoicing period. The CONSULTANT agrees to provide with every invoice copies of any records necessary to substantiate payment requests to the COUNTY such as timesheets, detailing the task where the time has been spent, monthly progress reports and hours/cost expenditure reports, in a format acceptable to the COUNTY. The CONSULTANT shall submit duly certified invoices in triplicate to the Director in a form acceptable to the Director. Each invoice shall make reference to the particular Work Order which authorized the services performed and/or expenses incurred. The amount of invoices submitted shall be comprised of the amounts due for all services performed including timesheets and/or reimbursable expenses incurred to date in connection with authorized work, less previous payments.

Pursuant to Administrative Order (A.O.) 3-32 Community Business Enterprise (CBE-A&E) Program and/or A.O. 3-39 for the Resolution Repealing County Administrative Orders 3-33, 3-14 and 3-28 and establishing Administrative Order 3-39 Standard Process for Construction of Capital Improvements, Acquisition of Professional Services, Construction Contracting, Change Orders and Reporting, the CONSULTANT is required to file utilization reports with the Miami-Dade County

contracting department monthly, unless designated otherwise. URs are required to accompany every invoice. The UR should indicate the amount of contract monies received and paid to the CONSULTANT, including payments to Sub-consultant(s) (if applicable). The UR format is attached hereto in Attachment "B". Invoices shall not be considered valid without said form.

Payments shall be made in accordance with the following methods, as identified in the work order:

A. Time and/or Material for Professional Fees and/or Reimbursable Expenses

The amounts due for professional services and/or reimbursable expenses shall be calculated in accordance with Subsections V-A and V-C hereof, respectively. Invoiced reimbursable expenses must be substantiated with copies of receipts and other documentation as necessary.

B. Lump Sum Fee

The amount due of invoices submitted shall be calculated by applying the percentage of the total work completed to date to the authorized lump sum, and subtracting any previous payments.

SECTION VIII – SCHEDULE OF WORK

The Director shall have the sole right to determine on which parts or phases of the work the CONSULTANT shall proceed and in what order. The Work Order(s) issued by the Director shall cover in detail the scope, specific deliverables, time for completion, method of payment and compensation for the professional services requested in connection with each part or phase of work.

SECTION IX – RIGHT OF DECISIONS AND DISPUTE RESOLUTION

All services shall be performed by the CONSULTANT to the reasonable satisfaction of the Director who shall decide all questions, difficulties, and disputes of whatever nature which may arise under or by reason of this Agreement, the prosecution and fulfillment of the services hereunder, and the character, quality, amount and value thereof.

In the event the CONSULTANT and COUNTY are unable to resolve their differences concerning any determination made by staff or any dispute or claim arising under or relating to the Contract, either the CONSULTANT or COUNTY may initiate a dispute in accordance with the procedure set forth in this Section. Exhaustion of these procedures shall be a precondition to any lawsuit permitted hereunder.

The parties to this contract hereby authorize the Seaport Director, functioning as the Contracting Officer or his/her designee, to decide all questions, disputes or claims of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Contract and this decision shall be conclusive, final and binding on the parties, subject only to the limited right of review specified below. The parties hereto further agree that, upon timely request under this Section, both the CONSULTANT and COUNTY are entitled to a hearing before the Contracting Officer, or his/her designee, at which both CONSULTANT and the COUNTY may present evidence and live testimony, in accordance with the Florida Rules of Evidence, and the right to cross-examine each other's witnesses.

If either party wishes to protest the determination of the Contracting Officer, such party may commence an appeal in a Court of competent jurisdiction no later than 30 calendar days from the issuance of the Contracting Officer's written decision, it being understood that the review of the Court shall be limited to the question of whether or not the Contracting Officer's determination was arbitrary and capricious, unsupported by any competent evidence, or so grossly erroneous to evidence bad faith.

Pending final decision of a dispute hereunder, the CONSULTANT shall proceed diligently with the performance of the Contract and in accordance with the COR's interpretation.

SECTION X – OWNERSHIP OF DOCUMENTS

All notes, correspondence, documents, designs, drawings, cost estimates, renderings, calculations, specifications, models, photographs, reports, surveys, investigations, and any other

documents and copyrights thereto for Services performed or produced in the performance of this Agreement, whether in paper or other hard copy medium or in electronic medium, except with respect to copyrighted standard details and designs owned by the CONSULTANT or owned by a third party and licensed to the CONSULTANT for use and reproduction, shall become the property of the COUNTY without restrictions or limitations. However, the COUNTY may grant an exclusive license of the copyright to the CONSULTANT for reusing and reproducing copyrighted materials or portions thereof as authorized by the COUNTY in advance and in writing. In addition, the CONSULTANT shall not disclose, release, or make available any document to any third party without prior written approval from COUNTY. The CONSULTANT shall warrant to the COUNTY that he/she has been granted a license to use and reproduce any standard details and designs owned by a third party and used or reproduced by the CONSULTANT in the performance of this Agreement. The CONSULTANT shall not change any Sub-consultant without prior approval of the COUNTY in response to a written request from the CONSULTANT stating the reasons for any proposed substitution.

SECTION XVII – TERMINATION OF AGREEMENT

It is expressly understood and agreed that the Director may terminate this Agreement, in total or in part, without cause or penalty, by thirty (30) days prior written notification in writing from the Director or by declining to issue Work Orders, as provided in Section VIII; in which event the COUNTY's sole obligation to the CONSULTANT shall be payment, in accordance with Section V – Compensation, for those units or sections of work previously authorized. This random audit is separate and distinct from any other audit by the County. To pay for the functions of the Office of the Inspector General, any and all payments to be made to the Contractor/Consultant under this contract will be assessed one quarter (1/4) of one (1) percent of the total amount of the payment, to be deducted from each progress payment as the same becomes due unless, as stated in the Special Conditions, this Contract is federally or state funded where federal or state law or regulations preclude such a charge. **The Contractor/Consultant shall in stating its agreed process be mindful of this assessment, which will not be separately identified, calculated or adjusted in the proposal or bid form.** The audit cost shall also be included in all change orders/amendments and all contract renewals and extensions.

The (Contractor/ Vendor/ Consultant) shall make available at its office at all reasonable times the records, materials, and other evidence regarding the acquisition (bid preparation) and performance of this contract, for examination, audit, or reproduction, until three (3) years after final payment under this contract or for any longer period required by statute or by other clauses of this contract. In addition:

1. If this contract is completely or partially terminated, the (Contractor/ Vendor/ Consultant) shall make available records relating to the work terminated until three (3) years after any resulting final termination settlement; and

2. The (Contractor/ Vendor/ Consultant) shall make available records relating to appeals or to litigation or the settlement of claims arising under or relating to this contract until such appeals, litigation, or claims are finally resolved.

The provisions in this section shall apply to the (Contractor/Vendor/Consultant), its officers, agents, employees, subcontractors/subconsultants and suppliers. The (Contractor/Vendor/Consultant) shall incorporate the provisions in this section in all subcontracts and all other agreements executed by the (Contractor/Vendor/Consultant) in connection with the performance of this contract.

subcontracts and all other agreements executed by the Contractor/Consultant in connection with the performance of this agreement. SECTION XXVI - SANCTIONS FOR CONTRACTUAL VIOLATIONS

Proposal and contract documents shall provide that, notwithstanding any other penalties for firms that have discriminated in violation of Article VII of Chapter 11A of the Code, the COUNTY may terminate the contract or require the termination or cancellation of the sub-consultant contract. SECTION XXVIII – ERRORS AND OMISSIONS

The COUNTY shall maintain a record of all construction changes that shall be categorized according to the various types, causes, etc. that the COUNTY may determine are useful or necessary for its purposes. Among those categories are construction changes caused by design errors or omissions in the bid documents that were prepared by the CONSULTANT. For the purposes of this contract provision, errors and omissions shall be dealt with differently, as follows:

A. Errors

It is specifically agreed that any construction changes categorized by the COUNTY as an error in the bid documents that were prepared by the CONSULTANT will constitute an additional cost to the COUNTY that would not have been incurred without the error. The CONSULTANT shall participate in all negotiations with the contractor related to this section. Such CONSULTANT participation shall be at no additional cost

to the COUNTY. Failure by the CONSULTANT to participate in the negotiations with the contractor shall constitute a waiver of CONSULTANT's rights to contest the appropriateness or amount of any settlements or change orders.

In executing this agreement, the CONSULTANT and his insurer specifically agree to the reasonableness of these damage calculations and to the COUNTY'S right to recover same as stated above. 1. Set-Aside Agreements

   a. Respondent's Responsibilities for Agreement Set-Asides:

      i. In order to submit a proposal on a set-aside agreement, the proposer (and all sub-consultants) must be certified as first-tier CBE-A/Es prior to proposal submission date. A CBE-A/E awarded a set-aside agreement shall not transfer to a non-CBE-A/E or a second-tier CBE-A/E, through subconsulting or otherwise, any part of the actual work of the agreement unless the proposal documents expressly and specifically permit such transfer as consistent with normal industry practice or the CBE-A/E requests and receives prior to agreement award, an approval letter from SBD.

      ii. A first tier CBE-A/E that performs the work of a set-aside agreement with its own forces may count such work towards reducing the CBE-A/E set-aside applied to the agreement by a maximum of one hundred (100) percent.

iii. Respondents on agreement set-asides must submit completed "Letter(s) of Agreement" (Form CBE 105) at the time of proposal submission. Respondents who fail to submit the required Letter(s) of Agreement shall be considered non-responsive.

iv. Defective Letter(s) of Agreement that are incomplete or inaccurate upon notification by the Department of Small Business Development may be corrected within 48 hours from notification by the department. Examples of defects include, but are not limited to, improperly executed letters, the listing of unidentifiable CBE-A/Es and percentage miscalculations that are not mere clerical errors apparent on the face of the Letter of Agreement.

b. The following shall constitute a violation of these Provisions as they relate to an agreement that is set-aside:

i. Submission of Letter(s) of Agreement of first-tier CBE-A/E subconsultants that the respondent knew or should have known is incomplete or inaccurate;

ii. After proposal submission due date, deviations from the Letter of Agreement without the written approval of the Compliance Monitor;

iii. The utilization of a non-certified or a second-tier CBE-A/E.

iv. A first-tier CBE-A/E serving as a conduit for set-aside CBE-A/E work awarded to a firm as a first-tier CBE-A/E but which is being performed by a non-CBE-A/E or a second-tier CBE-A/E firm;

v. Not obtaining or retaining first-tier CBE-A/E certification while performing work on a set-aside designated for first-tier CBE-A/E firms;

vi. Failure to submit "Architecture & Engineering Utilization Reports";

ix. Unjustified failure to enter into a written subconsultant agreement with a first-tier CBE-A/E after listing the firm on a "Letter of Agreement."

2. Subconsultant Goals

The purpose of a subconsultant goal is to have portions of the work under the prime consultant performed by available subconsultants that are certified CBE-A/Es for agreement values totaling not less than the percentage of the prime agreement value set out in the proposal form.

a. Respondent's Responsibilities for Subconsultant Goals:

i. Respondents must submit a completed Letter of Agreement (Form CBE 105) at the time of proposal submission identifying all CBE-A/Es to be utilized to meet the subconsultant goal, the professional service designation of work each will perform, and the percentage of such work. The Letter of Agreement constitutes a written representation by the respondent that, to the best of the respondent's knowledge, the CBE-A/E/s listed is/are qualified and available to perform as specified. The Letter of Agreement is a commitment by the respondent that, if awarded the agreement, it will enter into written subconsultant agreements with the identified CBE-A/Es for the scope of work at the percentage set forth in the Letter of Agreement.

ii. Respondents who fail to submit the required Letter of Agreement at the time of proposal submission shall be considered non-responsive.

iii. Defective Letters of Agreement that are incomplete or inaccurate upon notification by the Department of Small Business Development may be corrected within 48 hours from notification by the department. Examples of defects include, but are not limited to, improperly executed letters, the listing of unidentifiable CBE-A/Es and percentage miscalculations that are not mere clerical errors apparent on the face of the Letter of Agreement.

iv. Only a successful respondent that is a second tier CBE-A/E or a second tier CBE-A/E joint venture may perform up to one hundred percent (100%) of a CBE-A/E subconsultant goal with its own forces.

v. Expenditures to subconsulting CBE-A/Es shall be counted toward meeting specified subconsultant goals as follows:

(1) One hundred percent (100%) of the expenditures to a CBE-A/E that performs a commercially useful function in the supply of services required for the fulfillment of the agreement;

(2) One hundred percent (100%) of the expenditures to CBE-A/Es that subconsult work further to non-CBE-A/Es, only if the proposal documents expressly and specifically permit such subconsulting as consistent with normal industry practice, or if the respondent or CBE-A/E requests and receives prior to agreement award an

approval letter from SBD;

(3) One hundred percent (100%) of the expenditures to CBE-A/Es that perform actual work with their own forces;

(4) None of the expenditures to a CBE-A/E that acts essentially as a conduit to transfer funds to a non-CBE-A/E unless the proposal documents expressly and specifically permit such transfers as consistent with normal industry practice or the respondent or CBE-A/E requests and receives prior to agreement award an approval letter from SBD; and

(5) Only expenditures to CBE-A/Es made under a written subconsultant agreement executed by both the prime consultant and the CBE-A/E shall be counted towards meeting the subconsultant goal.

vi. Respondents whose proposals do not meet the specified goal, in order to remain eligible, must submit to the Contracting Officer no later than 4:00 p.m. on the second business day following proposal submission, evidence proving the lack of available CBE-A/Es to afford effective competition to provide the services to meet the goal. To prove lack of availability, respondents must submit the following:

(1) Unavailability Certificates (Form CBE 103) either completed and signed by all of the CBE-A/Es certified to perform the scopes of work or completed and signed by the respondent explaining the contacts with all of the CBE-A/Es certified to perform the scopes of work, statements or actions of the CBE-A/Es showing unavailability, and the reason(s) why the CBE-A/Es' signature could not be obtained;

(2) A listing of any proposals received from a CBE-A/E, the scope of work, percentage of work and the respondent's reasons for rejecting each proposal;

(3) A statement of the respondent's contacts with SBD for assistance in determining available CBE-A/Es;

(4) A description of the respondent's process for soliciting and evaluating proposals from CBE-A/Es, including copies of telephone logs detailing time, date and name of contacts with potential subconsultants;

(5) Respondents may establish a CBE-A/E as unavailable if its proposal is not reasonably competitive with comparable proposals of non-CBE-A/E s for the same scope of work. To establish a CBE-A/E as

unavailable if its proposal is not considered reasonably competitive, the prime consultant must furnish SBD with copies of all proposals received from all firms, both CBE-A/Es and non-CBE-A/Es, for each specific scope of work for which they are claiming that the proposal is not reasonably competitive. A CBE-A/E's proposal will be considered reasonably competitive if its proposal, for the same scope of work, is within 25% of the proposal of comparably sized non-CBE-A/E firms;

b. Respondents whose proposals do not meet the specified goal, and who do not prove lack of availability as indicated in 2. (a.) (vi.) above are not in compliance with these Provisions. The following shall constitute non-compliance with these Provisions as it relates to an agreement which has a CBE-A/E subconsultant goal:

   i. The utilization of a non-certified CBE-A/E;

   ii. A CBE-A/E serving as a conduit for CBE-A/E work awarded to a firm as a CBE-A/E but which is being performed by a non-CBE-A/E firm;

   iii. A prime consultant not meeting CBE-A/E subconsultant goal requirements;

   iv. Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;

   v. Failure to submit Architecture & Engineering Utilization Reports;

   vi. Deviations from the Letter of Agreement without prior approval from SBD;

   vii. Termination of the CBE-A/E's agreement without prior approval from SBD;

   viii. Reduction of the scope of work of a CBE-A/E subconsultant without prior approval from SBD;

   ix. Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or

   x. Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a Letter of Agreement.

c. County Responsibilities for Agreements Set-Asides and Subconsultant Goals:

   i. SBD shall review the Letter/s of Agreement, and Unavailability

Certificates to determine compliance with the agreement set-aside, or subconsultant goal stated in the proposal documents. The Compliance Monitor may meet with a respondent before recommending that the Contracting Officer determine non-compliance. This written recommendation shall be forwarded to the respondent and the Contracting Officer.

ii. In the event that the Contracting Officer receives a recommendation of non-compliance from the Compliance Monitor, he or she may conduct a meeting or hearing at which the respondent shall be afforded an opportunity to present data supporting its compliance with the goal. The Contracting Officer shall consider the evidence and make a determination as to compliance.

F. DESIGN-BUILD CONTRACTS

The design portion of the design-build contract is subject to the procedures outlined in these Provisions.

G. PROMPT PAYMENT

It is the County's intent that all firms, including CBE-A/Es providing professional services to the County, shall receive payments promptly in order to maintain sufficient cash flow.

   b. Prime consultant agreements to which a CBE-A/E subconsultant goal has been applied shall require that billings from CBE-A/Es be promptly reviewed and payment made to such CBE-A/Es on those amounts not in dispute within two (2) business days of receipt of payment therefore. The foregoing notwithstanding, the prime consultant shall pay billings from CBE-A/E subconsultants with whom they are in direct privity that are not in dispute within the timeframe recommended by the CBE-A/E Advisory Board and implemented by Administrative Order 3-32 as approved by the Board of County Commissioners.

   c. The prime consultant on an agreement to which a CBE-A/E subconsultant goal has been applied shall inform SBD, the Contracting Officer, and the CBE-A/E subconsultant, in writing, of those amounts billed by the CBE-A/E which are in

dispute, and the specific reasons why they are in dispute, within seven (7) calendar days of submittal of such billing by the CBE-A/E subconsultant to the prime consultant.

d. Failure of the prime consultant to comply with the applicable requirements of Section (G)(1)(c) above shall result in the prime consultant's forfeiture of the right to use the dispute as justification for not paying the CBE-A/E subconsultant and payment shall be forthcoming from the prime consultant.

2. County Responsibilities

a. Proposal documents for agreements with CBE-A/E agreement set-asides, or subconsultant goals shall require that billings from subconsultants under prime consultant agreements with Miami-Dade County, Fire or the Public Health Trust that are a CBE-A/E agreement set-aside or which contain a subconsultant goal shall be promptly reviewed and payment made by the County, Fire or Trust on those amounts not in dispute within fourteen (14) calendar days of receipt of such billing by the County, Fire or the Trust.

b. SBD may investigate reported instances of late payment to CBE-A/Es.

H. AGREEMENT COMPLIANCE AND MONITORING

1. Compliance Review

a. The Compliance Monitor shall review respondent's submission for compliance with these Provisions on every agreement to which a CBE-A/E agreement set-aside, or subconsultant goal has been applied. The purpose of this review shall be for the Compliance Monitor to consider whether to recommend the respondent's proposal is determined to be in compliance or non-compliance with the requirements of these Provisions. The Compliance Monitor may consider relevant information from any person in making this decision. The Compliance Monitor may require the respondent to produce information deemed pertinent and appropriate and may obtain further information from whatever sources the Compliance Monitor deems appropriate.

b. The Compliance Monitor shall notify the respondent in writing stating the facts and the reasons on which the non-compliance is based. The respondent

may request a meeting within five (5) business days from the date of the notification of non-compliance. The respondent shall supply further relevant information as required by the Compliance Monitor. No new or altered Letter of Agreement will be accepted.

c. The Compliance Monitor shall make a written recommendation to the Contracting Officer, which shall include a statement of the facts and reasons for which the non-compliance is based.

d. Following receipt of a recommendation of non-compliance from the Compliance Monitor, the Contracting Officer shall review the Compliance Monitor's recommendation of respondent's non-compliance with these Provisions. The Contracting Officer shall notify the respondent of such non-compliance. The respondent may request a meeting within five (5) business days from the date of notification of non-compliance with the Contracting Officer if the Contracting Officer was not present at the first meeting referenced in Subsection (1)(b) above. The respondent shall supply further relevant information as required by the Compliance Monitor. No new or altered Letter of Agreement will be accepted.

e. The Contracting Officer, in conjunction with the Compliance Monitor, may conduct an informal meeting with the respondent. Other parties may be invited to offer information relevant to the issue of the respondent's non-compliance.

f. The Contracting Officer shall provide a written determination of the respondent's compliance with these Provisions, along with a recommendation whether to award the agreement to the respondent, to the County Manager. A copy of such recommendation shall be sent to the respondent. Such recommendation shall not affect the power of the Board of County Commissioners to reject the respondent's bid for any other reason or to take such action on the recommendation of the Contracting Officer as the Board deems appropriate.

g. Consideration of other proposals. If the Contracting Officer or Compliance Monitor deems it advisable in the interest of expediting the award of the agreement, the procedures set forth in this subsection may be carried out with respect to the proposals of one or more additional respondents at the same or different time with each such proceeding to be separately conducted.

h. Failure of respondent to participate. The respondent will be bound by the proceedings under this subsection to which they have been given required notice without regard to their participation or lack of participation. A lack of participation upon receiving notices and requests pursuant to these Provisions shall not be grounds for reconsideration of any action taken in the proceedings.

i. Miami-Dade County shall not award an agreement to any respondent which, in its determination, fails to comply with the applicable requirements of these Provisions. Nothing herein shall relieve any respondent from any of the terms, conditions or requirements of the contract or modify Miami-Dade County's rights as reserved in the agreement document.

2. Post-Award Compliance and Monitoring

a. Approval of Subconsultant Agreements

The Successful Respondent shall submit to the Contracting Officer, for approval, written subconsultant agreements corresponding in all respects to the Successful Respondent's Letter of Agreement. The Successful Respondent shall enter into a written subconsultant agreement with each listed CBE-A/E subconsultant and shall thereafter neither terminate any such subconsultant agreement, nor reduce the scope of work to be performed by, or decrease the price to be paid to the first tier CBE-A/Es thereunder, without in each instance obtaining prior written approval of the Contracting Officer. The Contracting Officer shall not give a final written determination without a recommendation from the Compliance Monitor.

b. Access to Records

Successful respondents and CBE-A/Es shall permit the County to have access during normal business hours to books and records relating to the respondent's compliance with the agreement set-aside, or subconsultant goal applied to the agreement or relating to CBE-A/E compliance with certification requirements. Such books and records include but are not limited to corporate documents, charters, organizational filings, tax filings, registrations, licenses, stock registrations, partnership agreements, contracts, subcontracts, joint venture agreements, telephone logs, checking accounts, journals, ledgers, correspondence, pension and benefits documents, and documents and records between the respondent or the CBE-A/E and other entities. This right of access shall be granted for one year after completion of the work or full payment of the agreement obligation, whichever comes last, or for one year after the expiration of CBE-A/E certification.

c. Access to Job Site

Successful respondents and CBE-A/Es shall permit the County to have access to project locations during normal business hours in order to conduct visual inspections and employee interviews.

d. Monthly/Quarterly Reporting

The successful respondent on a project that is a CBE-A/E agreement set-aside

or on a project with CBE-A/E subconsultant goals shall submit monthly a Architecture & Engineering Utilization Report to the Compliance Monitor through the Contracting Officer on or before the tenth working day following the end of the month the report covers. The Compliance Monitor shall give standard reporting forms to the successful respondent. The Architecture & Engineering Utilization Report is to be completed by the successful respondent. Where a subconsultant goal has been imposed, the Architecture & Engineering Utilization Report shall include information on CBE-A/Es utilized to meet such subconsultant goal. Failure to comply with the reporting requirements may result in the imposition of contractual sanctions or administrative penalties by the County.

e. Deviations from the Letter of Agreement

i. In the event that, during the performance of an agreement, the CBE-A/E is not able to provide the services specified on the Letter of Agreement, the successful respondent must locate a CBE-A/E to substitute for the unavailable CBE-A/E, unless the respondent can prove the lack of an available CBE-A/E to provide the services to be provided by the prior CBE-A/E. The successful respondent must receive approval for substitution from SBD by submitting a request in writing addressed to the Director of SBD through the Contracting Officer. The request must include a revised Letter of Agreement to include the substitute CBE-A/E. The Compliance Monitor will review the request and make a recommendation regarding the substitution to the Contracting Officer. A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, and telephone numbers of all CBE-A/Es contacted, and the date of contact for each CBE-A/E. All certified CBE-A/Es certified in the appropriate professional service area under the technical certification categories must be contacted in order to prove lack of an available CBE-A/E.

ii. The Compliance Monitor shall be responsible for monitoring the performance of the successful respondent regarding compliance with agreement set-asides, or subconsultant goals applied to the agreements. The Compliance Monitor may, at his or her discretion, investigate deviations in the utilization of CBE-A/Es from that described on the Schedule of Participation, and make recommendations regarding compliance to the Contracting Officer. The Contracting Officer shall not make a final determination without a recommendation regarding compliance from the Compliance Monitor. Deviations from the goal stated in the agreement that shall be monitored include, but are not limited to:

(1) Termination of a CBE-A/E's subconsultant agreement;

(2) Reduction in the scope of work to be performed by a CBE-A/E;

(3) Modifications to the terms of payment or price to be paid to a CBE-A/E; or

(4) Failure to enter into a subconsultant agreement with a CBE-A/E being utilized to meet a subconsultant goal.

iii. Excuse from entering into subconsultant agreements:

If, prior to execution of a subconsultant agreement required by these Provisions, the successful respondent submits a written request to the Contracting Officer demonstrating to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not reasonably have been aware until subsequent to the date of the award of the agreement, a CBE-A/E who is to enter into such subconsultant agreement has unreasonably refused to execute the subconsultant agreement, or is not available, the successful respondent shall be excused from executing such subconsultant agreement. The procedures of paragraphs (v.) and (vi.) below shall apply to this paragraph.

iv. Termination of Subconsultant Agreements:

If, after execution of a subcontract required by these Provisions the successful respondent submits a written request to the Contracting Officer and demonstrates to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not be reasonably have been aware until subsequent to the date of execution of such subconsultant agreement, a CBE-A/E, who entered into such subconsultant agreement has committed a material breach of the subconsultant agreement, the successful respondent shall be entitled to exercise such rights as may be available to him/her to terminate the subconsultant agreement. The procedures of paragraphs (v.) and (vi.) below apply to this paragraph.

v. County's Determination of Respondent's Excuse or Termination:

If the successful respondent at any time submits a written request to the Contracting Officer under the prior two paragraphs, the Contracting Officer as soon as practicable, shall determine whether the Successful Respondent has made the requisite demonstration, and shall not determine that such a demonstration has not been made without first providing the successful respondent, upon notice, an opportunity to present pertinent information and arguments. The procedures of paragraph (vi.) below apply to this paragraph.

vi. Alternative Subconsultant Agreements:

(1) If the successful respondent is excused from entering into a subconsultant agreement or rightfully terminates a subconsultant agreement under this Administrative Order and without such subconsultant agreement, the Successful Respondent will not achieve the level of CBE-A/E participation upon which the agreement was awarded, the Successful Respondent shall make every reasonable effort to propose and enter into an alternative subconsultant agreement or subconsultant agreements for the same work to be performed by another available CBE-A/E as appropriate, for a subconsultant agreement price or prices totaling not less than the subconsultant agreement price under the excused or terminated subconsultant agreement, less all amounts previously paid thereunder.

(2) The Successful Respondent must submit to the Compliance Officer a revised Letter of Agreement to include the substitute CBE-A/E.

(3) A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, telephone numbers, and the date of contact for each CBE-A/E. All CBE-A/Es certified within the appropriate professional service area under the technical certification categories must be contacted.

(4) The Compliance Monitor may require the successful respondent to produce such information as the Compliance Monitor deems appropriate and may obtain further information from other sources. The Compliance Monitor shall make his/her recommendation under this paragraph to the Contracting Officer and forward a copy to the respondent.

(5) The Contracting Officer will consider objections to the Compliance Monitor's recommendation only if such written objections are received by the Contracting Officer within five (5) calendar days from the successful respondent's receipt of the Compliance Monitor's recommendation. The Contracting Officer with or without a hearing, and as he/she in his/her discretion may determine, will reply to the successful respondent's written objection within ten (10) days of receipt of these objections.

I. SANCTIONS FOR AGREEMENT VIOLATIONS

Proposal and agreement documents shall provide that, notwithstanding any other penalties or sanctions provided by law, a respondent's violation of or failure to comply with the CBE-A/E Ordinance, Administrative Order and these Provisions may result in the imposition of one or more of the following sanctions:

1. The suspension of any payment or-part thereof until such time as the issues concerning compliance are resolved;

2. Work stoppage;

3. Issuance of fines of up to two (2%) percent of the contract amount, said fines to be deducted from invoices;

4. Termination, suspension, or cancellation of the agreement in whole or part;

5. In the event a respondent or CBE-A/E attempts to comply with the provisions of this ordinance through fraud, misrepresentation, or material misstatement, or is found after a hearing to have discriminated in violation of Article VII of Chapter II A of the Miami-Dade County Code, the County shall, whenever practicable, terminate the agreement or require the termination or cancellation of the subconsultant agreement for the project on which the respondent or CBE-A/E committed such acts. In addition, and as a further sanction, the County Manager or his or her designee may impose any of the above-stated sanctions on any other agreements or subconsultant agreements the respondent or CBE-A/E has on County projects. In each instance, the respondent or CBE-A/E shall be responsible for all direct and indirect costs associated with such termination or cancellation including attorney's fees and costs. The respondent or CBE-A/E may also be subject to debarment.

6. In the event that a respondent fails to achieve the CBE-A/E measures after the agreement completion, the respondent will be required to make up the CBE-A/E deficit for an amount equal to double the amount of the CBE-A/E measure deficiency. The procedures for making up the CBE-A/E deficit are as follows:

    a. Upon completion of a County agreement with CBE-A/E measures, the compliance monitor for SBD, in accordance with County Code governing the CBE-A/E program, will obtain the final Architecture & Engineering Utilization Report and determine if the respondent has met the CBE-A/E measures.

    b. If the respondent has not met the CBE-A/E measures, the compliance officer will notify the respondent in writing of the CBE-A/E deficit.

    c. If the respondent is found in non-compliance with the CBE-A/E measures, the compliance officer may issue a letter of non-compliance requesting that the respondent make up the CBE-A/E deficit on an existing or future County agreement for double the amount of the deficit on the agreement in question.

The respondent will also be required to submit a plan indicating any current or future County agreements in which the CBE-A/E deficit will be remedied.

d. The respondent must respond to SBD in writing within ten (10) business days from the date of the non-compliance letter. The respondent must acknowledge receipt of the non-compliance letter and provide a plan to make up the CBE-A/E measure.

e. The compliance monitor will review the plan for approval.

f. When an agreement is identified in which the CBE-A/E measure deficit will be remedied, the respondent will provide Letter(s) of Agreement for the CBE-A/E firm(s) that will be utilized in making up the deficit.

g. The respondent will remain in a non-compliance status until the CBE-A/E make-up goal has been achieved.

h. Failure of the respondent to make up the CBE-A/E measure when opportunities are available on existing or future County agreements will result in the sanctions or the imposition of other penalties, or as referenced in Sections I. and J.

Some of the agreement violations that may result in the imposition of the sanctions listed in Section I. above include, but are not limited to, the following:

i. A CBE-A/E serving as a conduit for CBE-A/E work awarded to a final as a CBE-A/E but which is being performed by a non-CBE-A/E firm;

ii. A prime consultant not meeting CBE-A/E Program subconsultant goal requirements;

iii. Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;

iv. Failure to submit Architecture & Engineering Utilization Reports;

v. Failure to comply with CBE-A/E certification requirements, including not-maintaining a place of business in Miami-Dade County, not reporting organizational and operational changes, providing inaccurate or false information, and other certification related violations;

vi. Failure to maintain certification;

vii. Deviations from the Letter of Agreement without prior approval from SBD;

viii. Termination of the CBE-A/E's agreement without prior approval from SBD;

ix. Reduction of the scope of work of a CBE-A/E subconsultant agreement without prior approval from SBD;

x. Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or

xi. Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a Letter of Agreement to meet a subconsultant goal.

J. ADMINISTRATIVE PENALTIES

1. DEBARMENT

a. The County may debar a CBE-A/E or a non-CBE-A/E for violation of, or non-compliance with, the provisions of the County Code governing the CBE-A/E Program and implementing proposal documents.

b. Causes for debarment are as noted in Section 10-38 of the Code. These include but are not limited to, a preponderance of evidence that the CBE-A/E has forfeited a bond or defaulted on financial assistance, either of which was provided under the CBE-A/E program; or if any individual or corporation, partnership or other entity, or any individual officer, shareholder with a significant interest, director or partner of such entity, qualifying agent or affiliated business of such entity attempts to comply with these Provisions through fraud, misrepresentation, or material misstatement.

2. DECERTIFICATION

Violations of certification requirements are addressed in Section II of this Administrative Order 3-32.

K. APPEALS PROCESS

1. This appeals process does not apply to appeals of decisions made pursuant to proposal documents implementing the CBE-A/E program when such proposal documents provide procedures for appeals of such decisions.

2. Upon a denial of certification, a decertification, a determination of non-compliance with the requirements of provisions of the County Code governing the CBE-A/E program, or implementing proposal documents, which decision will be final unless appealed, the Compliance Monitor shall notify the affected party, in writing, setting

forth the reasons for the determination and advising of this appeals process.

3. The affected party may appeal the determination by filing a written appeal with the Director of SBD within thirty (30) days of receipt of the notice.

4. SBD shall forward all written appeals to the RC. The RC or a committee thereof appointed by the chairperson shall hear all appeals and forward recommendations regarding the appeal to the County Manager.

5. Decisions by the County Manager shall be final unless the County Commission agrees in its sole discretion upon request by the affected party to review the County Manager's decision.

Port Security

The Port of Miami is now recognized as one of Florida's leading ports in safety and security.

Cutting-edge technology and progressive procedures are in place that provide heightened levels of protection and, at the same time, support compliance with port business policies.

Partners in this comprehensive initiative include: U.S. Customs and Border Protection, U.S. Coast Guard, Florida Department of Law Enforcement, Florida Fish and Wildlife Commission, Miami-Dade Police and Fire-Rescue Departments and others working to achieve a shared, united mission.

These highly efficient efforts are actually helping to move legitimate commerce through the Port in a faster, more seamless and cost-effective manner than ever before.

For example, the Port of Miami, working with U.S. Customs and Border Protection, was the first port in the Southeast to install radiation portal monitors, or RPMs, a state-of-the-art inspection technology that bolsters security without impeding the flow of cargo.

The Port of Miami has one of the industry's most technologically advanced cargo gate facilities, integrating security functions, such as access control and credentialing, with business processes, including permitting and accounting. A combination of trendsetting software and hardware components produces faster processing times and, while ensuring compliance with Port business policies at the 16-lane cargo complex.

Long lines of waiting trucks may be common at other ports, but not at the Port of Miami, where processing times of less than two minutes are typical for effective completion of all security and financial procedures.

SEAPORT SECURITY

WHY IS IT IMPORTANT?

WHAT YOU NEED TO KNOW?

WHY ARE YOU IMPORTANT?

We will attempt in this booklet to explain why the success of the Port of Miami Identification Card (POM ID) Program and compliance with the Port of Miami (POM) Facility Security Plan (FSP) is directly dependent upon you, the ID card holder.

In order for the Port of Miami to operate as a seaport, it must meet certain criteria established by Federal, State and Local Authorities. Therefore, knowing and understanding these regulations and ensuring compliance with these regulations is critical to the success of the Port's FSP.

Access to the Restricted Access Areas (RAA) of the Port is a privilege which can be revoked, suspended, or denied anytime an individual or company is found to be in noncompliance with Federal, State, or Local rules and regulations.

Therefore, it is importance that you read this booklet very carefully. In it you will find:

- What constitutes a Restricted Access Area and what you need be aware of while in these areas.
- Employees' Responsibilities.
- Enforcement of Violations.
- Procedures for reinstating a confiscated POM ID.

RESTRICTED ACCESS AREA (RAA):

It is any area identified by the Port, which an individual is required to continuously display a valid POM ID card. POM RAAs and restricted area warning signage is clearly posted to indicate that access to these areas is restricted and unauthorized presence within the area constitutes a breach of security. The RAAs are cargo storage or staging areas, docks and berths, fuel storage or transfer yards, cruise terminals when in use for cruise operation, the areas underneath the Main Port Bridge and/or any other area designated by the Port, as needed.

To identify and maintain accountability of those employees allowed to be in the RAA, controlled areas of the Port, and/or on the Port on a regular basis for work purposes and to maintain Port security as required by the U.S. Department of Homeland Security (DHS), U.S. Coast Guard, the Florida Department of Law Enforcement (FDLE), and Miami-Dade County, the Port of Miami has developed an Identification Card Program.

The Port issues an ID card to individuals permanently employed contingent upon the successful completion of a fingerprint based criminal history background check. In addition, the ID card is color-coded based on the type of access required for the performance of their duties.

POM GREEN ID CARD (UNESCORTED ACCESS)

Individual must possess a TWIC card in order to obtain a green POM ID with unescorted access to restricted areas. This POM ID will have the same expiration as the TWIC card (up to 5 years). Applicants must fill out an application and sign an affidavit.

POM YELLOW ID CARD (ESCORTED ACCESS)

Individual does not have a TWIC card and is permitted to access restricted areas only under escort from a POM ID / TWIC card holder. This POM ID is issued annually and no affidavit is required.

Note: Any person conducting an escort of a non-TWIC card holder in a Restricted Access Area must have a valid POM ID and TWIC. Escorts must stay with a non-TWIC card holder at all times.

POM RED ID CARD
(NO ACCESS)

Individual does not have a TWIC card and does not require regular access to the restricted areas (i.e. tenants of POM Administration Building, etc). This POM ID will be issued annually.

Note: POM ID card rules and regulations apply to everyone without exception, regardless of duties, affiliation, position, or past practices. The Port Director or his designee reserves the right to revoke authorization to possess an identification card when such action is warranted.

BOARD OF COUNTY COMMISSIONERS
OFFICE OF THE COMMISSION AUDITOR

Legislative Notes

Agenda Item:	**8K1**
File Number:	**112491**
Date of Analysis:	**December 21, 2011**

Summary

This resolution approves the Professional Services Agreement (PSA) Contract Number E11-SEA-01 between Camp Dresser & McKee Inc. (CDM) and Miami-Dade County for a total contract amount of $1,500,000.00.

The Consultant will provide professional environmental and engineering services (to include coordination with all regulatory agencies as appropriate) for the Port of Miami. The services consist of traditional environmental port elements both on and off port properties.

Background and Relevant Information
The Seaport Department is finalizing its 2035 Master Plan, which sets the foundation for its Capital Improvement Plan. This plan has over $200 million in new infrastructure, which requires extensive environmental permitting and related services to maintain the Port's sustainability. This PSA is needed to provide environmental permits in a timely manner along with maintaining the initiatives set forth in the Green Port's Program.

A Notice to Professional Consultants (NTPC) was advertised on July 22, 2011. Twelve proposals were received on August 22, 2011, in response to the NTPC. All twelve respondents were found in compliance with the NTPC requirements and the top three ranked firms were forwarded to the Sustainability, Planning, and Economic Enhancement Department (SPEED) for review and found in compliance with the Community Business Enterprise goal established for this solicitation. *The final qualitative rankings for the top three firms were as follows: Firm No. 1, Camp Dresser & McKee Inc. received 435 points; Firm No. 2, AMEC E&I, Inc. received 433 points; and Firm No. 3, CH2M Hill, Inc. received 431 points.*

On September 15, 2011, the Competitive Selection Committee (CSC) appointed by the Mayor conducted a First Tier Meeting to evaluate the proposals received.

Based on the CSC's professional expertise, the information provided in the proposals was deemed sufficient to determine the qualifications of the teams. As a result of said determination, and by a unanimous vote, the CSC decided to forego Second-Tier proceedings and recommended that negotiations be conducted with CDM. The Mayor concurred with the CSC and on October 21, 2011, the first and only negotiation meeting was held.

CDM's Firm History
The Office of the Commission Auditor conducted a review of the firm's history and provides the following notes:

This review included a company profile, list of principals, recent and previous contracts with Miami-Dade County, performance evaluations, change orders, settlement agreements, and history of violations. The review also includes the compliance history of contracts awarded to CDM, as well as CDM's current status with the Responsible Wages and Benefits Ordinance. The Department of Small Business Development (SBD) is responsible for monitoring compliance with the County's small business programs for construction services. SBD monitors the CSBE Program, the Responsible Wages and Benefits Ordinance, and conducts audits throughout the term of each contract. The Responsible Wages and Benefits requirements are included in all solicitation documents.

- As of December 21, 2011, the Capital Improvements Information System (CIIS) shows an average evaluation for CDM of 3.7 out of a possible 4.0 being the highest rating possible.
- Pursuant to Small Business Development's firm history report, CDM does not have violations with the County.
